Your Excellency:

In accord with the norms of *Sacramentorum sanctitatis tutela*, I am submitting once again for your consideration the case of a priest of the Archdiocese of Milwaukee, Reverend John C. Wagner, who has been accused of multiple counts of sexual abuse of minors. The summary of these allegations is enclosed. The chart is highlighted with updated portions showing that additional concerns have arisen. Father Wagner has admitted that some acts of sexual assault occurred but denies others. He has now cut off all contact with representatives of the Archdiocese so we have no way of confronting him on these additional reports, especially the extremely disturbing one that he may still be in contact with teenage boys. Therefore, the liability for the Archdiocese is great, as is the potential for scandal if it appears that no definitive action has been taken. Pending state legislation to abolish retroactively the statute of limitations will gain more supporters if it appears we are letting these pending cases languish.

As we have reviewed the various files and heard reports from victims, it is clear that he consistently abused his office both to gain access to vulnerable adolescents, male and female indiscriminately, and to elicit the trust of their parents. Both in his parochial assignments and in his campus ministry positions, he found opportunities to abuse his office in a flagrant and repetitive fashion. He has exhibited no remorse for these serious offences. His only concern has been his financial status. It was on the basis of finances that the canonical procedures in 1995 were abandoned.

The impact on his various victims has been significant. The Archdiocese of Milwaukee has yet to even locate all of the potential victims that could come forward for assistance. Our new found awareness of the severity of damage caused by sexual abuse at the hands of clergy makes it impossible for us to ignore this situation or allow any longer the unresolved nature of this case.

Given the nature and frequency of the alleged and admitted sexual abuse, along with the serious abuse of office, I have pondered long and hard to arrive at an opinion about the most appropriate action to be taken. In order that justice may be made manifest and healing of the victims and the Church may proceed, I am asking that Reverend John C. Wagner be dismissed *ex officio* from the clerical state. Whatever financial needs he may have can be provided for from a fund that can be set up for him until he is eligible for a pension.

If the judgement of Your Excellency is that this case should proceed to a dismissal by decree of your Congregation, I would cede to that judgement. The severity of the offenses is such that it is my opinion that these requests are justified.

I look forward to your further instructions in this matter.

Thank you.

With sentiments of deepest esteem and prayerful best wishes, I am,

Sincerely yours in Christ,

Your Excellency,

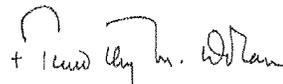

With regard to the above-captioned case, I have pondered long and hard about your suggestion that we impose a ten-year precept on Reverend Thomas Trepanier and then consider his return to ministry. I respectfully submit that such a resolution is not tenable. Ten years will not eradicate the facts in this matter; Father Trepanier sexually abused a minor and can never, therefore, function as a priest again. There is no such thing as a "safe" ministry when his background is publicly known by his own admissions.

I respectfully implore you to reconsider and confirm the results of the administrative process that was conducted here and grant the administrative laicization. This was a decision reached only after serious deliberation with some of my most trusted canonical consultants. There is currently pending civil legislation in Wisconsin attempting to abolish the statute of limitations on sexual assault retroactively. Such legislation would seriously compromise the Archdiocese's ability to exercise its mission. The more we can demonstrate our seriousness about purifying the priesthood as the Holy Father has implored us to do, the more we can speak credibly about the adverse effects of such legislation. Our critics challenge us on the fact that known abusers have still not been laicized. If word got out that the Holy See had left the door open for a reconsideration of Father Trepanier's case in ten years, our credibility would be seriously damaged.

Thank you for your reconsideration of this case.

With sentiments of esteem, I am,

Sincerely yours in Christ,

Most Reverend Timothy M. Dolan
