

On Thursday, June 22, 1989 I had an extended conversation with [REDACTED] (home, [REDACTED]), a very disturbed woman, alleging that her nervous breakdown which began between 1958-1963 was caused by her referral to psychologist [REDACTED] by Dave Hanser at Christ King Parish.

On Tuesday, June 27, 1989 I spoke with [REDACTED] at St. Luke Hospital who reported that [REDACTED] had been making allegations about Dave's past with the result that Dave was informed by Chaplain Harvey Berg that he should not apply for a second quarter of CPE in the Fall. Dave used the CPE process well and did complete the quarter unit.

On Friday, October 6, 1989 I met with Dave and Dr. [REDACTED] the therapist, at Milwaukee Psychiatric Hospital, with whom David has been meeting weekly for the past year. I outlined recent developments and reiterated the fact that assignment to parish ministry does not seem feasible at this time. Both concurred that parish ministry is not within Dave's desire, but rather continued CPE certification toward hospital ministry remains his current objective. He is in an extended program at St. Joseph Hospital which will finish in March, 1990 and hopes to be available for assignment to hospital ministry in spring of 1990. Dr. [REDACTED] stated that he would be willing to write a letter including a professional recommendation that David is ready for ministerial assignment without undue concern on the part of the Archdiocese at this time. I listed my recommendation that ongoing spiritual direction, therapy and a support group would be the request of the Archdiocese. Dr. [REDACTED] did not believe that a support group would be helpful in this instance and indicated that his letter would state the same.

On Monday, October 23, 1989 a file was discovered in Bishop Leo [REDACTED]'s locked drawer indicating an allegation from 1975 related to the [REDACTED] family. This information had been totally unknown to me before that date.
