Your Excellency:

In accord with the norms of *Sacramentorum sanctitatis tutela*, I am submitting for your consideration the case of a priest of the Archdiocese of Milwaukee. Reverend John C. Wagner has been accused of sexual abuse of minors. The summary of these allegations is enclosed. Father Wagner has admitted that some acts of sexual assault occurred but denies others.

Over the years, efforts were made to provide spiritual and psychological interventions that would rehabilitate Father Wagner. Although he was in therapy for the admitted behaviors and even went so far as to make a recommitment to celibacy before two auxiliary bishops and his therapist, he continued to re-offend. He has been without any assignment and under precept not to exercise ministry for the last ten years. With our current understanding of the nature of his condition, it is clear that he will never be able to assume any public ministry. He has cooperated with the precepts placed upon him regarding no exercise of ministry. However, from the latest report we have received, he has not been in compliance with the order to have no unsupervised contact with minors. With this latest revelation that the teenaged nephew of [REDACTED] has been spending time with Wagner at his residence for the last few years, concerns are raised anew. It is impossible to provide the level of monitoring that would seem to be required in this case. Father Wagner will not move to a supervised residency. Therefore, the liability for the Archdiocese is great as is the potential for scandal if it appears that no definitive action has been taken.

As we have reviewed the various files and heard reports from victims, it is clear that he consistently abused his office both to gain access to vulnerable adolescents, male and female indiscriminately, and to elicit the trust of their parents. Both in his parochial assignments and in his campus ministry positions, he found opportunities to abuse his office in a flagrant and repetitive fashion. He has exhibited no remorse for these serious offences. His only concern has been his financial status. It was on the basis of finances that the canonical procedures in 1995 were abandoned.

The impact on his various victims has been significant. The Archdiocese of Milwaukee has yet to even locate all of the potential victims that could come forward for assistance. Our new found awareness of the severity of damage caused by sexual abuse at the hands of clergy makes it impossible for us to ignore this situation or allow any longer the unresolved nature of this case.

ADOM040053

Given the nature and frequency of the alleged and admitted sexual abuse, along with the serious abuse of office, I have pondered long and hard to arrive at an opinion about the most appropriate action to be taken. In order that justice may be made manifest and healing of the victims and the Church may proceed, I am asking that Reverend John C. Wagner be dismissed *ex officio* from the clerical state. Whatever financial needs he may have can be provided for from a fund that can be set up for him until he is eligible for a pension.

If the judgement of Your Eminence is that this case should proceed to a dismissal by decree of your Congregation, I would cede to that judgement. The severity of the offenses is such that it is my opinion that these requests are justified.

I look forward to your further instructions in this matter.

With sentiments of deepest esteem and prayerful best wishes, I am,

Sincerely yours in Christ,

MEASURES ADOPTED BY THE DIOCESE	
Year	
1986	Moved Wagner out of parish ministry and sought therapeutic intervention; only allowed to return to ministry after 11 months upon recommendation of two psychologists and a recommitment to celibacy
1992	Again moved out of ministry assignment and placed on unassigned status
1993-1995	Attempted negotiations with Wagner and advocate to bring resolution to status; attempted a process for declaration of irregularity for exercise of orders with no cooperation; placed under precept not to function in ministry and agreed to seek secular employment
SUSTENANCE PROVIDED BY THE DIOCESE TO THE CLERIC	
Monthly support is provided as a housing subsidy in the amount provided to pensioned priests. In addition, health and dental insurance is provided.	
RESPONSE/RECOURSE MADE BY THE CLERIC	
Year	
1982	When asked by his campus ministry supervisor to take an assignment at a certain parish while he was being transferred from one campus ministry position to another, he said he could not go there because in the past he had "messed around with some girls in the parish" when he was teaching there (1967-69) while on leave from the Seminary
1983	Admitted to Vicar for Clergy that he was sexually active both heterosexually and homosexually; claimed celibacy meant not getting married but that sexual interaction was part of life; sent for counseling and required to make a recommitment to celibacy
1986	Admitted that he had been sexually involved with [REDACTED]
1993-1995	Initial cooperation in canonical proceedings but refused to continue; admitted basis for allegations and agreed not to function in ministry
2005	In the course of investigation into [REDACTED] accusation, admitted that he had been sexually active (when confronted with signed statements from several of [REDACTED] friends who admitted they had been in sexual contact with Wagner) bisexually over the years but said he thought they were all older than they were. No explanation for how that was possible with students he had taught. He denies the [REDACTED] claim. He has cut off all contact with the Archdiocese of Milwaukee so we have no statement from him on the three [REDACTED] claims.
BISHOP'S VOTUM	
Given that additional reports have come in, including the concern by the [REDACTED] brothers which states that Wagner has been spending time with [REDACTED] teenaged nephew (despite [REDACTED] warning to his brother), it does not seem possible to leave this situation in the current canonically unresolved state. Further efforts at contact with Wagner have been rebuffed. An administrative laicization would seem appropriate in this case as noted in the attached letter.

CONFIDENTIAL

Your Excellency,

I write regarding the case of the **Reverend John C. WAGNER**, a priest of your Archdiocese who has been accused of the sexual abuse of minors and concerning whom Your Excellency has requested dismissal from the clerical state *ex officio*

As Your Excellency is aware, this Dicastery, following an initial examination of the case, does not excluded the possibility of presenting your request to the Holy Father. However, before proceeding to a final decision in this case, this Congregation asked Your Excellency in its letter dated 28 February 2006 for more information regarding the cleric's case, especially concerning the acts of the preliminary investigation and also whether the cleric was willing to request freely a dispensation from the obligations of priesthood including, celibacy. To date this additional documentation has not been received at this Dicastery.

For these reasons, we kindly ask that Your Excellency assist us by supplying all the relevant documentation relating to the case either in original or in authentic copy.

If the cleric should decide to seek laicization, he is to be informed that the petition addressed to the Holy Father be formulated in such a way that it contain an admission of the acts perpetrated and include an expression of his sincere remorse.

Awaiting the courtesy of your reply, with prayerful support and best wishes, I remain

Yours sincerely in Christ,

Angelo AMATO, SDB  
Titular Archbishop of Sila  
*Secretary*

Your Excellency:

In accord with the norms of *Sacramentorum sanctitatis tutela*, I am submitting once again for your consideration the case of a priest of the Archdiocese of Milwaukee, Reverend John C. Wagner, who has been accused of multiple counts of sexual abuse of minors. The summary of these allegations is enclosed. The chart is highlighted with updated portions showing that additional concerns have arisen. Father Wagner has admitted that some acts of sexual assault occurred but denies others. He has now cut off all contact with representatives of the Archdiocese so we have no way of confronting him on these additional reports, especially the extremely disturbing one that he may still be in contact with teenage boys. Therefore, the liability for the Archdiocese is great, as is the potential for scandal if it appears that no definitive action has been taken. Pending state legislation to abolish retroactively the statute of limitations will gain more supporters if it appears we are letting these pending cases languish.

As we have reviewed the various files and heard reports from victims, it is clear that he consistently abused his office both to gain access to vulnerable adolescents, male and female indiscriminately, and to elicit the trust of their parents. Both in his parochial assignments and in his campus ministry positions, he found opportunities to abuse his office in a flagrant and repetitive fashion. He has exhibited no remorse for these serious offences. His only concern has been his financial status. It was on the basis of finances that the canonical procedures in 1995 were abandoned.
