

Dear [REDACTED]

My name is Leah McCluskey and I am the Director of the Office for Child Abuse Investigations and Review at the Archdiocese of Chicago. It is in this office where we receive and investigate all allegations of the sexual abuse of children (those under the age of 18) by priests, deacons, lay employees, and volunteers of this archdiocese.

Jimmy Lago, the Chancellor of the archdiocese, forwarded to me a copy of your June 22, 2010 letter. I want to thank you for sharing all of the information that you did in your letter about your mother [REDACTED] and the former Rev. Alexander Baranowski. As you can see, I have copied four other people from the archdiocese on this e-mail to you. Rev. John Collins and Rev. Kenneth Budzikowski are our Vicar for Priests, Matt Hunnicutt is the Director of the Office of Assistance Ministry, and Jimmy Lago. From the information that you shared in your letter about your mother and the former Fr. Baranowski, each of our offices may be able to provide you with some response to your questions, concerns, and requests.

I am writing with regard to the information you shared that the former Fr. Baranowski's involvement with your mother began when she was 13 or 14 years old. If you are able [REDACTED] would you be able to provide some additional information about this--namely, if it is your understanding that Fr. Baranowski's involvement with your mother when she was under the age of 18 was sexual or physical in nature. Whatever information you would be able to provide would be extremely helpful.

Matt Hunnicutt or someone from his office would be able to provide you with a response to your question about support care for your mother.

I have copied Fr. Collins and Fr. Budzikowski on this e-mail due to the fact that all reports of inappropriate behaviors between a priest and another adult (those 18 years of age or older) are addressed by the Vicar for Priests.

Thank you again for your letter [REDACTED] I look forward to hearing from you again.

Peace,

Leah

Baranowski, Rev. Al. S.
Class of 1955
Assistant- Holy Innocents

On Monday, August 1, Father [REDACTED] pastor of St. Mary's, Buffalo Grove, Ill, saw me to report that a young man from his parish had visited him yesterday to complain about the actions of Father Al Baranowski. The young man explained that he was keeping company with a nurse, named [REDACTED]. She had told him that Father Baranowski had propositioned her in the arly part of the year. I told Father [REDACTED] that I would contact [REDACTED] to investigate the matter.

I phoned [REDACTED] and she agreed to see me on Tuesday, August 2. The enclosed is her story. She is extremely frightened about possible repercussions, should Father Baranowski find that she told this story. Also she left a note written her by Father Baranowski, and abaptismal certificate that he forged, so that were she questioned at the bar where they drank, she might produce it to prove she was of age, for she actaally was under age.

About two and a half years ago a similar accusation was alleged against Father Baranowski, but the girl who was supposed to be involved, would not see anyone of us at the office. At that time Father Baranowski denied the accusation absolutely, and no proof was available.

I am positive that he is involved. I have asked [REDACTED] to inquire if any of the other girls would be willing to see me. She thinks they will not, but she will inquire.

My own opinion is that Father Baranowski should be taken out of circulation. I await your decision on how to handle him. If you wish that I see him, I will. You might prefer to see him. The fact that he has a gun has frightened [REDACTED]

Victim Statement Abstract

This abstract replaces notes prepared by Monsignor F.W. Bryne regarding his August 2, 1966 meeting with Victim MY regarding her report of inappropriate conduct by Fr. Alexander Baranowski. According to Msgr. Bryne's notes, Victim MY reported that on several occasions, Baranowski provided her with alcohol, took her hotel rooms and engaged in sexual acts with her. At the time of these incidents, Victim MY was nineteen years old. Victim MY also reported to Msgr. Bryne the names of at least four other females who had engaged in similar relationships with Baranowski.

Baranowski, Rev. Alexander class of 1965

Tuesday, August 27, 1968

Father Edward Baranowski saw me today at my request, concerning this matter of [REDACTED]. I outlined the accusations as presented by her father, and Fr. B. denied all of them. He stated that he met [REDACTED] when she was in eighth grade at St. Wenceslaus, along with other children from her class. She and other girls of the grade did work for the priests at the rectory. At times she and her girl friends would visit him, even after he was changed to St. Mary of Perpetual Help. He flatly denies any dating or sin of any nature.

His explanation of the father's feelings is this: The father treated the girl very badly all through high school- cursing, abuse, drunkenness, etc. The girl decided to move away from home, after she graduated from high school. The father now is trying to blame Father B. for her leaving home.

Father B. stated that the people at St. Wenceslaus are somewhat anticlerical. He stated that at one time the parish was under interdict; he said that when Father Czastka arrived as their new pastor, the women lined up with brooms at the door of the rectory, and tried to prevent his entrance.

He stated that some years back Msgr. [REDACTED] called him in, but didn't name the complainant- and this time he was accused of homosexuality, and he stoutly denied this charge. He stated that he had spent a great deal of time with boys and girls from the school, and some resented this. Heaven suspects a priest from the parish.

There never was any talk of marriage, never any ring, in fact never anything. So Father B. states.

I will try to see [REDACTED], for her side of the story. I must admit that that Father B. sounded and acted convincingly.

F. Byrne

[redacted] phoned in answer to my letter. She stated that she would not come in to see me at any time.

I tried to obtain some kind of information about the situation between her and Father Baronowski; [redacted]

F. Byrne

Saturday, September 9, 1963

Father [redacted] assistant at St. Wenceslaus, saw me at my request. Father [redacted] Had seen [redacted], but his reference-"I have been expecting to hear from you" meant that [redacted] had phoned Father [redacted] about two weeks before, and had arranged that [redacted] see Father [redacted] It had no reference to immoral behaviour of the Part of Father Baranowski. Father [redacted] lived with Father B. He stated that he is a good priest, but somewhat imprudent regarding parlor calls. The pastor had to reprimand Father B about staying in the parlor with [redacted] until 11:00 P.M. Father B. always said that she was having trouble with her father, and came over to see him. She would be alone. Father [redacted] has no proof whatsoever of immoral behaviour. Father [redacted] was called down here some years ago by [redacted], at the time Father B. was accused of homosexuality- with boys. At that time very little was proved. Again Father B. was imprudent. He took boys away with him on vacation. One of the boys accused him of solicitation. In short Father [redacted] thinks there is no sin, but imprudence.

Victim Statement Abstract

This abstract supplements a memorandum from Monsignor F.W. Bryne to file dated August 29, 1963, summarizing a phone call with Victim LA. According to Msgr. Bryne's memorandum, Victim LA denied any close relationship between herself and Fr. Alexander Baranowski. Victim LA acknowledged visiting Baranowski with other girls when she was in high school, but explicitly refuted the allegations made by her father regarding a more intimate relationship with Baranowski.

Friday, September 2, 1966

[REDACTED] 204 pages.

[REDACTED] saw me today at my request.

I am a close friend of [REDACTED]. During the Spring [REDACTED] asked me to phone Father A. Baranowski, to lead him on and get him curious. She did not say why she wanted me to do this, and I didn't ask. I think she wanted me to keep him guessing, for I would change my attitude every time I phoned him. I painted a picture that I was some kind of wild girl, and coming from the Art Institute, he would believe it. I think I did a good job of leading him on.

He would talk to [REDACTED] and ask all sorts of questions about me. This was hurting her, also, and even when they were together in the motel, he would ask her about me - "What if this were [REDACTED]?"

Every time I spoke with him, he tried to date me. He said he had a room, and he did invite me to go; we set a date, and a place where he would pick me up, but I called up the last minute and said that I could not go. I kept calling him after this, and he would try to date me again, but I kept putting him off. He did not know that I knew he was a priest, but [REDACTED] had told me about this.

[REDACTED] had told me that he was very nice to her; that he had taken her to a hotel, and that they had relations, and that they had food. In my phone conversations he kept hinting around to this same sort of thing - come over and see for yourself. He has an easy way of talking, kind of appealing.

I stopped phoning him, and he asked [REDACTED] what had happened. Everytime I talked to him, he would always get back to the subject of sex, no matter what you said. I did ask him if he could help me with something, but he was never serious. He did say that he was a counselor, but never said that he was a priest. I had told him about my relationship with my boyfriend, and whether something was wrong, and he said that he would have to go out with me to determine whether anything was wrong with me. Even when I mentioned my sexual relationship with my boy friend, he said that he would have to try this out with me, before he could give me any opinion.

I did hear from [REDACTED] that other girls were involved. One of them is a nurse. My contact with him was over a period of some ten phone calls. I never met him. I stopped calling him.

He is hurting a lot of people, and I am here to help put a stop to it, since he is a priest, for he has quite an effect on people.

I am not a Catholic.

I swear to the truth of all these statements.

Two or three weeks ago, [REDACTED] attempted suicide.

She used pills; she is now in the hospital. [REDACTED] is very depressed. This does have something to do with her problems. There are family problems also.

REV. AL BARANOWSKI

Your Eminence:

At Your request I saw Father Al Baranowski on November 6, 1969.
I related the accusations and he denied each of them. This under oath.
He claims that both parties who have accused him are emotionally
disturbed people. There is some truth to this. The girl attempted
suicide and the young man has at least six counts against him before
the courts- one of which is indecent exposure.

Father Baranowski claims that he loves the priesthood, is innocent,
and is discouraged by the many accusations against him in the past
number of years. He claims that he may have been imprudent in
his relationship with people, rather free and easy, but there was
no sin involved.

Where the truth lies only God knows.

Victim Statement Abstract

This abstract replaces the statement of the wife of Victim LB, given to Monsignor F.W. Byrne on October 11, 1969. The wife of Victim LB alleged that Victim LB was sexually abused by Rev. Alexander Baranowski from the time Victim LB was 13 years old until he graduated from high school. Victim LB's wife alleged that Rev. Baranowski began sexually abusing Victim LB when he was an altar boy at St. Wenceslaus parish. Victim LB's wife alleged that the abuse occurred during vacations, at the St. Wenceslaus rectory, and at Victim LB's home.

Victim Statement Abstract

This abstract replaces the statement of Victim LB made to Monsignor F.W. Byrne on October 13, 1969. Victim LB alleged that he was sexually abused by Rev. Alexander Baranowski between the time he was in eighth grade and the time he was eighteen years old. The alleged abuse also consisted of providing Victim LB with alcohol and pills. Victim LB also alleged that, during the period of abuse, Rev. Baranowski gave him gifts.

Monday, October 20, 1969

Father [REDACTED] saw me at my request.

I was an associate with Father Baranowski, three possibly four years. I knew him quite well. This was his first assignment after ordination. I knew [REDACTED] quite well, and though he was a fine boy; he had a great respect for Father Al, and did a lot of work around the Church. I knew that Father Al and [REDACTED] were very close, but I never suspected any homosexual relationship. No one ever mentioned anything of this nature to me; I knew [REDACTED], mother of [REDACTED], very well, and she never indicated anything about this. I have absolutely no proof that there was any such relationship.

He was very interested in his work- very energetic, fulfilled all his obligations; very well appreciated and like by the mother's club and he worked well with them.

There was another complaint by a policeman, stating that Father Al was involved with his daughter, [REDACTED]. But even there, I had no proof. Father Al was in charge of the Teen club, and both [REDACTED] and [REDACTED] were quite close to him, and worked well with him.

He did keep late hours in the office, and we didn't think he showed good judgement in this.

I swear to the truth of all these statements.

Homosexuality charge-

I deny this completely. I recall that Msgr. Burke called me to the Chancery Office. He asked me- what is this about homosexuality- if you don't tell me the whole truth the Cardinal wants to cross-examine you. I am positive that Msgr. Burke accepted my explanation- for I told him there was no truth to it. When I left Msgr. Burke I am sure that he believed me. Nothing more ever happened. ~~He~~ I thought that I should move from the Parish, however. There were inferences made that would be difficult to live under in a Parish. It was the same case that you have talked about today. I was close to the boy- did take him on a couple of vacations- this of course was a big mistake. I absolutely deny any kind of homosexual activity. The family had a history of alcoholism. The father was a heavy drinker. But he was a hard working man. And he drank hard. This boy was drinking even in grammar school. I never gave him a drink. I take this back- we were out in Colorado one time and he had a terrific toothache- and I gave him some liquor to hold in his mouth- I probably gave him some kind of pill.

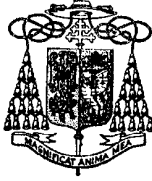

I think that he came to the Chancery Office simply because his wife is on him.

Sexuality Charge:

I deny outright that I ever had relations with this girl. I never had her in a car- never in a motel- never gave her liquor. She is a girl who needs psychiatric help. People told me that she has tried suicide. I met her through the kids who were in training in Oak Park Hospital. She would stop in the rectory with them. At times she stopped in the rectory to see me by herself. Mostly she wanted to talk about her problems. She was all mixed up- difficult girl to understand. She had met some boy- who had a year to live- and she wanted to marry him after knowing him for a month- wanted to have children right away- later found out this was a lie- a line he was giving her just to marry her. The last I heard of her when a girl told me she tried to commit suicide- kids never considered her normal- something wrong with her- she used to tell the kids stories- about how she went to orgies etc- this I never spoke about with her. The note is mine- probably she wanted to see me and I was being transferred from Holy Innocents. The only time I saw her at Holy Innocents was the time she came in with this guy. The baptismal certificate I do not remember. It does not look like my handwriting. I have never forged a baptismal certificate. My only explanation for her testimony is that perhaps she wanted me to give her a tumble- and I didn't- so she made up this story.

I swear to the truth of all these statements.

Re: Reverend Alexander Baranowski
Associate Pastor - Saint Bruno's Parish

Your Eminence:

Father Baranowski was involved in a "freak" accident in February. The rectory heating system exploded while he was attempting to relight it. He suffered external damage to his ear and lost about half his hearing in one ear. The neurologist has not been satisfied with his progress thus far. He still suffers from amnesia on occasion. Because of this his doctor has ordered him to take absolute rest for a period of one to three months.

Father has requested a sick leave for this time period. He is in the process of writing a letter to you and will include the report of the neurologist.

He will be leaving Saint Bruno's this coming Friday. He will keep in contact with you and report his progress.

Your Eminence,

You have doubtlessly heard of the accident which befell me here in the rectory on February 21, 1971. The consequent results of that boiler explosion were a torn left outer ear (which was repaired by plastic surgery), a shattered left ear drum, a smashed cap on the hinge of the left jawbone, a concussion and contusions of the brain. There is still the possibility of cracks in the left temporal bone. As a consequence of these injuries the neuro-surgeon, Dr. [REDACTED] has advised that I take a sick leave immediately in order to recuperate. I spoke to Father Ron Kalas in your absence and he advised me to follow the advice of the Doctor.

I hope that this sick leave meets with your approval. I shall keep the Chancery informed about my progress and I shall return as soon as possible.

B.A. RONOWSKI, AL, Rev
June 14, 1971

Your Excellence,

I must apologize for not writing to you much sooner. Even though each individual day drags on endlessly, the last 2½ months are just a blur.

My condition has improved slightly but according to the neurologist, I still have some time to go. In fact, he said that in the light of the findings of Dr. [REDACTED] (enclosure) I am more than fortunate to be among the living. (These findings were made known to me at the end of April.) As the report says, I was found

16 JUN 71 23: 09

to have multiple fractures on the²
left side of the skull. I still have
many moments of confusion and
periods of dizziness, and some days
are worse than others. My
memory of day to day happenings
since the accident is rather
poor and often disheartening.
My balance is still bad whenever
I bend, stand with my feet in
tandem, or move my head quickly.
The hearing in my right ear has
returned but the left ear is
far from good... the left jaw
hinge is repairing itself slowly
and from time to time I am able
to eat solid foods. (Up to this time
I have lost 22 pounds but the

Doctors say this is also partly³
an after-effect of the severe
concussion.)

I am very aware that my
absence is causing difficulties
at St. Bruno's, but the neurologist
told me just two weeks ago not
to consider going back before the
beginning of September. I sincerely
fear the consequences if I were
not to heed his warning. He said
that to rush things or to try to
push myself could affect me
mentally.

Most of the time I am staying
at a lake-side cottage between
Antioch, Ill. and Salem, Wisc.. About
once a week I stay with my

my medical appointments.

I ask for your continued
patience and understanding in
this situation over which I have

your prayers.

Your Eminence,

By now you should have received a letter from [redacted] my neuro-surgeon. I was anxiously planning to return to St. Bruno's after the beginning of September but the doctor has forbidden me to do so. I am still getting spells of dizziness, confusion and forgetfulness. I am rather weak because of all the medication and because I have now lost 40 pounds. I keep being told that time and rest are the only things that will do the most good. I must admit that I am quite discouraged and most impatient because I keep wondering if I will ever again return to complete normalcy.

I am looking forward to visiting with you and I hope it will be soon.

Dear Fathers,

I received a call from Father Lynch on March 3rd, 1973 concerning my acceptance of a transfer from St. Bruno this coming June.

My only reason for not wanting a transfer at this time has to do with the head injury I received here in the Rectory two years ago on February 21st, 1971 when the boiler exploded. If the Personnel Board will check the files, it will find that I was on a sick leave following the accident for almost seven months. My physical condition has improved very little or not at all since then. I am still experiencing losses of balance, dizzy spells, arthritic headaches and losses of memory. In addition to this the hearing in my left ear is 70% impaired, the left eye has double vision, and the left jaw hinge is damaged to the extent that I cannot chew on the left side. I am still under the care of an internist, a neurologist, an oral surgeon, an otolaryngologist and a plastic surgeon. Within the next two weeks, I am scheduled to fly to the west coast for tests and possible auricular and neural surgery. If the latter takes place, I am told I may be incapacitated for several months.

In view of all this, I hope the Personnel Board will agree that I have enough to cope with, without going through a transfer at this time.

Sincerely yours,

Al Baranowski

There is a problem here involving the priests, Trustees, Principal, School Board, and parents. Have had calls about it ever since coming into this office. Last week had several more calls. Have talked to the priests by phone. Think it advisable to have them come into the office and ventilate. Basically, the problem arises from conflicts on administration and policy - i.e., Communion before Confession, and the "authority" of the Trustees. If you have no objections or recommendations, will set-up an appointment to see them. (They were at the Personnel Board several years ago for the same matters.)

Your Eminence:

What I am about to write about has a very important bearing on the future of St. Bruno Parish.

This is not a hasty decision, but one that should be acted upon and investigated as soon as possible.

I have resided and have been a member of St. Bruno Parish since 1929. I and all five of my children have graduated or are attending St. Bruno School. All of us, including my wife, have been active in parish organizations and have on numerous occasions extended considerable time and effort to raise money for our church and school.

I am a past President of the Holy Name Society, at present a member of the School Board, Chairman of the St. Bruno Booster Club, and past Co-Chairman of the Parish Festival for the past two years. The two festivals netted more than \$50,000.

Our problem is the lack of co-operation from two of our Assistant Pastors, namely Rev. Al Baranowski and Rev. Hal Mysliwiec. It seems to me that with all the time available to our two supposedly dedicated men, very little or nothing is accomplished.

Neither of the two visits the school, nor will they instruct the children in any way. I can't remember anybody ever mentioning that either Father Al or Father Hal visited them while sick or hospitalized. I can't remember when Father Al preached a sermon to the congregation.

I have spent many hours in the rectory preparing for fund-raising activities and have never received any assistance from either priest. The Spring Festival has been dropped because of the lack of co-operation from our Assistant Pastors. It is my sincere belief if some positive action is taken as soon as possible, the festival could be scheduled for the Fall.

I am not faulting either Father Al or Father Hal for all of the bad atmosphere in the Parish, but I do believe a change would do the Parish, the two priests and Father Stoga much good.

I remain your Servant in Christ,

On April 26, saw Fathers Stoga, A. Baranowski and H. Mysliwec at the Chancery Office and discussed the complaints coming in to you and to me. Urged a united front among the priests, a gradual putting of the Trustees into their proper place, more communication and trust among the priests, a proper respect for each other in public, and more coordination in the operation of the Parish. Basic problem is too much authority given to the Trustees and no confidence in the Associates. Father Baranowski is not a well man as a result of an accident; it is problematic how long he can be assigned full time anywhere.

Your Eminence,

On the advice of Monsignor Rosemeyer, I am writing you concerning a leave of absence for reasons of health.

The injuries I sustained in the boiler explosion in the rectory on February 21, 1971, have left many permanent effects. Some of these effects have become more pronounced since I returned from a previous sick leave on December 1, 1971. It is because of this that I find it increasingly more difficult to perform my duties as an Associate at this time. In connection with this I am enclosing only the pertinent sworn testimony of my neurologist, Dr. Jonas Byla, in which most, but not all of my complaints are enumerated.

Accordingly, therefore, I request permission for a sick leave for a period of at least six months to begin as soon as possible. I also request that some provision be made for some kind of adequate financial assistance. From among the options presented to me by Monsignor Rosemeyer, I have chosen to stay with my mother at [REDACTED]

Dear Monsignor —

Just a few lines to let you know how I am getting along...

I am not feeling any better even though I have done nothing but rest for almost two months now. I'm still having serious problems with balance, dizziness and momentary black-outs. Unfortunately, I have bruises to prove it.

I also feel very insecure and uneasy because of my financial condition. The \$200.00 monthly allowance does not stretch far enough to cover the basic necessities. I feel that at this point in my life, I have no right to be a financial burden to my 70 year old mother. What might be called bitterness is only increased by the knowledge that the one who reduced me to this sorry physical, mental and financial state is still enjoying good health, and mental and financial security.

I sincerely hope there is something you can do to remedy ^{my} ~~the~~ situation.

Sincerely
Al Baranowski

Dear Fred -

I thank you for your letter, but must say that I was disappointed with the contents.

To begin with, the accident in the Rectory basement was not my own fault. It was the fault of an incompetent alcoholic who perjured himself in court^{and} which forced me to settle for peanuts. I carefully avoided filing suit against the Archdiocese because I did not want to cause a scandal - a scandal that would have revealed more than just negligence.

2.

You mentioned a financial statement: Going into the lawsuit, I was \$18,300 in debt because of that boiler explosion. After the settlement I paid off \$5700 ... I didn't make that much money either, during the 3 years afterwards because I was only part time - and that went for medical expenses which are not included in the above. I am trying to live on the \$200 per month from the PRMAA because I ~~cannot~~ ^{do not} love ~~not~~ and cannot bear ~~stepends~~.

My going into an old Nurses Home and selling my car - as

was officially suggested - are ^{3.}
no solution.

I might also add that
during an 8 month sick leave
after the accident in 1971, I
received no help from the PRKIAA
nor get I get my salary
every month.

The \$58.50 bill I submitted
was for a series of tests for
suspected Parkinson's and leukemia.
As it turned out, I only have
Mans...

Our insurance, by the way,
is for all practical purposes
worthless because it does not
cover out-patient care.

In closing, may I wish the
PRMAA continued success in
showing "Man's humanity towards
Man" in such a pretty fashion.

Sincerely
Al Baranowski

P.S. I almost forgot - my first
check from the PRMAA was
accompanied by a sarcastic
note from John Griffin - THAT
I did not and do not need.

Enclosed letter from Al Baranowski arrived today.

He sounds pretty bitter and can't imagine what kind of comment John Griffin could have made with his first check. I must have been out of town that John sent him his check. Sounds as tho he expects to continue on Leave of Absence.

Regret his appraisal of the PRMAA.

Re: Rev. Alexander Baranowski

My first involvement in this case was in May of 1975, when Fr. B. came in to see me about going on sick leave. I suggested he write directly to you (cf. his enclosed letter of May 23). *

Although I was sceptical about his alleged inability to function at least part-time in a parish, I discussed the matter with you during a visit at the hospital in May, and it was agreed that we grant him 6 month's sick leave, with the PRMAA paying him \$200 a month during that time.

He had said that he wanted to live privately near Fox Lake, and reacted rather bitterly when I said it was against PRMAA policy to give him more than \$200 unless he first proved special need by presenting a report on his assets. He did not do so. Nor did he accept my offer to find him board and lodging (with no responsibilities) in an ecclesiastical residence (such as Alvernia Manor in Lemont).

He chose instead to live with his mother in Park Ridge and later moved in with his sister in Spring Grove, Ill.

Recently he asked the PRMAA to pay a \$58 medical bill that was not covered by Blue Cross. The Board informed him again that according to policy a statement of financial assets (e.g. IRS report) would have to be submitted for proof of need. Instead, He sent Fr. Niemeyer another rather bitter letter (enclosed). *

To my knowledge, he never requested help from the PRMAA prior to May of 1975. I don't know how he ran up a debt of \$18,300, but he did mention travelling to California and Texas for medical consultations of a kind not covered by Blue Cross.

He has accused his former pastor, Fr. Stoga, of perjury in court, of alcoholism, and of using church funds for his personal use. In support of the latter contention, he gave me some check stubs, which I turned over to Msgr. Brackin.

Msgr. Byrne had collected a series of complaints against him and Fr. A's response to these complaints (enclosed). *

I suspect Fr. A. is a disturbed person in need of therapy. I would not object to his petition for laicization through proper channels.

* All sent to H.E

RE: Rev. Alexander Baranowski

I have no information concerning the boiler explosion which injured Fr. Baranowski and I was not involved in his temporary sick leave except to be told of its granting.

I was involved as you recall in trying to bring peace into the Rectory situation which involved numerous phone calls, letters, etc. I did see all the priests at the Chancery and I did direct Fr. Stoga to get rid of the trustees and to tighten up control, recognize the proper plan of his Associates, etc. I would suggest a physical exam and perhaps psychiatric testing for Fr. Baranowski. I am attaching some of the pertinent documents.

His Excellency
The Most Reverend [REDACTED]
Bishop of Rockford
1245 N. Court Street
Rockford, Illinois 61101

Your Excellency:

Recently I received from the Holy See a favorable reply to the petition of laicization by ALEXANDER S. BARANOWSKI, formerly a priest of the Archdiocese of Chicago. The terms of the rescript were fully explained to Mr. Baranowski, and on August 4, 1976, I executed the rescript, a copy of which I enclose.

Baranowski (who also goes by the name of Baran) has recently taken up residence in the home of a relative in Spring Grove, Illinois [REDACTED]. He has indicated that he may wish to enter marriage in the near future and that his choice of location for a ceremony would probably be within the Diocese of Rockford.

May I ask Your Excellency to have your Delegate contact Mr. Baranowski to discuss possible wedding arrangements. I am sure that Mr. Baranowski will abide by whatever stipulations Your Excellency may make in the matter.

With deep appreciation for your valuable collaboration, and with every sincere personal good wish, I am, dear Bishop [REDACTED]

Devotedly yours in Christ,

Al Baranowski left the priesthood in 1976. Recently the Cardinal received a letter from a woman named [REDACTED] who is an [REDACTED]. She sent a letter to VOCAL and a copy to the Cardinal.

Ralph contacted [REDACTED] about her accusation against Al Baranowski. Apparently it took place over a space of four years from the time she was in seventh grade and 13 years old until she was 17. She does not describe any of the actions at this time but says it was sexual abuse. This occurred from 1955 to about 1958 or thereabouts. She wrote to VOCAL out of desperation about her feelings and sent the Cardinal a copy.

[REDACTED] Bonaccorsi will follow up with her. She wants to know if Baranowski still lives around the Chicago area. We have no contact with him, but I will call Bill Gubbins, a classmate, to see if Bill can get some information for us.

Re: Summaries of Allegations

Ed Grace and I had a conversation about the clause on allegation memos which states that, "it is extremely important that you forward copies of any and all documentation pertinent to this case to this office within 5 business days of receipt of this memo ...". The conversation grew out of the memo regarding Alex Baranowski. I realize that we have not sent copies of documents that may be in someone's file pertaining to a specific case. I believe it wasn't done because we were operating under the assumption that in most cases your office already has information from the past. At any rate, Ed felt that it may be helpful to forward the enclosed documents from the Baranowski file.

In the future, we are suggesting that whoever wishes information from a file follow this procedure. Because we do not know what documents in our files are already in your files, we suggest that the person concerned review the file in our office and make copies of documents that are applicable to a specific case. Dear [REDACTED]

So good to hear from you! Two questions then. Would you feel comfortable meeting in a hotel setting? I would call the hotel we are staying at to determine if they have a small conference room of some sort that might be comfortable. As for time, would some time around 2pm work for you?

Peace,

Leah

Dear [REDACTED]

Good morning! I don't know if you received my e-mail from earlier this month, but I was hoping to settle on a time next Monday, January 24th to meet in the afternoon in LA. If you would be comfortable, I would like to arrange for a small meeting room in the hotel where we will be staying. We will be staying at the Renaissance Los Angeles Hotel, near the airport.

I will be leaving tomorrow for a conference in Minnesota and will not be back in the office for the rest of the week. If I don't hear from you via e-mail, I will hopefully be able to reach you by phone.

Looking forward to meeting you next week.

Dear [REDACTED]

I hope all is well with you.

I so apologize for my delay in responding to your e-mail. I have been out of the office for work as well as to fight a cold. I would like to try to answer some of your questions, but feel others I might not be able to answer to your satisfaction--at least via e-mail. I was wondering if I might call you on a designated day and time that would be good for you so that we could talk. Please, let me know. Until then, here is some information that I hope might be helpful to you.

I called to ask the Vicar for Priests' office if they knew if Baranowski was still alive. Last either of the Vicars knew [Fr. Kaczorowski and Fr. Grace], Baranowski is still alive.

I do not know of Baranowski's location, as he is a resigned and laicized priest of the diocese. I will attempt to find out from the Vicar's office if that is information that the Archdiocese has.

I am not certain of any pension/retirement/funds that Baranowski may or may not be receiving. I have asked that question of the Vicars and will communicate the response with you when I receive it.

All allegations of the abuse of minors by clerics, lay employees, and volunteers of this Archdiocese are reported to the State's Attorneys office. One of the reasons that the Archdiocese reports all such matters to the State's Attorneys office is so that they [SA office] can decide which cases are within the statute of limitations as well as fit for prosecution.

There is one substantiated allegation of sexual abuse against Baranowski. Substantiated, meaning that based upon the information received at the time the individual came forward, it was determined that there was reasonable cause to suspect that the alleged abuse occurred.

I do not know why Baranowski was laicized--I will ask the Vicars if they are aware of a reason for the laicization.

Based upon the information I received from Archives, I have to assume that Baranowski was at St. Bruno's from 1968 until his sick leave in 1975.

[REDACTED] again I do hope that some of this information is helpful to you. By no means have I meant to frustrate you with some of the lack of answers or responses to your questions in this e-mail. As I asked, I am hoping that possibly you and I could have a phone conversation so that we might be able to talk more about the questions that you have asked of me.

Have a good weekend and I look forward to hearing from you again.

Victim Statement Abstract

This abstract replaces the summary prepared by Leah McCluskey, Professional Responsibility Administrator for the Archdiocese of Chicago's Office of Professional Responsibility, of Victim LC's statement, given to Ms. McCluskey on January 24, 2005, formalizing her allegation of abuse against Rev. Alexander Baranowski. This abstract also replaces a handwritten note from Victim LC, transmitting the revised statement to McCluskey. The alleged abuse, which occurred when Victim LC was a sophomore in high school, consisted of one incident of fondling. The alleged abuse occurred at the St. Wenceslaus parish rectory. Victim LC also alleged that her husband was abused by Rev. Baranowski when he was between twelve and sixteen or seventeen years old.

Dear [Redacted]

I hope that this letter finds you doing well.

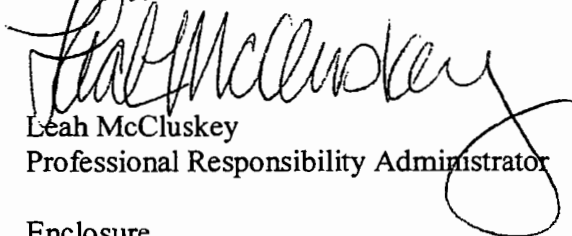

Enclosed you will find a draft report of your allegation of sexual misconduct against the former Rev. Alexander Sylvester Baranowski. The report is based upon our meeting that took place January 24, 2005.

I ask that you review the report and make any changes necessary to ensure its accuracy. Please return the draft to me with any changes in the envelope provided. I will then return a final report to you for your signature. Once all signatures are provided, you will be given a copy of the final report.

[Redacted] in the interest of moving this matter forward, I ask that you return the enclosed report with your changes by March 31, 2005. Please know that you may also respond with a written request for a two-week extension to review the report, which then I would ask that you return it to me by April 14, 2005. In the event that I do not receive a response from you by March 31st, I will assume that the draft report is accurate and I will proceed forward with this matter.

Also, I do believe that there is additional information that you have requested regarding Fr. Baranowski's assignments as well as copies of information that you provided prior to our meeting on January 24th. I would like to provide you with all of the information that you requested. Please either e-mail me at lmclluskey@archchicago.org or phone me at [312] 751-5205 so that I am sure to get you all of the correct information.

Good morning--and so good to hear from you.

In regards to next steps, once you have had the time to review the draft and make your changes, I ask that you return the draft to me. I will then include your changes in a "final" report--that I will return to you for your revisions and will only determine it to be "final" with your approval.

Once I have a final report approved by you, I will ask one of our Vicars for Priests to attempt to locate Baranowski. If he is located, I will read the allegation [the final report approved by you] to him and ask for his response. I of course will keep you updated with the Vicars and when and if Baranowski is located.

I hope that this answers some of your questions--but please e-mail me any time.

Take care [REDACTED] and talk to you soon--

Mr. Baran then spoke about an accident that he was involved in that took place in either 1972 or 1973 when he was assigned to St. Bruno. As a result of the explosion, Mr. Baran was stuck in the head with the doors of the boiler and has suffered from memory issues since. Mr. Baran then stated that he does not remember what [REDACTED] looks like. He also mentioned that [REDACTED] is [REDACTED] married name, as that is the last name of her former husband [REDACTED] [see report].

When asked, Mr. Baran stated that, "...it could have happened..." that he called [REDACTED] to meet with him in the rectory as she alleged. Mr. Baran added, "...but those things [the alleged abuse] didn't happen."

3.
AB

Mr. Baran stated that he never visited [REDACTED] family home [as alleged], as the pastor of St. Wenceslaus at the time forbade it. When asked, Mr. Baran stated that he vaguely remembers [REDACTED]

When asked, Mr. Baran stated that he was not removed early from St. Wenceslaus as [REDACTED] alleges. As per Mr. Baran, he left St. Wenceslaus "...the day the new assignments came out..."

Mr. Baran noted that he "...didn't really remember her either..." He then began to speak about St. Wenceslaus parish and the "...history of this stuff [alleged sexual abuse]..." that had gone on prior to his assignment there in July 1955. Mr. Baran estimated that the alleged abuse involving the pastor prior to him took place 65 or 75 years ago. At this point during the July 27th meeting, Fr. Costello indicated his knowledge of the allegations of which Mr. Baran spoke.

AB

6.

7.
AB

PRA then asked Mr. Baran if he could talk about his reasons for resigning from the priesthood. Mr. Baran again referenced the boiler accident that he had been involved in and that as a result of his injuries, he had asked then Cardinal Cody if he could reside in a nursing home. He stated that he had this conversation with Cardinal Cody when he [Cardinal Cody] was a patient at St. Joseph's hospital [Fr. Costello needed to assist Mr. Baran with the name of the hospital]. Mr. Baran continued and stated that Cardinal Cody's response to his request was, "Find a good woman [to take care of you] and get married." As per Mr. Baran, that is what he did.

When asked by Fr. Costello, Mr. Baran stated that he does not "...remember anything about the sexual abuse of [REDACTED]..." Also when asked, Mr. Baran stated that

8. he does not remember a [redacted] trip to [redacted] as stated by [redacted] in her allegation.

9. Mr. Baran then clarified for PRA that the boiler accident took place at St. Bruno's. He stated that his injuries included 13 skull fractures, which has resulted in lost memory and "...a lot of blank spots [in his memory]..."
AB

Both PRA and Fr. Costello thanked Mr. Baran for his time. It was agreed that PRA would send Mr. Baran a copy of the draft report of his responses to [redacted] allegation for his review. Mr. Baran will then return the draft report to PRA with his additions and/or corrections.

10. ADDITIONAL INFORMATION
AB

10. AT THE PRESENT I AM DEALING WITH THE AFTERMATH OF EIGHT SURGERIES WHICH I HAD IN THE LAST 2 1/2 YEARS: CORONARY BYPASS (TRIPLE), ARTERIAL BYPASSES IN EACH LEG, KNEE REPLACEMENT, 2 PODIATRIC SURGERIES AND CATARACT SURGERIES. THE PODIATRIC SURGERIES DID NOT WORK OUT AND NOW I HAVE NEUROPATHY IN EACH LEG. I CAN'T REALLY DRIVE BECAUSE IF I WERE TO GO SOMEPLACE, I CANNOT GET OUT OF THE CAR AND WALK. — BEFORE THE SURGERIES I HAD TWO HEART ATTACKS. AFTER THE SURGERIES I HAD TWO STROKES WHICH NUMBED MY LEFT HAND AND SLIGHTLY AFFECTED MY LEFT LEG.

— I WOULD APPRECIATE IT IF IN THE FUTURE ALL CONTACTS WERE MADE BY MAIL AND I WILL RESPOND BY PHONE ASAP. THANK YOU!

COMMENTS:

1. THE SITUATION SHE DESCRIBED — NEVER EVER HAPPENED. AT THIS TIME I DO NOT KNOW WHO SHE IS OR WAS. MY RESPONSE WAS ONE OF SHOCK. I DO NOT REMEMBER SAYING I REMEMBER HER "VAGUELY". IF IT DID NOT HAPPEN, THERE WOULD BE NO REASON TO REMEMBER BEING ALONE

2. I DO NOT THINK I EVER SAID THAT HER MARRIED NAME WAS [REDACTED] — (IF I DID NOT KNOW HER) IF I DID KNOW IT WAS, I LEARNED IT FROM PARISH BULLETINS THAT WERE MAILED TO ME AFTER I MOURD. (I WAS TOLD ABOUT THE BULLETINS AFTER I WAS INJURED — BUT I DON'T REMEMBER THEM NOW) THE LADY WHO MAILED THEM TO ME DID CLERICAL WORK FOR THE PARISH AND WE WERE FRIENDS FOR ALMOST 50 YRS. UNTIL HER DEATH ABOUT A YEAR AGO AT AGE 84 (I DID HAVE SOME NOTES ON DIFFERENT THINGS MADE BY HER. I DISCARDED ALMOST EVERYTHING WHEN SHE DIED)

3. I WAS NEVER IN THEIR HOUSE BECAUSE IT WAS NOT ALLOWED — EXCEPT IF IT WAS FOR A "SICK CALL" — AND I DON'T THINK IT WAS THE NAME [REDACTED] IS A COMMON POLISH NAME, BUT I DO NOT RECALL ANY FACE THAT GOES WITH IT

(4) THE SECRETARY I JUST SPOKE OF (FROM NOTES) AGREED TO TALK TO WHOEVER CALLED ME BECAUSE SHE REMEMBERED THAT AFTER I MOVED TO ANOTHER PARISH THIS [REDACTED] SENT ME A PACKET OF POLAROID PICTURES OF HERSELF AND A GROUP OF YOUNG MEN IN ALL KINDS OF INDECENT ACTIVITIES. I DON'T REMEMBER THAT. BUT I STILL DO NOT KNOW WHO SHE WAS THAT'S PROBABLY WHY I TOLD YOU IT WAS FOR A "PAY OFF". WHOEVER CALLED ME DID NOT CALL MY FRIEND.

(5) I NEVER SAID SEX ABUSE TOOK PLACE AT ST. WENCESLAUS YEARS AGO. I DO REMEMBER MY OWN MOTHER TELLING ME THAT THE PEOPLE THERE WERE "MEAN" AND ANTI-PIRES I WAS A LITTLE BOY AT THE TIME.

(6) AS IN ALL OTHER PARISHES, THERE ALWAYS MANY KIDS AROUND AND HE MAY HAVE BEEN ONE OF THEM, I DON'T KNOW. THE NAME IS A COMMON "POLISH" NAME, BUT NO FACE GOES WITH IT.

(7) I DID NOT ^{ASK} CARD. CODY TO RESIDE IN A NURSING HOME... I DID ASK IF I COULD BE A CHAPLAIN IN SOME CONVENT, MOTHERHOUSE OR HOSPITAL... THE CARDINAL DID SAY, "FIND A GOOD WOMAN TO TAKE OF YOU," BUT HE DID NOT SAY TO GET MARRIED. THAT WORD WAS NEVER USED BY HIM, BUT WAS ^{USED} BY HIM. (ALL FROM MY NOTES)

8. I NEVER CONDUCTED OR ARRANGED A TEEN CLUB TRIP TO ANYWHERE... I ALWAYS TOOK VACATIONS WITH MY CLASSMATES — MOST OF WHOM ARE ALREADY DEAD.

9. THE RESULTS OF THE BOILER EXPLOSION WERE MORE THAN SKULL FRACTURES... I HAD DAMAGE TO THE RETINA IN MY LEFT EYE (REQUIRED SURGERY); ALSO THE LEFT JAW HINGE WAS DAMAGED; THE EAR BONES IN MY LEFT EAR WERE SMASHED MY LEFT EAR WAS MORE THAN 1/2 TORN OFF AND SEWED BACK ON (I STILL HAVE THE SCARS); MY LEFT SHOULDER WAS BURNED. * I DON'T REMEMBER HOW LONG I WAS IN THE HOSPITAL OR WHICH ONE. MY MEMORY OF ALL THIS IS VERY FUZZY. (I AM REFERRING TO NOTES FROM THE LEGAL SUIT I HAD AGAINST THE PARISH REPAIRMAN... I LOST THE CASE BECAUSE THE MALE COOK WE HAD TESTIFIED THAT I WAS WARNED TO STAY AWAY. HOWEVER, THE REPAIR MAN SHOWED ME WHAT PROCEDURE TO FOLLOW TO RE-IGNITE THE BOILER EVERY 3-4 HRS. IN THE DEAD OF WINTER. I TOOK A LEAVE AND STAYED WITH MY MOTHER. I DON'T REMEMBER HOW LONG.) MY MOTHER SUPPORTED ME BECAUSE I RECEIVED NO SALARY OR HELP.

* ALSO VERTIGO WHICH I STILL HAVE QUITE NOTICEABLY.

Conference Call

This meeting took place entirely via conference call. PRA arrived at the Vicar for Priests' Office for the 10:00 am scheduled meeting. Rev. Vincent Costello and PRA then contacted Mr. Al Baran via phone.

Please note that all corrections/additions that Mr. Al Baran made to the August 16, 2005 report are italicized and in bold print.

Once introductions were made, PRA asked Mr. Baran if he had any questions or concerns regarding the process of one formalizing an allegation against a priest and/or the Review Board process. Mr. Baran stated that he did not have any initial questions or concerns prior to hearing the allegation. *The situation she described **never ever happened**. At this time I do not know who she is or was. My response was one of shock. I do not remember saying I remember her "vaguely." If it did not happen, there would be no reason to remember being alone.*

PRA then read [REDACTED] allegation of sexual misconduct against the former Rev. Alexander Sylvester Baranowski without interruption.

AOC 006328

Upon the conclusion of the allegation being read to him, Mr. Baran's initial response was, "good grief." Mr. Baran stated that he remembers [REDACTED] vaguely and that she has "made up" this allegation of sexual abuse against him. He emphasized that he was never alone with [REDACTED] as she stated in her allegation.

Mr. Baran then spoke about an accident that he was involved in that took place in either 1972 or 1973 when he was assigned to St. Bruno. He explained that he was standing near the boiler when it blew up. As a result of the explosion, Mr. Baran was stuck in the head with the doors of the boiler and has suffered from memory issues since. Mr. Baran then stated that he does not remember what [REDACTED] looks like. He also mentioned that [REDACTED] is [REDACTED] married name, as that is the last name of her former husband [REDACTED] [see report]. *I do not think I ever said that her married name as [REDACTED] (if I did not know her). If I did know it was, I learned it from parish bulletins that were mailed to me after I moved. (I was told about the bulletins after I was injured—but I don't remember them now). The lady who mailed them to me did clerical work for that parish and we were friends for almost 50 yrs until her death about a year ago at age 84 (I did have some notes on different things made by her. I discarded almost everything when she died).*

When asked, Mr. Baran stated that, "...it could have happened..." that he called [REDACTED] to meet with him in the rectory as she alleged. Mr. Baran added, "...but those things [the alleged abuse] didn't happen."

Mr. Baran stated that he never visited [REDACTED] family home [as alleged], as the pastor of St. Wenceslaus at the time forbade it. When asked, Mr. Baran stated that he vaguely remembers [REDACTED] *I was never in their house because it was not allowed—except if it was for a "sick call"—and I don't think it was. The name [REDACTED] is a common Polish name, but I do not recall the face that goes with it.*

When asked, Mr. Baran stated that he was not removed early from St. Wenceslaus as [REDACTED] alleges. As per Mr. Baran, he left St. Wenceslaus "...the day the new assignments came out..."

At this point during the July 27th meeting, Mr. Baran stated that approximately 10 or 15 years ago "...another gal came forward [with an allegation of sexual abuse against him]...[and] they [the Archdiocese of Chicago] paid her off..." *The secretary I just spoke of (from notes) agreed to talk to whoever called me because she remembered that after I moved to another parish this "gal" sent me a packet of Polaroid pictures of herself and a group of young men in all kinds of indecent activities. I don't remember that. But I still do not know who she was. That's probably why I told you it was for a "pay off." Whoever called me did not call my friend.* Mr. Baran noted that he "...didn't really remember her either..." He then began to speak about St. Wenceslaus parish and the "...history of this stuff [alleged sexual abuse]..." that had gone on prior to his assignment there in July 1955. *I never said sex abuse took place at St. Wenceslaus years ago. I do remember my own mother telling me that the people there were*

“mean” and anti-priest. I was a little boy at the time. Mr. Baran estimated that the alleged abuse involving the pastor prior to him took place 65 or 75 years ago. At this point during the July 27th meeting, Fr. Costello indicated his knowledge of the allegations of which Mr. Baran spoke.

When asked for clarification, Mr. Baran stated that he is “...completely denying [redacted] allegation...” Also when asked, Mr. Baran acknowledged that [redacted] “...was around a lot at the time [when he was assigned to St. Wenceslaus]...” ***As in all other parishes, there always many kids around and he may have been one of them. I don’t know. The name is a common “Polish” name, but no face goes with it.***

PRA then asked Mr. Baran if he could talk about his reasons for resigning from the priesthood. Mr. Baran again referenced the boiler accident that he had been involved in and that as a result of his injuries, he had asked then Cardinal Cody if he could reside in a nursing home. ***I did not ask Cardinal Cody to reside in a nursing home. I did ask if I could be a chaplain in some convent, motherhouse, or hospital.*** He stated that he had this conversation with Cardinal Cody when he [Cardinal Cody] was a patient at St. Joseph’s hospital [Fr. Costello needed to assist Mr. Baran with the name of the hospital]. Mr. Baran continued and stated that Cardinal Cody’s response to his request was, “Find a good woman [to take care of you] and get married.” ***The Cardinal did say, “Find a good woman to take care of you,” but he did not say to get married. That word was never used by him, but it was probably implied (from all my notes).*** As per Mr. Baran, that is what he did.

When asked by Fr. Costello, Mr. Baran stated that he does not “...remember anything about the sexual abuse of [redacted]...” Also when asked, Mr. Baran stated that he does not remember a teen club trip to Colorado as stated by [redacted] in her allegation. ***I never conducted or arranged a teen club trip to anywhere. I always took vacations with my classmates—most of whom are already dead.***

Mr. Baran then clarified for PRA that the boiler accident took place at St. Bruno’s. He stated that his injuries included 13 skull fractures, which has resulted in lost memory and “...a lot of blank spots [in his memory]...” ***The results of the boiler explosion were more than skull fractures. I had damage to the retina in my left eye (required surgery); also the left jaw hinge was damaged; the ear bones in my left ear were smashed; my left ear was more than ½ torn off and sewed back on (I still have the scars); my left shoulder was burned. Also vertigo, which I still have quite noticeably. I don’t remember how long I was in the hospital or which one. My memory of all this is very fuzzy (I am referring to notes from the legal suit I had against the parish repairman...I lost the case because the male cook we had testified that I was warned to stay away. However, the repairman showed me what procedure to follow to re-ignite the boiler every 3-4 hrs. in the dead of winter. I took a leave and stayed with my mother. I don’t remember how long). My mother supported me because I received no salary or help.***

Both PRA and Fr. Costello thanked Mr. Baran for his time. It was agreed that PRA would send Mr. Baran a copy of the draft report of his responses to [redacted] allegation

for his review. Mr. Baran will then return the draft report to PRA with his additions and/or corrections.

Additional Information:

At the present I am dealing with the aftermath of eight surgeries, which I had in the last 2 ½ years. Coronary bypass (triple), arterial bypasses in each leg, knee replacement, 2 podiatric surgeries and cataract surgeries. The podiatric surgeries did not work out and now I have neuropathy in each leg. I can't really drive because if I were to go someplace, I cannot get out of the car and walk. Before the surgeries I had two heart attacks. After the surgeries I had two strokes, which numbed my left hand and slightly affected my left leg.

I would appreciate it if in the future all contacts were made by mail and I will respond by phone ASAP. Thank you!

Dear [REDACTED]

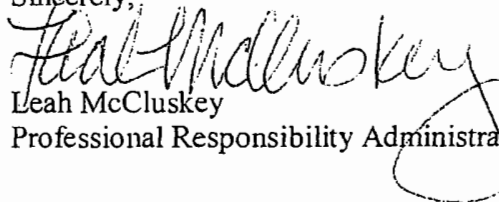

Please be advised that the Professional Responsibility Review Board met on April 8, 2006 and conducted a Review for Cause regarding your allegation of sexual misconduct against the former Rev. Alexander Baranowski pursuant to Article §1104.9 of the Review Process for Continuation of Ministry. Mr. Baranowski is a laicized priest of the Archdiocese of Chicago.

At a Review for Cause the Review Board recommends, based on the information that has been gathered and made available to it, whether there is reasonable cause to suspect that the accused priest engaged in the sexual misconduct of a minor.

Cardinal George has accepted the Board's recommendations. Since Mr. Baranowski is laicized, there is no further action that can be taken at this time. Conference Call

I arrived at the Vicar for Priests' Office at 10:00 am for the scheduled conference call with the former Rev. Alexander Baranowski [now known as Al Baran]. Rev. Vincent Costello initiated the scheduled call with Mr. Baran promptly at 10:00 am.

When Mr. Baran answered the phone, Fr. Costello and I introduced ourselves and thanked him for his time. Fr. Costello asked Mr. Baran how his recovery was progressing. Mr. Baran said that he had fallen two months ago and the recovery was not going well.

As we continued, I informed Mr. Baran that I had [REDACTED] allegation of the sexual abuse of a minor to read to him. When asked, Mr. Baran indicated that he did not have any questions to ask of me. I continued by reading [REDACTED] allegation against Mr. Baran in its entirety and without interruption.

After reading [REDACTED] allegation against him, Fr. Costello asked Mr. Baran if he had any response that he wished to provide. Mr. Baran's first words were, "Holy cripe." He then made the following comments, "I barely remember this kid...it sounds almost impossible..." Mr. Baran also commented, "It's me against him [REDACTED] and his allegation]."

I informed Mr. Baran of his right to have a copy of the report of [redacted] allegation sent to him. Mr. Baran said that he does not want a copy of the report. I provided Mr. Baran with a brief verbal summary of the Review Board process and informed him that there would be letters that I would like to send him at the end of the Initial Review and Review for Cause of this matter. Mr. Baran agreed that I could send these letters to his home, as long as they were sent in plain brown envelopes with only my initials serving as the return address.

When asked by Fr. Costello, Mr. Baran provided his home address:

[redacted]

Also when asked by Fr. Costello, Mr. Baran said that he does not have an attorney. Mr. Baran then sighed, "Oh well." He said that his memory is so bad after the two accidents that he sustained in the past that he has trouble remembering anything. Mr. Baran next remarked, "I don't even remember being in the parish [St. Wenceslaus]..." but that [redacted] name "...rings a bell."

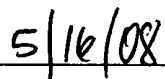

Fr. Costello and I again thanked Mr. Baran for his time. Prior to ending the conversation, Mr. Baran thanked us for the phone call to inform him of this matter.

Re: **RESPONSE OF REV. ALEXANDER BARANOWSKI [LAICIZED] - NOW KNOWN AS AL BARAN] TO THE ALLEGATION OF SEXUAL MISCONDUCT MADE BY [REDACTED]**

Date: May 15, 2008

Date of Conference Call: March 9, 2008

Conference Call

I arrived at the Vicar for Priests' Office at 10:00 am for the scheduled conference call with the former Rev. Alexander Baranowski [now known as Al Baran]. Rev. Vincent Costello initiated the scheduled call with Mr. Baran promptly at 10:00 am.

When Mr. Baran answered the phone, Fr. Costello and I introduced ourselves and thanked him for his time. Fr. Costello asked Mr. Baran how his recovery was progressing. Mr. Baran said that he had fallen two months ago and the recovery was not going well.

As we continued, I informed Mr. Baran that I had [REDACTED] allegation of the sexual abuse of a minor to read to him. When asked, Mr. Baran indicated that he did not have any questions to ask of me. I continued by reading [REDACTED] allegation against Mr. Baran in its entirety and without interruption.

After reading [REDACTED] allegation against him, Fr. Costello asked Mr. Baran if he had any response that he wished to provide. Mr. Baran's first words were, "Holy cripe." He then made the following comments, "I barely remember this kid...it sounds almost impossible..." Mr. Baran also commented, "It's me against him [REDACTED] and his allegation]."

AOC 006419

I informed Mr. Baran of his right to have a copy of the report of [REDACTED] allegation sent to him. Mr. Baran said that he does not want a copy of the report. I provided Mr. Baran with a brief verbal summary of the Review Board process and informed him that there would be letters that I would like to send him at the end of the Initial Review and Review for Cause of this matter. Mr. Baran agreed that I could send these letters to his home, as long as they were sent in plain brown envelopes with only my initials serving as the return address.

When asked by Fr. Costello, Mr. Baran provided his home address:

[REDACTED]

Also when asked by Fr. Costello, Mr. Baran said that he does not have an attorney. Mr. Baran then sighed, "Oh well." He said that his memory is so bad after the two accidents that he sustained in the past that he has trouble remembering anything. Mr. Baran next remarked, "I don't even remember being in the parish [St. Wenceslaus]..." but that [REDACTED] name "...rings a bell."

Fr. Costello and I again thanked Mr. Baran for his time. Prior to ending the conversation, Mr. Baran thanked us for the phone call to inform him of this matter.

Hi Leah:

Working on the [REDACTED] background and was wondering if there was any additional information you could share with me on this one. It seems the last known address is several years old, actually dates back to 2001. There's no record so far of property in his name, although I do have listings for possible relatives. Perhaps if you could let me know if there is anything specific we're looking for or are we just checking for criminal, suits, judgements, bankruptcies etc.

Thanks,

Dear Ms. McCluskey,

I am writing to you in order to formalize my handwritten note in response to your letter of June 3, 2008, regarding the matter of **Reverend Alexander Baranowski**, a priest ordained for the Archdiocese of Chicago who was dispensed from the obligations of the clerical state and who is now known as Al Baran, and the allegation made by [REDACTED] following the Initial Review conducted by the Review Board on May 31, 2008.

In light of the Board's consideration of the information presented in this matter, I accept the Board's determination, and believe that the information suggests further investigation into whether **Father Baranowski** engaged in sexual misconduct with a minor.

With this letter is a decree which appoints you as the investigator into an allegation of sexual misconduct with a minor that was made against **Father Baranowski**. The terms of this investigation are spelled out in the decree.

Thank you for your assistance in this matter.

Having received the recommendation of the Archdiocesan Review Board that information at least seems to be true that **Reverend Alexander Baranowski** engaged in sexual misconduct with [REDACTED] a minor at the time of the alleged incident, I have concluded that this constitutes information which "at least seems to be true" (c. 1717) and warrants further investigation.

Therefore, in accordance with the aforementioned canon, I decree that an inquiry be done into the facts and circumstances of this accusation, as well as its imputability to **Father Baranowski**.

Since my other duties prevent me from conducting this investigation personally, I hereby appoint **Ms. Leah McCluskey** to act as the investigator in this matter. In carrying out these duties, Ms. McCluskey will have all of the authority of an auditor, in accordance with cc. 1428 and 1717. She is to collect any additional proofs she deems necessary in accordance with the norm of law as they relate to the present allegation. She is delegated to take testimony from the accused and from any witnesses (cc. 1530 – 1538 and 1547 – 1573), to obtain any necessary documents (cc. 1540 – 1546), to enlist the services of any experts deemed necessary (cc. 1574 – 1581), and to have access to places or things which she deems necessary for her investigation.

In conducting her investigation, Ms. McCluskey is to take care that such an investigation does nothing to harm [REDACTED] name or to violate his right to protect his privacy.

After she has concluded her investigation, Ms. McCluskey is to make a written and oral report to the Review Board, no later than one hundred eighty days from the date of this appointment. This report is to address the facts, circumstances, and imputability concerning the alleged offense. This report is to be sent to me, along with the advice of the Review Board.

Given on June 24, 2008, at Chicago, Illinois.

Dear [REDACTED],

My name is Leah McCluskey and I am the Director of the Office for Child Abuse Investigations and Review at the Archdiocese of Chicago. It is in this office where we receive and investigate all allegations of the sexual abuse of children (those under the age of 18) by priests, deacons, lay employees, and volunteers of this archdiocese.

Jimmy Lago, the Chancellor of the archdiocese, forwarded to me a copy of your June 22, 2010 letter. I want to thank you for sharing all of the information that you did in your letter about your mother [REDACTED] and the former Rev. Alexander Baranowski. As you can see, I have copied four other people from the archdiocese on this e-mail to you. Rev. John Collins and Rev. Kenneth Budzikowski are our Vicar for Priests, Matt Hunnicutt is the Director of the Office of Assistance Ministry, and Jimmy Lago. From the information that you shared in your letter about your mother and the former Fr. Baranowski, each of our offices may be able to provide you with some response to your questions, concerns, and requests.

I am writing with regard to the information you shared that the former Fr. Baranowski's involvement with your mother began when she was 13 or 14 years old. If you are able [REDACTED] would you be able to provide some additional information about this--namely, if it is your understanding that Fr. Baranowski's involvement with your mother when she was under the age of 18 was sexual or physical in nature. Whatever information you would be able to provide would be extremely helpful.

Matt Hunnicutt or someone from his office would be able to provide you with a response to your question about support care for your mother.

I have copied Fr. Collins and Fr. Budzikowski on this e-mail due to the fact that all reports of inappropriate behaviors between a priest and another adult (those 18 years of age or older) are addressed by the Vicar for Priests.

Thank you again for your letter [REDACTED] I look forward to hearing from you again.

Peace,

Leah

ARCHDIOCESE OF CHICAGO
OFFICE FOR CHILD ABUSE
INVESTIGATIONS AND REVIEW

Dear 

A copy of the letter that you wrote on June 22, 2010, to the Office of the Chancellor of the Archdiocese of Chicago was sent to my office, the Office of Assistance Ministry.

This office is an extension of the Cardinal's outreach to those who have reported as being sexually abused as minors by a priest, deacon, or others who minister, work, or volunteer for the Archdiocese of Chicago. The Office of Assistance Ministry is sanctioned to provide services, resources, and support to victim/survivors of cleric sexual abuse and their family members. These services are therapeutic related and offer individual psychological counseling and spiritual direction by trained and qualified providers.

We are sad to hear about the difficulties that your mother has experienced in her life and the plight that you and your entire family grapple with today. However, our program does not provide any financial resources. And it appears that you and your family are in need of some type of financial resources in order for you to resolve the problems that you are facing today. We are not aware of any resources that could assist you at this time.

We also would like you to know that a copy of your letter was sent to Leah McCluskey, Director of the Office For Child Abuse Investigations & Review. This is the office that is responsible for receiving and investigating allegations of child sexual abuse within the Archdiocese of Chicago. Her phone number is 312-534-5205. It is my understanding that you have already been in touch with Ms. McCluskey.

I am enclosing information that explains the services that the Office of Assistance Ministry provides to victim/survivors of cleric sexual abuse and their family members. Please feel free to contact my Director, Matt Hunnicutt, at 312-534-8267 or me at 312-534-8256 if you have any questions or if you would like to request any services.

Sincerely yours,

Ruth Robinson, BSW
Assistant Director

Dear Ms. McCluskey, Mr. Collins, Mr. Lago, Mr. Budzikowski and Mr. Hunnicutt:

This Thursday, July, 8th, my mother is arriving. I will be caring for her while my brother and dad put their house up for sale in Illinois. My brother is bringing the photo albums and I plan to try to "interview" my mother over the space of the next few weeks for more details. Please pray for comfort and peace.

I am attaching a scanned copy of a published short story my sister wrote several years ago. It includes some of my mother's history.

I have also contacted my Uncle [REDACTED] and my Aunt [REDACTED] and her long time school friend [REDACTED]. Their other two brothers [REDACTED] have passed on. [REDACTED] of cancer and of suicide (we don't know the cause). Here are [REDACTED] and [REDACTED] emailed comments below. When I get more information from [REDACTED] I will pass it on.

In Him,

[REDACTED]

from [REDACTED]

[REDACTED]

I managed tom avoid AI as much as possible. He had one sexual discussion with me and I told my Mom. Once my Dad found out he went to the Monsignor and told him to stay away from me.

I know Mom and Dad were really upset with the situation. Dad wrote the Archdiocese several times and even went there on one occasion that I knew of.

[REDACTED] (wife of Uncle [REDACTED]) and [REDACTED] would know much more.

Uncle [REDACTED]

from [REDACTED]

██████ I just read the letters.

In your letter you ask for the Church's help. It's unfortunate, but I'm sure they will not provide any. They asked for more information...if they check the diocese records they should have reports of the many times Grandpa contacted them, and was only told that he needed to provide "proof". That's when Me, Uncle ██████ and his friends started to follow "Al". It's when "Al" produced a gun and threatened to use it if we continued to follow him that Grandpa told us to stop.

Also, if the Chancery office needs "more information" they can refer to the article written a couple years ago by a Chicago newspaper about the pedophile priests that have been reported over the years. I have a copy of that article and Al Baranowski is at the top of that list.

Your mother was in the 8th grade at the time when "Al" a newly ordained priest was assigned to St Wenceslaus. He made many sexual advances toward me and also Uncle ██████ He had no preference as to gender.

Your Mom had a friend who was "covering up" for her during the time she was pregnant. If I remember correctly, her name was ██████ (I think) and she worked with her at ██████ I believe she either shared her apt with her or was staying there while your Mom was supposed to be "in New York for training". It was an apt in the suburbs, maybe Elmwood Park.

She had the baby sometime just before I got married in June 1964. She always told me she wasn't sure who the father was, so I don't know what was put on the birth certificate.

I'm sure the Church will try to sweep your letter under the rug with the others. If you're going to pursue this, I think a consultation with an attorney might be in order?

Keep me posted.
Love, Aunt ██████

In additional phone conversation with my Aunt ██████ today, 7/7/10:

██████ said that Father Al had attempted to take them all on a vacation to California and her dad put his foot down.

She said my mom, who was the oldest, was given a little more freedom and took a job at the "dimestore". When she had enough money, she had her own phone line installed in their bedroom and would stay up all night talking to Father Al on it. She also had an 8x10 photo of him hanging on the wall.

██████ said she used to cover it up with a scarf because it made her sick and mom would get really mad at her. She felt very sorry that my mom had fallen for all of his persuasiveness.

Subject: Hello

Dear [REDACTED]

My name is Leah McCluskey and I am the Director of the Office for Child Abuse Investigations and Review at the Archdiocese of Chicago. It is in this office where we receive and investigate all allegations of the sexual abuse of children (those under the age of 18) by priests, deacons, lay employees, and volunteers of this archdiocese.

Jimmy Lago, the Chancellor of the archdiocese, forwarded to me a copy of your June 22, 2010 letter. I want to thank you for sharing all of the information that you did in your letter about your mother [REDACTED] and the former Rev. Alexander Baranowski. As you can see, I have copied four other people from the archdiocese on this e-mail to you. Rev. John Collins and Rev. Kenneth Budzikowski are our Vicar for Priests, Matt Hunnicutt is the Director of the Office of Assistance Ministry, and Jimmy Lago. From the information that you shared in your letter about your mother and the former Fr. Baranowski, each of our offices may be able to provide you with some response to your questions, concerns, and requests.

I am writing with regard to the information you shared that the former Fr. Baranowski's involvement with your mother began when she was 13 or 14 years old. If you are able [REDACTED] would you be able to provide some additional information about this--namely, if it is your understanding that Fr. Baranowski's involvement with your mother when she was under the age of 18 was sexual or physical in nature. Whatever information you would be able to provide would be extremely helpful.

Matt Hunnicutt or someone from his office would be able to provide you with a response to your question about support care for your mother.

I have copied Fr. Collins and Fr. Budzikowski on this e-mail due to the fact that all reports of inappropriate behaviors between a priest and another adult (those 18 years of age or older) are addressed by the Vicar for Priests.

Thank you again for your letter [REDACTED] I look forward to hearing from you again.

Peace,

Leah

Hi Alex,

I hope that all is well with you.

I called over to the Vicar for Priests' Office today and spoke with Fr. Ed Grace. I asked Ed if he knew if Alexander Sylvester Baranowski, ordination class of 1955, had passed away. Baranowski was laicized in 1976 and changed his last name to Baran. Through an internet search, I found an obituary from 2011 for an Alexander S. Baran, date of death June 21, 2011. Ed suggested that you may know whether Baranowski/Baran is alive or deceased. Would you have that information?

Thank you!

Good Morning [REDACTED]

Thank you for your e-mail. I am glad that June 18th works for [REDACTED] and [REDACTED]. What time would you like to begin in the morning and resume in the afternoon? Also, we may absolutely meet in our offices, which are located at 737 N. Michigan Avenue, Suite 1220. Good Morning [REDACTED]

Thank you for your e-mail.

Beginning at 10am sounds great and may I suggest beginning the afternoon meeting at 1:30p? With regard to the length of a meeting, I tell the person who comes forward that the length of the meeting is completely in his or her control. I would say that meetings typically last about an hour or so, but I have had some last up to two or three hours dependent upon the comfort level and emotions of the individual who has come forward to formalize his or her allegation.

I am happy to make arrangements for you to park in the lot across from Holy Name Cathedral. I will put two separate requests under "[REDACTED] and client." The lot is located at State and Superior Streets directly across from the Cathedral. The entrance to the lot is on Superior Street, which is one block south of Chicago Avenue and is a one way street going East. Once you park in the lot, please walk east down Chicago Avenue to our office located at 737 N. Michigan Avenue, Suite 1220. As I mentioned, the entrance is 1/2 block east of Michigan Avenue on the south side of the street.

Thank you again, [REDACTED] Talk to you soon.

Since they will be coming in from the suburbs, I was thinking of starting around 10 am for the first one and 1 or 2 pm for the second one after a quick lunch, depending on how long the first one goes. As we discussed, I am not sure how long these typically go. Not sure if it matters who goes first but let me know. That would be great if we could park in the Holy Name Cathedral lot, there will probably be 2 cars total. I will have [REDACTED] bring his receipts and I know his wife is coming along with him.

Good Morning [REDACTED],

Thank you for your e-mail.

Beginning at 10am sounds great and may I suggest beginning the afternoon meeting at 1:30p? With regard to the length of a meeting, I tell the person who comes forward that the length of the meeting is completely in his or her control. I would say that meetings typically last about an hour or so, but I have had some last up to two or three hours dependent upon the comfort level and emotions of the individual who has come forward to formalize his or her allegation.

I am happy to make arrangements for you to park in the lot across from Holy Name Cathedral. I will put two separate requests under "[REDACTED] and client." The lot is located at State and Superior Streets directly across from the Cathedral. The entrance to the lot is on Superior Street, which is one block south of Chicago Avenue and is a one way street going East. Once you park in the lot, please walk east down Chicago Avenue to our office located at 737 N. Michigan Avenue, Suite 1220. As I mentioned, the entrance is 1/2 block east of Michigan Avenue on the south side of the street.

Thank you again, [REDACTED]. Talk to you soon.

Since they will be coming in from the suburbs, I was thinking of starting around 10 am for the first one and 1 or 2 pm for the second one after a quick lunch, depending on how long the first one goes. As we discussed, I am not sure how long these typically go. Not sure if it matters who goes first but let me know. That would be great if we could park in the Holy Name Cathedral lot, there will probably be 2 cars total. I will have [REDACTED] bring his receipts and I know his wife is coming along with him.

Good Morning [REDACTED],

Thank you for your e-mail. I am glad that June 18th works for [REDACTED] and [REDACTED]. What time would you like to begin in the morning and resume in the afternoon? Also, we may absolutely meet in our offices, which are located at 737 N. Michigan Avenue, Suite 1220. [REDACTED]

- The correct spelling of one of my former employers is [REDACTED], not [REDACTED] (pp. 3-4)

- I cannot emphasize enough that I attribute the loss of many academic and athletic opportunities in high school and college to this one experience with this priest.

- This experience with this priest destroyed my Catholic faith. It also seriously negatively impacted my connection to my Polish heritage, which is centered around the Church.

[REDACTED]

- When I was discussing excuses Father Al would use to ask my mom for permission for me to go out with him, I referenced one excuse might be his sister was in town, I probably should have said that a family member was in town, not necessarily a sister, I was just using that as an example. (p. 11)

- I was terrified and headaches entire time driving home from dinners at Father Al's parents' house. It was dark and I was afraid he might stop and try something.

- To be clear, I never shared with [REDACTED] that I was sexually abused by Father Al during my childhood. (p. 21)
