Dear [REDACTED]  
Everything upset for me because i am not returning to greenbush.  
Lots of people emailed to me why not returning?  
They are all missing me a lot.  
i miss them all. Especially all the seniors .  
Everybody is crying for me.  
They all feel very very sad about your mum's false accusations.  
Really my intention is to make you happy and glad in your life.  
But everything turned against me.  
It is devil's work.  
I was very happy about your good loving friendship but everything misunderstood.  
To help you i got bad name.  
Anyway everything was over.  
i can not regain my good name.  
But i like your friendship and appreciate your strong decision of becoming a religious sister.  
I always help you.  
i never forget your friendship.  
My desire is always you must be happy and glad.  
You are most welcome to India.  
I open my arms and welcome you with kind and loveable heart.  
You made a Big Turning point in my priesthood.  
I learnt lot of things from your friendship experience,  
I see there is lot of crooked people who have no broad mind in usa.  
Everything they see in sexual eyes.  
But i love you sincerely i guide you in a right path.  
I love you [REDACTED] you do your graduation well.  
After a month or 3 months i send you some gifts for your daily use of study.  
with love jp For your question i answer you when you call?

Hey,  
On account of you i suffered a lot.  
To help you i showed my kind and love .  
I did my spirtual guidance and healing prayer and counselling to you.  
Still i have love towards you and guide you.  
But if you go to chancery and if you say about our friendship again there is misunderstanding will come.  
So please be calm.I am not coming back to usa.  
I settled here and stay here and do my spirtual ministry.  
So do your studies well and try to come and visit India.  
I trusted you fully and save my good name.It is in your hands to save my good name.  
Don't spoil my name like your mum.I trust you fully.

Date: September 13, 2005  
To: Bishop Victor Balke  
From: [REDACTED]  
Subject: Father Jayapal

This memo presents some of the telephone conversation I heard between my daughter, [REDACTED] and Fr. Jayapal.

Time and Date of Phone Calls: 3 a.m. September 11, 2005  
5 a.m. September 12, 2005

These calls came from Fr. Jayapal in India.

On 9/11/05 around 3 in the morning the phone rang only once. [REDACTED] picked it up in her bedroom. I picked it up in our bedroom. I don't believe she knew I was on the phone.

Some of the conversation went like this:

Fr.: I like you.  
[REDACTED] I like you too.  
Fr.: I like you very much.  
[REDACTED] I like you very much too  
Fr.: I hug you.  
[REDACTED] I hug you too.  
Fr. I kiss you.  
[REDACTED] I kiss you too.  
Fr.: I love you.  
[REDACTED] I love you too.  
Fr.: I kiss you on the lips.

....  
[REDACTED] Where are you?

Fr.: In my car. (Then Fr. said something to the effect that if he were in the house they would want to know who he was talking with and would ask questions.). . . .

Fr.: If I were 30 years younger I would be your husband. . . .

[REDACTED] Just two more years. [REDACTED] will then be 18)

Fr.: You must keep in your mind your intention of being a sister.

On 9/12/05 around five in the morning the phone rang two maybe three times. [REDACTED] picked it up in her bedroom. I picked it up in our bedroom. [REDACTED] my husband, picked it up in the kitchen and heard the first part of the following conversation; then hung up since he knew I had gotten it. As I continued to listen:

Some of the conversation went like this:

[REDACTED] Oh crap! I think mom is on the phone. Mom? Mom? (I didn't respond), It's static, it's not clear.

Diocese of Crookston  
252

Fr.: Your mom and dad are there?

[REDACTED] Yes

Fr.: Don't tell you mom I called. . . .

Fr.: My [REDACTED] I love you.

[REDACTED] I love you too.

Fr.: I hug you

[REDACTED] I hug you too.

Fr.: I kiss you on the lips. You kiss me ten times--right now  
(I could hear her smacking). . . .

Fr.: [REDACTED] you must call the Bishop. . . .

Fr.: I had nine e-mails from people in Greenbush who want me to come back soon, they miss me.

I listened for only a short time the second phone call and hung up, then later I checked by pressing the speaker phone button, if they were still talking. Somewhere during the conversation [REDACTED] sounded as though she had printed off e-mails Fr. had sent.

On the 27th of August I had spoken by phone to Fr. Jayapal and ask that he have no more contact with [REDACTED] On September 13th I spoke with Bishop Balke.

This type of conversation should not be permitted by any priest, especially to a 16 year old girl. My husband and I feel that Fr. Jayapal should not even be allowed back in the States.
