My dear friends

Greetings of love, joy and peace of Christ!

I am glad to hear both you yesterday over the phone. Let me once again wish a very happy new year 2006. Thank you very much for your warm words of welcome for summer 2006. Well, as I was telling you, usually the students studying in Rome wish to go out during summer to work in parishes or hospitals to have a pastoral experience. I would like to come to the United States during this summer for a period of three or four months: June, July, August and September 2006 after which I will return to Rome to continue my doctoral programme. This would be a great opportunity for me to have a pastoral ministry and religious experience of the universal church.

I am a Catholic priest of the diocese of Cuddapah (Andhra Pradesh state, S. India). At present I am doing doctoral studies in Moral Theology at Alphonian Academy, Rome. After these studies I will be appointed in the major seminary (in India) to teach the seminarians who aspire to become priests. Dear

find the enclosed Curriculum of my ministry as you had asked for. This gives you some knowledge about me and my ministry.

You are always in my thoughts and prayers and kindly keep me in your prayers too. May God bless you!

Sincerely yours in Christ,

Fr. E. Vijaya Bhaskar

Rev. Vijaya Bhaskar GODUGUNURU
