Your Eminence,

This is to inform you that I am accompanying Fr. Kenneth Brigham on Tuesday, Feb. 29th, to St. Augustine's Monastery at Nassau in the Bahama Islands. Fr. Brigham asked me to travel with him because he feels he needs to get away from many pressures that he is under here in Chicago. It is my understanding that you spoke with him today, Feb. 28th, and that you are aware of his plans and of his condition.

I spoke with Bishop Dempsey on Feb. 27th and informed him of Fr. Brigham's plans. He stated that in all likelihood Fr. Brigham "would be treated just like any other Priest who is sick in the Archdiocese". I am using my funds to pay for the airfare and to give Father enough to live on while he is down there. The round trip fare is \$188.00. I plan to give Fr. Brigham \$300.00. The total amount is \$676.00.

Since my funds are extremely limited I sought advice from Fr. Rollins Lambert and he suggested that I take this step of writing to you for reimbursement. Thanking you for your kind attention to this matter, I am,

Sincerely yours in Christ,

Fr. George Clements

Your Eminence:

Tried unsuccessfully to reach you through your secretary today. Am writing this letter in order that I might comply with what you directed in our most recent conversation. I have thought and prayed about what you proposed and have chosen a course of action guided by your suggestions.

Secondly, regarding the continuance of my priestly apostolate in the Archdiocese, I sincerely appreciate the opportunity to suggest where I might best serve. Father George Clements has been most kind to me in these last several months, and you seemed well disposed to my remaining here with him, having suggested it yourself. In gratitude to Father Clements and respecting your opinion, I respectfully request to be assigned to Holy Angels.

Heretofore, I have not had the opportunity to thank you for the letter from Rome in which you alerted me of your remembrance in your Mass at St. Peter's Tomb. I appreciate this momento as well as your patience and kindness in the matters contained in this letter.

Yours very truly in the
Peace of Christ,

CERTIFYING PRIESTLY MINISTRY

This is to certify that Reverend Kenneth M. Brigham is a priest in good standing of the Archdiocese of Chicago. After reviewing his personnel file and from my personal knowledge, I am able to certify without qualification that Reverend Brigham has:

1. Never been suspended or otherwise canonically disciplined;
2. Never had criminal charges brought against him;
3. Not manifested behavioral problems in the past that would indicate he might deal with minors in an inappropriate manner;
4. Never been involved in an incident which called into question his fitness or suitability to fulfill the responsibilities and duties of his priestly ministry due to alcohol abuse, substance abuse, or other causes;
5. No other particular mental or physical attribute, condition, and/or past situation which would adversely affect his performance or priestly ministry.
6. Although an allegation of sexual misconduct was brought against Reverend Brigham in 2002, it was declared false due to lack of sufficient data.

I am able to state without qualification that Reverend Kenneth M. Brigham is of good character and reputation and qualified to perform his priestly duties in a ministerial position in any diocese that welcomes him.

Victim Statement Abstract

This abstract replaces the summary prepared by Steve Sidlowski, Professional Fitness Review Administrator for the Archdiocese of Chicago, of Victim L's statement, given to Mr. Sidlowski on or about May 24, 1994, formalizing his allegation of sexual abuse against an unidentified priest. The alleged abuse consisted of one incident of fondling and oral sex in the rectory at St. Clotilde's parish when Victim L was 17 years old.

APPROPRIATE AGENCIES

At about 6:15 p.m. tonight, [REDACTED] called the Office on the 800#. He informed me right away about the purpose of his call. Mr. [REDACTED] stated "Well, I finally was able to make a very positive identification - it is in fact Fr. Brigham for sure. As a matter of fact, I went by the Church or school he is at."

Mr. [REDACTED] then called Our Lady Help of Christians Parish and asked to speak with Fr. Ken Brigham. Mr. [REDACTED] explained "I didn't see him, but with speaking with him over the phone, I knew it was him by his voice." Mr. [REDACTED] stated he could clearly remember the voice of the priest who had allegedly sexually abused him as a minor and this was the voice. (He had previously described the voice to R.B. and I in May, 1994).

In any event, Mr. [REDACTED] re-stated "but I'm absolutely positive - sure that Fr. Ken Brigham is the man" who allegedly sexually abused him when he was seventeen years old.

I inquired of Mr. [REDACTED] as to whether anyone had assisted him in obtaining this information and he responded "I took it upon myself on my own...to do what I could" to find out Ken Brigham's whereabouts, voice and/or face.

Mr. [REDACTED] rejoined that "his voice and his face I would never and could never forget, and as soon as I heard" Rev. Brigham's voice, Mr. [REDACTED] said he no longer had a doubt that Rev. Brigham is indeed the alleged priest perpetrator.

I noted to [REDACTED] how he has previously noted that he would not want to identify the wrong priest in this matter and that if he should still desire to attempt to obtain a photo of Rev. Brigham somehow on his own or to try to see Rev. Brigham in person and if that would all the more confirm for him Ken Brigham's identity, I certainly would understand if he pursues that option. I inquired as to whether he intends to pursue one of those options. Mr. [REDACTED] responded "His face and his voice are the two main things that I always kept in storage in my memory bank." Further, in "the same way I recognized his face" on the bus at St. Columbanus, Mr. [REDACTED] concluded that Ken Brigham probably had served at St. Columbanus as a priest at some point and when he called there today the secretary confirmed that Ken Brigham had been there (please note that I had not ever confirmed for Mr. [REDACTED] that I had learned Rev. Brigham had indeed spent several years at St. Columbanus Parish right before his current assignment). In any event, Mr. [REDACTED] said "No," that at this point he does not feel it necessary to actually see Ken Brigham's face in person or by photo. He re-iterated that "If I see his face and that was the person that would appear before" him with the voice he heard today, "I know that would be" Ken Brigham - i.e. the face would just confirm for him the voice that he states he knows was the priest perpetrator's voice from memory.

I also noted how originally he had apparently thought that the priest's first name was almost definitely a Fr. John and I inquired as to how at this point apparently the voice of this priest, moreso than his first name, has apparently clarified the matter for him. Mr. [REDACTED] responded "The name itself, Ken Brigham," upon hearing it from me recently, "superseded the name I thought that I had" remembered previously. To Mr. [REDACTED] it was more important to either see the priest or hear his voice because he stated he has no doubts about either of those two factors.

[REDACTED]

However, regarding the possibility of confronting Ken Brigham in person about the matter, Mr. [REDACTED] stated "I could" but for now he has mainly decided to inform me formally that he is now certain of Ken Brigham's identity.

[REDACTED]

Next, I explained to [REDACTED] if he is indeed certain that the priest involved in this matter is Rev. Ken Brigham, as I have noted to him previously, I will be contacting Rev. Brigham shortly, he will have the opportunity to obtain an attorney, and that I will be scheduling a meeting with him to request a response to Mr. [REDACTED] allegation and that I will, of course, also explain to Rev. Brigham how Mr. [REDACTED] had arrived at his identity. I then reminded Mr. [REDACTED] that following Rev. Brigham's response, the matter will be brought to the Review Board for a formal First Stage Review, the initiation of which can be continued for a good reason. I re-explained to him further that the Board may consider other information which it believes helpful in making its formal determinations and recommendations to Cardinal Bernardin, the final decision-maker in the matter. I again went over the possible options available to the Board. I then told Mr. [REDACTED] that the Board is meeting this coming Saturday morning, 9-17-94 and that it was not probable that the Board would be in a position to conduct a First Stage Review at that time in that matter might be quite rushed between Thursday morning and Friday afternoon in terms of informing Rev. Brigham formally of the allegation and his right to obtain an attorney for a response. I noted to Mr. [REDACTED] that the Review Board does next meet on Oct. 15, 1994 and depending upon Rev. Brigham's response, there is a reasonable possibility the matter could be continued to that time.

[REDACTED]

[REDACTED] confirmed, as he had before, that he will respect the Review Board's and Cardinal Bernardin's decision(s) in this matter. However, "I'm most sure that if Fr. Brigham is truthful, then he will confirm that what I have said is true and factual."

ARCHIVES OF THE
ARCHIVES OF THE

In closing, Mr. [REDACTED] thanked me and stated "I'll wait until the October meeting and then to hear from you" following the meeting in terms of the Board's determinations and recommendations. I explained that I would typically send him a letter on the outcome of the First Stage Review and that was satisfactory with Mr. [REDACTED]. I added that in the interim that we'll be notifying Ralph Bonaccorsi about this situation and that he might also want to contact Ralph should he so desire, although I said I expected that Ralph might want to await the outcome of the First Stage Review before determining how he will proceed with this situation as well.

Victim Statement Abstract

This abstract replaces the summary prepared by Leah McCluskey, Professional Responsibility Administrator for the Archdiocese of Chicago's Office of Professional Responsibility, of Victim M's statement, given to Ms. McCluskey's on December 6, 2007, about alleged information learned about Fr. Kenneth Brigham and another priest. Victim M reported that his abuser, Fr. Stewart, told him that Brigham and the other priest belonged to a club that would pick up little boys and sexually abuse them. Victim M did not allege that he was personally abused by Fr. Brigham or the other priest.

Dear Ms. McCluskey,

I am writing to you in order to formalize my handwritten note of September 17, 2007 in response to your letter of that same date, regarding the matter of **Reverend Kenneth Brigham**, a deceased priest of the Archdiocese of Chicago, and the allegations of sexual misconduct that were made against him by [REDACTED]. This matter was discussed in a request for a Supplementary Review by the independent Review Board at their meeting of September 15, 2007.

In accepting the Review Board's determination that this matter should not be reopened to a Supplementary Review, I am satisfied that there is not sufficient evidence to warrant a further investigation into this alleged incident.

Thank you for your assistance in this matter.

Dear Ms. McCluskey,

I am writing to you in order to formalize my handwritten note in response to your letter of July 18, 2005, regarding the matter of **Reverend Kenneth Brigham**, a priest of the Archdiocese of Chicago who is currently retired, and the allegation made by [REDACTED] following the Supplementary Review conducted by the Professional Responsibility Review Board on July 16, 2005.

Your Eminence,

Please be advised that the Review Board met on October 15, 1994. The Board fully considered my verbal and written reports in the matter regarding Rev. Kenneth Brigham. The Board completed a First Stage Review pursuant to Article 4.9 of the Review Process For Continuation of Ministry.

The Board determined that there is no reasonable to suspect that Rev. Brigham engaged in sexual misconduct with a minor.

As a result, the Board recommends that Rev. Brigham should continue in his ministerial assignment and no restrictions should be imposed upon him. The Board further recommends that Rev. Brigham's file should be closed.

The Board has requested that I communicate its determination and recommendations to you.

If you have any questions, please let me know.

Matter of PFR-51 (K.B.):

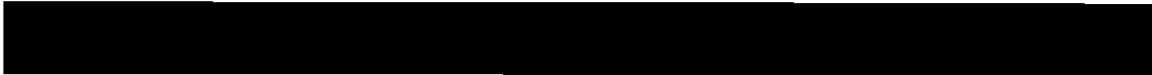

1. The Board conducted a First Stage Review in the PFR-51 matter pursuant to Article 4.9 of the Review Process For Continuation Of Ministry.

2. Determination: There is no reasonable cause to suspect that K.B. engaged in sexual misconduct with a minor. Basis: Alleged victim's manner of identification of K.B. (through his voice over phone) after 26 years is not reliable; also, the alleged victim was unequivocal in May, 1994 that the accused priest's first name was a "Father John," and K.B.'s first name is not at all close to John.

3. Recommendations to the Archbishop: K.B. should continue in his ministerial assignment and no restrictions should be imposed upon him; the PFR-51 matter and file should be closed.

Matter of 

Discussion Between Victim Assistance Ministry's Rev. Michael Bland and Review Board:

* The Review Board formally approved the Meeting Minutes for Board Meetings of April 16, 1994, May 14, 1994, June 11, 1994 and July 16, 1994.

Matter of 

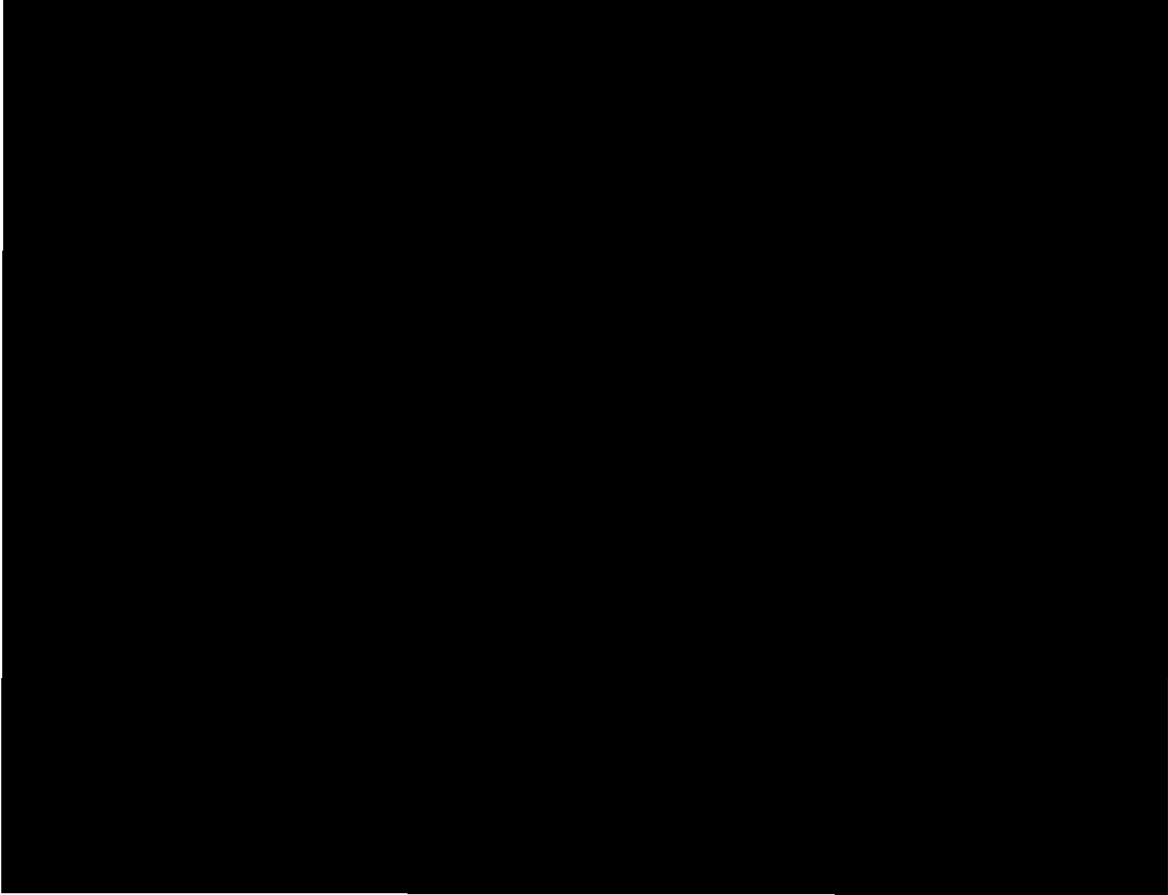

Article 4.7(c) Report on [REDACTED]

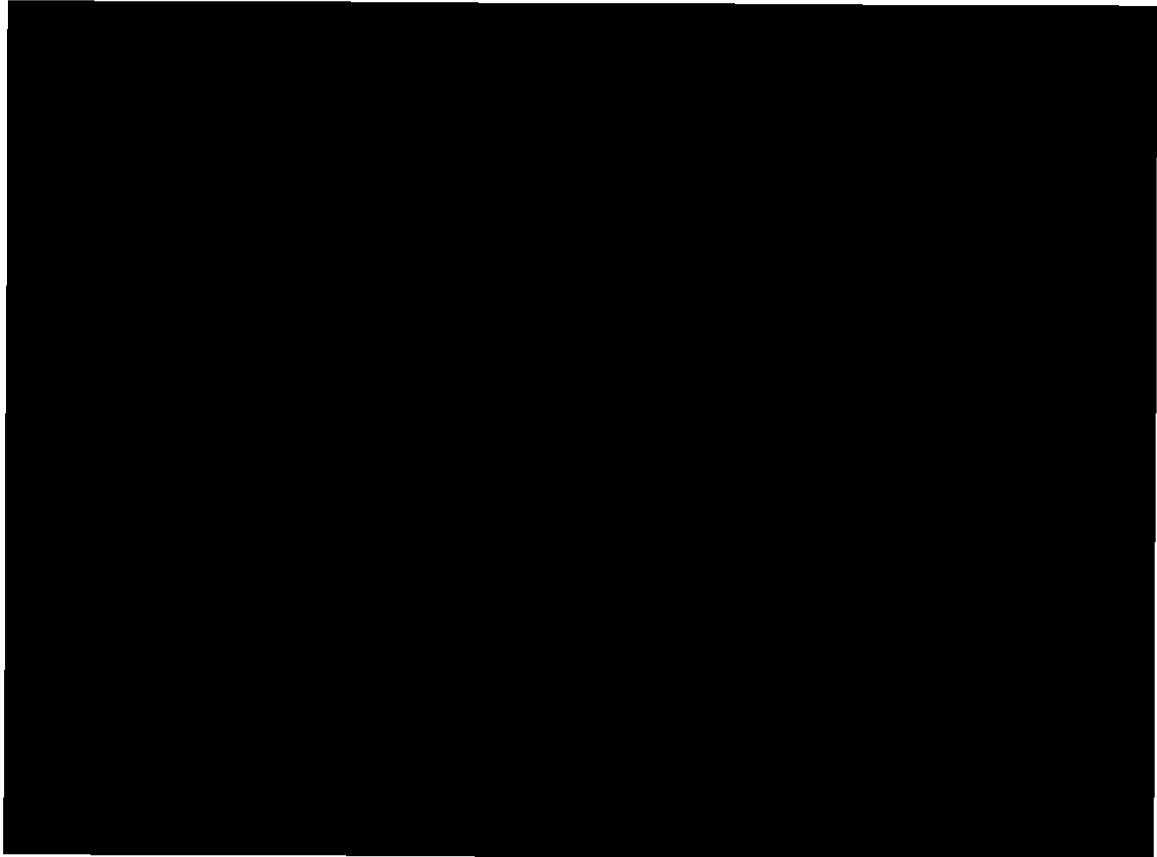

Article 4.7(c) Discussion in [REDACTED] Matter:

The Administrator informed the Board that [REDACTED] an alleged victim of sexual abuse as a minor against an unidentified priest who had already detailed his allegation to the Administrator in May, 1994, would be requesting that the Board submit a photo of Rev. Kenneth Brigham to him if there were no clear records from St. Clotilde's Parish referring to a different African-American priest who might have either worked with youth in the late 1960's there and/or supervised the [REDACTED] program apparently connected to the parish. The Administrator informed the Board what he discovered in records from St. Clotilde's Parish pertinent to the [REDACTED] program from 1968 and how there was not an identification of a priest supervisor of that program at the time at St. Clotilde's Parish. The Board resolved that in an effort to be objective, fair, and impartial in these matters, particularly at such a delicate stage in the proceedings, the Administrator should inform [REDACTED] that it respectfully declines his request for the Administrator to submit the photo of Rev. Ken Brigham. The Board further noted that its policy in general should be to not provide requested photographs of priests to alleged victims in order to maintain its objectivity and in the interest of fairness. The Board also directed the Administrator to inform [REDACTED] that it of course respects his right to proceed however he chooses on his own to attempt to identify the name of his alleged priest perpetrator. The Board further suggested that Rev. Brigham's file with the Chancellor be reviewed for indications of any past sexual misconduct with minor information or inferences, as well as that

the Administrator check with the Vicar for Priests as to whether he has that same type of information in an open file.

Article 4.7(c) Report:

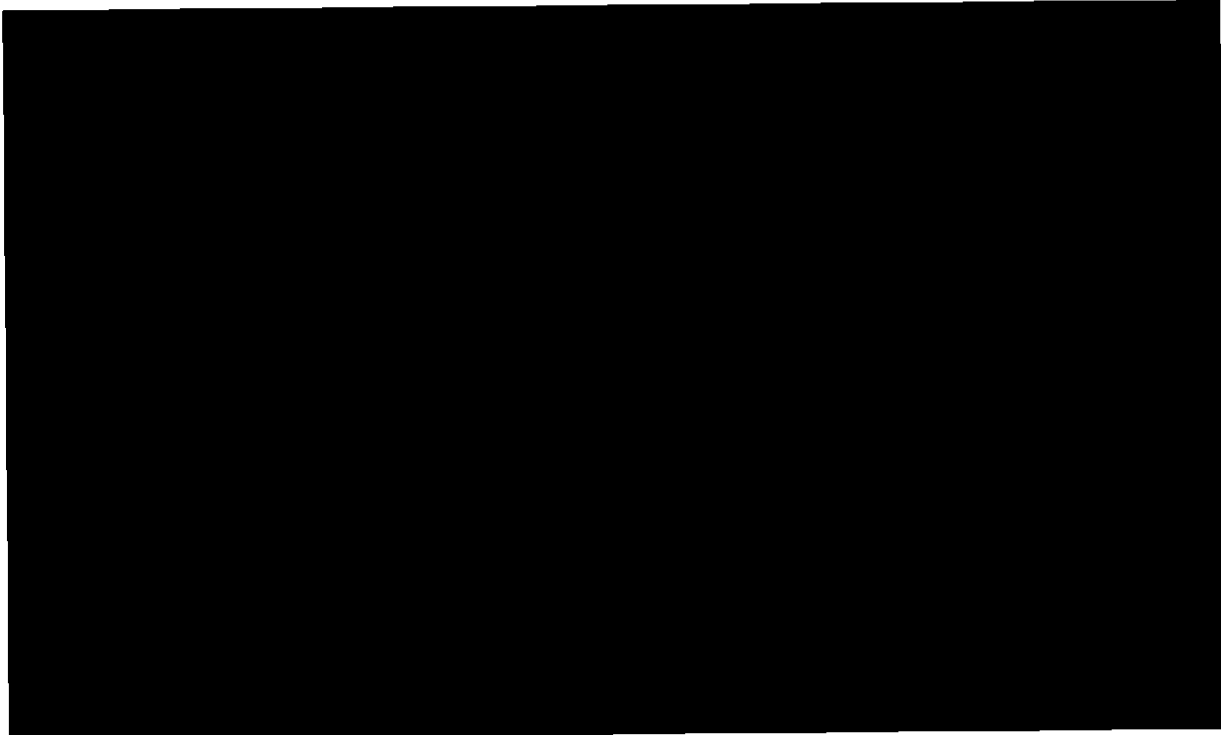

* The Administrator reminded the Board that its next two regularly-scheduled meetings are September 17, 1994 and October 15, 1994. The Board then adjourned.

* ADDENDUM
* The Administrator also presented this ..

Dear Members of the Fitness Review Panel:

The following information has previously been shared with the Archdiocese of Chicago and also with the Cook County States Attorney's Office, but I am forwarding it to you at this time so that it might get a fresh look, and more appropriate action than that taken previously. This information is second-hand, but may be useful in obtaining further facts to address a number of great injustices.

[REDACTED], an inactive Chicago priest [REDACTED] reported the following to me on several occasions, from the 1980s to the present. I have been friends with [REDACTED], a classmate, since 1965. I presently work as [REDACTED], where I can be reached at the above work number. As a Catholic father and grandfather, I am bound to report this information again in the hopes the Archdiocese takes definitive action in the case of the alleged misconduct of the Rev. Kenneth Brigham.

During the 1980s, [REDACTED], [REDACTED] spoke with me of the many frequent male visitors kept overnight by then St. Columbanus pastor Rev. Kenneth Brigham at the same rectory. The ages of the visitors ranged in age from pre-teen to adult male. One child was a pre-teen provisional adoptee of Rev. Brigham, placed by the Illinois Department of Children and Family Services under the "One Church, One Child" program for a very short period. Some had been sent to the rectory, according to [REDACTED], by a certain [REDACTED] and by others. By questioning the boys sent to St. Columbanus, the then Rev. [REDACTED] surmised that these same boys had been visitors at several other rectories, and were part of a sex-ring in which Rev. Brigham was a participant with other priests in the African American ministry.

To make a long story short, based upon [REDACTED]'s account, which included descriptions of the screams of the visiting males that came from Rev. Brigham's bedroom, Rev. Brigham was engaged in flagrant and regular sexual activity, both of a homosexual and a pedophile nature. The then Rev. [REDACTED] reported his concerns at the time (1980s) to the then dean, Rev. Howard Tuite, and to Msgr. Ignatius McDermott, and to a number of other priests, who according to [REDACTED] did nothing. [REDACTED]

AOC 000692

[REDACTED]. At the time of his departure from the active priestly ministry [REDACTED], the then Rev. [REDACTED] informed Cardinal Bernardin personally and directly of Rev. Brigham's behavior. Cardinal Bernardin assured then Rev. [REDACTED] that he would take action, but subsequently Rev. Brigham was promoted for a time to dean, so appropriate action was not taken.

Rev. Brigham's alleged compromise of the "One Church, One Child" adoption program to meet his own sexual desires indicates that an investigation into the integrity of that program is warranted. Every grown child adopted by or placed in foster care with the Revs. Brigham, [REDACTED] and others, should they still survive (some are dead), should be interviewed. It appears that the late Cardinal Cody's opposition to priests adopting children was absolutely right in the case of Rev. Brigham.

If the accounts of [REDACTED] are true as I suspect them to be, Rev. Brigham's flagrant sexual activity, and the inaction by Cardinal Bernardin himself, helped to destroy the priesthood of a fine man, [REDACTED]. If found to be true, the brazen and continuous nature of Rev. Brigham's actions make him most unworthy of representing the Catholic priesthood.

Please contact me should you need further information.

Thank you for the time you are spending on this important work.

Sincerely in Christ,

[REDACTED]

Victim Statement Abstract

This abstract replaces a letter to Leah McCluskey, Professional Responsibility Administrator for the Archdiocese of Chicago's Office of Professional Responsibility, from Victim L, dated December 4, 2007, seeking reconsideration of the Review Board's decision of October 1, 2007, declining to reopen Victim L's sexual abuse allegation against Fr. In the letter, Victim L seeks reconsideration of the Review Board's previous recommendation of no reasonable cause to suspect the alleged abuse occurred regarding his claim against Rev. Victim Statement Abstract

This abstract replaces a letter to Cardinal George, from Victim L, dated September 2, 2008. In the letter, Victim L alleges that he was sexually abused by Rev. MEMO TO FILE: PFR-51
FROM: Steve Sidlowski, Administrator
RE: K. Brigham
DATE: October 15, 1994

Summary of discussion from Professional Fitness Review Board, October 15, 1994:

The Review Board conducted a First Stage Review Board in the PFR-51 matter pursuant to Article 4.9 of the Review Process For Continuation Of Ministry and their determination is that there is no reasonable cause to suspect that Father Brigham engaged in sexual misconduct with a minor. Basis: Alleged victim's manner of identification of Father Brigham (through his voice over the phone) after 26 years is not reliable; also, the alleged victim was unequivocal in May, 1994 that the accused priest's first name was a "Father John," and Father Brigham's first name is not at all close to John.

Recommendations to the Archbishop: Father Brigham should continue in his ministerial assignment and no restrictions should be imposed upon him; the PFR Administrator-51 matter and file should be closed.
