

DEPARTMENT FOR CLERGY

February 21, 2003

Rev. James M. Flynt

West Bend, WI 53090

Dear James,

This letter is a follow-up to our telephone conversation of February 17, 2003. At that time I communicated to you the report I received following the February 13, 2003 meeting of the Review Board. After carefully studying the written reports of Joseph Link, Acting Chief Investigator for the District Attorney's Office, and a summary report of my February 7th meeting with you, the Review Board recommended to Archbishop Dolan that you not continue to serve in priestly ministry. The Archbishop accepted their recommendation and will communicate this to you by letter upon his return to the office March 3rd.

I expect that the Archbishop will also ask you to voluntarily resign the pastorate of St. Frances Cabrini, West Bend, and encourage you to seek laicization.

The following paragraphs outline what the Archbishop is prepared to offer you in recognition of your canonical rights and the Archbishop's canonical obligations.

- 1) If a priest elects voluntary laicization, we would offer what has been our practice, if not policy, for more than a decade, namely \$10,000 when the petition is submitted and \$10,000 when a definitive response is received, regardless of the contents of the response. We would offer, in addition, and new to our practice, minimum support during the time the case is in process. That minimum support would be the monthly amount a pensioned priest receives. During the processing of the case we would also provide some outplacement assistance. This assistance could consist of payment for services from a career counseling office, such as the one at Marquette or Stritch. These services provide the individual with information about how to "translate" their skills from one career to another. We could then offer three sessions of outplacement assistance which provides help with resume writing, interviewing skills, etc.
- 2) If the priest does not want to seek voluntary laicization but would rather have the penal process imposed, we would have an obligation of minimal support from the time he loses office until the case is complete. During the time of the trial, which could be up to a year, we would provide a monthly subsidy at the level of a pensioned priest. At the conclusion of the trial, if there is a penalty imposed of dismissal from the clerical state, your canonical obligation of support ceases but some small amount (obviously less than the \$20,000 above) could be given in charity.

February 21, 2003 Rev. James M. Flynt - Page 2 -

3) In all instances we would maintain the priest on our health insurance for one year at our expense. He would then be free to ask for an additional six months of coverage but at his own expense. This coverage would cease as soon as he had employment providing this benefit.

James, I am deeply saddened to have to communicate what must be very disappointing news for you. I remain grateful and appreciative for the many years of priestly ministry through which you served God's people in our Archdiocese to the best of your ability. I urge you to contact a canonical advocate to be of assistance to you at this time of serious decision-making. The Archdiocese will pay for the canonical advocate's services.

With prayer for your personal regard, I am

Sincerely yours in the Lord,

Joe /ks

His Eminence, Joseph Cardinal Ratzinger Prefect, The Congregation for the Doctrine of the Faith 00120 Vatican City State Europe

Your Eminence,

May I respectfully submit herewith to the judgement of the Congregation for the Doctrine of the Faith the petition of the Reverend John A. O'Brien, a priest of the Archdiocese of Milwaukee, to be dispensed from all obligations attached to sacred orders, including celibacy, and to be returned to the lay state. Father O'Brien has been accused of sexual abuse of a minor and, has resigned as Pastor of Presentation B.V.M. Parish in North Fond du Lac, Wisconsin.

Let me explain the allegation. On September 14, 2000, the Vicar for Clergy met with Father O'Brien to discuss his relationship with a boy who had alleged inappropriate behavior on the part of Father O'Brien. In August of 1999, this 17-year-old boy began to come to the parish rectory and church to visit with Father O'Brien. After only a few visits they began to hug each other at the end of their time together. Shortly thereafter, in the basement of the church building, Father O'Brien and the boy had explicit sexual contact with both touching each other's penis. A similar incident took place a few weeks later.

No further contact of communication of any kind took place until June of 2000 when there was similar sexual activity in the parish rectory. This boy then contacted the police. Father O'Brien was arrested and acknowledged his responsibility both to the police and in civil court, as well as to Church authorities. He was criminally convicted.

I have informed Father O'Brien that I am unable to return him to ministry at any time in the future.

I am convinced that Father O'Brien has accepted this reality and now he wants to move on with his life. Hence, he humbly and freely request that he be dispensed from all obligations resulting from Holy Orders, including celibacy, and be returned to the lay state. In fact, a letter from Father O'Brien to our Holy Father is enclosed and indicates this desire. I strongly support this petition.

Moreover, Father James Connell, my Vice Chancellor, interviewed Father O'Brien, who discussed the accusation against him and indicated his free-will desire for laicization.

In addition, this accusation against Father O'Brien is not the only accusation of sexual misconduct against Father O'Brien. Recently, we have received a report on another incident. We are turning the case over to officials in the State of Illinois for possible sexual abuse of a minor in the Chicago area.

Finally, I am very certain that no scandal would arise if this dispensation were granted to Father O'Brien. In fact, it would help bring closure to a very difficult and sad situation.

Thank you for your kind consideration in this regard and I have the honor to be, Your Eminence,

Sincerely yours in Christ,

FILMoley M. Od lan

OFFICE OF THE ARCHBISHOP

September 6, 2005

Archbishop Angelo Amato, SDB Congregation for the Doctrine of the Faith Piazza del S. Uffizio 11 00193 Rome, Italy

Your Excellency:

Currently pending before the Congregation for the Doctrine of the Faith is the petition for laicization from Reverend John A. O'Brien of the Archdiocese of Milwaukee sent to the Apostolic Nuncio on November 29, 2004. As you are aware from the supporting documentation, Father O'Brien was criminally convicted and placed on 18 months probation. That probationary period has expired but civil authorities have continued to express concerns about his activities. We have attempted to keep him in a monitoring program. There have been two recent developments in this case that should be brought to your attention.

On August 19, 2005, Deacon David Zimprich, coordinator of the monitoring program, was contacted by a Probation and Parole Agent from the State of Wisconsin, Barbara Kode-Braun. She asked to send him information about recent developments involving Father O'Brien. That information arrived on August 22, 2005. It included a police report from 2001 in which an additional allegation of sexual abuse of a minor by Father O'Brien was made. This case involves an adolescent. When Father O'Brien met while serving at St. Mary Springs High School in Fond du Lac, Wisconsin. The sexual contact was reported as beginning when the Probation and Parole Agent are enclosed.

Deacon Zimprich followed up with an interview with the second sec

3501 South Lake Drive, P.O. Box 070912, Milwaukee, WJ 53207-0912 PHONE: (414)769-3497 • WEB SITE: www.archmil.org Obviously efforts at monitoring him are not successful. We are currently pondering the wisdom of relocating him to the archdiocesan pastoral center in the retired priests' wing. However, if he does not comply with the request, we have no means of forcing such relocation.

The potential for great scandal exists. If Father O'Brien, while still in the clerical state, makes any inappropriate advances on any of these adolescent boys in whose company he has been observed, the outcry will be huge. The scandal lies not in the laicization but in the perception that the Church has not acted expeditiously enough, knowing the multiple reports of abuse. Given the number of years he spent at the high school, there remains the distinct possibility that yet more victims will come forward. Therefore, I humbly request that his petition for laicization be expedited.

Thank you for your consideration of this matter. With sentiments of esteem and prayerful best wishes, I am,

Sincerely yours in Christ,

Qu Za +1 mudling hr.

INTERVIEW WITH

22

(Father Brundage) This is the session today with **Constant**. Present here in the room for the formal session includes Father Jack Hopka and the interpreter. In this session, we plan on asking Mr. **Constant** some specific questions concerning the Father Murphy case. The advocate or lawyer for Father Murphy wanted me to stress with you that the only thing that we are asking about in this session is about what happened to you in the context of the confessional. That is the main issue concerning the confessional either before the confession started, during the confession itself or after the confession. The first very specific question that I would like to ask of you is can you describe for us the confessional where the events took place. What did the confessional look like?

It was a small room. Father Murphy wore some kind of a stole. I confessed my sins to him and I told him that I played with myself sexually. Then he asked me how I did that. He asked me if I had an erection and then he wanted to know if I masturbated and I said no and showed him how I did that. He blessed me after the confession. (Inaudible)...so I went to his office and he told me to pull down my pants and I was shocked. So I did that and he looked at my penis and he touched me and then he told me that he wanted to go to the bedroom, so I walked there with my pants hanging down. I went into the bedroom and then he masturbated and he took his finger tips and I ejaculated and that was it. I put on my pants and I was so confused and then I left.

(B) Thank you, and I can understand that must be very difficult that story once again. In the confessional, was it a face to face confession or was there a screen between the two of you?

No, it was face to face looking right at each other.

(B) Did you ever go to confession any other place than the confessional with Father Murphy such as a bedroom, a living room?

No, it was right in the chapel and there were two of them in the church. One was for boys and one was for girls.

(B) You already indicated to us the nature of the sexual contact and you did that very clearly. The next question is on that question once again, was the sexual contact a one time occurrence or did it happen more than once?

It happened over and over and over again. He came to my bedroom at night.

(B) On the other occasions, did the sexual contact, was it initiated in the confessional or did he use information from the confession to begin sexual contact?

I confessed to Father Murphy and then he didn't bother me for a few weeks and then he entered my bedroom. He touched me and I said no to him. He repeatedly kept on doing this. Then I gave up and I just let him do that and after I ejaculated he left. That was his favorite thing to do after ejaculation. Also, I was an altar boy and so he abused me and I confessed to him and then he abused me. Sometimes I didn't even go to the confessional and he would abuse me. He would use me and I would receive Communion. I thought that the Church said that I play with myself I couldn't go to cCmmunion and I'd have to go to confession first. Then he abused me and then I went to the confessional and I was able to receive Communion. Also, I was an altar boy at St. Ann's Church in Boulder Junction and Father Murphy was there. He abused me.

(B) My understanding of what you just stated seems to include a new crime, one that I have not heard before and that was that the two of you had sexual contact, then you went to confession to him about the sexual contact and then he absolved you from that sin. Is that accurate?

(B) I want to acknowlege that has indicated to the affirmative on this question.

That's why I told Father ---. I told Father --- that he was a sick person and shouldn't be a priest. It's not right.

(B) You indicated that the sexual contact occurred on many occasions. I'm wondering if there is any way to isolate or come to a decision about how many times it occurred. Perhaps was it 50 times, a 100 times?

I don't know.

(B) But it was numerous times.

I would say he raped me when I was 13, 14, 15, 16, 17 when I was that age. Then when I was 22 he asked for it and I said no and he was really angry and then the next morning he apologized to me.

(B) I assume that you went to other priests for confession while at St. John's.

Yes.

(B) Did any of the other priests ask about sexual matters in the confessional similar to what Father Murphy did?

No. That's why when I went to confession and Father Murphy was the only one to interrogate me about sex. Father Zirkel didn't do it. The other fathers didn't do. They would listen and give me three Hail Mary's and forgiveness, absolution and then I'd go to church, I would pray and that was it. Of all the priests to whom I went for confession, Father Murphy was the only one who would ask questions. Also, my roommate in college I told her about Father Murphy and he said och. He told me that Father Murphy went to the Minnesota School for the Deaf and he was a missionary at that echool. It was where deaf Catholic children went to confession. He said that he asked the same questions like did you have an erection, etc. of those children at the Minnesota School for the Deaf. Father Murphy never touched my roommate but he did ask him about if you have an erection, how often do you masturbate, etc. I told him that I play with myself but to ask those questions about erection....that seemed to be his favorite question of the children.

(B) Where in Minnesota is that school?

(Inaudible).

(B) You already answered part of this question, but the advocate for Father Murphy wants me to ask you if you told anyone about this. You mentioned a roommate. Did you tell anybody else about this sexual contact?

Never. I didn't tell him that Father Murphy abused me. I was very embarrassed about that. So I told nobody.

(B) The advocate or lawyer asked me to ask you how you reacted to the abuse that occurred in the confessional. For instance, did you go to confession to another priest or avoid confession altogether or avoid Father Murphy.

After confession, Father Murphy told me that he wanted to see me in his office afterwards. I went to his office and he asked me please to take my pants down. I was just shocked, stunned, so I obeyed. After that I kept quiet. I didn't want to tell anybody.

(B) What was your reaction after that?

I thought I was so confused because I thought he Father was a representative of Jesus and God. It's okay, it's a priest. I just didn't know. I was so puzzled and thought maybe priests are allowed to do that.

(B) Please do not be offended by this question. It's a question the advocate asks us to ask you. That is why did you wait about 30 years to bring these matters to the Church's attention?

I started to say something but people didn't believe me, so after that I said nothing. Then after years went by, I realized that my health was becoming worse and I told the truth. I thought that my health would become better so I told the truth. I felt I had a lot of panic attacks. I planned to tell Archbishop Cousins a long time ago. I told Father Murphy I'm going to tell Archbishop Cousins and Father Murphy said fine, go ahead, do it. In 1972 there was a deaf group that complained and I supported that. I didn't want to tell them, but they started talking about it and started and didn't want to say anything. I worked as a dorm counselor and if I told the truth and people would think that maybe I'm sexually abusing these boys, so I was very, very careful. I saw that they complained and they had problems that were never solved and year after year went by. Then I learned about priests abusing children on TV. It became a much more open subject so I said I was one of those. Finally, I let it all out.

(B) You indicated that you had contact with Father Murphy after he left St. John's. For instance, you were in Boulder Junction. How long did this contact continue after St. John's?

Maybe 1973, maybe in 1985 is when I stopped seeing him, something like that and I started really trying to avoid seeing him and backed off.

(B) In the contact after he left St. John's, did he help you in any way, for instance, monetarily with money after he left St. John's.

No.

(B) Is there anything else beyond what you described that Father Murphy has done to make you angry?

I was very angry that St. John closed and I thought he was responsible. We worked hard. We tried to make gains. We earned a lot of money. It closed and I was very bitter. I wanted to see children go there. My history was there and I wanted to see children get the same kind of education. Father Murphy destroyed everything. Also, I didn't know that I had panic attacks, terrible panic attacks and would never dream that I would have such panic attacks. I went to the therapist for a long time. I went for two years and they weren't familiar with sexual abuse. Then the Catholic Archdiocese found a good psychotherapist who helped for three years and that really did a lot.

(B) I just want to make sure the Archdiocese paid for that.

I realize that I was numb, actually numb and allowed myself to be numb. I needed to open up. I can't stand it. I want to throw all that out, throw it back in Father's face. He damaged a lot.

(B) I am asked to make sure that you understand that Father Murphy can no longer function as a priest in the Archdiocese of Milwaukee and the Diocese of Superior, and he is forbidden to act in any priestly capacity. Do you understand that?

Oh yes, I know that. But I want the Pope to evict him, the Catholic Church, period. It's not right that he's a priest.

(B) We will return to that subject in a moment. This is a very technical question. That is, in the Catholic faith sacraments aren't taken away. For instance, we don't take away someone's baptism and we cannot take away the fact that Father Murphy is a priest. Theologically once that sacrament is given, it's going to be there forever. What can be done is somebody can be removed from what we say is the clerical state and what that does is remove all of his rights as a priest so he no longer has any rights as a priest. But I want to make sure that you understand there's no way of removing the sacrament, it always stays. It's one of those technical things and is very difficult.

Father Murphy took a leave, is that right?

(B) No, no he's under very strict orders. It's my understanding he is under very strict orders not to be engaged in any sacraments at all. What more, maybe if I rephrase this. What do you want to see the Church do to Father Murphy and if you could be very specific, and beyond I think the emotion of what I could understand you'd want to do, what specific actions do you want the Church to take against Father Murphy?

Just inactive in the Church (inaudible)...\$75,000. I have a list of everything. I wrote a letter to Father Murphy to let him know that he owes me this, all these financial losses.

(B) In that letter, do you outline the nature of the financial losses?

Yes.

(B) I believe we have a copy of this. Would that be correct?

No, I think that's separate. I made a copy for Father Murphy but I don't think I made a copy for you.

(B) Could we get a copy of that? I would like to see how you calculate that amount because what we're trying to figure out is how are we going to punish him and what we can do, and it's helpful for us to know.

It was the same idea. The problem with the pension is that that's regulated by federal law and we have no mechanism to do that in the Church. The pension is something we just don't have any control over. That is an issue that has been raised and I want to ask it of and I have been pushing this myself that maybe one of the punishments is to order him to return to the Archdiocese of Milwaukee where he could be closer supervised. I want to tell you that we have raised this with other victims and the response we've been hearing is we don't want him here, that we want him as far away as possible and that if he were present here, he may start stirring the water with people. Also, he has friends in Milwaukee who would rally around him, so there is a difficulty with that and I'm at a loss about how to...

That's why a young man killed himself in a mental hospital for nothing. They all come to St. John's and all graduate.

(B) This has been highly fragmentary within the deaf community. It's probably one of the most difficult parts in this case. One thing I mentioned to Pam while you were still out at the bathroom and I just want to make sure you are aware of this is that Father Murphy had a stroke in December. There are very noticeable effects, for instance, he has difficulty speaking at this point. I have not had direct contact except the mail with Father Murphy, however, his lawyer tells me that he may die before this case is completed. I want you to be aware of that.

That's an old story because three years ago they told me that Father Murphy may die in six months. I don't know that I believe that. I was here three years ago and they said that Father Murphy could die in the next six months and it's been three years now.

(B) I did get a letter from this doctor today indicating the nature of the illness that he has. It's hard to guess when anyone will die. In fact, the doctor doesn't guess that but I want to make sure that everybody understands that that could occur. I'm not sure I got an answer very specifically about...you would like \$75,000.

I want him to be excommunicated from the Church.

(B) One of the things that I have heard that has been suggested is to force Father Murphy to change his will so that if he has any property that the property and assets would go to the victims. Would that be a mechanism by which this could occur?

(B) Because the Church doesn't have sheriffs and people with guns so we can't go and simply take the money from him, so you know it's going to be hard for us to collect. What we may be able to do is work with his advocate to make sure that the assets are preserved for the victims. Would that be satisfactory to you?

Oh, yes.

(B) I have no idea what the assets are. I am almost certain he owns that property because I have been in contact with the bishop of Superior and I'm sure he would have mentioned to me the fact that he owns that. A couple things as we conclude. One is just to let you know that this case has received great attention within the Church even to its very highest levels and we are doing everything that we possibly can do to see that justice is done in this. We are proceeding as quickly as we can to do that. I just want to let you know how sincere we are about this. Among the things that have occurred, I just want you to notice is I made a special trip to Washington to the Vatican Embassy. I met with Embassy officials and I know they transmitted the information to Rome. Also, the bishops were in Rome very recently and Archbishop Weakland, Bishop Fliss of Superior, Bishop Sklba of Milwaukee I know had special meetings with Roman officials about these events. The bishops are very much on your side to see that justice be done in this case. Is there anything you wish to state before we conclude?

Most Reverend Angelo Amato, SDB Congregation for the Doctrine of the Faith Piazza del S. Uffizio 11 00193 Rome, Italy

Your Excellency:

In accord with the norms of *Sacramentorum sanctitatis tutela*, I am submitting once again for your consideration the case of a priest of the Archdiocese of Milwaukee, Reverend John C. Wagner, who has been accused of multiple counts of sexual abuse of minors. The summary of these allegations is enclosed. The chart is highlighted with updated portions showing that additional concerns have arisen. Father Wagner has admitted that some acts of sexual assault occurred but denies others. He has now cut off all contact with representatives of the Archdiocese so we have no way of confronting him on these additional reports, especially the extremely disturbing one that he may still be in contact with teenage boys. Therefore, the liability for the Archdiocese is great, as is the potential for scandal if it appears that no definitive action has been taken. Pending state legislation to abolish retroactively the statute of limitations will gain more supporters if it appears we are letting these pending cases languish.

As we have reviewed the various files and heard reports from victims, it is clear that he consistently abused his office both to gain access to vulnerable adolescents, male and female indiscriminately, and to elicit the trust of their parents. Both in his parochial assignments and in his campus ministry positions, he found opportunities to abuse his office in a flagrant and repetitive fashion. He has exhibited no remorse for these serious offences. His only concern has been his financial status. It was on the basis of finances that the canonical procedures in 1995 were abandoned.

The impact on his various victims has been significant. The Archdiocese of Milwaukee has yet to even locate all of the potential victims that could come forward for assistance. Our new found awareness of the severity of damage caused by sexual abuse at the hands of clergy makes it impossible for us to ignore this situation or allow any longer the unresolved nature of this case.

11

Given the nature and frequency of the alleged and admitted sexual abuse, along with the serious abuse of office, I have pondered long and hard to arrive at an opinion about the most appropriate action to be taken. In order that justice may be made manifest and healing of the victims and the Church may proceed, I am asking that Reverend John C. Wagner be dismissed *ex officio* from the clerical state. Whatever financial needs he may have can be provided for from a fund that can be set up for him until he is eligible for a pension.

If the judgement of Your Excellency is that this case should proceed to a dismissal by decree of your Congregation, I would cede to that judgement. The severity of the offenses is such that it is my opinion that these requests are justified.

I look forward to your further instructions in this matter.

Thank you.

With sentiments of deepest esteem and prayerful best wishes, I am,

Sincerely yours in Christ,

PRIESTS' PERMANENT FILES

- I. Summary and Scope of This Policy
 - A. Summary

Items are retained in a clergy permanent file for various reasons, including preservation of historical material, good order in the Archdiocese, and the retention of materials necessary for ministry, the life of the Church and the common good.

- B. Parameters
 - For purposes of this document, the term "clergy" means bishops, priests, and deacons incardinated in the Archdiocese; also the same who are excardinated, resigned, laicized or on "leave of absence": files are also maintained on such clergy who are religious or non-incardinated if they minister or have ministered in the Archdiocese or have some other significant connection with the Archdiocese.
 - The only priests' files that are the concern of these guidelines are those that belong to the Archdiocesan Archives, and are maintained at the Chancery Office and the Vicar for Clergy Office and Priest Personnel Office.
 - There are two levels of files that are subject to these policies in which items concerning priests may be kept
 - a. General Information
 - b. Confidential Information
- Principles that will govern the interpretation and implementation of this policy include;
 - 1. Confidentiality of the files
 - 2. A priest's right of privacy
 - 3. Protection of the common good and the rights of others
 - Necessity of retaining vital information, but avoidance of retaining unnecessary information, and
 - 5. Consistency of implementation and interpretation
- D. The Chancellor is ordinarily delegated by the Archbishop to have primary responsibility for maintenance of priest's files. The Vicar for Clergy Office is also delegated by the Archbishop to assist the Chancellor in fulfilling this responsibility.

II. Possible Contents of the Files

The clergy permanent file may contain a variety of items, which include, but are not limited to the items delineated below. If there is an item that does not fit into a category below, it is placed in the most appropriate file according to its purpose. If there remains a doubt as to whether an item should be placed in confidential or general information file, then the doubt is to be resolved in favor of filing in the confidential file.

A. General Information (Chancery Office)

This file contains general information concerning a priest's curriculum vitae, appointments, and the like. The primary location of this information is in the Chancery. Some general information may be located in the priest's file in the Vicar for Clergy Office.
