Description

REDACTED received a report in January 2012 from a now 52 year old male who alleged that, when he was an altar boy in the ADLA and regularly served a 7 am mass, Fr. X would suggest that he wait in the priest's room for the boy's father to pick him up. Fr. X(an order priest who left the ADLA in 1992) offered to show him wrestling moves which involved both of them stripping to their underwear and engaging in inappropriate moves (groping, genital oral sex contact). Abuse stopped after the victim's father got into a car accident and could no longer drive him to the church to serve mass. Counseling requested; REDACTED o coordinate with Fr. X's order.

Welcome to the Downey Police Department

Message From Downey Police Chief Rick Esteves

On the evening of October 22, 2011, while investigating a report of an armed robbery near Imperial Highway and Paramount Boulevard, a Downey Police Officer shot and killed Mr. Michael Nida, 31, of South Gate. The Los Angeles County Sheriff's Department is thoroughly investigating the circumstances surrounding the shooting as to avert any conflict of interest and will forward the completed investigation to the Los Angeles District Attorney's Justice System Integrity Division. While we recognize it is the public's desire to be informed of the facts in a timely manner, the investigation will take some time to complete. In the interim, we must let justice take its course and allow this case to be investigated by a non-involved, independent organization.

Our police department understands the loss of human life is extremely tragic under any circumstance. We sincerely offer our condolences to the family and friends of Mr. Nida.

Fr. Ruben Martinez

Dear Captain Clark:

In accordance with the Archdiocesan Policy on reporting to law enforcement instances of abuse or neglect involving minors, we have enclosed a copy of a non-mandatory Child Abuse Report submitted by our Victims Assistance Ministry Coordinator.

The alleged victim, now an adult, alleges sexual abuse when he was a minor by a former priest in our Archdiocese. The priest left the Archdiocese of Los Angeles in 1992 and the Religious Order has advised that the priest has not been in ministry for many years. Although the victim did not wish to be interviewed for an official report to the Archdiocese of Los Angeles, I am attaching a copy of an electronic mail communication in which he provides some details of the alleged sexual abuse. The victim has been advised to report to the police authorities directly and was told that we would also report this alleged incident.

Please feel free to contact me at 213 ^{REDACTED} should you have any questions with reference to this matter.

Subject: Father Ruben Martinez, Wilmington

In the early 80s when I was a pre-teen, Father Ruben molested me at the Holy Family Church in Wilmington between 1982-1984 when I was around the age of 10 - 12 years old. I lived with my aunt for some time on East "L" Street in Wilmington and we would go to Church there, and after my dad came out of the army I went to live with him but I would commute to Fries Elementary in Wilmington. Sometimes I didn't want to go home till later because he had us living in a motel with some strange woman and I avoided her. I was always drawn to the church and that is where Father Ruben "befriended" me.

I always blocked it out. I used to think it was my imagination when I'd get fuzzy thoughts. As a teen I was always depressed and tried suicide many times.

And I turned to substances to cover up feelings of shame. I've thought about those incidents in the past year. And I have finally started to accept that they did happen.

I'm one day short of being 19 months clean & sober. And after doing a lot of writing and step-work around this issue I know longer hold toxic shame over this. I've been reading these past few days on others in similar situations. And I've been reading on the fraud and criminal acts by the Church to protect these pedophile priests. And I saw on the OMI order's site that Father Ruben is still an active priest within the Church and they actually celebrate his time in the order. Really? Wow. While there levels of forgiveness that are required for me to grow and move forward, I wonder why all this stands the way it does.

I want him removed from any service in the church!

Also, I've read about the one year status of limitations for civil cases, and charges. I also read that some attorneys are litigating these matters using extensions of the status of limitations for fraud and other basis. In the past few years, I have also become active REDACTED

REDACTED

in addition to other levels of participation - I wonder if it is time to sponsor a resolution and lobby for another one year extension of the law for people who are similarly situated? Obviously there was so much fraudulent If the church is still protecting and employing these predators something must be done!

To this day I still have depression and anxiety and it is a struggle to live in recovery. I also have an eating disorder and I am morbidly obese. When I tried to kill myself in my 20's my psychologist said my depression and morbid obesity was possibly attributed to sexual molestation which at the time I was not able to see or verbalize. I've struggles to rebuild my life beyond temp jobs and occasional projects given to me. All of this has led to a point where I had to file bankruptcy and my life has been financially decimated. As of tomorrow, I will be 7 months in the hole in my rent to the tune of \$5,250. All my other bills are also at a point of financial ruin. And yet you still have that priest and others living off of the church.

I don't want to have my name and this shameful past in the news, but if it is going to help me and other like me I am willing to file a lawsuit. Is the Archdiocese willing to settle this with me out of court?
