§1104.8.1. Questions for Review

1104.8.1. Policy At the meeting, the Board shall determine: (1) whether the Administrator's original determination and recommendation about withdrawal of the cleric from his ministerial assignment adequately provides for the safety of children; (2) whether the other preliminary actions taken by the Administrator were appropriate; and (3) what further action should be taken with respect to the allegation.

Procedure
The Board shall consider the Administrator's report, information provided by the Archbishop's delegate or other persons identified by the Archbishop, and any other information which the Board believes helpful and is able to obtain.

§1104.8.2. Determination and Recommendations

1104.8.2. Policy The Board shall determine whether there is reasonable cause to suspect that the accused cleric engaged in sexual misconduct with a minor, and on the basis of this determination shall make recommendations to the Archbishop about the following:

1. if the cleric has already been withdrawn from ministry pending inquiry, whether such withdrawal should continue; if the withdrawal should not continue, whether any restrictions should be imposed on a cleric returning to ministry;

2. if the cleric has not been withdrawn from ministry, whether he should be withdrawn, whether he should continue in his assignment and, if so, whether any restrictions should be imposed upon him;

3. whether the preliminary actions taken by the Administrator were appropriate and whether further action by the Administrator is required;

4. whether the file may be closed at this stage of the proceedings or held open pending action by public bodies, further inquiry by the Administrator, or further action by the Board; and

5. if the cleric's conduct does not constitute sexual misconduct with a minor but is otherwise inappropriate, whether further action is warranted and suggestions as to such action.

   B+ (AS FLEXIBLE OR AS STRUCTURED AS YOU
      LIKE IT)
9. Would you consider the program: financially worthwhile ☑ overpriced ___

   CONSIDERING THE FACT THAT CROSS REGISTRATION
   WITH SEVEN OTHER THEOLOGY SCHOOLS, THE
   MANY OFFERINGS + RESOURCES AVAILABLE MAKE IT

10. Would you recommend this site/program to other priests?
   Yes X   No ___

qualifiers on your response:
   IF POSSIBLE GO OUT THERE FOR A FEW DAYS DURING THE SEMESTER PRIOR TO YOUR STARTING. MEET THE DIRECTORS AND SOME OF THE TEACHERS AND SABBATICAL STUDENTS.

ARCHDIOCESAN CONCERN:

1. How were your ministerial responsibilities covered while you were away?
   I HAD RESIGNED THE PARISH SO AN ADMINISTRATOR WAS IN PLACE UNTIL A NEW PASTOR WAS NAMED.

2. Describe the extent to which your absence caused hardships in your ministerial setting:
   ADJUSTMENTS TO NEW LEADERSHIP STYLES ARE INEVITABLE. THERE WERE SOME NITTY-GRITTY DETAILS THAT I HAD TO CLEAR UP "FROM A DISTANCE."

3. Was your remuneration (salary, car allowance, stole fee) received by you on time?
   Yes X   No ___

4. Was your income sufficient to meet your needs during the sabbatical?
   PER DIEM EXPENSES TOTALLING $481.93 MORE THAN BUDGETED!

5. To what extent did you feel "connected" with the Archdiocese during your sabbatical?
   VERY LITTLE OTHER THAN CONTACTS BY HERLEANN HEWITT AND A FEW PHONE CALLS WITH A FEW PRIESTS. BUT VERY CONNECTED TO THE FORMER PARISHIONERS (CARDS AND LETTERS).

6. Did you regularly receive Archdiocesan mailings?
   Yes X   No ___

7. To what extent was communication necessitated and executed with and by the Center for Development in Ministry?
   BASICALLY FINANCIAL ISSUES!
1. What was most satisfying to you about your sabbatical?

   * My liturgy course with Andrew Ciferni.
   * The time to read what I wanted to read.
   * The time to be with family and "long-lost friends" and the opportunity to see a bit more of the big picture (travel to 25 states, fellow sabbatical students from various parts of the country & world).

   (Sorry, I couldn’t point to just one.)

2. What was least satisfying to you about your sabbatical?

   I was jealous of the religious in our group who were being allowed a full year while us diocesan (seculars) were limited to a half year.

3. Any further comments and/or suggestions for the Sabbatical Board and the Center for Development in Ministry?

   As regards money available for sabbatical,
   I recommend pro-rating it based on months and type of program.

   A six month sabbatical and a three month sabbatical are going to have different costs. A purely academic experience or one which also entails more travel and room & board (per diem) expenses are different. Please look into this!

Dear Fr. Hoedert:

This is to inform you that I have received a letter from Wally also. I do not believe he addresses "his" problem at all. I as a nurse would never take a teenager into my home for "counseling" without informing my supervisor at the hospital and here at the parish. I would be cited for professional misconduct. Why is he any different?

As a parent of a 16-year-old, if someone who was 25 years older told that she was their friend, I would have serious questions about this person and my daughter's appropriateness of choice.
in friendship. But I would look to the
adult to set appropriate limits and
boundaries — Wally has not done
this. If you can not see there
is a problem with Wally that
he continues to deny — you also
have a problem.

Sincerely
Dear Ray,

This morning I received a letter from Sally in response to Monday's meeting with you. I find this letter extremely disturbing. I can't believe the letters written by us were shared with a nineteen year old student - I had several things in my letter to Sally that were strictly personal and I am angry that they are now known to this boy. It is quite abusive that Sally was NOT the person who should have been dealing with leaving. I read so many comments in Sally's letter that were not as they were discussed with us. I personally feel they were taken out of context. I came over to the rectory to talk to someone about this copy (which, incidentally says "destroy") but they are all at meetings at this time. I don't just feel, I know, there's a bigger and more serious problem than has been dealt with and I'm really concerned.

I could say much more but this is in haste as I have to be in school soon. I certainly hope something is
done to help the "very evident" problems. St. John's is a great parish, my parish, and it has a concerned, caring staff. For the health and peace of mind of everyone, please do something to help Stally. At this point it is obvious he needs more than a bandaid.

Sincerely,

[Signature]
1. Bill called today. (Confidential) He said that he had received a call from two staff members of a particular parish who are concerned about the behavior of the pastor. They do not wish to give any names until they know what process will be followed. Basically the problem is that a seminarian from Niles, over the age of eighteen, is working at the parish during the summertime and has been living at the parish throughout the year and even though there are several extra rooms in the rectory, the seminarian lives in the pastor's room, sleeping on the couch. The appearance of this is quite bad and apparently there are alot of comments from parishioners about this. When the pastor first brought up the situation of the seminarian living there, he told the housekeeper that she would not have to prepare an extra room and he acted a though he was doing her a favor.

2. Evidently the staff members brought it up to the pastor around Christmas time and he got very angry. He has not talked to the associate pastor since. The associate confronted him on the situation when some of the parishioners began talking about the pastor taking some of the servers to his summer home.

3. Bill said that the particular parish in question is not in his deanery. He received a call from the youth minister, whom he knows, and then subsequently the associate had called to confirm what the youth minister had told Bill. They are also critical because the pastor is not present to the parish, and less involved than he ought to be. He claims to be too busy to study a language that is needed in the parish, and yet he spends most of his time gardening with this seminarian.

4. I explained to Bill the process that I would follow. I suggested that he communicate it to the informants and ask that they call me. I assured them that I would meet with them and not do anything further without explaining each step of the way to them. But I did indicate that I would do nothing, if they wanted to remain anonymous or would not permit me to use their names, if the pastor pressed me for that information.

5. Bill will get back to them and leave it up to them to get in touch with me.

RE: Walter De Roeck

1. I received a call from [redacted] '83, today. He was assigned to St. John Berchman's in April, 1985. Walter De Roeck, the pastor, had been appointed a few months earlier - January, 1985.

2. [redacted]'s main complaint is the relationship between Walter and a Niles seminarian, [redacted]. Evidently Walter got to know [redacted] and his family when he was a resident in a parish in Cicero, while teaching at Quigley. [redacted] has been coming to St. John Berchman's throughout the school year at least one night a week and weekends and during the summer he is staying there all the time. Even though there are several empty rooms available, Walter has been staying in his own quarters and sleeping on the couch. This is becoming a source of scandal, as [redacted] has been confronted about this both by other staff members, as well as parishioners. Recently, a bingo worker asked him if there was something going on between the pastor and the seminarian. [redacted] talked to Wally about this in December. He told him that parishioners were talking openly about the situation. Wally responded angrily. [redacted] told him that he felt uncomfortable living in that kind of situation.

3. [redacted] was living at the rectory almost every day during the Christmas break. [redacted] talked to Gery Stefanski about it and Gary said that unless he could prove there was something immoral going on, not much could be done. Eventually [redacted] talked to Bill Stenzel who then referred [redacted] to me.

4. [redacted] says that Wally spends all of his time with [redacted]. He even takes vacations with kids and then hired [redacted] this summer, even though there are a number of Hispanic parishioners that [redacted] felt needed the work and should have been hired.

5. Wally shares a cottage in Michigan City with [redacted] and another priest or two. He takes [redacted] to the cottage.

6. As a result of Walter's attachment to [redacted] he is not available to the people. He is never there. He tells the people that he is too busy, but then he spends a lot of time gardening with [redacted]. They both lift weights together for long periods of time.

7. This whole situation is getting to [redacted] and he finally talked to Ken Velo. Ken talked to Bob McLaughlin about the seminarian situation and reported back to [redacted] that Bob did not seem too disturbed about the fact that he was staying at the rectory. Apparently Bob was not aware that he was also staying in the pastor's room. When [redacted] told Ken that, Ken suggested that he talk to me.
8. said that when he first got to St. John Berchman's he found a lot of young guys hanging around all the time. He didn't think much of it at the time, because Wally had been a Quigley professor and he just presumed that these were kids that he taught that just wanted to keep up the contact. Now wonders. is not in a position to say that there is anything sexual going on. But Wally's obsessiveness with consumes all of his time and the parish gets nothing. Wally was supposed to be taking a Spanish course at Mundelein but gave it up because he said that he didn't have enough time and yet he spends all of the time with this kid. As a result, he is not tuned in to the Spanish ministry at St. John's at all.

9. said that recently Wally and came back from Michigan City with their hair dyed the same color!

10. I asked who on the staff was aware of what himself was telling me. He named four staff members all of whom are willing to allow their names to be used. They are:
   a) - President of CARE and D.R.E.
   b) - Health Minister
   c) - Youth Minister
   d) - Early Childhood Director

11. also mentioned that other parishioners have brought the matter up but don't want their names used.

12. agreed to have me confront Wally together with him. I will call Wally and ask him to come in on Monday, August 14th at 10:00 a.m. and will be here as well.

RE: Walter De Roeck

1. called this morning. is staying at Gene Dyer's rectory. 's phone number at the rectory is , but the residence is

2. said that he wrote a letter to Walter just so that he would be aware that there is alot of tension, that he has serious concerns on how the parish is being operated, etc. But he made no mention of Walter's relationship with .

3. also said that the other newly ordained priest, , has picked up on Walter's relationship with already. had a brief conversation with him and made a reference to the situation.

4. While talking with , Walter De Roeck called in answer to my request and we set up the appointment for Monday, August 14th. Walter acted like he was totally unaware that there were any problems. He knew that he had some difficulties with , but he was surprised when I mentioned that it is not just but other members of the staff. He wondered why they would not have brought the matters to his attention themselves. I told him that that was a fair question and perhaps he can raise it at our meeting on Monday.
Dear Wally,

I apologize that you are receiving this letter today. I would have preferred to attend the gathering of Ray Goedert, [redacted] and you. Fr. Goedert after hearing our concerns, felt that it would be better for you not to meet with the staff at this initial gathering.

What is taking place in this gathering this morning, is what I would like to call an intervention. The behavior that I have seen since December of 1988 has left me as a new staff member with many questions. I have been very concerned over your relationship with [redacted]. At times, I have even speculated as to whether the young seminarian was your illegitimate son. Even I, who spends very little time at the rectory was totally amazed at the time you spend with him and the time [redacted] spends at the rectory. In fourteen years of ministry to the church, I have never witnessed a pastor/associate/deacon/seminarian relationship like this one. I know that healthy and very unhealthy relationships among religious and diocesan priests do exist. [redacted] I have had my share of seeing others live the double-standard of celibacy. Perhaps, celibacy was the reason sisters were warned of having "particular friendships". At any rate, I have observed how many of my priest colleagues and other ministers have jeopardized their priest/sister/brother/minister relationship and career with the parish family by their obsessive and addictive behavior in public and in what they perceived to be their private life.

We, as ministers, are constantly in the scrutiny of others.
Wally, you and I have had a number of conversations about professional standards in our ministering to youth and young adults. I can clearly recall our meeting in the youth center the afternoon I needed to tell you about [redacted]. We spoke about his inappropriate actions and behaviors and relationships with some of the teens in our youth center. You seemed very disturbed that day, and rightly so, considering the nature and gravity of [redacted]'s problem. At that time, we spoke about sexual addiction and you seemed very nervous and uneasy. I knew at that time that you and [redacted] had a special relationship. Over Christmas break, I learned that [redacted] was sleeping on your couch even though we had empty rooms in the rectory.

I also, recall bumping into the two of you and having you tell me that you would drive and pick up [redacted] from his painting job. For a man who always complained about being so busy, I couldn't understand how you could spend so much time with [redacted] I wondered where [redacted] parents were. I also wondered why [redacted] car was parked in front of the rectory overnight practically every weekend.

I know the basement of ECC - my youth center is very warm but when we met about [redacted] that day you were very uncomfortable and I remember you sweating profusely. I gave you the long distance number for an out-of-state addictions clinic and began to feel very uneasy about our conversation and was a little glad that you would be away on vacation when I confronted [redacted]. During this time however, I really felt your relationship with [redacted] was normal and healthy although I felt I needed to confront you about [redacted] living arrangements. Soon, [redacted] moved in and I was about moving into an apartment [redacted]. I shared my concerns in confidence with [redacted] and urged him to confront you about the living situation. Nothing more was said or discussed.
Wally, you have been one of the most helpful pastors I have worked with. I have been able to call you at anytime with problems I have had in the youth center. I truly have appreciated your support and encouragement over this past year. It is because of my high regard of you and my friendship with you that I am very confused with what I have seen this summer.

moved in the end of May and you hired him to do yard work. family is from -. I wondered why you would hire a kid with money when I have so many qualified young men from our youth center in need of work. Many times I have asked to help out with our activities - ski trips, retreats, dances, you name it. Every time I ask him, he tells me he is interested but then tells me he is going to Michigan City with you or planned something with you or is doing something with someone and or is at Niles as well as doing somethings with you. Now once or twice I wouldn't be suspicious but I have asked this guy over seven times. The last time, I asked him to go with us to Magic Waters and he said "I promised Wally I'd paint the cottage and we have planned this for a long time."

You promised Bishop Rodriguez and the staff that you would take Spanish class this summer. I found out from when you dropped out even though you led us to believe you were still there. Instead when I would run in to you, you were driving with gardening with eating with waiting for or vice-versa. You came back from Florida and even though I had no clue appeared on the scene just as tan as you were.

The straw that broke the camel's back was when you and had the same hair color returning from the Michigan City trip to "paint". When I asked one of the servers how the trip was I was told that you and have the same tattoo and skimpy bathing trunks. You both having pierced ears was now no happy coincidence. If he was younger, I would have reported you to DCFS. But, as far as I am concerned that young man is still a minor and impressionable. What portrait of priesthood are you painting, Wally?
What is the Church asking of you? What does the Church hope for? What is your living arrangement of [redacted] on your couch in your closed living area saying to our support staff, the staff, to me? I am extremely concerned. I feel that you owe us an explanation. [redacted] must leave our rectory permanently and never return. You need counseling to deal with your family problems and your intimacy needs and perhaps your obsessive relationships with young men like [redacted].

You are in my constant prayer and thoughts these days. The parish is now on the brink of your scandal. Please be open to this intervention and do not deny what hope God is calling you to - healing and honesty.

With prayer,

Dear Wally,

First of all I want you to know that this is difficult for me. Difficult is that I can't be meeting with you face to face. I also want you to know that I care about you very much as a person. The reason I am not there is that it was advised we not be at this meeting.

The reason for this letter is to share with you that I too am being here concerned about particularly living in your room. I don't understand that when there are other available rooms upstairs in the rectory. I think you must know that both you and are seen as public leaders.
in this community. Your behavior is closely looked at. I also do not understand why I was employed here this summer, when we did not even discuss this was staff. There are men and women who are trying to support families in this community that I am in contact with who need and could use a job bank.

I am not concerned with your personal life. You need to be the judge of that. But I think it is having an effect on how you pastor at this parish. You may come to meetings but for only a short time—20-30 min. What does this say to staff? What does it say to parishioners? What are your priorities?
This parish and community are important to me. I think you need to make a decision about what is important to you and your life at this time.

I pray that this meeting goes well for you and the parish. I also want Fr. Gerdert to know I would want to meet with him at another time because I feel it is important.

Sincerely,

(HEALTH MINISTER)

RE: Walter De Roeck

1. and Walter De Roeck came to see me today at 10:00 a.m. We discussed the matter until 12:00 noon. At that time we moved over to the apartment of where the rest of the staff was convened. I met with all of them from approximately 1:15 p.m. to 3:30 p.m.

2. The main issue that surfaced in my preliminary discussion with and Wally was the presence of and the negative impact his relationship with Wally has on Wally's ministry and, as a result, the ministry of the entire parish.

3. I emphasized to Wally that this was just not a complaint from , but rather a staff complaint. had brought in letters which each of the staff persons had addressed to Wally, summarizing their position. They have all put their name to it and are quite willing to meet with Wally in person. It was only because I had decided otherwise that they were not present for the first part of our meeting. I did not think it was fair to gang up on Wally before he knew what the issues were.

4. indicated that at least ten other parishioners had expressed similar feelings to him, but they are reluctant to give their names. They are fearful about what might happen.

5. Wally read all of the material first and then made some comments.

6. Wally also elaborated a bit on 's background.

needed summer work and he happened to be the first one to ask Wally about this so Wally hired him. Wally said that he always hired the maintenance people and saw no need to go to the staff for this purpose. With regard to the work outs, Wally said that the doctor told him that he needed to do a little more exercise and when Wally mentioned it to , agreed to work out with him. They do this about three times a week.
also asked if he could stay at the rectory. Wally said that his room is pretty big and he sleeps in the bedroom and on the couch. Moreover, the room is air-conditioned. The room next door which is vacant doesn't have a shower and plumbing facilities that work.

7. first came to visit Wally in 1988 while he was still a senior at Quigley. Then in November of 88 as a Niles student, he would come over approximately two nights a week and would stay overnight in Wally's room. During the Christmas break he would stay for the full two weeks and then for the rest of the school year he would come usually two or three times a week, more often during the Easter break. Once summer began in May, 1989, Wally would allow to be in his room overnight four or five times a week.

8. After Wally and had finished as much as they wanted to say, I asked if Wally would be willing to meet with the rest of the staff and he was.

9. We reconvened at the apartment of at (phone ). lives there with . Present at the meeting were (the principal), , , , and came in later on. Some of the pertinent comments were as follows:

, the DRE, said that he considered the relationship between Wally and to be one of compulsive behavior that is detrimental both to Wally's ministry and his own. He felt that they should be working as a team and Wally has to deal with this inappropriate relationship and since parishioners are talking about it, felt that he had to bring it up. said that Wally may need help to deal with the compulsion and he also feels that should leave the premises right away.

, the principal, admitted that he was not that involved in this process. Because he is in the school all the time, he has not observed what is going on. Since St. John's is not his parish, he has not been privy to and that whole relationship. However, as a member of the staff, he wanted to be present, as he wishes to give whatever support he can to the entire staff, including Wally. He had no observations to make and indicated that presence has not impacted on his ministry one way or the other. Moreover, he has received no comments from school parents or parishioners. The only way he knew there was a problem was through the staff. To the extent this affects the parish, wants something to be done.

, expressed her concern over the fact that she had not been able to establish an adequate relationship with Wally as her boss in the way she was able to do with Casey, has been at John Berchman's for a long time. She feels that she ought to be able to discuss with Wally whenever she feels the need for it and for the last year or so, Wally simply hasn't been available to her.
stated that often when she felt she needed to talk to Wally that he would be with. Moreover, the cook ( ) talks a lot and has picked up some of her comments through the parishioners.

feels that for the sake of Wally, the staff and the parish, should live elsewhere. also feels that himself will need a lot of counseling and help on this issue. doesn't want anyone to be hurt. is involved in many areas of the parish and she truly cares. She thinks should leave immediately. And as things stand now, she doesn't think he should be around at all. He has put a barrier between the staff and Wally and it has caused Wally not to be as involved in the parish as much as would like and maybe also as much as he himself would like.

the parish nurse, said that the relationship of Wally and doesn't impact directly on her ministry other than she thought that they should have discussed employment as a staff issue.

said that she has a sixteen year old daughter, not that different in age from. She feels that if she was trying to help someone in that age bracket whose parents had kicked him/her out of the home, she would definitely handle the living arrangements differently from what Wally has done. As long as has somewhere else to go, thinks he should leave now.

the eighth grade teacher, was on the staff up until two months ago. She had been on the staff for about three years as an unpaid coordinator of liturgical ministries, etc. a parishioner, indicated that she cared very much about the staff and about Wally. She has heard the same rumblings as everyone else. She said that she was very uncomfortable about the living situation and especially because nobody was talking about it. When she raised the question to , he simply remained silent. A few parents have also spoken to about and the role he has in the parish. They don't understand it. He seems to have more influence in the parish than many long time parishioners have.

said that she believes that it is an emotional involvement between Wally and. She doesn't like what she sees, nor does she like the gossip that is beginning to go around the parish. said that she believed the staff is a very caring one and they can reach a solution. She definitely feels that should live elsewhere because of all of the talk. She is not sure he should leave immediately, but thinks it might be better. should not have any part in the parish life at St. John's. is not sure what Wally and ought to do about their relationship. She is inclined to think that this is a personal matter.

She does think that whatever is done to , it should be handled very gently, especially if he has to leave right away. Because of the gossip and potential harm to the parish, she does think that the decision ought to be made rather quickly.

who used to be on the staff and currently lives with, said that she cares very much about Wally and would like to see whatever is best happen for all concerned. She also cares about. She
does believe that the relationship of Wally and [redacted] does affect the way in which the rest of the people as well as Wally ministers. It is a preoccupation with him and it takes away from his presence to his people.

[redacted] feels that this is the logical time for [redacted] to depart. Since he will be returning to school in a few weeks, no one would question his departure now but he should be given whatever counselling or help he needs in order to make this separation.

[redacted], the youth minister, came in late in the meeting. I filled her in on what had transpired thus far. She is the one who first talked to Bill Stenzel. She is a friend of [redacted] and based on the experience that [redacted] has had, [redacted] encouraged Wally to take action now. She said that if he truly cares about [redacted] he ought to be concerned about what people are saying about him. Many have commented on the relationship, including teenagers with whom [redacted] works. [redacted] is fearful that the scandal will grow. What will it do to [redacted] and his future? [redacted] felt that there was a real scandal when [redacted] and Wally came home from vacation both wearing the same tattoo and color of hair.

10. After listening to everyone present, I tried to summarize some of the conclusions:

a) because of the appearance of impropriety, for the sake of the parishioners as well as the staff we have to move quickly.

b) both Wally and [redacted] need help. Their relationship is considered to be obsessive by at least one of the staff and most look upon it as too emotional for Wally's and [redacted]'s good.

c) all agree that [redacted] should go and that it would be better if he did not return to the parish at all. Just seeing him may raise the same old gossip again. If Wally feels the need to continue the friendship, he should do it on [redacted]'s turf or elsewhere. But a clean break is preferrable now. [redacted] ought to be trying to make friends with his own peers, especially at Niles.

11. Wally expressed some of his own concerns:

a) he indicated that [redacted] has already experienced rejection from his own family and hopes that he will not see this as an additional rejection.

b) [redacted] is very interested in liturgy and Wally wonders how he will react when he hears that his input is no longer valued.

c) Wally works out with [redacted] three days a week and is upset at the thought that the staff is telling him he cannot choose his own friends and that [redacted] cannot feel free to come around Wally's home.

d) Wally has retained the services of [redacted] for the next two weeks and wonders about that. [redacted] would earn approximately $150.00 serving as a maintenance person. The staff immediately agreed that it would be perfectly alright for this amount of money to be given to him out of St. Vincent de Paul funds.

e) Wally again said that he could accept [redacted] leaving the premises,
as far as living arrangements are concerned, but he is having difficulty accepting that \[\text{ blanks} \] cannot come back to visit even as a friend.

12. As we concluded our meeting, I summarized the following decisions:

a) Wally will explain to \[\text{ blanks} \] today or tomorrow what the situation is and that he will have to return to either his parents home or to Niles. Wally will also notify Fr. McLaughlin at Niles and request that counselling be provided to \[\text{ blanks} \]

b) \[\text{ blanks} \] should not return to St. John and should stay away for at least the foreseeable future.

c) Some of the staff wish to have the opportunity to talk to Wally privately. Wally should make himself available for this purpose.

d) In view of the fact that \[\text{ blanks} \] indicated the need for a facilitator for himself and Wally to work out their relationship, I recommended Dr. Bogicaluppo and they accepted. I called Dr. Bogicaluppo from the apartment. He was not there and I left a message. When he returns my call, I will give him the general summary of the situation and then ask that he contact Wally De Roeck at 486-4300.

e) Assuming that \[\text{ blanks} \] and Wally will be satisfied with the services of Dr. Bogicaluppo, the entire staff would then request his services in order to help them to work out whatever problems they might still have.

f) I raised the question as to the parish's ability to pay for Dr. Bogicaluppo's services. Wally indicated that the parish is on subsidy. Because of that, I will ask PRMAA to pick up the expenses.
14 August 1989

Dear Wally,

I am meeting alone with you today because Fr. Goedert insisted on it. But the fact is that is not there alone. He is there representing all of us who are concerned about you and the parish. After your meeting he will be meeting with us to consider what we should do next.

There are many examples I could list about why I feel you have no pastoral involvement in the parish. It would be long indeed, and others could add more. But I have come to realize that what is at the base of your inability to be pastor is your obsession with young men, the latest of whom is ________.

The suspicion that something is wrong has been growing over the past four years. It did not bother me that you had visits from Quigley students. But I did begin to get concerned when I noticed that your only visitors were young men. Since my office is right at the front door I see people coming to the door all day long. I can count on one hand the times adults, parishioner or not, have come to see you while the number of adults coming to see ________ is in the hundreds. I became concerned when so many of the young men who would visit would tell me of their trips with you to Michigan City and when I noticed that on most days when the schools would have a holiday you would be at Michigan City. I have seen you leave meetings where discussions important to the parish were taking place only to see you going out with young men.

The liturgy committee just last week is only the most recent example. You left at 8:30pm, the scheduled ending time of the meeting, even though we needed to address important concerns of the music director. You said you had to leave. We stayed another half hour. I'm glad she did not leave through the courtyard to see, as I did, you and ________ working out in the basement. This was your reason for leaving an important meeting.

The visits from young men ended for the most part about a year and a half ago (I don't really remember the exact date) when ________ appeared on the scene. ________. So I got used to seeing his car out front when I would arrive at 8:00am on Sundays. However I also began to notice that he was not sleeping in any of the guest rooms but in your room. I felt uncomfortable one Sunday when a member of the folk group, concerned that ________ was not up yet and it was almost 8:30, asked me to call him in your room.

It came to a head for me last Christmas.
Since it was Christmas, was out of school and so was staying in your room for a couple of weeks straight, and I talked about the situation and he decided to confront you with the fact that this behavior was inappropriate, too many people, even without , were beginning to notice your relationship. This confrontation changed nothing. So called people at the chancery, with my total agreement, and told them that he and I were concerned about this situation. Their response was classic avoidance. They would not get involved unless we could prove something was going on. We were not saying anything was going on, only that the relationship was taking over your time to the detriment of your ministry and we felt a scandal developing. This week's NCR has three articles and an editorial about priests and pedophilia. Since you would not listen to we wanted someone from the chancery to talk to you.

Being told to forget it by the chancery, we did just that. But this Summer has made your behavior impossible to ignore. You went on vacation with for two weeks but could not openly tell anyone. I put two and two together when showed me a note to see if it reflected how I wanted the basement set up for a meeting and saw it mentioned that would be on vacation for the same two weeks. I latter heard from one of the young people of the parish that had gone to Florida. It was even more clear when you and returned on the same day with matching tans. (You returned from your last trip to Michigan City with matching hair color.)

When I returned to work from vacation in Mexico on July 18 you were working on the lawn with I was surprised since you were supposed to be at Spanish class. You informed me that there was just too much work to get done and so you had to drop it. You did this though you committed yourself, in front of Bishop Rodriguez and the entire staff, to begin again learning Spanish. Learning Spanish was also a requirement of the personnel board when they made you pastor. Since I have been back, however, I have not been able to see what all this work was.

Your sister and niece arrived that evening. That is why you could not attend the liturgy committee evening of reflection. I hope that is true, but I have to say I'm not sure what to believe anymore. Sunday the 24th you left for Michigan City and returned on Wednesday afternoon. After taping Of Cabbages and Kings with me on Thursday and a few afternoon meetings you were gone again until the next Wednesday evening, returning only for the 5:00pm Saturday mass. You were painting the cottage with Even though we had just discussed as a staff in our meeting with that it was important that you not use the excuse of not having a Sunday mass as a reason to not be present to parishioners on Sunday, you took the first chance you could to be with instead. You didn't even tell you would be away from the parish for a weekend. The only person you told was . She showed me the note.
...has been around working from morning to night since I have been back from vacation. I asked him if he was getting paid more money since [redacted] was away and he was doing a lot of extra work. He said you told him he would only be paid for his usual five hours but you were giving [redacted] more hours, even though [redacted] like you, has hardly been around. You also told [redacted], who is homeless since his building was sold, that you better not find him sleeping in any of the church buildings. "I don't want to see you after 10:00pm" were the words he quoted you as saying. 10:00pm was your limit because, though supposedly working only his five hours, [redacted] still had to be around for the 10:00pm security check. Meanwhile [redacted] who has a home and family, is sleeping in your room.

My concern is not about your private life but about your ministry here. But I believe you have let your private life harm your ministry. I now know that parishioners have noticed the situation and are beginning to voice concerns. If we the staff are to retain credibility as ministers in the parish we must act. We can not sit back silently anymore.

Perhaps we will have a chance to discuss this together. Perhaps the discussion will go on without you. Either way I want you to know that I am dedicated to two things, your getting help with your obsessive behavior and assuring that children, young people and adults will find at St. John Berchmans a place to hear the gospel, develop their gifts and build Christian community.

I am willing to talk to you about these concerns along with all the other parties involved when you set a day and time.

peace,

[D.R.E.]
During the past two weeks, members of our staff spoke to me about concerns they had about you Wally. These concerns are very serious and important. These staff members would like to be here today with me as I talk to you and Ray, but they have presented their concerns in letter form. Thus, I am presently here alone, but my concerns are shared by members of our parish and our staff.

This is most difficult for me due to the uncomfortable nature of what I need to share with you. My prayer is that you have an open spirit to hear what I have to say and also listen to the concerns voiced by your staff.

Over the last four years of living and working at St. John Berchmans, I have noticed a pattern that is uncomfortable and needs to be addressed. From the beginning of my assignment, I have been aware of the need you have to visit with other people on a social basis. This too is a shared need by me. However, initially, the concern was that young men were always seeking your attention. They would be in your room, in your office, using your phone and come and go as they pleased. The initial stages of readjustment from Quigley North to Parish life could foster these relationships. In time, I felt, they would subside.

Yet, the opposite fact is true. These relationships have had a pattern. They involve young boys who are in high school or college age groups and these boys have access to you freely. You have been attentive to these relationships over the last four years and these relationships have been influencing your pastoral work at our parish.

I have noticed a pattern to the relationships. The boy would be very visible at the rectory, come over at all hours of the day or night and always would be in your room with the door closed. One time, I found someone in your room and he walked in the rectory with his girl friend while you were in Michigan City. I kicked him out but he said you gave him permission. In time, the boys lessen their presence due to other commitments, but someone new has been on the scene. The boys who have been significant to you over the years include and most recently for the last two years, and most recently

The relationship with these boys has had a negative impact upon our living situation as well. But the experience with is most distressing. appeared, at times, during the year of 1987 and came and went but was not very consistent. During the summer of 1988, began to come around more often. This very same summer saw three people living in our rectory and space was limited. At times, I noticed and answered the door when would come late at night, and I would also notice that had spent the night. He would spend the night in your room on these occasions. It made sense, the house was full. But I was fearful as I saw this pattern increase.
Finally, at the end of the summer our rectory had been empty of visitors and the rooms were available. In September, the seminarians started back at school and life went on. But began to come a little more often. He would be around to help and it was noticed that he spent the night because of his car parked out in front. It was also a little odd because he should have been back at school, but he would leave early, go to class and often come back later in the week. This pattern continued to exist and cause uncomfortableness for me in our living space.

Finally, in December of 1988, I talked to you about the situation. I mentioned that I could not understand how continued to visit and stayed in your room. People would be talking if they knew where he stayed. I had heard comments from others and tried to tell you that this was a suspicious world and people may misconstrue the behavior. You responded with anger but also seemed to hear my concerns. After our December conversation, I thought the situation would change. I know it did. Basically moved into your room during the Christmas season and his vacation. He was hidden and not at meals. He would eat outside the regular schedule and often times would close the door to your room if my voice was heard. I wondered if was from another state and had no where to go. I wondered if had family problems and needed someone for support. But most importantly, I wondered why I was never informed.

In the past, we both discussed when seminarians were going to be living with us for the summer. We would outline responsibilities and who would supervise them. Even when and were living with us for the summer, you discussed this with me. Yet, was never discussed. You never mentioned his name in any of our conversations.

One time, at dinner alone, you mentioned to me that felt uncomfortable eating dinner with me. Yet, I tried to tell you how uncomfortable I had felt that he was thrust on me in my living space. But then it slowly and gradually affected our parish too.

How come he seems special? These are questions that people have raised.

But we laughed and thought this too will pass.
It did pass into a new phase of being more present to [redacted]. Once, I remember [redacted] telling me that he and you were going out with his girlfriend and her mother. I found it difficult wondering why his parents were not going to meet this woman. His parents even ate dinner at the rectory once and they commented that [redacted] got an earring because you had one. I then noticed that your ear was pierced. I had never notice you wear the earring, but the pierced ear seemed strange.

But, a new phase developed for fitness. You were told by the doctor that you needed to lose some weight. I had been dieting at this time so it comfortably fit into our parish life with no disturbance to the cook. But, then you set up a weight room in the basement and [redacted] began to become your work-out partner. This obsessiveness with weights may be understandable, but [redacted] had lost his car and you would drive him from school to the parish and back to school the next morning. I noticed this because I answered the phone and [redacted] told me to tell you where to pick him up. It was odd that you would leave meetings with our parishioners and go to Niles to pick up a kid who had formational and academic responsibilities. You would leave meetings that were important for our parish to lift weights with [redacted]. This relationship became a problem for not just me but now had much impact upon the parish community.

In January of 1989, I met with you and you told me that you only had fifteen minutes. We met for two and one half hours. In our meeting, I challenged you about Hispanic ministry here at St. John Berchmans and also wanted to let you know I supported you. I encouraged you to get some counseling or possibly talk to someone, a mentor or spiritual director. I told you that you were emotionally distant from me and the staff and that I did not know what your priorities were. I did not mention [redacted] name once. Yet, my fear, which was unexpressed, was that you had begun to invest too much time in this particular relationship and it was affecting your pastoral ministry and your presence. You were physically sick in January and went to Mundelein for a supervisory meeting. You appeared to follow through with your commitment as [redacted] lessened his presence. Yet, in a short time, you seemed distant and busy with [redacted] again.

During Easter break, you arranged your schedule to take time to be with [redacted]. He had a key to our rectory, and this was discovered by accident when I walked in from the back and he told me that you gave him a key. This seemed most peculiar because of the expense and frustration you expressed in a number of staff meetings about the keys and security. People who were paid employees had lost their key to rectory access, yet a college student and seminarian could come and go as he pleased. People who were paid employees had lost their key to rectory access, yet a college student and seminarian could come and go as he pleased. Many times, over the last few months, I have noticed the final stage of the relationship. [redacted] has moved in completely. In April, we had received notice about seminarians for the summer. I said that because of vacations and other activities, I would not welcome seminarians this past summer. You agreed. Yet, [redacted], a seminarian, has been secretly living in your room all summer long. We hired [redacted] to work for the parish, you hired, we as staff had no input. Yet, in our neighborhood, there are young boys and girls who are unable to work. Even [redacted], our
youth minister could not believe the decision to hire [REDACTED] when she had mentioned early how she was looking for summer jobs for parish teens in her program. [REDACTED] also has a room and board in your living space, although this summer there is one extra room between us. His presence at our parish has created a myriad of problems, someone at Bingo came up and point blank asked me if there was anything going one between the two of you. Even the altar servers told me that after their recent trip, that it was neat that you and [REDACTED] had the same tattoos. People have talked and our staff needs to respond. This situation of obsessiveness is a major problem among us as a staff and also in our parish community.

It is also interesting that while our full time maintence man was gone on vacation, our part-time maintence man was given only five additional hours. Yet, [REDACTED] now is hear about fifty to sixty hours a week. It is also odd that [REDACTED] is homeless and told me that you told him to get out of the boiler room because of insurance. We are able to allow a seminarian to sleep in the pastor's room but we can't, in pastoral care, offer shelter to our maintence man who has given so much free time to St. John Berchmans?

In February, [REDACTED] and I discussed the situation and I called Gery Stefanski, and also Ken Velo. Without proof, I could do nothing. Thus, frustrated, I had no support among others and felt that our concerns were unfounded. But when [REDACTED] asked me, "What's going on with Wally and [REDACTED]" I knew that my concerns were valid.

The pattern of emotional bonding with young men is a problem and mostly a present problem with [REDACTED] It needs to be helped. This bonding has been so strong that you withdrew from Spanish classes this summer because you said you were too busy. I left for vacation and had no work, no phone calls, no weddings, no parish commitment that I dumped on you. But, you had time to spend with [REDACTED]

You sat through our staff meeting with [REDACTED] and agreed that Sunday is the primary day for our community. You voiced the need to be present to people and how this is a value for all priests. Yet, the following Sunday, you were not present. You were gone on Friday evening, returned for the Saturday evening liturgy and were gone till Wednesday night. You had to paint Michigan City and [REDACTED] helped you. People also asked at the picnic for Carnival workers what you and [REDACTED] had done to your hair? It was the same color.

This summer has in reality, been a sort of "honeymoon" for you. I am uncomfortable eating with you and inviting friends to the rectory. I believe our house situation is unhealthy and this also was a motivation for not wanting [REDACTED] assigned here. Confrontation today helps me to break the dishonesty that exists and also confronts the lack of communication that also is part of our parish staff.

I believe that you need some professional assistance. I also know [REDACTED] would be most important to receive some help as well. I do not want [REDACTED] present to our community, to our liturgies, or spending any more nights in your room. The speculation now has escalated into a sexual nature and this is most unhealthy for us all.
The relationship with [redacted] is suspicious, hidden and secretive. It is not a public relationship. Your recent vacation to Florida was something of a surprise when I found out [redacted] took the same vacation time that you did. More importantly, you did not tell any staff who would be on vacation with you. I heard from a parishoner that [redacted] was in Florida. It is interesting to see how hidden and secretive this relationship has become.

During the Carnival, I was working till 2:00 or 3:00 in the morning. One night, at 10:00 p.m., I walked downstairs and the money counters told me that you were working out with [redacted]. An entire parish community was on our front lawn and you found more importance to be with [redacted]. This is just another example of how obsessed you have become with [redacted].

But this obsessiveness has existed for all the years that I have lived with you. A few months back, I had dinner with some friends in their home. They had asked me who my pastor was and I mentioned your name. There was an uncomfortable silence which followed. When I asked my friends if they knew you, they asked me if you still hung around with young men and they were around the rectory. These friends admitted that this behaviour and obsessiveness with young boys has been a part of your priesthood since your first assignment.

I am frightened and live with tension because of this situation. I am uncomfortable knowing that only altar boys will be with you in Michigan City and feel that this trip should be canceled. The pattern I have seen has now become a major problem for you and I don’t know how to help you anymore.

We, as staff, feel the need for responsible adult behavior. In sharing this, we feel that you must know how your behaviour has now created negative stress for us and for our parish. Our meeting with you today is to help you see the need for professional help.

As a brother priest, I am tired of covering up, lying, being lied to and feeling overly responsible for your parish. I have spent four years doing the work of more than one person and the anger has built and affected me and my work. I prayed that my hunches and uncomfortable feelings would go away, and for brief moments, they would. But this type of living situation is not tolerable anymore.

I also have the support of our staff. They are willing to talk and have written letters to be supportive to me and also help you see that a serious problem now exists. There also are people in our parish who are concerned but they are frightened of what will happen if you knew them by name. Many are concerned and they agree that this obsessive behaviour with boys has impacted your work and ministry. Our objective is not to overthrow you, but to hope that you begin to see the severity of the problem and seek some help.
We are unable to communicate with you on our parish level because of the obsessive concern you have with [redacted]. Even two weeks ago, mail was addressed to [redacted] at the rectory address, with the name [redacted] This now is a concrete example of how much he has entered not only your personal life, but your professional life as well.

I know that you may hate me and be angry at me. My prayer is that in time, you must decide how to handle this situation. I feel responsible to report back everything from our meeting to the staff. We need to support one another as decisions must be made today. I am also committed to the good of our parish. In your role as pastor, you too made this same commitment. However, until you accept that a problem exists, you will not be able to support the good work that our parish has begun without help. Our meeting today is the first step for your good, the good of our staff and the spiritual good of our parish community.

This whole process and struggle is done in love. Wally, I pray that you may believe this.

Dear Holly,

Writing this makes me feel as though I'm going back in time about two years when I asked to meet with you for a few minutes. That meeting, if you recall, became two hours of talking and sharing. I was honest with you and feel that I tried to keep open communication between us as I continued on staff. We both know that honesty, openness, and trust are necessary not only for personal growth but for productive relationships with co-workers. Mutual agreement, continuing cooperation, and a sincere striving to understand and accept personalities are some of the things we discussed as being of primary importance to "pastor" to a parish.

You have a terrific staff that I feel cares so much for the well-being of St. John's.

Holly, have you really lined up to your agreements with staff and parishioners? Having been asked to share some of my insights and feelings as a recent, former member of your staff, as a parishioner, and as a parish...
minister with you today answers the question. It's my opinion that after much soul-searching with staff, you verbally expressed your role as pastor and arrived at some reasonable, acceptable priorities. I also feel that, after some futile attempts, you have not lived up to many of those commitments. It's disappointing. I did hope with the help of the staff that I knew you have supporting you (or would have if you wanted it) your pastorate would be flourishing and your parishioners content. I know for very many, this isn't so.

Let me cite a few problems as I see them:

1. **Your lack of availability to parishioners.**
   Three times since June I personally called to speak to you. You were not on vacation. On each occasion I was told you would not be back for two or three days. As a member of the parish, I have heard this from others, too. Unfortunately, it is usually in a sarcastic tone of voice. When you are available, I'm sure you have a tendency to press people for time.

2. **We all have other commitments.** Members
of various committees have one or two jobs, families, and their concerns, and complete fatigue at times. Yet I don’t find these people absent or saying they have to leave. They give completely!

3. Socializing with adults of the parish. I don’t know how much of this you do, but I believe it is important and should be general. I had invited you on several occasions during the first couple of years to my home. You always declined. And if you recall, your reasons were totally unfounded. You said you felt unwelcome. Nonsense! I (we) bent backwards to make you feel welcome. Since we all arrived at St. John’s as a group about the same time, we all had to be open and willing to form new relationships. For some reason, you pulled away.

4. You seem to have an eagerness to please the young of our parish: altar boys, teen graduates, secondary students. I feel your pastoral presence or commitment is affected by the presence of these boys. When you first arrived at St. John’s, I was disturbed at the number of fellows that had unlimited access to the rectory.
I became aware of it as a problem whenleep began grumbling, “They weren’t allowed in because they weren’t part of the crowd.” That gradually stopped and I was relieved. Somewhere along the line, the fella from the choir group is on the scene. Let me simply say, “There’s a lot of gossip recently and it’s very difficult to avoid.” I have personally had people from the parish either mention, question his presence or question his role in our parish. Some were inquisitive, some negative, some confused. I recall on one occasion after meeting in a room that I asked him about the situation. I never received a direct reply which made me uncomfortable. A personal note here—

A staff member who used the copy machine and typewriter for staff notes, liturgy notes, PEP reports, etc., was not allowed a key to the rectory. Yet let me in on two occasions with his key. This angered me.

5. You mentioned in Florida recently in
the city where my parents reside. I wouldn't have expected you to visit them, but how much time would a phone call have taken? Let me delve into a past hurt.

I'm trying to tell you again - if I had these feelings, what about all the other confused, hurting members of our community? Are you there for them? Do your priority, parish, or youth? Do you know how to be there for everyone? Do you want to be there for them?

Hally, I know there are problems that exist. I wouldn't have agreed to share my thoughts with you today if I didn't care about you. The love your staff would like to share must be accepted by you before it can develop into a bond of trust and support of each other. And you need them to help you truly minister to our people.
A few months ago I realized that I needed more than the warmth, advice, and support of my friends to get me through some difficult times with my family, my job, and myself. Do you think, Holly, this might be a beginning to a happy solution for you, too? Remember, please, I do care. I would like to meet and share more with you. Know again in my thoughts and prayers, especially at this time.

Sincerely,

(8th Grade Teacher-former Staff member and friend)

Dear Wally,

I hope you truly trust and believe that I write this letter out of care and concern both for you, Wally and the people of St. John Berchmans.

In my 20 years working here at St. John Berchmans I have had the opportunity to work with many different priests. I always felt I had a good relationship with the priests even with Fr. Szatkowski during those difficult days. Several years ago (if you remember) we met in your room and shared how we were feeling at the time. I felt we were both honest and that our relationship would be better for us, as we continued to minister together here at St. John Berchmans. This did not continue to happen or at least for me it did not continue to happen.

Since we were advised not to meet with you, [redacted], and Fr. Goedert, I feel I need to write this letter so you know how I am feeling at this time.

The last three weeks during the month of July I found myself working from morning to night and ending up exhausted and drained but I did so because it was part of who I am for people here at St. John Berchmans. I would go to the Early Childhood Center, to the hospital, to Loyola for class in the
afternoon and back to the Early Childhood Center to finish up. When I heard you had dropped out of Spanish class because you had too much to do I found myself very angry because I still did not find you available.

One day I was in the back room with and saw you carrying bags of dirt with I thought we pay maintenance men to do that. It also disturbed me that day I saw you weeding the front yard with and again we pay maintenance to do this kind of work.

When you said Mass on Saturday night, July 29th before I left on Wednesday to visit my parents, I assumed you would be there on Monday morning, August 31st, however, when I went over to see you about things to be done at school and to tell you I was leaving, they said you had left on Saturday, July 29th after Mass and wouldn't return until Wednesday, August 2nd. I was determined I wasn't going to leave another note because I'm tired of notes as our only means of communication. I really don't understand why and how you can leave the parish for days at a time when we are all there working.

I am also disappointed that there has been no follow up from you concerning the meeting we had with the two women from the Archdiocesan School Office. I would like to have talked to you more about the conversation of that meeting.
The above are only a few times that I could have used your support. I come to the rectory almost every day and you are either gone, too busy about other things, or have asked not to be disturbed. If I do happen to catch you, it is either on the steps of the rectory in the hallway or passing through the church and I don't feel this is the place to discuss concerns that we have regarding the parish. Sometimes I feel there is a real lack of interest or you are too preoccupied with other things or persons. For example, I feel your relationship with [redacted] and maybe some others keep you from being present to the staff and the people here at St. John Berchmans.

I hope someday we (you and I) can sit down and talk about our concerns so that we can continue to minister together here at St. John Berchmans with openness and honesty.

Sincerely,
16 August 1989

Our meeting with you and Wally had one necessary result, [redacted] is gone and a possibly great scandal has been avoided. But we did not call you in to solve a problem. We called you in to intervene with us in a serious case of addiction. This you did not address.

It should be obvious to you from all you observed on Monday that Wally has a serious problem that he refuses to face. If this is not clear let us reiterate. The problem is not [redacted]. Wally has a disease, an obsession with young men, that affects his work as pastor and our work as the pastoral staff.

There were four promises that resulted from Monday's meeting: (1) would leave and not be allowed back, (2) Wally would see that [redacted] got counselling, (3) [redacted], Wally and then the entire staff would have a facilitator come in to help us work better in the wake of this meeting. But the only concrete step taken was to contact a person to begin to work on point four.

This is totally unacceptable to us. We demand that the concrete step taken is that Wally [redacted] Until that happens we will not work with him on the St. John Berchmans staff nor will we meet with a facilitator. This ignores the issue. Instead we will work as a team for the good of the parish without him.

For four years we have stood by and watched as Wally has let his illness interfere with his ministry at St. John Berchmans. We will stand by no longer. We insist he get help now. Only you can force that on him for his own good and for the good of the parish.

Victim Statement Abstract:

This abstract replaces a memo dated August 16, 1989 from Fr. Walter DeRoeck to the staff of St. John Berchman. In the memo, Fr. DeRoeck recounts his discussions with Victim IR on August 14 and 15 about the letters that the members of the staff wrote to Fr. DeRoeck regarding their concerns over Fr. DeRoeck’s relationship with Victim IR. Fr. DeRoeck writes of Victim IR’s disappointment and frustration with the situation, including having to absent himself from the parish and the allegations of impropriety between himself and Fr. DeRoeck.

RE: Walter DeRoeck

1. [Redacted] came in at his request. He brought with him a letter from the staff to me as well as a letter Wally sent to the staff dated August 16. He also gave me a letter addressed to me by [Redacted] and another sent to me by [Redacted].

2. The bottom line is that the staff thought that Wally had just gone through an exhibition of massive denial at our meeting on Monday and they wondered if I had even picked it up. Inasmuch as I didn't say anything about this to Wally or the staff, indicating that I was aware of all the denial, they thought I might have missed it.

3. I told [Redacted] that in one sense I was very disappointed. I thought that the staff had given me very little credit for knowing what the score is. I told him that in all cases like this denial is kind of a "given" and I was well aware of what Wally was doing. I admitted I did not show my hand to the staff, but I didn't think that was appropriate for me to do. [Redacted] said that the staff thought that this was an intervention in the technical sense. I told him that that was not my intention at all. I only went to meet with the staff in order to give them a chance to express themselves in Wally's presence. But I had already concluded from my meeting with Wally and [Redacted] in the morning that Wally had a very serious problem and was not dealing with it and was in denial. The fact that he told me that the reason why [Redacted] stayed in his room was because of air-conditioning was a tip-off enough that he had no idea of the magnitude and seriousness of the problems he was dealing with. And even if there has been no sexual misconduct, he certainly evidenced gross immaturity in the remarks he made to me concerning his friendship with [Redacted]. It appeared to me to be a sick relationship and an unfair one to [Redacted]. At any rate, I told [Redacted] that that was exactly why I wanted Dr. Bacigalupo to become involved. I had every intention of filling in Dr. Bacigalupo on what I thought and find out from him how best to proceed.

4. I'm not sure how [Redacted] felt by the time he left, but he seemed more at ease. I told him I would be talking to Dr. Bacigalupo tomorrow and I would get back to him as soon as I can.
1. Larry McBrady called today. He wanted to fill me in on what he knows about the situation concerning Wally. First of all, he understands from [redacted] that Wally considers Larry to be his closest friend. Larry said that it is true they grew up together and have known each other since second grade. They were ordained on the same day. But Larry said in all honesty they are not really close. He probably sees Wally about six times a year. Larry would not consider Wally to be one of his "best friends". The sadness is that Wally probably doesn't have any close priest friends and probably not even any close adult relationships.

2. Larry said that Wally is in with [redacted], [redacted], and [redacted] in the cottage at Michigan City. Larry knows that the other three are somewhat irritated at Wally because he always seems to be bringing kids to the house. Wally tends to go to the cottage when the others aren't there.

3. Larry says that Wally has distanced himself from adult relationships. Larry wanted to let me know, however, that the tattoo, earring and weight-lifting allegations are totally out of character with Wally. Larry is not denying them. He is just saying that he is really surprised, because Wally had always been considered a super straight arrow.

4. Larry said that Wally had always been very conscientious, whereas now he does seem obsessed with Michigan City. Wally wanted to be a pastor. But he now has no adult support. Wally also has a sister who seems to be having problems and Wally's parents, who live in California, seem to come to Wally with the problems.

5. Larry said that his information comes from [redacted], but he is also hearing it from other members of the clergy. Evidently [redacted] is talking a lot and Larry has picked up much of this stuff about [redacted] from other priests, so it is not a quiet situation.

RE: Walter De Roeck

1. Larry McBrady called. He had dinner with Wally last night and Larry feels more worried than ever. Wally must be into massive denial. He made no mention whatever of his problem. Larry himself had to bring it up and he just mentioned to Wally that he had received a phone call from [redacted]. Wally was aware of this and he said something to the effect that [redacted] is upset with him because of the problems with the Spanish community, etc. But Wally was very calm and relaxed about it and said he felt he could handle it for another year. That's as long as [redacted] will be there and Wally thought he could sweat it out. Larry offered the assistance of his office, but Wally did not think he would need it. Wally made no mention whatsoever of having come to see me or anything about [redacted].

2. Larry emphasized that this is totally out of character for Wally. He said that Wally was the kind of guy that would be petrified if the diocesan authorities were checking him out, etc.

3. Larry said that he will contact Wally again next week to set up another date to go down to Michigan City together. He will keep closer in touch with him so that Wally will at least have someone to unload on, should he so desire. Larry is convinced that if Wally wouldn't bring it up to him, then he hasn't mentioned it to anyone. Evidently the only one Wally talks to is [redacted] himself.

4. Larry said that if it became necessary to remove Wally from the parish, they do have an extra suite at St. Celestine's and Larry was sure Pat O'Malley would be happy to take Wally in.

RE: Walter DeRoeck

1. [reddedacted] called me at the rectory Sunday morning. He said that he accidentally discovered Wally has been paying partial tuition for [reddedacted] at Niles for the last two years and using parish funds for this. This has upset [reddedacted] and other staff members very much.

2. I asked [reddedacted] how he came upon the information. He said that the parish has an accountant and he happened to be waiting for the accountant to write out his salary check and he noticed a check written to Niles college for [reddedacted] tuition. When he asked the accountant about it, the accountant simply said that he/she does what he is told and Wally had told him to send a check each month to Niles. [reddedacted] made copies of the checks. One of them is dated after [reddedacted], so the staff is even more upset about this.

3. [reddedacted] said that some of the staff have said that they would leave if Wally stays.

RE: Walter DeRoeck

1. [Redacted] called. He said that he gave all of the material to Wally and said that Wally should communicate it to me. [Redacted] is getting tired of being the middle-man on all of this. He also told the rest of the staff that he was not going to be the one to always blow the whistle and that if they had a problem with Wally then they should call me directly.

2. [Redacted] said he told Wally that from now on he would keep the communications with him to a minimum. This seemed to upset Wally very much, but [Redacted] said that for all practical purposes, they haven't been in communication anyway. But [Redacted] is tapering off with the idea of leaving in June. That is when his term will be up.

3. I asked [Redacted] if he thought he could hang on until then and he thought he could. [Redacted] has not been around at all.

4. [Redacted] said that
1. [Redacted] called. He wanted to know what the next step is. I told him that Wally was going to convene the staff, but he couldn't do it this week because [Redacted] was supposed to be on retreat. [Redacted] said that Wally did mention it to him and they are supposed to meet next Wednesday.

2. I told [Redacted] that Wally will discuss the matter with them and then indicate that I want to meet with the staff just to bring closure. [Redacted] thought that that would be a good idea.

3. [Redacted] said he feels that there is a lot of anger in Wally and I agreed...
1. Wally De Roeck called. He said he met with the staff yesterday and it went quite well. Wally wanted to alert me, however, to the fact that the staff seems to have a lot of anger at me. They do not think the whole thing was handled well. They had not expected to have a confrontation with Wally when I was there last August.

2. Wally said that he mentioned to the staff that I would like to meet with them for the sake of closure. First, they were somewhat negative about this. But eventually they changed and felt that they did want to have a meeting, but more for the opportunity to express their anger at me, rather than to listen to whatever I might have to say. I told Wally that that was perfectly OK by me. Wally said that he gave them the option of himself being present or absent and they suggested that he be present. We agreed on Dec. 4 at 1:00 but Wally will have to get back to me to let me know if that date is acceptable to the staff.

3. Wally said that [REDACTED] still seems to be the angriest. [REDACTED] is cynical towards the Church and towards authority figures and that might account for some of the problem.

4. [REDACTED]

5. Wally said that [REDACTED] talked to him personally after the staff meeting and [REDACTED] doesn't seem to be as angry at Wally any more. [REDACTED] indicated that they had a very good conversation and, in a sense, extended to each other their apologies for past problems, etc. [REDACTED] also indicated a willingness to be reconciled with [REDACTED]. Wally thought that this was interesting.

RE: Walter De Roeck

1. I met with the staff of St. John Berchmans today at the rectory. In addition to Wally and [redacted], present were [redacted].

2. The staff wondered whether they had done the right thing in raising the issue and I assured them that they had. The staff also raised objections to the process.

3. [redacted] said that the staff had been looking for an intervention and that is not what happened. They were upset that I had [redacted] come alone to meet with Wally. [redacted] said that he felt very much like a victim when he was here in the office, etc.

4. I assured the staff that if I had to do it all over again, I would follow the same procedure. I did not think it would be fair to have the entire staff here, as it were, ganging up on Wally. On the other hand, if it was an "intervention" in the technical sense of the word, that they were looking for, they should have made that clear to me. Whether or not [redacted] used the word intervention when he first called, I definitely understood him to simply mean that someone in authority has to intervene in the situation they were facing. I do not fancy myself as an expert in conducting interventions in the technical sense of the word, and had I known that that is what they were looking for, I would surely have gotten someone more expert than myself to handle it.

5. Unfortunately, I think I was much too defensive throughout a good part of our discussion. I should have let the staff simply ventilate their feelings and anger, as I think I would have done more good. Eventually, I did shift gears a bit and began to empathize with their situation, the feelings that they were having, and I admitted that I had learned something from all of this -- namely, that I have to be much more sensitive to how the staff is feeling in situations like this and be more in touch with them. That was one of their criticisms -- namely, that they reported the situation and then proceeded to hear nothing from me for the next several months.

6. We did part on somewhat friendly terms. It was agreed that the staff would determine at its next meeting whether or not they would need a facilitator for them to continue working together. Some had expressed a definite need for this.
7. I told the staff that I wanted this meeting today in order to bring closure as far as my part in this is concerned. They seemed to appreciate that.

RE: Walter De Roeck

1. I spoke to Wally today. He said that he is still working out things with staff members as individuals, and he was hoping that things would begin to improve. The staff did agree unanimously that they would like the services of Dr. Bacigalupo. There are 7 on the staff including Wally. I mentioned to Wally that it might be necessary for the staff to go to Dr. Bacigalupo's office, but in view of the fact that there are 7 of them, it might be easier for him to go to them. At any rate, I will call Dr. Bacigalupo and see if we can set something up.

2. Wally said that the staff would like to begin after Jan. 1. He also asked about finances, as the parish would find this very difficult. I told him that if he is willing to do it under my auspices, I will see to it that the bills are sent directly to me, but that, of course, implies that I will also get periodical reports. That was fine with Wally.

3. I called Dr. Bacigalupo at 4:15 P.M., and I left the message with his answering service to return my call.
REPORT ON Fr. Walter De Roeck

We worked from 19 returned questionnaires; all but 2 said they were in leadership roles in the parish; some were unsigned, and we were not able to judge if they were actual staff members or not. The parish staff was quite large; we are quite sure that all received questionnaires and the majority returned them. 6 of the 19 returned were definitely staff, and perhaps more. 16 of 19 said they have known the pastor for over 4 years. 3 see him daily; 15 at least weekly, and one just once a month. All feel he is in good health.

The marks given to Fr. De Roeck were very high almost throughout the questionnaires; there, however, were not too many written statements which would help us get a better picture in some unquestioned areas. When we mention an area of strength and an area of so-called weakness in the various sections there is often only a slight difference in the marks he received in the two areas. We feel that the survey should be very encouraging to Father De Roeck.

In his role as teacher, Walter was seen to be very strong in his support of religious education not only in the school, pre-school areas but also in CCD. He definitely is interested in education. He, however, was rated lower when it came to adult religious education: there was a desire for more adult religious education and a regret that the adult religious education that is available is so poorly attended.

In his role as spiritual guide, he was praised for his style of presiding at the Eucharist; his homilies are appreciated; people felt that there is cohesion in the St. John's community. Some, however, were not so sure about the Pastor's input into this community building; and he received lower marks in his relationships to others. Some where along the line, there must have been a couple of disagreements. He should encourage others to become more involved.

I imagine it must be pleasing to any pastor to realize that his people view him as a community leader who is definitely interested in social outreach. He is praised for his concern for the needy, as evidenced in his St. Vincent de Paul, pantry, and parish nurse programs. His administration is seen as concerned with those in the hospitals. Its weaknesses are found in the lack of approach to inactive parishioners and lack of welcome to newcomers. In these areas he received his lowest marks.
In the section on communication skills, he is rated very good at returning phone calls; he also is faithful in attending parish functions. His lower marks come from his relationship to his staff; the staff is perceived as not getting along so

We feel that St. John Berchman Parish likes its pastor; we encourage him to remain as pastor for a second term. He has had problems with his staff, but the staff has changed quite a bit in its members giving Walter the chance to start anew with them. He feels inadequate in the Spanish language, and we encourage him to make a renewed effort to learn it better because his parish is 70 percent Spanish sur-named. His lack of fluent Spanish, however, was not overly emphasized in the questionaires. Finally, we congratulate Fr. De Roeck for his good work which is an inspiration to the one who wrote this report.

3. Wally inquired about [redacted]. Wally was concerned, since Clete Kiley was chairman of my department and now is rector at Niles. He wondered if Clete had any information about [redacted] that would influence his judgement on him out there. I assured Wally that Clete has no knowledge whatever of this. Nor does anyone else other than myself, [redacted], and [redacted]. I have never reported anything to either Jim Roache, Clete Kiley, or the Cardinal. I told him that basically I never report to Clete and that is the way Clete wants it from the very beginning. I went through the entire file while talking to Wally and there is not a single memo indicating that anyone other than myself is aware of the situation. This seemed to put Wally at ease. I told him that if for any reason [redacted] did have a problem out there, Wally ought to get in touch with me.

Term Ending January through May, 1991
Rev. Walter G. De Roeck

The priest listed above was named a pastor in the first quarter of 1985 (January through May). His term of office will be completed in the first quarter of 1991. I am beginning the evaluation process.

The first step in the process is for the Dean to select a team manager. Once you have secured a team manager, you are asked to inform him. I will then write the pastor and tell him the evaluation process is beginning. He then selects another priest to assist the team manager in the evaluation process. The pastor must also agree to the team manager you have selected.

Once the two priests’ coordinators have been selected, the team manager takes responsibility for the process.

Can you get the team manager’s name back to me by February 1, 1990? If you have any questions, please feel free to call me at Mundelein, 312-566-6401 or at my new office:

1. [name] called. Her work number is [number]. Her home number is [number]. [name] is the Youth Minister at St. John Berchmans.

2. [name] just wanted to alert me to a particular problem. However, something happened yesterday that really upset her. St. John Berchmans had been receiving $237,000 in subsidy and they were notified that it was going to be cut in half. This meant that $139,000 had to be cut out of their own budgets. The meeting they had yesterday was to look into what these cuts ought to be, etc.

3. [name] reported at the meeting that Fr. De Roeck had approached him previously and indicated that his contract may not be renewed. [name] is the DRE. Wally mentioned that the reason the contract may not be renewed was both because of the necessary cut in subsidy and also because of the conflict that had existed between [name] and himself. It upset the staff very much that Wally would have taken a unilateral action like that, particularly since the whole purpose of the meeting was to determine where the cuts ought to be.

4. [name] fully believes she herself will also be cut. Furthermore, [name] is definitely in his last months and will be leaving in June.

5. [name] said that there's just something not right about the way things are going. She is afraid that now Wally has an excuse for getting rid of all those who opposed him and she is beginning to suspect that the problem for Wally is much bigger than he has owned up to. There seems to be a lot of denial still going on.

Dear Wally:

I am writing regarding your participation in the evaluation process for pastors. As you know, your term of office will end in 1991.

As Director of the Office of Appraisal and Evaluation, I have some convictions about this process which I would like to share. I hope they set a context for the evaluation.

My first conviction is about the role of pastor. In Coordinating Parish Ministries (A publication written by the Department of Personnel Services, 1987), the role of pastor is defined:

"The pastor serves the Christian community by sharing with them graces which God has given him and which are revealed in his spirituality and leadership, as well as in his limitations and inadequacies. 'To be' means 'to be with'".

You have a critical and demanding role in the life of our community. I hope the process enhances your role.

The second conviction revolves around the evaluation process. The National Association of Church Personnel Administrators in a handbook on performance appraisal, describes the appraisal process. They suggest it to be:

"supportive of people" (so those involved are affirmed and challenged) and is "implemented in a flexible way" (so the process is able to serve the individual).
Thus, the context out of which I work is to encourage your role as pastor, and to provide a structure to affirm, support and challenge. Hopefully, you will be renewed to continue your ministry in newer and more effective ways.

The evaluation process is more fully explained on the enclosed sheet. The first step is for you to approve the team manager selected by the Dean. Francis Rog selected Ed Maloney as your team manager. If you have any concern about that selection, please indicate on the form. You are asked to select one priest to work with Ed in conducting the evaluation.

Your staff and twelve to fifteen lay leaders, whom you designate, will be asked to complete evaluation forms. The evaluation team will discuss and share this material as well as the final report. Copies of the final report will be given to the Dean, Vicar and the Diocesan Priests’ Personnel Board and my office.

At the time you apply for renewal of your term, the Vicar and Dean will be asked to support your reappointment.

I ask that you return the blue form as soon as possible. The process will continue when I receive this information.

Sincerely,

1. called. But the next day when she met with Wally he said that he had to cut $139,000 from the budget. told him that she presumed that she would be cut, though she wanted to stay on until June, and even after that she was quite willing to volunteer her services. But Wally said that "the Staff and I" decided not to renew the contact and he did not want me to volunteer either. This left in shock. She asked him if it had anything to do with the previous confrontation over He insisted that it did not and that this was a professional judgement.

2. said that will be meeting with Wally tomorrow, March 6. When she asked the Staff whether they were aware of the firing, they indicated that they were not.

3. says that she is not trying to reclaim her job, especially since she knows she cannot work with Wally. But she fears for what Wally is doing to the parish and the Staff. He told that he wouldn't be able to pay anything at all from the parish for her services. And if he decides to let go and with leaving in June, . She said that the trust level is so low and the staff members feel that Wally is simply acting out of reaction to the previous confrontation and just using the budgetary problem as an excuse.

4. said the next Staff meeting is March 14.

2. said that the relationships with is continuing, though not on St. John Berchmans' premises. feels it is unfair that Wally is making these decisions unilaterally, as he is letting go everyone who seemed to be on the opposite side of the issue with him. feels that once the parishioners become aware of what is happening, they will be upset.

1. I called Wally just to see how he was doing. Wally felt very good about his relationship with [redacted] at this time.

2. The others were O.K. to one degree or another but the toughest of all was [redacted]. [redacted] came right out and said that he thought Wally should leave the parish. I discussed [redacted] a bit with Wally. I said if Wally was going to leave the parish, that's his decision. On the other hand, if he intends to stay on and especially to take another term, he will have to build up a staff that is willing and able to work with him. It appears that [redacted] doesn't respect Wally enough to work effectively with him and the fact that he stood up at a public meeting and publicly challenged Wally would indicate that he should no longer serve on the staff. In my mind that represents insubordination which should not be tolerated.

3. Wally said that he promised the staff he would have weekly meetings with each one individually. He did not want to continue the haphazard sort of way in which staff meetings were held. Wally said the Bishop Rodriguez and Frank Rog both thought that [redacted] should go and apparently they are going to meet with him themselves. Wally felt that they were both very supportive of him.

Dear Cardinal Bernardin:

I wrote you in February about the merging of St. Ludmilla Parish and St. Casimir Parish. I am the Director of the Parish Nurse Program sponsored by the Columbus-Cabrini Medical Center. We currently have five nurses working in inner city parishes (St. John Berchman, St. Ludmilla, Providence of God, St. Vincent DePaul, and the Chicago Uptown Ministry, a Lutheran sponsored worship/social service community). We have been in each of these parishes for almost four years.

It has come to my attention in the last few months through my conversations with [Redacted], the Parish Nurse at St. John’s, that the conflicts caused by communication problems between the pastor, Father Walter DeRoeck, and the parish staff continue to linger and affect the atmosphere and ability of the staff to work in a vital way in the parishes. I know information regarding this situation has been communicated to Father Raymond Goedert by the parish staff. While some action is being taken, it does seem that the focus of change is primarily directed to the parish staff. They are being asked by those involved in the facilitation process to accommodate to Father DeRoeck’s leadership style rather than have their question as to the appropriateness of his continued appointment in this parish at this time taken seriously.

We have very much liked having [Redacted] working at St. John’s. She has found the staff to be interested in the building of a parish community, and to extend themselves to the larger needs of families. However, the internal conflicts which have surfaced this past year have taken a lot of precious service time and staff momentum, including her own. I do hope there can be an enlightened resolution to this situation before the summer vacation begins.

I am enclosing an article by Harvey Cox which appears in the current issue of Cross Currents. He speaks of the "spiritual awakening, a renewal of hope and energy going on among those who, although once muffled or ignored, now raise their theological voices." I imagine more mergings and closings will take place in the near future. I do hope that the implications of crisis decisions will take into account the sources of vitality among us, that come from other cultural groups of persons, that will be lost to the Chicago Church and the American Church if systemic changes are not considered along with financial realities.

Thank-you for answering my last letter. And thank-you for any attention you might give this situation.

Sincerely,

THEOLOGY FROM THE UNDERSIDE

“By virtue of the authority delegated to me, I confer on you the degree of Master of Theological Studies, Master of Divinity, Master of Theology, or Doctor of Theology, and declare that you are well prepared to foster the health and vitality of the communities of faith.”

These are the words intoned by the President of the University on Commencement Day, as he bestows degrees on the graduates of this school. I repeat them here today not to attempt some seizure of power, but to remind us as we begin our year’s work, that our purpose at HDS is to foster the health and vitality of communities of faith. I want to speak today about the responsibility of fostering (a word derived from the Old English for feeding), and about the nature of the communities whose health we seek to foster. Since by their nature faith communities have a certain particularity I will refer mainly to one in which I live, trusting you will make whatever emendation you need for yours.

How does one foster the health of communities of faith? Our faith tradition has a clear answer. Health and vitality come not from us, but from God, from the activity of the Spirit. That is fortunate for us. We are not called upon to create health or pump up vitality, but to foster that is already going on. This means we have to be alert to the sources of health. Where are they?

No one at Harvard Divinity School can be unaware that the theologies most of us were raised on are under siege. Their methods, agendas, and assumptions are being radically questioned. Not, however, by some rival divinity faculty or schismatic school of clerics; no, the most sustained and engaging critique is coming from those sectors of our faith communities that have—until quite recently—been silenced or shoved to the margin, or otherwise excluded from the theological enterprise. It is coming, for example, from Christians in Africa, Asia, and Latin America, from minority churches, from feminist theology.

We all know how much this critique has fostered the intellectual health and vitality of our school. What we do not always recognize, however, is

Harvey Cox is Victor S. Thomas Professor of Divinity at Harvard Divinity School and author of The Silenceing of Leonardo Boff and The Seduction of the Spirit. This article is the slightly edited text of the convocation address he gave at the Divinity School, Sept. 20, 1989.
that this uprising of repressed voices is the intellectual expression of a more comprehensive reality—a spiritual awakening, a renewal of hope and energy—going on among those who, although once muffled or ignored, now raise their theological voices. The health and vitality of the Christian community of faith (and I suspect this may also be true for other faith communities) is not “trickling down” from the top. It is seeping up from the bottom and surging in from the edges. The blooming vitality of such previously denigrated regions in our faith communities supplies the indispensable religious and social base without which the critical theologies we read would never have appeared. This helps explain why the most animating new insights in our field are coming from what Gustavo Gutierrez calls “the underside of history.”

The underside has always been there, though not always noticed. Last summer I visited the medieval priory church of Great Malvern, a village in the English Midlands. There I discovered something called “misericords,” pictorial wood carvings on the underside of the seats used by the monks in the choir. The name is derived from the Latin for “mercy,” since the seats had front edges on which, when swivelled up, the long-suffering monks could rest their weary haunches during the interminable services. Unlike the stained glass and the statuary, which celebrates coronations and ascensions, these misericsords depict scenes from everyday life—raking grain, scything hay, harvesting acorns for the hogs. One shows an angry wife who has just lugged a heavy pail of water from the well and is upbraiding her lazy husband warming himself idly by the fire.

An architectural metaphor? While the monks gazed upward at the stained glass archangels and the towering thrones, and chanted their Laudes and Te Deums, under their bottoms—literally—the earthy reality of seasonal changes, farm animals and domestic jostling kept them from collapsing in a heap.

The underside is not only a source of vitality: it also provides the grounding without which theologies soar into lofty etherealism.

The poets join in too, often using languages drawn from a faith tradition both to assail its complicity with injustice and to spin out a dream of something better. Here is “The Good Mass,” by the Latin American poet Jorge Debravo, a Catholic and a guerilla who was killed at 29:

Nostros Hombres

Let us celebrate
the Mass of love this morning.
We shall make a host
of corn meal, flour, and hope
On a rocky ledge,
in the bowels of a hill,
we shall consecrate the host of life
and the wine of right...

We shall all be priests, all,
the high and the low.
And we shall all eat the host of love
like warm animals.
We shall invite everyone to the Mass:
children, the aged, prisoners,
pilots and mechanics,
archbishops and laborers...

Notice how, like the misericords, this poem invokes the commonplace, the beasts and the earth, and how it punctuates grandiose hierarchies with its imagery of equality.

Our convocation music provides a melodic metaphor for the repressed voices of another era. These songs of praise were originally composed not for choirs to perform but for whole congregations to sing. Further they were created not by trained composers but by tinkers and peddlers who wanted to praise the Lord with a joyous sound. For years they were sung by New England congregations, until trained professional music masters, returning from their studies in Europe, insisted that such vociferous churning was unseemly. They imported chorales; and the music we are enjoying today was driven from the churches, to take refuge in remote rural areas where it is still sung today and from whence it is being retrieved by such groups as Nurumbega Harmony. It also reminds us that theologies from the underside often arrive in non-discursive idioms—through sagas and stories, protests and processions. So unless we learn how to read such signals, we will miss the message. As the Filipino theologian Edicio de la Torre says, “if you want to know our theology, listen to our songs.”

The underside theology that is trying to make itself heard today carries, I believe, an indispensable current of health and vitality that we ignore at our peril. But how could we possibly miss it? The danger, however, is not that we will criticize it—no worthwhile theology ever suffered from robust criticism—the danger is that we will compare and contrast, classify and categorize, that we will hear the message and not be changed. For it is the vitalizing message of these theologies that the purpose of our faith communities is to claim the promise of God’s justice for all the earth’s peoples, whether inside or outside the church, in the teeth of the opposition of those who deny it.

So the theology from the underside poses the awkward questions of power, and of theology’s inevitable involvement in the many realities of power. An old Navajo woman in a recent collection of Native American tales says ruefully, “those who tell the stories rule the world.” The question her statement raises, one that exposes the myth of theological or academic neutrality, is whose stories will be heard, and whose will go unheared? In a world where power is so unequally distributed, we have the responsibility to help make these stories heard. Divinity schools have some of the skills to make a difference. Often underside theologies come to us
in unsystematic, inchoate form, or at least in a form that seems inchoate to us. We can help draw attention to them if we learn their codes and translate them into idioms the people around us can grasp. Underide theologicals have often been ignored in the past, not because they were not worth attending to, but because generations of theologizing without them had so narrowed our perception that we did not recognize them as theologies. Yet they are theologies—more or less consistent constructions of God, good and evil, human destiny and cosmic purpose. We can be thankful that some members of our faculty are beginning to help us appreciate them as theologies. We are learning, for example, that the pictures may be as important as the words, that the fiesta may bear as much meaning as the sermon, and that the details of the music may carry more freight than the lyrics. We are taking small steps toward a mode of theologizing that, as Elizabeth Schüssler Fiorenza said here last year, would “no longer constitute itself by excluding the religious experience and theological voices of the subordinated.”

I sometimes ask myself, was Jesus a teacher of theology? I think he was, among other things, and we could learn something from his pedagogical approach, but we may sometimes be embarrassed by the company he kept. It was usually not people like us. In fact, he is reported to have scandalized his contemporaries by consort with prostitutes and publicans, with the religiously impure and the politically suspect. Why did he keep such company? Could it be that he wanted to direct the attention of those he encountered to the underside of his own society and to the Reign of God that he saw appearing among the outcasts of this time? I think the answer is yes, and if we are concerned to foster the health and vitality of communities of faith, it is hard to improve on his example.

If our purpose is to make God’s justice visible in the world, then why do we bother with communities of faith? We must realize from the outset that the purpose of faith communities is not to foster their own health and vitality. That would be introverted churchiness at its worst. Let us rather put it this way: the purpose of communities of faith is to foster the health and vitality of the world, to foster—now using a more traditional term with close ties to the words for health and wholeness—to foster the world’s salvation. So the vitality of the faith community, however important, is only instrumental. Its purpose is strictly secondary to what theologians used to call the “messia dei,” the purpose of God, which is to bring the whole-creation to its fulfillment and to make visible God’s Shalom, “on earth as it is in heaven.” And this is the purpose, too, of the people of God. But this means we must take note of another “underside,” the 90% of our faith communities made up of what we call the “laity,” a word that simply means the laos them, the people of God.

This is why it is especially important that we who teach and study at divinity schools avoid drawing too many close parallels with the other “professional schools” of the university. We are similar in some ways, but not in others, to our colleagues and fellow students in, say, the Law School, the Business School or the School of Medicine. The difference is that we live in a closer degree of kinship to the people we serve in communities of faith. They are not our clients, nor our patients, and despite what one might deduce from the touching dramas of TV evangelists, they are not our customers. Therefore, when we draw on these other worthy enterprises for metaphors to make sense of our own, we do considerable damage to the understanding of our mission.

The members of these faith communities are our sisters and brothers, our fathers and mothers, our ministers and our teachers. We are joined in a network of entanglements with them that is more multi-faceted than any that language drawn from the legal, medical or business world can quite encompass. It is a bond our traditions have described with similarities such as “household of faith” and “mystical body.” They are our “fellow pilgrims” and “joint-heirs.” They are, to recall a trope Jesus himself once used, our “friends.”

Too often our reliance on the language of the “professional school” makes us forget that the ministry of the church (and here I am still speaking about my own tradition) is the task of all the people of God. There are varieties of gifts, as St. Paul puts it ... “some are called to be apostles, some prophets, some pastors and teachers for the equipping of the people of God for their service in the world.” Whatever faults St. Paul may have had, he was not a clericalist. But at divinity schools we still sometimes talk about “ministry” as though it were the prerogative of an educated or professional elite, as though somehow it is we who minister to the laity. But St. Paul puts it just the other way around. It is the people of God who do the work of ministry, and we are their equippers. And this makes sense. If God’s shalom of justice and peace is to become more visible in the secular world, it will clearly be those who live and work in that world who will make it so. We in divinity schools should not be touting ourselves up to be the star performers; we are the trainers and prompters for the people out front. Of course, that can sometimes make us jealous, but that is not a new problem. In the 11th chapter of the Book of Numbers we are told that one day someone ran in to Moses to report indignantly that El­ dad and Medad were prophesying in the camp, whereupon Joshua the son of Nun said, “Moses, my Lord, stop them!” Moses’s answer is instructive. “Are you jealous on my account?” he asks, “I wish that all the Lord’s people were prophets.”

I believe that in the most important sense of the word, all the Lord’s people are prophets. All bear the responsibility for discerning the signs of the times, for bringing moral insight to bear in the intricate decisions of professional and political life, for enacting in the public sector the reconciling Shalom of the Spirit. Especially when we begin to talk about “values and public policy,” it is important to remember that ultimately
it will not be theological professionals who link values and policies, it
will be laity.

In this area, we at Harvard Divinity School have made a small start. In
a series of conferences, we have begun welcoming into our previously es-
oteric conversation the people who live their day-to-day lives in the ed-
itorial offices and labs and courts and TV studios and clinics—at least for
short periods of time. We could do much more and for longer periods.
Let us not be jealous of the Eldads and Medads of the world: "would that
all the Lord's people were prophets."

I have linked my two points together: we foster the vitality of the com-
munities of faith so that the whole People of God can foster the health and
wholeness of the world, the best objective of God's love and Shalom. It
is time for what teachers of preaching sometimes call the "closing hom-
iletical clincher." A recurrent image in the Bible is that of sleepers who
need to be awakened—like those monks who gratefully leaned their pos-
teriors on the misericords, but sometimes, of course, dozed off. However,
when they did, the hinged seat would slam down with a resounding bang;
everyone would know right away which unlucky friar had slipped over
the border from meditation to hibernation.

Today sharp bangs—in the church and outside it—are again being
heard all over the land. Once comfortable snoozers are being rudely
awakened, because the underside just won't stay put. I conclude, there-
fore, with a cheerful word from St. Paul, which could help us welcome
this boisterous clamor from the underside not as a threat, but as a source
of health and vitality: "Remember the hour. It is time to awaken out of
sleep: for now is our salvation nearer than when we first believed" (Rom.)

RE: Walter De Roeck

1. Wally called just to bring me up to date. He said that [redacted] resigned on Tuesday, May 15. Evidently he was offered a job by [redacted] at Our Lady of Mercy. This surprised Wally, as it seemed as though he and [redacted] were beginning to work things out. But evidently [redacted] received a memo from Bishop Rodriguez and Frank Rog that didn't sit well with him.

2. In addition to [redacted]’s leaving, Wally also wonders about [redacted]. Wally said that he talked to [redacted] about this and her letter to the Cardinal. All in all, it would appear as though the only one that seems to be still on board is [redacted]. Wally is somewhat ambivalent about all of this.

1. I received a copy of [redacted]'s letter to you, dated May 9, 1990. In her letter, she raises questions about the situation at St. John Berchmans. I have been involved with this parish since August 8, 1989. There was quite a bit of conflict within the staff...

2. [Redacted]  

3. Perhaps you have already responded to [redacted]'s letter. If not, you might just want to mention to her that you are aware that [redacted]. In the mean time, [redacted] should encourage [redacted] to make sure she brings up her concerns in the meetings that the staff has...
18. Walter De Roeck '71 & [redacted]: contacted Don Nevins to express concerns that they were not going to get an associate and that they were removed from the open list. Don assured them that they still may get an associate and they also have the possibility of getting a resident.

Dear Sister [Name],

Thank you for your letter of May 9, 1990, in which you asked me to see what could be done to facilitate the parish situation at Saint John Berchmans.

As you mentioned, Father Raymond Goedert has been involved in this matter. [Comments]

It would be very helpful for you to encourage [Name] to bring up her concerns.

Thank you, too, for the article you included with your letter. I understand the concerns you have regarding the closing of parishes and do appreciate your comments.

Please join me in prayer that there will be a fair resolution to the situation at Saint John Berchmans.

With cordial good wishes, I remain

Sincerely yours in Christ,

GUIDELINES - WRITTEN REPORT

Part I - Statistical Data

Use the tabulation guide to summarize the data. In each section, teacher/spiritual guide/community leader/ organizational leader, determine two strengths as well as two areas of growth.

Part II - Summary Report

A. Overview

For this section, please answer the following questions:

1. Who completed the report - percent staff/percent parishioners.
2. Give the average length of time they have known the pastor.
3. What percent of those forms distributed are represented in the final results?

Any other overview insights would be helpful. Attach Form A.

B. Evaluation - Pastor

In narrative style, please indicate the overall strengths as well as limits which surface from the data regarding the pastor. In each of these categories, please try to describe how the people and/or staff perceive the pastor in these roles.

C. Evaluation - Parish

In narrative style, please describe in some detail the direction, vitality, and significant activities of the parish.

1. What are the strengths of the parish, with regard to programs and characteristics (location, population, facilities, etc.)?
2. What are the weaknesses of the parish, with regard to programs and to characteristics?
3. Are there programs or other activities not presently engaged in by the parish which should be initiated?
4. Are there programs or other activities presently engaged in by the parish which should be terminated or redesigned?
D. Overall Themes

As you read the comments, review the reports, etc. what overall themes emerge?

For example, tone - welcoming style
significant strengths - dedication to school
particular style - hard working

In other words, what themes keep recurring.

E. Special Concerns

1. Are there special needs or characteristics of the parish which require action on the part of the Archdiocese or any of its agencies?

2. In the course of your efforts you had the opportunity to become familiar with the personnel of the parish. Is it important to communicate to the pastor any significant information regarding associates, religious, lay staff, others.

F. Conclusion

1. What recommendation do you have regarding the pastor's continuance for a second term?

2. Are there areas to which he might give particular attention?

When the report has been completed, it should be shared with the pastor. He can make any corrections regarding facts. When the final report has been completed and shared it should be signed by the team members and the pastor. Then, it should be sent to the Vicar, the Dean, and the Diocesan Priests' Personnel Board.

The green form should be sent to my office indicating all has been completed.

Dear Walter,

On February 15, 1991, you will complete your first term as Pastor of St. John Berchmans Parish. The Board members hope you found the years both challenging and rewarding.

Now that your evaluation has been completed, the Board is in a position to conclude this process. If you choose to apply for a second term as pastor, you are asked to write a letter to the Personnel Board formally requesting such an appointment. Once your letter is received, your Vicar and Dean will each be asked to make a recommendation in light of your request. Upon receipt of these letters, a formal recommendation will be made to the Cardinal.

Your cooperation in this matter is greatly appreciated. If you have any questions concerning this process, please do not hesitate to call me.

Sincerely,

Dear Membership of the Board,

On February 15, 1991 I will have completed my first term as Pastor of St. John Berchmans Parish. Indeed, this first term has been both challenging and rewarding. I have read the report of the evaluation and, by and large, I feel good about the work I have done.

Needless to say, there have been some struggles and some pain and disappointment along the way. Things have not always gone as smoothly as I had hoped when I first accepted the position as pastor, but there have been some wonderful learning experiences.

I have many mixed feelings about my accepting a second term as Pastor. The parish had gone through some trauma and major tension before I arrived on the scene. The people were seeking some degree of stability. That was my focus. This past year has not been an easy one; it was made even more aggravating by the cuts that affected so many parishes and parish programs. It made for additional trauma and turmoil, some of which I handled well and some of which I could have handled better. I am learning the hard way sometimes.

There were a good number of Staff who are now no longer with us as of this date. One major change is that we went from a parish with a full-time associate and a resident priest assisting the pastor (three priests) to only one priest. And that one priest, yours truly, has limited Spanish skills. I have participated in numerous language programs along the way, but with little success. Linguistics is not an area of expertise for me. I can celebrate Spanish Mass and, with the help of a number of parishioners who translate homilies for me, I can get up there and preach. But I am unable to adequately serve the needs of those who come for one on one counseling or who come seeking help in the sacrament of reconciliation. Bilingual meetings or meetings with the Hispanic Leadership are draining and require constant stopping to translate and explain.

I have made some inroads with the Hispanic Community, of which I am proud, but racial tensions are still very real here -- not easy. In building the Parish Council it is a constant struggle to overcome the tensions between old-time Anglos and the ever growing leadership of the younger Hispanics!
In some ways I am very hopeful about the future and I want to be a part of it, but I am unsure. I don't know how I can do it well without some help: a priest with better Spanish skills than I.

I am willing to consider another term, but I am not sure that I can complete that term without some help in this regard. I know I am capable of doing a good job as pastor, but I wonder whether a setting such as this with the great need for Spanish is the place I ought to be.

People keep asking me whether I am going to leave too. I tell them No. They need the assurance of some stability. I want to do that for them. But is it really good for me and for them that I stay, given the limitations of language skill.

It is draining to be in a bilingual parish ---twice the work! It is especially draining when the language doesn't come easy. I welcome the input of the Dean and the Vicar, both of whom are very well aware of the struggles and efforts made here at SJB.

I wish I could tell you that I enthusiastically seek a second term, but that would be a lie. I am anxious about it and somewhat reluctant, given my limitations. Should I stay here or should I seek a pastorate elsewhere? It is still a question as I write!

As I said earlier, if all parties concerned agree, I am willing to continue, but I do not know whether or not I can complete a full six years' second term!

Sincerely,

15. Walter De Roeck '71: Wally is concerned that he eventually acquires an Associate Pastor who is willing to speak Spanish. In the meantime, [REDACTED] is considering changing residence to St. John Berchmans. [REDACTED] is also interested in being a resident there. It would seem that [REDACTED] will end up being the resident, but Wally will not accept either of them if the Board felt that this would jeopardize his chances of getting a Spanish speaking Associate. He does not need a resident, but the location of his parish is attractive to residents.

Dear Ed,

I received your letter of July 3, 1990, regarding Rev. Walter DeRoeck, Pastor of St. John Berchmans Parish. The reason for a delayed response is that I've been out of my office for the last three weeks. Don't let my late reply reflect on any way on the worthiness of the matter.

I concur with the request of Fr. DeRoeck for a second term as pastor at St. John Berchmans Parish. I am sure that his first term has been a spiritual growth, while he has exhibited a noteworthy dedication and single-mindedness in the parish. I am sure that his second term will be greatly rewarding and increase his pastoral experience and self-confidence.

I would like to commend him for his dedication, and I wish him a successful pastorate. I offer him my support and prayers.

Sincerely yours in Christ,

Dear Father De Roeck:

In light of the recommendation of the Diocesan Priests' Personnel Board, which reflects the endorsement of your Episcopal Vicar as well as the Dean of your area, I am pleased to extend your appointment as Pastor of Saint John Berchmans Parish, for an additional six years.

The support you have received for this reappointment is an indication of the fine pastoral leadership that you have rendered to the people of Saint John Berchmans as you have proclaimed the Gospel there through your word and deed.

Walter, it is my hope that this will be a time of renewal for you personally as you continue to share your priestly gifts with the people of God.

With cordial good wishes, I remain

Dear Ed,

This is to inform you and the other members of the Priests' Personnel Board that I and the rest of the staff here at St. John Berchmans recently met with Fr. Jim Kastigar.

It was a most positive meeting as we discussed the possibility of his coming here as full-time Associate Pastor.

After consulting with the Staff today and hearing their views, I am happy to report a consensus regarding Fr. Jim Kastigar's joining us in ministry here.

I have indicated this to Jim in a phone conversation earlier today. We would very much like to see him here as full-time Associate. Jim has indicated to me that he wishes the same. He will be in touch with you in writing, indicating his preference to be assigned here.

Thanks for your help in this matter. I await further word from the Board.

Sincerely,

SUPERVISOR ACKNOWLEDGEMENT

A priest who wishes a Sabbatical should discuss the implications of his departure among colleagues with whom he shares ministry.

The appropriate supervisor colleague (pastor, agency director, or dean) must be aware of the proposal before the application is made. Even when a priest’s Sabbatical comes at a time of termination/transition, there should be discussion beforehand.

A pastor whose associate is making application should understand the Archdiocesan policy that the parish continues to pay full salary (minus the $200.00 stole honorarium) until the associate returns (maximum 6 months).

If a parish is on subsidy, the priest’s salary will be paid by the Archdiocesan Parish Subsidy Fund.

If a pastor requests a Sabbatical, the dean should be informed and acknowledge that he is aware of the application.

Is your Sabbatical proposal primarily a time designed for you spiritual, intellectual, or physical renewal; or a combination?

DEFINITELY A COMBINATION. I NEED SOME THEOLOGICAL + PASTORAL ENRICHMENT BUT ALSO NEED TO GET AWAY FROM "SHOP TALK". I WOULD LIKE TO EXPLORE SOME AREAS OF LITURGY, CANON LAW, COMMUNICATION ARTS, WHILE AT THE SAME TIME HAVING OPPORTUNITIES FOR SPIRITUAL GROWTH AND R&R.

How does your program fit your service to the diocesan or parish Church?

I AM NOT AS IN TUNED WITH CANON LAW (ESPEC. MARRIAGE CASES) AS I'D LIKE TO BE. I ALSO WANT TO IMPROVE MY SKILLS FOR MY TV WORK AND EXPAND MY HORIZONS IN SPIRITUAL GROWTH.

Evaluate your ability to pursue a Sabbatical.

I'VE BEEN A PRIEST FOR TWENTY YEARS; I AM JUST COMPLETING MY FIRST TERM AS PASTOR OF SJE. AS I BEGIN THE SECOND TERM, I HAVE LEARNED "PASTORING" DURING TERM ONE, I LOOK FORWARD TO RENEWED ENTHUSIASM AND CONFIDENCE IN COMPETENT PASTORAL MINISTRY.

Dear Friends,

A question I've heard a lot recently is “How do you know you've been called to the priesthood?” Twelve years ago when I graduated from St. Francis School and entered the high school seminary, I remember thinking that if indeed God wanted me to become a priest surely He would make this known to me by a spectacular sign. Instead of this, I have miraculous stories of faith which have occurred in the ordinariness of life. The quiet seeds that were planted by teachers and friends at St. Francis have contributed tremendously to my own stories of faith. Over the years I've discovered it's not so much in the hurricanes and earthquakes that God reveals His will, but rather it's in the soft whispers of the men and women who have taught me His ways. I've often joked with my classmates that the reason that I've been in the seminary for twelve years (fairly uncommon these days) is because I'm a little hard of hearing! And yet family and friends, professors and priests have inspired and challenged me to listen even more closely to Jesus Christ, who is the Word who speaks in whispers.

I'm aware that priesthood is both a tremendous gift and an awesome responsibility. Over the past few years as I have reflected more deeply on the meaning of priesthood the more certain I am that I will never be fully prepared for it no matter what I do. I won't ever be "worthy enough" to celebrate the sacrament or "able enough" to minister to the people of God as fully as I would like. In spite of this, the whispers of the Word have led me to this point. I know of nothing in life that fills my heart with as much peace and happiness than serving God's people.

I know that whatever fruit my ministry may bear is the work of the Lord. He is the Alpha and Omega of each of our lives. I rely on the Lord to lead me with His grace and to give me His strength to serve His people. The whispers of the past years have become louder. Today, with your prayers, love and support I eagerly desire to say, “Yes, Lord, I come to do Your will.”

May the Lord continue to bless you with His peace and joy.

John Barkemeyer
My name is Fr. Jim Kastigar, and I am the new associate pastor. Ordained in 1982, I have been a priest for 8 years, having served previously in Blessed Agnes (27th & Central Park), and Good Shepherd (28th & Kolin), while at Good Shepherd, I was teaching Spanish for Native Speakers at Quigley Seminary South. I speak, read and write Spanish and hope to finish my Masters Degree in Spanish this summer. Most recently, I have been helping out at St. Ann’s Parish at 19th & Leavitt.

My family boasts five sisters and two brothers; I’m the second oldest of the 8 children. My older sister gave birth to my first niece just two weeks ago. I’ll be going to St. Louis over Thanksgiving to baptize the baby. My mother and 6 of my siblings live in and around St. Louis. One sister and her husband live here, in Chicago. I enjoy jogging, playing basketball, racquetball, tennis and fishing as well as meeting people, leading the community in prayer and visiting the hospitals and the schools.

Harold and Esquicle come with me, however. Harold is 13 and might outlive me. He is an Amazon parrot. Esquicle is quite a bit smaller and is only a two year old conure. They cause a bit of a stir with their whistling and antics, but are very obedient and quiet pets overall.

I'm looking forward to getting to know you and living on the northside for the first time. I'm confident that the next five years that I will spend with you will be good ones for both you and I.

WELCOME TO OUR NEW ASSOCIATE

This weekend Fr. Jim Kastigar begins his ministry here as full-time Associate Pastor. He began moving in many of his belongings a few weeks ago and he has been meeting with me and the rest of the Pastoral Staff a number of times already. He met some of you at our Open Forum in October. We are excited that he has come aboard. His extensive Spanish skills are also a special reason for rejoicing since we are able to better serve the spiritual needs of many in our community for whom Spanish is the primary language.

Welcome, Jim. We are very happy that you are with us. May God bless your years of ministry among this wonderful people!

LA PRIORIDAD DE LA VOCACION

Como muchos de uds. saben, las vocaciones para el sacerdocio y la vida religiosa son una de las cuatro prioridades para la arquidiócesis de Chicago, como fue mencionado por nuestro Cardenal, hace algunos meses. Ciertamente, esta ha sido siempre, una prioridad en nuestra familia. Podemos señalar a varios parientes, algunos que ingresaron al Convento, para convertirse en mujeres religiosas y a dos primos que se hicieron hermanos religiosos. Entonces, en 1959, yo entré al Seminario de Quigley, para explorar la posibilidad del sacerdocio. Hubo un gran acuerdo de familia para apoyar mi decisión; así como amigos también me respaldarían todo el camino. Para cuando se acercaba mi ordenación en 1971, otro número de primos, decidieron entrar al seminario (seis para ser exacto). El último de los seis era todavía un estudiante del Quigley, cuando yo estaba allí enseñando. De hecho yo fui su maestro durante ese primer año. Podemos señalar a varios parientes, familiares. Al poco de llegar a la casa parroquial de Wilmette, el Cardenal Bernard in ofició el Seminario de Quigley, cuando yo estaba allí enseñando. De hecho yo fui su maestro durante este semestre. Los ciento restantes se fueron retirando poco a poco durante el trayecto. El ya estaba en su año senior y rezamos árduamiente por él y les hablamos de su potencial para el sacerdocio y le compartimos los gozos del ser ordenado para el ministerio. Decidió seguir adelante a el colegio del seminario.

Recuerdo que hablábamos largamente, cuando se aproximaba la posibilidad de terminar sus estudios para sacerdote, en Roma. Tenía algunas dudas porque él era muy apegado a su familia y yo le atraía era la idea de un ministerio en el área de Chicago. No se sentía muy seguro de que estando lejos de todo eso le haría bien. Otra vez, su familia le reiteró su apoyo. La primavera pasada fue ordenado Diácono en Roma; muchos de sus familiares y amigos hicieron el viaje.

A principios de este año tuve el privilegio de participar en su ordenamiento sacerdotal, en su casa parroquial de San Francisco Javier en Wilmette. El Cardenal Bernard in ofició y nosotros miembros de familia sonreímos con felicidad y orgullo. Cuando me acercaba para participar, en la imposición de manos, me atraganté un poco. Aquí estaba un pariente mío, un estudiante mío, caminando por el mismo sendero que yo empecé a caminar hace 20 años. Fué una experiencia conmovedora.

Nuestra familia, por supuesto ha hecho de las vocaciones sacerdotales y religiosas una prioridad con oraciones y estímulos. Ojalá muchas otras familias pudieran hacer así.

El padre John Barkemeyer, ese primo mío recientemente ordenado, escribió algunas palabras que fueron compartidas en su ordenación el día 80 de junio de 1990. Me siente contento de compartirlas ahora con ustedes en la esperanza de que otros consideren en sus vidas, el ministerio para ordenarse sacerdotes y religiosas (Vea el artículo a continuación).

THANKSGIVING

This coming Thursday we will celebrate a special 10 AM Mass to express our gratitude to God for the many blessings we have received. As the nation's many and varied people celebrate Thanksgiving Day, let us be mindful of those who have little, let us express thanks, too, for the opportunities we have to respond to the needs of "the least" among us. We can best speak of gratitude to the Almighty by doing for others! And may that doing go far beyond the holiday season.

SUCCESSFUL PROJECT LIFE

Thanks to all who participated in PROJECT LIFE. Our letter writing campaign to Congressman Rostenkowski to let him know we do not want our tax dollars to pay for abortions yielded 289 letters. Congratulations. That's great! The letters are probably there right now. Thanks for your support and prayers.

DIA DE ACCION DE GRACIAS

El siguiente jueves, tendremos una Misa especial a las 10 AM para expresar nuestro gratitud a dios por los tantos bendiciones que hemos recibido. Mientras la gente de nuestra gran nación celebra el Día de Acción de Gracias, dejamos recordarnos de los que tienen muy poco; dejamos expresar también, nuestras gracias por las oportunidades que tenemos para responder a las necesidades de otros menos afortunados entre nosotros. El mejor modo de enseñar nuestro gratitud al Señor es por ayudarle a otros; ojalá continuemos dando ayuda mas después de estos días de fiesta.

SUCESO DEL PROYECTO VIDA

Gracias a todos que participaron en PROYECTO VIDA. Nuestra campaña de escribir cartas a nuestro representativo del congreso para dejarle saber que no queremos que nuestros impuestos sean usados para pagar por abortos produjo 289 cartas. Felicitaciones! Quizás las cartas estén allí ahora. Gracias por su apoyo y oraciones.

DATE: February 4, 1991

Please note that the Cardinal's letter states that Fr. DeRoeck's salary will be paid by the Archdiocesan Parish Subsidy Fund. Please be informed that Fr. DeRoeck's salary is already included in the parish budget from the subsidy fund. St. John Berchman's is on subsidy; therefore there is no need for a second entry into that parish budget for pastor's salary because Fr. DeRoeck is not being replaced.

Thank you.

March 16, 1991

Dear Members of the Personnel Board,

As I indicated to Ed Fialkowski a few months back, I did renew for another term as Pastor of St. John Berchmans Parish, but somewhat reluctantly. The reluctance is a matter of the language problem. Despite extensive schooling efforts, my poor Spanish is a major stumbling block and a great drain in my efforts to minister well.

Ed recommended that I explore possible future assignments with a view to accepting a pastorate in a parish where the issue of Spanish skill would not be a factor.

I would like to apply for the pastorate at St. Barbara Parish in Brookfield, knowing that there is for me at this time in my life one one pre-requisite, namely a matter of my sabbatical.

The Cardinal in late December approved my request for a sabbatical beginning on September 1, 1991 and running to February 1, 1992. I've spent a great deal of time researching the possibilities, even flying out to the Sabbatical site to interview people there. I have been ordained 20 years and have not taken a sabbatical. I've been accepted into the program at Washington Theological Union in Silver Springs, Maryland. I do want to pursue that at this time in my life.

Perhaps, as Ed has already indicated in a recent phone conversation, this "given" will jeopardize my even being considered for the St. Barbara pastorate. If that is so, so be it. The exciting challenge of St. Barbara's will be for someone else. I will regret not having had the opportunity to minister there as pastor.

But, just in case....I do present my case, as follows:

I am aware that Fr. Donald Hughes is a hard act to follow. He was my parish priest as I was entering Quigley. He was dynamic and enthusiastic and full of creative ideas. He was admired by young and old alike. I know that that did not change over the years. I have friends living in the parish in Brookfield and I see them often. I am familiar with the area and the parish.
I know that Liturgy (a great love of mine) is of major importance in the parish (How often I've heard of their magnificent Midnight Mass at Christmas!). The profile confirms that.

My six years as pastor HAVE TAUGHT ME MUCH about the role of pastor in this day and age. I was so new at this when I began that ministry after eight years as a seminary prof. I still am amazed that I survived those first crazy months!!!! I have learned much about Staff Development and my role as enabler. Bill Bausch's TAKE HEART, FATHER has become my own personal Bible for continued growth.

I look for creative ways to get people involved, yes. The parish needs individuals willing to take part in the various tasks of parish life. But I also want to explore ways in which the parish can be in touch people where they're at, find out there genuine concerns, and offer them assistance in living the Gospel at home, in the workplace, etc.

RCIA is such a wonderful experience. I would hope to encourage staff and people to take hold of that "structure" in pursuing growth as a people of faith. I would not ignore the traditions of the past, but neither would I feel constrained to simply implement programs already set up by previous leadership. At times it is appropriate to let things die a happy death and be open to the new.

Does the parish (not simply the staff) have a clear notion of what they are about? What is the goal of St. Barbara's? What specific steps have taken to achieve that goal in the past? What specific steps need still to be taken? How do the various groups fit in with the vision articulated? What adjustments are appropriate? I believe in collaboration and consensus building as the formation of parish council goes on. We need to address the question of expectations? What do we expect of each other? Are these reasonable expectations? Can we live with those expectations?

I am glad to hear that St. Barbara is a lively place anxious for a "human" pastor who want to empower them. Amen to that. I want to get the deacons more involved if at all possible.

Our parochial school here at St. John's has become a vibrant place of Catholic education in the years I have been here. No need to worry about enrollment and recruitment. The word has spread from parent to neighbor. People are on the waiting list; we need more room. I would hope to encourage growth in St. Barbara's as well.

The pastor cannot be everywhere, but he needs to reach out to young and old alike. Encourage them to growth in spirituality, celebrate community, expand ecumenical efforts, be there in times of pain and struggle to offer Gospel hope, look for ways in the parish can impact on the local neighborhood, and gently listen to the questions and concerns of the people who are the parish.
That is my vision and my hope for St. Barbara parish in the years to come. It is something I am comfortable with and something I can commit myself to.

But, for the good of the people I am called to serve, whether it be here at St. John Berchmans or there at St. Barbara's or anywhere else for that matter, I must follow through on my sabbatical.

I want to pursue spiritual direction, further studies in liturgy and homiletics, and some in depth canon law while I am gone (specifically "marriage law"). Retreat and vacation time with my folks in California are also part of that picture. I am committed to that.

Then, a full-time effort upon my return in February 1992.

Thanks for your consideration.

Sincerely,

Fr. Walter De Roeck
1. I received a phone call from [redacted], who is in charge of the Early Childhood Program at St. John Berchmans. She asked if she and two others could meet with me and I set up an appointment for today at 5 P.M. In addition to [redacted], [redacted], who was formerly on the staff, and [redacted], who used to be on the staff and is now a teacher in the grammar school were here. Both [redacted] and [redacted] are also parishioners.

2. We met until about 6:30 P.M. The meeting was a very good one. There was no anger or animosity and it was clear that their concerns were for:

   1) the parish itself
   2) Jim Kastigar
   3) Walter DeRoeck

3. The concerns listed above were not their order of importance. They seemed to share concern equally among all three.

4. [redacted] began by expressing her shock at the announcement by Jim Kastigar that he was leaving. Jim had not let on to anyone what his thoughts were, so it really came as a surprise and a great disappointment. The parish had taken to Jim quite positively, especially the school. All agreed that Wally is a good person, but he cannot seem to really relate to adults in an adult fashion. Wally does speak Spanish reasonably well, but he feels very inadequate and as a result he does nothing for the Hispanic community. They feel very neglected. But all three said that the Anglo community also feels neglected. Wally just has a very difficult time dealing with the parishioners, and as a result he is away from the parish much of the time and people complain that they are not able to reach him.

5. All three felt that Wally would probably do well in a parish where there wasn't a mixed community, or at least he would have a fighting chance to succeed, whereas he doesn't seem to have the opportunity here at St. John Berchmans. They were concerned as to how his re-appointment came about. They had heard that Wally was pressured into taking the assignment for another six years against his own better judgement. I asked the three if I could have their permission to carry their concerns to the Personnel Board and they readily gave their permission. They also permitted me to talk to Wally if I wished. I told them I would wait until next week and give them an opportunity to speak to him first and let them say whatever they wished to say about our meeting today. Wally was aware that at least some of them were coming down to see me.
6. [redacted] said she heard from someone just within the last day or so that Wally is supposed to have resigned the parish. I knew nothing at all about this but said that I would try to check it out.

RE: Walter DeRoeck

1. Don Nevins called. He said that Vigilio Bonifazi, the Permanent Deacon at St. John Berchmans, talked to him and asked to have a meeting with him with some of the representatives of the Hispanic community. I mentioned to Don that two others had called me and I will refer them to Virgilio. I saw no reason for Don not to meet with them. Don said that Sr. Mary Christoffel also called him and said that I had told her to contact him. I explained to Don that I felt that these people have a right to bring their concerns to the Personnel Board and since Jim Kastigar had already filled in Don, I thought it would be better if they spoke to him. Don agreed that he would meet with them and if he uncovers anything that he thinks I ought to know, he will get back to me.

RE:     Walter DeRoeck

1. I received a phone call on June 6 from [redacted] (work no. [redacted]) and [redacted] (work no. [redacted], home no. [redacted]). I did not return the calls on June 6, but did on June 11. After explaining the situation to both of them, I suggested that they either get in touch with the Deacon, Virgilio Bonafazi, or Fr. Nevins directly. I explained that Fr. Nevins is a member of the Personnel Board and the issue ought to be brought to their attention.

2. Both [redacted] and [redacted] were asked by the Hispanic community to represent their interests. They really feel totally neglected. They are very upset with the fact that Jim Kastigar is leaving, because it means that no one will be taking care of the Hispanic community.
Wally called. He was aware that I had met with the three women from the parish and that Jim Kastigar had also talked to me. Wally thought it might be good for us to get together just so that I would hear from him just where he's at. He is thinking along the lines of possibly resigning and starting over somewhere else. He just wants to bounce it off me and get my view as to what he might do.
1. I met with Walter today. Ordained in 1971, Wally is in his second term as pastor of St. John Berchman's. These have not been easy years for him. I have been involved with Wally and his staff for almost two years. There was considerable turmoil within the staff, and Wally was the focal point for much of the criticism. To a certain extent, he was at fault, but by no means was he the sole cause of the internal strife. Although things seemed to improve somewhat, several of the staff resigned and Wally had to rebuild.

2. Wally was optimistic about the future, especially after the appointment of Jim Kastigar. Unfortunately, for a variety of reasons, things did not work out and, as you know, Jim has now left St. John Berchman's.

3. Wally had been reflecting for a long time on whether or not he should stay at St. John Berchman's. Although he believes he is a good administrator, he finds it very difficult to cope with the necessity of speaking Spanish, especially in one-on-one situations such as the Sacrament of Reconciliation, private counselling, marriage preparation, etc. The parish is 70% Hispanic, so Wally feels quite inadequate to deal with well over half his parish.

4. Wally has reached the conclusion that he should resign his pastorate. I know that he has not taken this action rashly. He has done alot of consulting and has already indicated to Ed Fialkowski the direction he is contemplating. Based on my knowledge of what he has been through in the past, and given his own sense of inadequacy to handle the Hispanic population, I strongly support his decision to resign. I really think that Wally ought to be given the opportunity to pastor a parish where bilingual skills are not needed. To leave him at St. John Berchman's would run the risk of turning him into a frustrated and possibly embittered priest.

5. Wally had already made plans for a sabbatical before he was aware that Jim Kastigar was leaving. I suggested that he present his request to you as soon as possible to enable the Personnel Board to begin the search for a replacement, in the event you do accept his resignation. His sabbatical is scheduled to begin toward the end of August, so he would like to resign the parish effective Aug. 15 or thereabouts. I spoke to Ken Velo about this and asked him to set up an appointment for Wally. Ken suggested that Wally bring with him a letter of resignation.

Dear Cardinal Bernardin,

After a good many weeks of prayerful reflection and after having sought the input of the Vicar of Priests, Fr. Ray Goedert and a rather lengthy conversation with Fr. Ed Fialkowski of the Priests’ Personnel Board, I made contact with Fr. Ken Velo to seek an appointment with you.

The discernment process has led me to the conclusion that I ought to ask you to accept my resignation as pastor of St. John Berchmans’ Church. I feel it is best for the parish and most certainly best for me.

I have carefully asked counsel also of members of my family and members of the parish staff here.

I am scheduled to go on my sabbatical near the end of August, so I am asking your approval to make this official some time near mid-August.

I am personally comfortable making this request, having spend considerable time in a discernment process.

I understand that my appointment with you is scheduled for July 1 at 2 PM. I look forward to speaking with you.

Sincerely,

Fr. Walter De Roeck

1. Ken Velo indicated that you would like a little more background information to the situation at St. John Berchman's, particularly in the light of Wally's decision to resign the pastorate. As I mentioned to you, I have been dealing with this since August, 1989. I am enclosing a number of file memos, probably a lot more than you care to read, but it will give you a sense of what has been going on. I am including copies of the correspondence you had with Sr. [redacted], together with my own memo to you dated May 26, 1990 which more or less summarizes the situation.

2. As I said to you last night, I strongly support Wally's decision to resign. I think he has been through an awful lot and I would hope that he would be able to make a new beginning after he finishes his sabbatical.

RE: WALTER DE ROECK

1. I spoke to [redacted], the principal at St. John Berchman's. Her telephone number is [redacted]. She just wanted to let me know what her own thoughts were with regard to Wally De Roeck.

2. [redacted] said that Wally has been very supportive of the school and she has found him to be a very good pastor and administrator. She has no quarrel with him whatever. She admits that she has only been there one year and not being a member of the parish, she may not see everything, but she just wanted to make sure that we had another side to the story. She is aware that [redacted] and [redacted] came to see me and she has a real problem with both of them. She thinks that they are negative personalities and [redacted] was even quoted as having said something to the effect: "we got the other pastor and now we can get this one". [redacted] doesn't understand the mentality at all. It seems as though the previous staff that had opposed Wally continues to see each other and support each other in their negative attitude toward him. They simply won't let go.

3. [redacted] also said [redacted], who is the eighth grade teacher, is negative on the faculty in other ways. She is a destructive sort of person. [redacted] said that [redacted], the school nurse, also has had a change of heart. While she used to be with the other group in opposition to Wally, now she sees things differently. [redacted] said that the DRE, who is also new, [redacted], is supportive of Wally. I suggested that [redacted] herself send me a letter summarizing her thoughts and I asked her if she would encourage [redacted] and [redacted] to do the same. I will see to it that the Cardinal gets this information, so that he knows that things are not all one-sided.
Dear Father DeRoeck:

It is understood that you will be leaving for a Sabbatical. I ask that you be in contact with the Priests' Personnel Board now regarding the transition at the parish and also during or immediately after your sabbatical regarding a new assignment.

Wally, I would like to thank you for the service you have given to the people of Saint John Berchman’s through these past nearly seven years. It is my hope that your Sabbatical will be a growthful and renewing time for you personally.

Know that you have my continued prayers, support and fraternal affection.

With cordial good wishes, I remain

Sincerely yours in Christ,

1. Wally called today just to let me know that he had a very nice conversation with the Cardinal and found the Cardinal very supportive. Wally has also spoken to the Personnel Board. He announced his resignation at all the Masses on the weekend and said that it would be effective August 19.

2. With regard to the decision, Wally still feels quite good about it. He feels it is the right decision. He said that there were alot of tears from the Anglo Community, but there was no reaction whatever from the Hispanic Community and Wally doesn't know what that means.

E. Preliminary Considerations:

1. St. John Berchmans: Don Nevins and Ed Fialkowski described St. John's. The parish is somewhat unsettled due to the abrupt departure of Walter De Roeck '71 [Pastor]. The parishioners really want and need a pastor who will be present to both the Anglo and Hispanic communities. The Early Childhood Center has become a serious concern in terms of the parish operation. There is a tremendous need for unification. The new pastor needs to be in good health and a healer.

Dear Fr. Wally,

Hello! Hope all is well. I'm glad to hear that you are having such a great time.

I'm enclosing a check made payable to you in the amount of $215.00. $200.00 is for your room and board en route to D.C. I thought it might be helpful to have the full amount now. (Please send whatever documentation, receipts, etc. or notes you can send on any of your per diem and room and board type expenses you have during your sabbatical. We can cover the tolls, but we cannot cover the gas or any other travel expenses.) $15.00 is reimbursement for the deposit you made at WTU.

FYI, this is your budget approved by the Board; I thought it might be helpful for you to have:

$2,750.00 WTU Tuition
1,350.00 Room & board at Christian Bros.
200.00 Accommodations en route 4 days @ $50.00/day
400.00 Accommodations en route to California 8 days @ $50.00/day
300.00 Food allowance in California 10 days @ $30.00/day

$5,600.00

I just received an invoice from WTU for your tuition and student fee and have requested a check to cover that from our Business Office. I hope to have it back in the next week or two. I will send you a copy of my correspondence to them for your files.

Also, as far as extending your sabbatical one more month (for the maximum six) that is possible. You would need to write a letter to Wayne Prist requesting the additional month, describing what you would be doing during that month, and how it would fit in to your sabbatical program.

I hope you will have time to visit the Smithsonian Buildings and some of the other spots while you are there. I think I told you that I spent time studying at American University and had an internship with one of our Senators during my 4th year in college. It was a wonderful experience. There is so much to do in D.C. and the Metro system is wonderful as well. If you

RE: Salary for Rev. Walter DeRoeck

DATE: October 25, 1991

I am enclosing a copy of a memo from my office to Mr. Jack Benware of August 2, 1991. At that time the Sabbatical Board was informed that Fr. DeRoeck would not be returning to the parish. So, there was a need for that salary in the subsidized parish budget for the new pastor who would replace him.

We have recently been informed of a double salary payment to Fr. DeRoeck for September. The parish paid because Fr. DeRoeck has not yet been replaced and they had the money in the budget for him. Also, the Pastoral Center paid because of my memo's instructions of August 2. I recommend that the parish continue to pay his salary until they have a new pastor. At that time, St. John Berchman's should contact the Archdiocesan Payroll Office and inform them that they should take over his salary payments. I presume that you will be able to handle any other questions by being in communication with each other.

Dear Wally,

I have been trying to get in touch with you -- 4 times by phone -- and I know you have been trying to reach me. So, in order to get my message out, I decided I'd better write.

My reason for calling was to simply remind you once again that there are investigators about checking everything out. The climate is vicious these days, and the slightest impropriety can become the occasion of a full-blown investigation.

I would caution you, Wally, to make sure that you are not in the company of [redacted] who is reportedly out in that area. It's for your own good. The damage that I have been monitoring lately resulting from various past indiscretions -- and worse -- is astounding. Sometimes guys don't realize how their actions impact on others. I have been in the midst of it all lately at St. Odilo. My advice is meant in a fraternal way.

All that notwithstanding, Wally, I do hope you enjoy your sabbatical. I envy you immensely. I was just two weeks into my 6 month sabbatical when this job came along. I made my own choice, by I still look back on that aborted sabbatical with longing. Take care and God bless you.

Dear Wayne,

I spoke with Marjorie Heit a few weeks ago about the possibility of extending my sabbatical to the maximum six months. She indicated that this was possible, but that I should put my request in writing to you, describing my plans for the last month.

Here's what I would like to do and why.

I am already scheduled to go on retreat at the Cardinal Stritch Retreat House the first week in February. This would count for my annual allowed retreat. Upon completion of that retreat I would start the last month of sabbatical, departing on February 7 or 8 and returning to Chicago March 7 or 8.

One of the things I have come to grips with during this special time is how much I have lost touch with the adults in my life—good family and friends who have been after to come and visit. Seminary work got me so involved in working with kids that my adult relationships suffered. I need to spend sufficient time to rekindle those friendships too long ignored.

I have family and friends in Toronto, Montreal, Quebec, New Jersey, Virginia, Connecticut, Indiana, Wisconsin, Louisiana, Arkansas, Texas, Arizona, Minnesota, Ohio, and seven cities in Florida. Needless to say, I can't visit all of them. But I would like to map out a plan if the extension is approved. Right now, as I write, I am considering driving as to see much of the country as I travel. You can see that four weeks is needed. I also plan to bring my camera along to take many slides that will be beneficial for my TV work.

If you want more details as to the exact when and where, I will draw this up for you after approval. Then I will make contact with all these people to work out the exact schemes.

I look forward to hearing from you in the very near future, so I know how to proceed. Thanks for your consideration of my plan.

Sincerely,

Walter De Kock

RE: Walter DeRoeck

1. I received a phone call from [ REDACTED ] at Niles College. Clete Kiley, the Rector, had asked [ REDACTED ] to communicate with me. [ REDACTED ] said that over this past weekend, a group of some 100 Catholic University students came by bus to Chicago to attend some sort of event. They had been looking for a place to stay overnight and [ REDACTED ], a member of the group, consulted with officials at Niles College to see if Niles would be available. While [ REDACTED ] was reluctant to have them come, they eventually did agree as long as the Catholic University students would abide by all Niles College regulations concerning drinking, etc. [ REDACTED ] also insisted that adult chaperones be present.

2. [ REDACTED ] is a Chicago seminarian studying in the Basilian program at CU. Evidently all in the group were under 21 with the exception of 3 students. At the time of their arrival at Niles, no adult chaperone identified himself to [ REDACTED ]. As the group was leaving the next day, however, [ REDACTED ] happened to be outside and saw Walter DeRoeck checking the students onto the bus. Walter was the chaperone for the group, having been persuaded, evidently, by [ REDACTED ] to do this. [ REDACTED ] did not speak to Walter, but Walter was well aware that [ REDACTED ] saw him. [ REDACTED ] went to get Clete Kiley and by the time he and Clete returned, the buses had departed.

3. [ REDACTED ] called because he felt that Walter has once more shown very poor judgement. I told [ REDACTED ] that I would communicate this to Pat O'Malley, as it does appear that Walter is making very little or no progress in his effort to free himself from this inordinate attachment to [ REDACTED ].

4. As an aside, [ REDACTED ] said that last year, at the time of the Bishops' meeting in Washington, when he and Clete went out to prepare for the special dinner that they hold in an effort to recruit Bishops to consider Niles as a seminary for their students, [ REDACTED ] said that he and Clete decided to take out their own two seminarians. [ REDACTED ] is one of them and the other is a young man of Mexican descent. When they knocked on [ REDACTED ] door and it opened, there was Walter, sitting with [ REDACTED ] also said that on the same occasion this year, when he was speaking to [ REDACTED ] and this Mexican, he was just making small talk and asking about the holidays, whether they were coming home or not, etc. They indicated that they would not be coming home for Thanksgiving, but would be coming for Christmas. When he asked whether or not they had the funds to make the trip or if they needed any financial assistance, the young Mexican indicated that he was saving up enough for bus fare home. But [ REDACTED ] said it was no problem, as he and Wally were coming home together. When [ REDACTED ] asked [ REDACTED ] if they couldn't take the young Mexican with them, [ REDACTED ] said that it would not be possible, because they had a full load in the car, etc.
5. [Redacted] also said that in the course of a conversation with [Redacted] he was expressing great discontent with what is happening to the priests in Chicago in the light of the recent scandals. He was speaking very defensively and [Redacted] thought that this was somewhat inappropriate for a young man to be feeling so strongly about the issue. Evidently he is self-conscious about his relationship with Wally. [Redacted] will be notified of all of this, since [Redacted] is now under his tutelage.

Dear Wally,

Getting in touch seems to be something of an impossibility for the two of us. That's why this letter rather than another phone call.

As you recall, earlier in the Fall, I talked to you about the climate of things here in the Archdiocese. The atmosphere has been charged and remains so especially in the light of Bob Mayer's recent indictment.

When I wrote to you last, I asked you to keep your distance from that young man, Your relationship with him, however innocent in your eyes, is open to a variety of interpretations.

Recently I got word from a priest at Niles that you were chaperone to a group of seminarians from Washington, among whom was Your relationship to him is known and it is not looked upon by the seminary authorities with approval.

The Cardinal also heard of the fact that you still seem to be seeing In the meantime, Mike Rochford at St. John's has received several phone calls from media people asking whether your leaving St. John's had anything to do with the current issue of child abuse. I told Mike to say that you were on sabbatical, nothing more, and that you would be due back in Chicago for reassignment.

The combination of the continuing interest of the press in child abuse, of your proximity to in Washington, and of your seeming failure to keep your distance in that relationship troubles the Cardinal greatly.

As a result, he wants to sit down and talk to you face to face. I don't know what your present schedule is, Wally, but I suggest you call Ken Velo at 312-751-8219 to set up an appointment at your earliest convenience. I wish we could have made contact over the weekend when you were in town, but I had no number at which to contact you.

I am sorry that this situation is not settling down, but you must understand what we are facing back here. Hope to hear from you soon.

2. Larry is worried about Wally. He thinks there is a possibility that Wally might take his own life. He has no indication of this from past experience, but he is not a person who can face up to mistakes.

3. I told Larry that if Wally calls him, have him give me a call. I also told him that Wally should be calling the Cardinal for an appointment. It would be good if I would see Wally beforehand to kind of support him before he goes in to see the Cardinal.

4. His attitude toward authority is quite subservient and authority means a great deal in his life.
The following is a suggested letter for Wally DeRoeck:

Dear Wally,

I appreciate your being able to meet at such short notice last Friday, December 20. I hope that our meeting was a productive one. I felt that you were open to what we had to say and that, together, we can move ahead into a more confident future.

I can sum up my requests to you in the following order:

1. I ask you to break off the relationship with immediately. Since you are, in fact, going to spend the next three months out west, I believe this is a good time to start. If there are a couple of events you have to attend with him during the holidays, please make sure that others are present. You have assured me that this is the way you have been conducting yourself for quite some time.

2. Upon your return, we will look to place you in an appropriate assignment as an associate pastor.

3. When we reassign you, I will speak to your pastor and ask that he monitor your conduct in regard to this relationship with .

4. 

Wally, you are a good man and I want to see you succeed as a priest. Your sincerity is evident and, I believe, that once you have established some distance in this relationship with you will begin to see that what is happening now is for the best.

I hope your remaining sabbatical time will be profitable at every level. God be with you and keep you safe.

1. I received a call on Jan. 16 from Jim Kastigar and returned that call today. Jim seems to be doing well at St. Nicholas in Evanston and likes it. He had been a pretty angry man earlier when he had been assigned to that parish, but things seem to have smoothed out.

2. He asked me what had happened in the situation concerning Wally De Roeck and I told him as much as I could -- that we had interviewed him, talked to him, and spoke about that relationship and that he had to cut it off. Jim's concern is that Wally is in his words a "pathological liar" and he saw this in action during the six months he was stationed with Wally.

3. He says that Wally can wiggle out of anything and it is his fear that Wally will wiggle out of our surveillance and our monitoring. I told him that we certainly would have something in effect and that Wally had been warned. I also told Jim that there's not much more we could do within reason. We had certainly dealt with the problem as best we could. He seemed satisfied at that time.

1. I had a call from [redacted], who is a Capuchin priest at Maternity, BVM parish. [redacted] told me that a seminarian from the parish was in to see him. This seminarian is presently in the Washington, D.C. seminary course even though he is part of our Niles Seminary. He is in the same course as [redacted] the friend of Wally DeRoeck.

2. The seminarian expressed to [redacted] his concern about that relationship. He said that he had nothing specific to report, but that it seemed to him that it was not a good relationship.

3. I told [redacted] that we were alert to it, that the Cardinal had seen both Wally and [redacted] and had demanded that that relationship be terminated. I told him that Wally would be under supervision in the future and that our expectation is that he would no longer be seeing [redacted] 

4. I also asked [redacted] not to talk about this to anyone else lest more be made of it than should be. I also asked him to keep me in touch if he hears any more about that relationship in the future. This is one way it might be monitored from [redacted]'s point of view.
Dear Mr. Johnson,

Jan 31, 1992

Enclosed please find a few more bills for railroad expenses I presume the WTV (Washington Transportation Union) and the Room and Board at the Christian Brothers in D.C. of course, are not included. I did in the past send you a few more bills.

I will get the remainder of your return in March. While still "on the road" I am continuing to use my brother's mailing address for correspondence. As the moment I am enjoying a stay with my folks, having had a wonderful experience making my way up north from San Diego, and am spending some time as a hermitage near Bay Area!

Hope all is well in Chilley.

Dear Fr. Wally,

Thanks for your recent note. I am enclosing a copy of my note to Br. Talbot at the Christian Brothers. I had left messages at Christian Brothers over the past couple of months regarding payment for your stay, but had not heard back. I called again on the 25th and Br. Talbot called me back. He said they usually charge $450.00 per month or $15.00 per day. I had mentioned that you had $1,350.00 left in your sabbatical funds to be used and he said that since 3 months @ $450.00 would come to $1,350.00, that would be fine to cover the expenses there. He is not going to bill you for the few additional days. He was very gracious.

I thought it might be helpful for you to see what your final expenses looked like. Here they are:

I hope all is well. It sounded from your notes to me like you had a very rewarding experience. I hope that your sabbatical was everything you wanted it to be. I’ll look forward to hearing from you.

Dear Wally,

Since you have returned from your sabbatical it would be helpful if you would share your comments about lodging, program, professors, etc.

The information that you could provide on the enclosed evaluation form will be used to help others who might be interested in the same site.

I would also like to refer future sabbatical candidates to contact you. They might get in touch with you by phone with questions that are not answered on the evaluation form.

I hope your sabbatical lived up to your expectations and that you found it the renewing experience that it promised to be.

Sincerely,

Dear Mr. Jones,

I have enclosed some more preliminary bills for you. Four metal bills:

- 24.44
- 26.94
- 33.24
- 31.76

\[
\text{Total} = 116.38
\]

I also enclose the rental bill of \$180.00. Finally, one bill for a meal:

\[
\text{Total} = 10.10
\]

As far as I know, these bring my expenses (including tuition/room/board) to
\[
\text{Total} = 499.07
\]

I must tell you that I have many more bills that I have not submitted because they would take me over the
$5000 limit easily.

Should I have put the $180 retreat under a separate category/year?

Obviously, a six month sabbatical is far more expensive than a three month one and
$5000 is an unrealistic figure.

Please keep this in mind for future planning.

Perhaps a man taking a six month sabbatical should receive up to twice as much as
someone taking a three month one taking a three month sabbatical. Maybe a three month
sabbatical does not use
5000 worth of expenses.

Something to think about.

Finally, if you wish, I will tally my remaining expenses for you so you have
an idea of money spent.
Mind you, many times in
my travels at spring with
family or friends around the county
who treated me to meals. The
bills are for the other times while
on the road.

Take care! Keep up the
good work.

Dear Ed,

RE: WALTER DE ROECK
DATE: MARCH 28, 1992

I spoke to Jim Murphy, the pastor of St. Catherine Laboure Parish on Saturday. He had interviewed Wally DeRoeck and seemed quite content to have him come there. Wally explained his difficulties to Jim. I filled in and helped him to get a fuller picture as I had told wally I was going to do. Despite that Jim would like to have Wally there and feels he could be a support to him in a brotherly fashion if he sees any budding signs of change in him. Seems like it could be a good match if they decide to go through with it.
April 1, 1992

Dear Brothers in Christ,

I was asked to send this letter to you in recommending to your consideration of assigning Father Wally DeRoeck to St. Catherine Laboure Parish in Glenview. I have interviewed 3 priests at length here at the parish and have contacted or been contacted by three others on the open listing list. I was formerly on the 'B' list but in a subsequent conversation with Jerry Boland was moved to the 'A' list in view of our 24 hour primary care of a hospital and two large nursing homes. I thank you for your kind consideration and revision.

Wally DeRoeck who is coming off a sabbatical has show great interest in coming to St. Catherine. We have had two long interviews here and a number of phone conversations. I am aware of certain matters that are linked to Wally's past and we have some good discussions pertaining to these issues. Fr. DeRoeck outlined for me his history and I was impressed by his sincerity and willingness in the future to deal responsibly with the matter. Sister Kathleen Heer, our school principal, also had a good interview with Fr. DeRoeck and agreed he would be very acceptable here. Fr. Pat O'Malley gave me a call last weekend in following up with an agreed program Wally and I had set for further discussion. I sincerely believe that St. Catherine would be a good environment for him and his considerable skills and dedication. I think we and the parish will both benefit from his presence here. He assured me that he would be comfortable with me and has sent a similar letter to the Personnel Board asking for assignment here.

I am also aware that Fr. Joe Altman, the present associate, who is up for a transfer in June might be leaving sooner than that if he is selected to be a pastor on the south side. This is yet to be resolved at the present moment, but accommodation can be made if Wally DeRoeck is assigned soon to St. Catherine.

I thank you for your prayerful and helpful ministry and will cooperate with you in any way I can.

Yours in Christ,

Rev. James P. Murphy

Re: Walter DeRoeck
5/2/92

At the Personnel Board meeting on May 1, we discussed Wally's case. Some members seemed to be reflecting the opinion that Jim Murphy would not be a good enough supervisor for him. This information may be coming from [redacted], a former associate at St. Catherine Laboure who perhaps is representing the thinking of Jim Kastigar. Jim is the one who had the experience with Wally at St. John Berchmans and still harbors a great deal of anger about that experience.

I told the Board that I had talked to Jim Murphy very clearly as had Wally DeRoeck and Jim understands what the problem is. Jim also says that he would treat him as a brother who might be having difficulties with something like alcohol. He will not hesitate to call him on any strange behavior. I could not get a stronger affirmation from anyone than that. We will have to see what happens in the future and I will keep in close contact with Wally and with Jim.

I also will contact [redacted] about the seminarian involved in that relationship. I will see how he is working out at this time.

I spoke to Scott on 5/5/92 and he assured me that he ahs been in touch with [redacted] who is still quite angry about the whole situation.

In light of the needs of the Archdiocese, I am pleased to appoint you as Associate Pastor to the Reverend James Murphy, Pastor of Saint Catherine Laboure Parish, Glenview. This appointment is effective immediately. I ask that you speak with Father Murphy regarding any necessary arrangements.

It is my hope that given the pastoral experiences you have had in the past and your desire to serve at Saint Catherine, this will be a very happy and beneficial assignment for you and the people of Saint Catherine.

Be assured, Wally, of my continued prayers, support and encouragement.

Dear Wally,

I caught your TV show, Sanctuary, this past Sunday. We were kidding Ed Conway about his participation. In general, I thought it was a pretty good show. I congratulate you on the way you handled it. Having been an interviewer on the old CTN/C scripture programs back in the mid-70s, I understand how difficult it is to conduct one of those interviews. You have to keep the talk going, keep everything interesting, and still listen to what people are saying to maintain the content. It looks easy from the outside though it is not. Yet you made it look easier.

I hope everything is going well with you at St. Catherine's. May you have a good summer -- at least what's left of it.

Re: Rev. Walter DeRoeck

Fr. Wally De Roeck came in today for a visit with John Canary and me. Wally indicated that he would like the Vicar's office to be active in his situation and to confront him since he has a tendency, in a busy parish, to let this matter slide.

Therefore, I shall call him after Jan. 15 to inquire about both of these issues. He should have them in place by that time.

At this time Wally seems to have a better understanding of what occurred with that previous relationship and he will continue to examine the reasons why that relationship developed in the manner in which it did. Our interview was a good one.

In the future, Wally can be reached at his private number, [redacted]. I can leave a message on his tape if I call that number.

Wally and I finally made contact after a number of fruitless calls. I have been trying to contact him to find out his progress in

Wally says he is doing fine right now. He says there is some tension in his own family situation since his father is

California. He has two sisters out there who are feeling pinched for time and are feeling pressure about giving time & attention to their parents. His brother lives here. His mother calls him frequently; he is trying to get her to plan for the possibility of placing his father in a nursing home if that becomes necessary.

Wally just returned from a trip to the Holy Land which he found very satisfactory. The work at the parish seems to be going well.

I spoke to Fr. Jim Murphy, pastor of St. Catherine Laboure parish, on Tuesday, August 2. I was checking in with him in regard to Walter DeRoeck and how he is doing as associate pastor at St. Catherine's.

He says that there are some communication problems between DeRoeck and the staff and himself and those seem to get worked out bit by bit. I will now be in touch with Wally DeRoeck to follow up with him.

Archdiocese of Chicago
Diocesan Priests’ Placement Board
P.O. Box 1979
Chicago, IL 60690-1979

Dear Members of the Placement Board,

Today marks the twenty-fifth anniversary of my ordination to the priesthood, an appropriate day to communicate with you regarding my ministry to the people of the archdiocese, in light of the fact that for some time now a number of people from St. Paul of the Cross have asked me to consider applying for the pastorate of their parish, now that Fr. Joe Kinane is fast approaching retirement.

After prayerful reflection and considerable amount of conversation with family and friends, my spiritual director, and a close priest friend, I hereby make formal application for that position and responsibility. This is an appropriate time in my life to pursue this possibility. My experience in ministry has prepared me well for this specific parish.

My first assignment after ordination twenty-five years ago brought me to St. Paul of the Cross. I was one of two associates during my five years there. During part of that time, I was the deacon supervisor for Fr. Pat Brennan for his one-year internship at the parish. Together we did a number of creative things in preaching and in workshop efforts for people in liturgical ministry.

I was instrumental in founding the YOUNG AT HEARTS Senior Citizens’ Club and re-vitalizing the women’s organization; the ALTAR & ROSARY SOCIETY became the APOSTOLATE OF WOMEN, with a new focus on spiritual growth and outreach; a new energy attracted younger women and I'm happy to say it is as exciting and creatively alive today as ever.

During my time there I was Parish Cluster Secretary/Treasurer and chaired the Lenten Pulpit Exchange as well as the Adult Confirmation Program for the area. I was very involved also in ecumenical efforts in the Park Ridge area, especially in the planning and execution of various programs that comprised Christian Unity Week.

In the area of Liturgy I am happy to say that I got the Liturgy Committee off the ground, I also worked with both the Adult Choir and the Teen Guitar Group. I was in charge of training and scheduling altar servers as well. I also initiated what today is called the Holy Family Chapel, used extensively for a more family-oriented liturgy. I introduced Tenebrae to the parish and worked on Confirmation Prep programs for students and their parents. I celebrated Mass for the local SPRED program once a month. worked with the teens on retreats and social service events, taught religion weekly to the students of the Junior High, and visited the local nursing home once a week. I also directed ANNIE GET YOUR GUN for the Adult Choir and YOU’RE A GOOD MAN CHARLIE BROWN for the teen fund-raiser. Of course, I took my turn with hospital visitation, baptisms, weddings and funerals, as well as the accompanying prep involved.
Over the years I have kept in touch with the parish on a regular basis. There's always a special place in your heart for your first assignment. I am still invited back to do weddings, baptisms and funerals; Joe Kinane has been most gracious and helpful at those times. I still have dinner on a regular basis with some of the families I grew close to at that time. Groups have gathered together over the years to celebrate my birthday/anniversary. I have received the bulletin all these years, keeping me informed of the various goings-on.

Once I finished my term as Associate, I was asked to join the faculty at Quigley North where I wore many hats: Teacher of Religion, Teacher of Art, Tennis Coach, Ski Club Moderator, Director of Liturgy, Student Council Moderator, and for six of my eight years running the seminary recruitment program. This position put me in touch with many parishes and schools in both Cook and Lake County. I learned a great deal about the runnings of the diocese during my tenure at Quigley.

During that time I was also invited to get involved in media ministry, first at WGN-Radio where I did the commentary for Christmas Midnight Mass. Later I was asked to join the WLS-TV news team for the funeral of Cardinal Cody and the installation of Cardinal Bernardin. Shortly thereafter I was asked to be co-producer and host of OF CABBAGES & KINGS (now known as SANCTUARY). I've been at this now for almost fourteen years. That has also been a growing experience for me, putting me in touch with various aspects of life and ministerial effort in the Chicagoland area and beyond.

I've been a member of the Presbyteral Senate and an ACP Board member, both for a short but worthwhile time.

In 1985 the Personnel Board approached me about taking on the pastorate of St. John Berchmans, this in midstream. I started without an Associate in February of that year, with little Spanish skill and with continuing responsibilities at Quigley until the end of the academic year. It was a wearing and trying time.

I brought P.E.P. (Parish Evaluation Project) to the parish, revamped the collection procedure, increased the Sunday collection during my stay, and assured that the school depended on the parish for only 15% of its operating expenses. But 75% of my time seemed to be devoted to fund-raising concerns. I also expended a great deal of energy trying to accommodate the needs of a bilingual parish, a very frustrating work. Even though I'd gone away to study Spanish, I did not find it easy. It was draining; I also had a difficult time adjusting to the cultural needs of that very large segment of our parish. We worked on some creative liturgies, I spent a lot of time on area ecumenical efforts, and I was committed to weekly staff meetings, a challenge since the staff was composed of very talented folks with very strong personalities. Some of them were angry at the institutional church's authority, especially with regard to the role of women in leadership. The collaborative pastor role was a constant challenge. What a learning experience!!!!
I served as Pastor for one term and was renewed for a second term. I decided shortly into my second term that I would resign when I learned I would again be without an Associate. I informed Ken Velo at the time and the Cardinal was most gracious. I knew the bilingual issue was too much for me; not one of my gifts. I was scheduled to go on my sabbatical, so it was agreed that I would leave the parish at the start of the sabbatical (August of '91). I realized I'd been a part of a very difficult assignment; I made my share of mistakes, but I learned much about my strengths and weaknesses. Good!

Once I completed my much-needed sabbatical, I came to St. Catherine Laboure as Associate Pastor. I've been in that position for four years now. As the Associate I have been looking at the role of pastor with different insights, noticing much from the vantage point of the outside looking in. Again, I have learned much in the process. I am much more in touch with people issues as I've worked in the area of Liturgy and Adult Faith Enrichment. The Associate hears things that never reach the ears of the pastor. Though we have very few staff meetings here and staff morale is not as good as it might be, I've learned the value of working at this with a great deal of prayerful intensity. I've learned the importance of prayerful silence and the gift of retreat and solitude. I do much more spiritual reading than ever before. I have become a "Mertonian", relishing the wisdom of his writings.

Mine is a renewed energy, anxious to put my own "flavor" into the place which is St. Paul of the Cross. Yes, it is a different place from that which I left as a young Associate in the mid '70's. Joe Kinane is a hard act to follow; he is much loved by his people, and rightfully so! But I feel the wisdom of years and the multiplicity of experiences suits me well. I am confident that, given the opportunity, I will be able to build on what he has accomplished.

Since I believe in the value of TOMORROW'S PARISH, I would want to explore that possibility early on. That would be an excellent tool for anyone coming in as pastor, helping all to focus on the priorities that lie before us.

If you feel you'd like to discuss any of this with me in greater detail, please let me know (647)729-1414.

Respectfully,

Fr. Walter De Roeck

Dear Members of the Placement Board,

A month ago, I made application for the pastorate of St. Paul of the Cross Parish in Park Ridge. That continues to be my first choice of the many pastorates presently open. However, in the event I am not chosen for that position in Park Ridge, I would like to be considered for the pastorate of St. John of the Cross in Western Springs (Am I into the CROSS or what?).

Rather than repeat for you all my ministerial history/experience, may I refer you to my letter of application for St. Paul's, dated May 12, 1996.

In some ways St. John of the Cross and St. Paul of the Cross are very similar. (They and every other parish want God for a pastor). Both are very large operations -- a great number of parishioners and a good deal of sacramental work. Both seem to be dealing with the frustration of the school's inability to accommodate all the families who wish to have their children enrolled. Like St. Paul's, the question of expansion is an issue on the minds of a number of parish families.

Unlike St. Paul, St. John of the Cross already has a gym. Also, unlike St. Paul of the Cross, St. John has already participated in Tomorrow's Parish, a fact for which I am very grateful.

Though I am not as familiar with the people and place which is St. John's, I am not a total stranger to the parish. A former St. Paul of the Cross parishioner continues to be a good friend of mine. He and his family live in St. John of the Cross now; he is very actively involved there.

The parish profile speaks of St. John's as being "vibrant" - an appealing word in my dictionary of life. It has a variety and large number of active and very active ministries, including the relatively new Elizabeth Ministry. That is exciting. CRHP (Christ Renews His Parish) is also a big part of their work. I am quite familiar with that process since it has been going strong at St. Catherine Laboure, my present assignment, for many many years. In fact, ours here was among the first in the archdiocese to do CRHP.

Since I am a strong believer in more effort at adult formation, I am happy to see that SJC expending so much energy in that direction. I also appreciate their desire for a pastor who is ecumenically sensitive; that has been a personal focus of mine for some time now.
They are looking for a "young priest with experience." A fifty-one year old priest with twenty-five years experience has more than a few good energy years left for the task at hand. The profile tells us that the community is becoming younger. That speaks of energetic new blood on the horizon. That is a treasure to be embraced.

They are looking for a "good administrator who loves liturgy." My own personal background speaks to that. The profile speaks of the desire to hire a business manager. Amen to that, so that I can truly pastor the people of parish and put my energies where they belong.

They seek someone "approachable" with a "can do" attitude, willing to delegate and empower people. They also make it clear they want a pastor who is "able to relate to a wide range of ages." That is a reasonable request of the one who is called to "gather the assembly." One of my pastors many years ago looked at various new challenges with a problematic eye. At the time I encouraged him to look at the "new stuff" not as a problems, but as full of possibility. I still believe that. Joyful hope is my personal motto.

I am told that St. John of the Cross is renowned for its architecture. Though I've never been inside the facility, I've driven past it a number of times on my way to visiting my friends there in the parish. It is impressive. Having studied and taught art, the place is visually appealing, especially as it affects the liturgical space, another key interest of mine.

With all this in mind, I conclude, comfortable in the knowledge that I could do well as pastor of the "vibrant" Western Springs parish. Thanks for your caring consideration. Maybe you see this as "the perfect match."

Respectfully,

Fr. Walter G. De Roeck

Dear Members of the Placement Board,

Realizing that there are a number of pastorates open at this time and appreciating the fact that a number of them seem attractive appropriate possibilities, I make application for the position of pastor of Saint Celestine's Parish in Elmwood Park.

As of this writing, I am awaiting word on the same position at St. John of the Cross in Western Springs. In the event I am not offered that pastorate, St. Celestine's seems an excellent alternative.

I am well aware of the parish, since my classmate since second grade, Larry McBrady, has been at the parish for a good number of years. One of the people who has worked with me at WLS-TV is a parishioner there as well.

I am impressed with the profile provided, especially Larry's words. He speaks of a people accustomed to consultation prior to decision making and a well-functioning Pastoral Council and other groups who have played a key role in parish leadership. I also appreciated hearing that the staff was collegial and worked at consensus decision making.

Larry describes St. Celestine's as a post-Vatican II parish. Amen to that. I've experienced a small but vocally strong contingent here at St. Catherine's who want to take us back to pre-Vatican II spirituality. I'm ill-at-ease with their theology and their vision of church/parish. I long to be in an atmosphere that honors and celebrates Vatican II and energetically works to continue implementation of conciliar decrees.

The church building has been around as long as I've been ordained. It is a good worship space. My liturgical background appreciates that. People at the parish feel liturgy is important, as do I. They seek a good homilist (people here tell me I am, on a consistent basis, a great homilist -- though none of my fans wrote in to the NEW WORLD). I am happy to see that the people of the parish rate their Sunday Liturgy so high -- a good sign for me. Happy to hear that liturgical music is done well there.

The parish is looking for a seasoned pastor who would stick around for a while and offer some stability. They seek a forward thinking, energetic and sensitive person able to relate to a wide range of people. I presume they mean various age groups and theologies. History shows that I'm experienced enough and young enough to fit the bill. Most who've come to know me say I am a middle-of-the-road kind of priest with progressive leanings. I can see that about me.

AOC 012529
People at St. Celestine's are understandably "concerned that the new pastor not change what is already in place and good." A Staff member comment speaks of this: "Parishioners have a tendency to not let go of the past and can be reluctant to change." Another word, "territorial" struck me. But creativity is encouraged, flexibility and dialogue are respected. Amen to that.

The issue of the "territorial" aspect of parish life and the concern about change is real everywhere, as are varied theologies and visions of parish. The Scriptures and the thrust of Vatican II are my guideposts on the journey. Talk about the need to keep on praying!!!!

They talk about the need of a good administrator; I note that the parish already has a business manager. That's at least half the battle. They speak of wanting someone with an ecumenical outreach; I have been doing that for a good many years now in my various assignments.

I am a strong proponent of Catholic Education and more expenditure of time and energy for religious education/formation not only for children (whether in parochial or public school), but more importantly for the adults of the parish.

I notice that St. Celestine's has not participated in TOMORROW'S PARISH. I would like to present that to the Staff and Pastoral Council for consideration early on, should I be appointed pastor.

Previous letters to the Board have addressed my own skills and experience in greater detail. Please refer to them as needed. I look forward to the opportunity to serve as pastor again, hoping that my gifts can enhance the ministry to God's people in that service/leadership position.

Respectfully,

Diocesan Priests' Personnel Board  
P.O. Box 1979  
Chicago, IL 60690-1979

Dear Members of the Board,

I am very conscious of the fact that this year in a very brief period of time I have sent you more letters than in all the twenty-five years of my priesthood combined. The number of pastorates that have opened up in recent months is certainly a factor. And the fact that I am anxious to take on pastoring again is real at this juncture in my life. A good many of the openings have been and continue to be appealing.

Thus, in the event that in your eyes my previous applications for other parishes were not of "the perfect match" variety, I hereby submit yet another -- this for the pastorate at St. Raymond de Penafort Parish in Mount Prospect.

I have some personal knowledge of the parish already, having been there for some sacramental experiences. Some former parishioners of mine live in that parish and have urged me to apply. Fr. Steve Dombrowski, the Associate there, is a former student of mine from Quigley days. Sister Elaine Campbell, the school principal, used to have that position at St. Catherine Laboure, my present assignment. Tom and Rita Lambert of the parish staff are two people I have worked with on mental health education issues a few years ago.

I will not make note of my skills and experience (I went into all that in great detail in my letter of application for St. Paul of the Cross Parish some few months ago; I trust that is in my file).

I was happy to see the strength of the many parish organizations listed, and especially happy to note the existence of a SPRED program and PADS -- two programs dear to my heart. Because of my own Liturgy and Art background, I am also happy to note the existence of a strong Art & Environment Committee.

I am happy that some Long Range Plan work has already been done there, but I would want to pursue Tomorrow's Parish there as well, should I be given the opportunity to serve as pastor in that setting.

I notice that Liturgical Ministry and Adult Faith Formation is of great value to the people of St. Raymond's. My vision of parish certainly sees those two elements as of utmost importance. Not to diminish the need to reach out to young people (a need expressed in practically every parish), but adults formed in faith values can have a most powerful impact on the youth of any locale. If adults enthusiastic about their faith are not on the scene, much of our youth effort will be in vain. Lay ministry begins first with those of committed adult faith. Then exciting parish activities and organizations will touch people at the very depths of their being.

I am a Vatican II priest who believes in "shared leadership that is dialogical and collegial" (words taken from the parish profile) Adult formation is one of my priorities, as it is for the people of St. Raymond's. They are looking for someone who believes in good Liturgy and is a good homilist. The feedback I get from the people in the pews speaks to that in my life. I am committed to exceptionally good liturgy and faith-filled down-to-earth homilies that are well prepared and touch people where they're at. Based upon feedback received, I feel I achieve in this area.
Any parish has its myriad of groups, some more progressive in philosophy, some more traditional. I know I need to be sensitive to both, although my own stance is more on the progressive side. I am excited by the prospect of many younger families moving in. New blood is always enriching!

The staff seeks someone open to good communication. I appreciate and honor that as a value in my own life and ministry. I want not only regular staff meetings, but regular one-on-one meetings with staff members (open to weekly or monthly or something in between). I am also anxious that clear concrete expectations are spelled out in writing so as to avoid misunderstandings and the frustrations that accompany that. They ask for a "minister to ministers." Amen to that. I am known as an energetic and good listener by the laity with whom I work on various committees. I strive to enable and empower in a collaborative way; delegation is crucial in our time of priest shortages.

I have read through the parish's Long Range Plan dated May 2, 1996. A lot of good reflection and work have already gone into it. I am happy to see they want to make the church more handicapped-accessible. I am happy to see their wanting to expand a sense of belonging. And, in line with the need for clearer expectations, the desire to establish and revise job descriptions of all parish staff members. I'm glad as well that they are developing a plan to deal with the future reduction in priest personnel. That might be a real concern for the new pastor sooner than he'd like. I am happy at the progress already achieved in the area of youth ministry, but I also agree that a full-time person in that position is a goal to be pursued.

Geographically and demographically, I could feel right at home at St. Ray's because in many ways it is so similar to St. Catherine Laboure where I've been ministering for almost five years.

My thanks for your consideration of my application for this pastorate.

Sincerely,

Fr. Walter De Roeck

August 21, 1996

Dear Father DeRoeck:

It is my pleasure to appoint you as Pastor of St. Celestine Parish, Elmwood Park. This appointment is made in consultation with the Diocesan Priests' Placement Board as well as the Vicar and Dean. This appointment is effective September 1, 1996. Your term of office will be for six years but will officially remain in effect until you are reappointed or transferred or your successor is named.

Bishop Jakubowski will act as my delegate in receiving your Profession of Faith. I ask that you contact him regarding your formal installation.

Wally, I take this occasion to thank you for your service at St. Catherine Laboure these past years. I know that your ministry there has touched the lives of the people of God. No doubt, your presence will be missed there as you leave for your new assignment.

I am confident that the parish community at St. Celestine's will receive you and respond wholeheartedly to your pastoral leadership. The experience you have had in the past will be most helpful as you take up this new responsibility. Know that as you begin this pastoral charge you have my encouragement and prayerful support.

In keeping with the recommendation of the Presbyteral Council, I ask that you participate in the Pastor in the 90's Program II offered by the Center for Development in Ministry. Please call the Center to register for this program, which is held in the Spring and Autumn of each year. The fee will be paid by the Pastoral Center as a sign of our support for you in your ministry.

With gratitude for your cooperation and with cordial good wishes, I remain

Sincerely yours in Christ,

Dear Bishop Goedert  
& Father Coughlin,

We have reason to believe that a certain priest, Rev. Walter De Roeck, is not capable of assuming the duties of pastor of a parish.

There are many rumors about this priest's unstable sexual identity and rumors in and of themselves are not of much value.

Recently Father De Roeck went into a sleasy tatoo parlor in Berwyn. He let it be known that he was Father Wally. He asked that his mail organ be pierced. Now why would he want that?

If you have any questions about this unhappy information, just ask an emplyee out there by the name of [redacted].

We think that you should look into this.

Sincere regards,

Memo to File

From: Rev. Lawrence McBrady  
Date: 9/20/96  
Re: Rev. Walter DeRoeck

Dan Coughlin and I met with Wally at St. Celestine’s on 9/11/96. The purpose of the meeting was to discuss the contents of an anonymous letter pertaining to Wally which arrived at our office on the previous Friday. (letter attached)

Wally acknowledged knowing [REDACTED] as well as knowing the owner (who was recently killed in an accident). He denied it was "sleazy" but admitted it was probably not the type of place a priest should be frequenting. Wally stated that he did have his right shoulder tattooed but denied any other tattoos or piercings.

Dan reminded Wally that priests are public figures who must consider the appropriateness of their actions. I told Wally that the proximity of the tattoo parlor to St. Celestine’s made his going there quite risky -- even if nothing inappropriate was going on. Wally agreed and said he would not go to the parlor again. We told him that, at this point, having discussed the letter in some detail, we considered this matter closed.

TITLE
OATH OF FIDELITY ON ASSUMING AN OFFICE TO BE EXERCISED IN THE NAME OF THE CHURCH

(In the Archdiocese of Chicago this form applies to those assuming the office mentioned in the canon 833, nn. 5-6, i.e. vicars general, episcopal vicars, judicial vicars, pastors, seminary rectors, professors of theology and philosophy in seminaries, and those to be ordained deacons.)

I, Walter De Roeck, in assuming the office of Pastor, promise that both in my words and in my conduct I shall always preserve communion with the Catholic Church.

I shall carry out with the greatest care and fidelity the duties incumbent on me toward both the universal Church and the particular Church in which, according to the provisions of the law, I have been called to exercise my service.

In fulfilling the charge entrusted to me in the name of the Church, I shall hold fast to the deposit of faith in its entirety, I shall faithfully hand it on and explain it, and I shall avoid any teachings opposed to that faith.

I shall follow and foster the common discipline of the whole Church and I shall observe all ecclesiastical laws, especially those which are contained in the Code of Canon Law.

In Christian obedience I shall unite myself with what is declared by the bishops as authentic doctors and teachers of the faith or established by them as those responsible for the governance of the Church; I shall also faithfully assist the diocesan bishops, in order that the apostolic activity exercised in the name and by mandate of the Church may be carried out in the communion of the same Church.

So help me God, and God's holy Gospels, on which I place my hand.

STC Announcement

This week there will be nights set aside for an important meeting. On Monday and Wednesday every at 7:00 pm in the
three p.m., we are calling for a full
private meeting to discuss leadership in
our service and the future of the
Collective people. All members are
urged to attend.
Dear parishioners of St. Celestine:

As the people of God who celebrate your identity in Jesus Christ at the altar of St. Celestine I wish you peace and grace.

This past week I received a letter from Father Walter De Roeck in which he offered his resignation of the pastorate at St. Celestine. Obviously, he has deep affection for you and this was not easy for him. But I am assured that this has been a deliberate and prayerful decision on his part.

Respecting Father De Roeck and his request, I have accepted his resignation. Hopefully, as he moves on in his own healing process you, as strong and committed Catholics, will also begin to create a future of love and hope that each of you, your family and the flock will find peace and move into the New Millennium.

I wish to take this occasion to commend Father Lawrence Sullivan and the other members of your competent and committed parish staff for their prayers and guidance during this past few months. I thank you, parishioners of St. Celestine for your faithfulness to live sacramental lives and participation in the vigorous parish life of St. Celestine during this time. I know God will bless you, your families and your generosity in the days ahead.

Please continue to pray for Father Walter De Roeck and for all priests. Join with one another in faith, reconciliation and unity of Spirit as we approach the new millennium. Also please pray for me.

Sincerely yours

Re: Reverend Walter G. De Roeck

In response to your inquiry, I checked the file of Reverend Walter G. De Roeck. The file indicates that several staff members at St. John Berchmans Parish in 1989 approached then-Father Raymond Goedert, Vicar for Priests, with their concern that Father De Roeck, the Pastor, was involved in an emotionally-dependent relationship with a nineteen year old college seminarian. The staff was concerned that it was becoming a source of scandal that the young man was staying overnight in Father De Roeck's quarters, where he would sleep on the couch. There was no allegation of sexual misconduct (Father De Roeck said he slept in his own bed), but the staff complained that Father De Roeck was spending an inordinate amount of time with the young man and would then tell others that he was unavailable for parish responsibilities.

Father De Roeck was told that the young man needed to leave the parish rectory. According to Bishop Goedert, Father De Roeck was fully cooperative. When his term as Pastor of St. John Berchmans expired in 1991, he did not seek renewal. He took a sabbatical, after which he was appointed Associate Pastor of St. Catherine Laboure Parish in Glenview in May 1992. In September 1996 he was appointed Pastor of St. Celestine Parish in Elmwood Park to succeed Father Lawrence McBrady, who was appointed Vicar for Priests. Father De Roeck still serves currently as Pastor of St. Celestine Parish.

Since this matter did not involve an allegation of sexual misconduct nor was the young man a minor, I believe this summary from the file is the pertinent information to provide at this time. When I am informed of the name of the young man who contacted Ralph Bonaccorsi, and if he turns out to be the same person as the young man mentioned previously in the file, we should discuss with the Vicars for Priests what information from the files would be appropriate to share with the Review Board.
Victim Statement Abstract:

This abstract replaces a memorandum prepared by Kathleen Leggdas, Professional Fitness Review Administrator of the Archdiocese of Chicago's Office of Professional Fitness Review, summarizing Victim IT's statement, given to Ms. Leggdas and Ralph Bonaccorsi of the Office of Assistance Ministry on March 16, 1999, formalizing Victim IT's allegation of sexual abuse against Fr. Walter DeRoeck. According to Victim IT, the abuse occurred in 1986 when Victim IT was 13-14 years old. The abuse consisted of two instances of Fr. DeRoeck masturbating in front of Victim IT and Victim IS while on out-of-state trips.

RE: MEETING WITH REV. WALTER DE ROECK REGARDING ALLEGATION OF SEXUAL MISCONDUCT WITH A MINOR AS GIVEN BY [REDACTED]

PRESENT AT MEETING:
Rev. Walter De Roeck [WDR]
Rev. Lawrence P. McBrady [LM], Vicar for Priest
Ms. Kathleen Leggdas [KL], Professional Fitness Review Administrator [PRFA]

INFORMATION ON ALLEGED PERPETRATOR:
Rev. Walter De Roeck, born [REDACTED] and ordained May 12, 1971, has been pastor of St. Celestine Parish in Elmwood Park since September of 1996. Previously, Fr. De Roeck was an Associate Pastor at St. Catherine Laboure in Glenview. From February 1995 to May 1991 he was pastor of St. John Berchman. Fr. De Roeck taught at Archbishop Quigley High School Seminary from 1976 to 1985.

MEETING SUMMARY:
LM began by advising Fr. De Roeck of his right to have an attorney present. LM then began to explain the nature of the matter at hand, etc.

I then proceeded to describe my role in relationship to the Review Board, the Board composition, as well as the overall steps taken when my office receives such an allegation.

Fr. De Roeck waived the right to legal counsel and requested that I present the allegation. As detailed in the previous memo, I reviewed each of the two incidents to him.

Fr. De Roeck’s initial response was shock, and he was visibly shaken. After a few minutes, we continued. Fr. De Roeck did recall the [REDACTED] trip as did he recall the time in Michigan City.
Fr. De Roeck provided me with the name of the Quigley student. He stated that the Michigan City trips took place only 2 or 3 times.

In response to the specifics of the allegation, Fr. De Roeck said that he has, in fact, provided alcohol (beer) to students who were under age. With reference to marijuana, he said he has used it recreationally but does not recall sharing it with the boys, but that he might have smoked it on the trips.

Fr. De Roeck said there was an unwritten rule for the trips — that the boys were free to speak their minds on any topic. Conversations, therefore, covered sexuality, masturbation, etc. When asked if Fr. De Roeck discussed his personal life related to these issues or self-disclosed personal information to the boys, he could not recall.

Fr. De Roeck denied the allegation of masturbating in front of the boys, as well as the allegation of showing and discussing genital piercing.

There were two distinct times in the conversation that LM and I both believed Fr. De Roeck was about to disclose further information, but he did not, in fact, do so.

Following this, we delineated the specific monitoring restrictions to be in effect immediately:

1. That Fr. De Roeck would \textbf{not} go to his Michigan City house over the weekend, as is his custom, until further notice.

2. That Fr. De Roeck not be alone with minors without the presence of another responsible adult.

3. That Fr. De Roeck agrees to stay at his parish home or go to Call in Mundelein. Fr. De Roeck opted to stay in Elmwood Park.

4. That Rev. Lawrence Sullivan (LS), Associate Pastor at St. Celestine, be informed of the allegation and serve as an on-site monitor for the Professional Fitness Review Board.

5. That LS be required to fill out monitor reports and submit them to the Professional Fitness Review Administrator until the investigation is complete.

6. That Fr. De Roeck call and inform LS each time he leaves the rectory with his destination and estimated time of return to the rectory.
7. That Fr. De Roeck fill out a daily log and mail it weekly to the Professional Fitness Review Administrator until further determinations can be made by the Review Board.

Rev. Sullivan was so advised, and both he and Fr. De Roeck agreed to the above terms.

Note: The following day [March 17, 1999] Fr. De Roeck contacted an attorney and made an appointment with [Redacted]

This abstract replaces a memorandum prepared by Kathleen Leggdas, Professional Fitness Review Administrator of the Archdiocese of Chicago's Office of Professional Fitness Review, of Victim IS's statement, given to Ms. Leggdas and Ralph Bonaccorsi of the Office of Assistance Ministry on March 17, 1999, formalizing Victim IS's allegation of sexual abuse against Fr. Walter DeRoeck. According to Victim IS, the abuse occurred in 1986 when Victim IS was 15 years old and Fr. DeRoeck would take minor boys on out-of-state trips. The abuse consisted of one instance of Fr. DeRoeck masturbating Victim IS and one instance of Fr. DeRoeck masturbating in front of Victim IS and Victim IT. Fr. DeRoeck would also ask Victim IS and Victim IT to play with his nipples and showed them his nipple and genital piercings.

RE: MEETING WITH REV. WALTER DE ROECK REGARDING ALLEGATION OF SEXUAL MISCONDUCT WITH A MINOR AS GIVEN BY

PRESENT AT MEETING:

Rev. Walter De Roeck [WDR]
Rev. Daniel Coughlin [DC], Vicar for Priest
Ms. Kathleen Leggdas [KL], Professional Fitness Review Administrator [PRFA]

MEETING SUMMARY:

Rev. Daniel Coughlin is the Vicar responsible for this case. He was out of town for the first allegation. Fr. De Roeck was aware of this.

Since the previous allegation was presented the preceding Friday, there was no need to go through preliminary information regarding the policies/procedures. I [KL] did obtain a written consent from Fr. De Roeck to share ... with the Professional Fitness Review Board. I also gave him the monitor forms, a copy of policies/procedures, and the Daily Log Form from my office. He agreed to complete them as requested.

I then proceeded to present the allegation as stated by (see previous memo for details).

In response to the specifics of the allegation, Fr. De Roeck recalled that ... did visit his home with (who Fr. De Roeck said was like a cousin to ...).

Fr. De Roeck, again, stated that he did provide alcohol for underage students – only beer.
Fr. De Roeck said he used marijuana and he was unsure if he smoked in front of the boys. He was also unable to remember if he or supplied the marijuana.

Fr. De Roeck more clearly recalled the extended trip to Michigan City and . He did not recall masturbating in front of the boys or their walking in on him. Fr. De Roeck adamantly denies every touching .

I asked Fr. De Roeck directly if he does, in fact, have body piercing. He said “not now, but I did then.” Fr. De Roeck then said that his nipples were pierced and he had rings in them. He also said he had genital piercing underneath his testicles.

Fr. De Roeck stated clearly that he is not now engaged in any relationship with underage students. He said that he has had no underage boys or girls to Michigan City since 1990 when the question of his relationship with a 19-year-old seminarian was questioned.

Fr. De Roeck continues to avoid direct contact with minors in the school or parish activities as a precaution and personal decision to not be in any situation in which anything could be misconstrued.

DC asked that Fr. De Roeck not say any public masses, and continue with previous restrictions per the first meeting.

Victim Statement Abstract:

This abstract replaces a file memo dated March 18, 1999 from Ralph Bonaccorsi, of the Archdiocese of Chicago’s Office of Assistance Ministry, summarizing Mr. Bonaccorsi’s March 12, 1999 meeting with the mother of Victim IT. Walter DeRoeck and her gratitude for the support that she and Victim IT have received from the Archdiocese.
Reverend Walter G. De Rocck

Dear Father De Rocck:

Enclosed is a revised letter dated March 20, 1999 to you from Cardinal George. It replaces the one that Father Dan Coughlin and I hand-delivered to you personally at St. Celestine Rectory on March 20, 1999 following the Review Board’s meeting that day.

In that original letter, Cardinal George had added a handwritten notation that the allegations against you regarded alleged sexual misconduct and inappropriate behavior with minors “fourteen years ago.” In fact they stem from thirteen years ago. Also, The revised letter corrects those two items. The enclosed letter also adds the stipulation that you are not authorized during your period of administrative leave to act as an agent or representative of the Archdiocese of Chicago; it also adds the precept that you are not to be alone with any minor without the presence of another responsible adult.

Since this letter entirely replaces the one previously given to you, the former version should be destroyed.

Please note also that the Professional Fitness Review Board is scheduled to conduct its Second Stage Review of your case on Saturday, July 17, 1999. At the Second Stage Review the Board shall determine whether prior determinations as to your ministry should be altered and what further action, if any, should be taken with respect to the allegations. Since Cardinal George will be on vacation until the end of July, it may not be until the beginning of August that he would decide on any recommendations to him from the Review Board. You will be informed as soon as possible after the Cardinal has had an opportunity to review and decide on the Board’s recommendations.

If you have any questions, please do not hesitate to contact Kathleen Leggadas, Father Dan Coughlin or me. I will keep you in my prayers during this time.

RE: Review Board Meeting/First Stage Review/Rev. Walter DeRoeck

The Review Board conducted a First Stage Review following allegations against Rev. Walter DeRoeck. In light of the information presented, including the two allegations and Fr. DeRoeck's response, the board determined that there is reasonable cause to suspect that Fr. DeRoeck engaged in sexual misconduct with minors and voted unanimously to recommend that Fr. DeRoeck should be withdrawn from ministry at this time. The Board also recommended that he stay with a "friendly priest," e.g. Fr. Andrew McDonagh.

Summary of discussion from PFRB, March 20, 1999.

The Review Board conducted a First Stage Review following allegations against Rev. Walter De Roeck. In light of the information presented, including the two allegations and Fr. De Roeck's response, the Board determined that there is reasonable cause to suspect that Fr. De Roeck engaged in sexual misconduct with minors, and voted unanimously to recommend that Fr. De Roeck should be withdrawn from ministry at this time.

The Board also recommended that he at the earliest opportunity. Since the Board expressed some concerns about if necessary.

If there is an interim period before Fr. De Roeck is able to the Board recommended that he stay with a "friendly priest", e.g. Fr. Andrew McDonagh.

Re: DeRoeck Letter

On Saturday, March 20, 1999, as we went to St. Celestine to see Father Walter DeRoeck and Father Lawrence Sullivan, we stopped by the Cardinal's residence to have him sign a letter that you would later present to the two priests. Before the Cardinal signed the letter he made a correction by way of an addition. At that time, I suggested that when you both return from Rome another letter be recast to replace the one of March 20th.

Bishop Gocdert returned his copy to me and said he did not want it in his file.

As a matter of course a separate letter to Kathleen Leggadas, the Professional Fitness Review Board Administrator, needs to be written.

But a new formal letter from the Cardinal to Walter De Roeck placing him on administrative leave needs to be crafted. This should follow the pattern you have used in the past. Copies should be sent only to the usual parties who received these in the past. In the new letter sent to Fathers De Roeck and Sullivan a covering note should be attached. This should inform them that this letter replaces the one presented to them on March 20, 1999. All Copies of the first letter should be destroyed and will not be retained in any Chancery file.

Archdiocese probing sex charges against priest

By Steve Kloehn

An Elmwood Park priest who also served as host of a television program was suspended from his duties Tuesday after two men came forward with allegations of inappropriate sexual behavior 13 years ago in Chicago, according to the Catholic Archdiocese of Chicago.

Rev. Walter DeRoeck, pastor of St. Celestine Catholic Church in Elmwood Park, was pastor of St. John Berchmans Church in the Logan Square neighborhood in 1986 when the alleged incidents occurred, said archdiocese spokeswoman Mary McDonough. The two men were minors at the time.

DeRoeck, 54—known to many as one of the rotating hosts of "Sanctuary," a religious talk show co-produced by area religious organizations and WLS-TV—was placed on administrative leave by the archdiocese following an initial inquiry into the charges. His television duties also have been suspended, McDonough said.

The allegations will be reviewed by a nine-member board that includes three priests, a psychologist, a lawyer and other laypeople. The board will make recommendations to Cardinal Francis George in 30 to 120 days. The allegations also were forwarded to the Cook County state's attorney's office.

DeRoeck was pastor of St. John Berchmans from 1985 to 1991. After a year's sabbatical, he became associate pastor at St. Catherine Laboure in Glenview and was then named pastor of St. Celestine in 1996.

He served on the faculty of Quigley North high school seminary from 1976 to 1985, and at the same time he was associate pastor at Mary Queen of Heaven parish in Cicero. His first appointment, from 1971 to 1976, was at St. Paul of the Cross in Park Ridge.

Rev. Lawrence Sullivan, associate pastor of St. Celestine, will handle administrative duties while DeRoeck's case is under review.

McDonough said the two men who made the allegations have been offered counseling and other assistance, and DeRoeck is now in a "monitored setting."

An Elmwood Park priest who also served as host of a television program was suspended from his duties Tuesday after two men came forward with allegations of inappropriate sexual behavior 15 years ago in Chicago, according to the Catholic Archdiocese of Chicago.

Rev. Walter DeRoeck, pastor of St. Celestine Catholic Church in Elmwood Park, was pastor of St. John Berchmans Church in the Logan Square neighborhood in 1986 when the alleged incidents occurred, said archdiocese spokeswomman Mary McDonough. The two men were minors at the time.

Dear Fr. Coglan,

I am writing to express my shock at the allegations of sexual misconduct made against Fr. Walter DeRoeck. I was a student at Quigley North from 1984 until my graduation in 1988. During that time and for the past eleven years, Fr. DeRoeck has always been a close friend and mentor. Fr. DeRoeck was one of the most well respected teachers at Quigley North.

Fr. DeRoeck has always been a positive influence not only in my life but in the lives of many of my friends and classmates. His honesty, integrity and sincerity are unmatched. I have spent several hours in Fr. DeRoeck's company as a young man and there was never even an inclining of inappropriate behavior or activity.

I am more than willing to testify as to Fr. DeRoeck's character and I will fully support any action necessary to prove his innocence.

I hope the Archdiocese will work diligently to clear Fr. DeRoeck's good name and expediently bring this matter to an end.

Sincerely,

Dear Kathleen,

I received your memo regarding your office handling my salary and my first check being mailed to me on May 1, 1999. I am writing to you, therefore, with two requests.

First, could you please arrange for direct deposit of my check into my checking account at Pinnacle Bank ( ). I have enclosed one of my deposit slips. I hope that is sufficient.

Secondly, I want to take advantage of the Defined Contribution Pension Plan, as recommended by PRMAA. In case you have any questions about this, Dan Coughlin will be able to address them.

In the letter from PRMAA dated March 5, 1999 the procedure for enrollment was outlined. I refer to it because it indicates that “the parish will receive a salary reduction agreement signed by the priest authorizing a payment deduction” and that “this deduction should be withheld from the priest’s pay prior to taxes being calculated.”

Since, for the moment, your office is my parish, I bring it to your attention. If you have such a form, please send it to me. I would like to proceed as follows. For five months I would like to have $200 deducted from my salary, 50% of which is to be placed in a Growth Fund (Fidelity VIP II Contrafund Portfolio) and 50% put in a Growth & Income (Stocks & Bonds) Fund (Aetna Balanced VP,Inc).

That will come to a total of $1000 ($500 in each fund).

Thanks for your attention to this matter. I hope all is clear. If not, please let me know at your earliest convenience.

Gratefully,

Fr. Walter De Roeck

The Board also recommended that

If there is an interim period before , the Board recommended that he stay with a “Friendly priest”, e.g. Fr. Andrew McDonagh.
Dear Cardinal George:

I write to you in behalf of Reverend Walter De Roeck, whom I have known for the past seven years. I was stunned to hear of the allegations that have been brought against him.

Father De Roeck served as an Associate Pastor of St. Catherine Laboure Parish in Glenview, where my parents lived for many years. He was extremely good to my parents during their final illnesses: he visited them frequently during their final days; he even held a ritual giving my comatose father permission to die. He also presided at their Wake services.

After my parents' deaths, I lived in their home for almost a year, while I was trying to sell it. During that time Father De Roeck and I became friends.

I know him to be a good and holy priest. He is also an extremely caring and conscientious priest. When he was appointed pastor of St. Celestine Parish, he asked the parishioners of St. Catherine Laboure to "pray that I be the kind of pastor I want to be, attentive to all those whom I am called to serve and attentive in prayer to the God who does the calling."

He is, moreover, an incredibly gifted priest: both in word and in liturgy. If he were to leave the Archdiocese, the entire Archdiocese would be poorer; if he were to leave the priesthood, the whole Church would be poorer.

Prayerfully,
April 23, 1999

Dear Father Sullivan,

Due to the absence of Reverend Walter DeRoeck, pastor of St. Celestine's, the parish is in need of an administrator. I am pleased to appoint you as parochial administrator. This appointment is effective immediately, and will remain in effect until other arrangements are made. Attached are our Archdiocesan guidelines for administrators of parishes.

Larry, thank you very much for your generosity and cooperation in accepting this responsibility. I am confident you will fulfill this office with competence and compassion and that the staff and parishioners will support you in your responsibility.

GUIDELINES FOR PAROCHIAL ADMINISTRATORS

The general law of the Church imposes the same obligations and grants the same rights as a Pastor to the Administrator, unless restricted by the Diocesan Bishop. These guidelines are to be considered such qualifications.

1) The parish should be run in accord with the established pattern, whenever possible, and in consultation with the parish council.

2) There should be no major changes or innovations.

3) Non-budgeted or non-contracted expenditures over $2,500 should be made only in consultation with the Vicar or Dean.

4) Major decisions (such as hiring or firing employees, finalizing budgets, setting tuition rates, etc.) should be postponed if at all possible. If they cannot, they should be handled through the normal shared decision-making process of the parish and keeping with the general philosophy of the parish. It may be well to consult with the Vicar or Dean about these matters as they develop.

5) As the end of the period of administration draws near, the administrator should prepare a summary report of decisions, activities, expenditures, etc. for the newly appointed pastor.

6) An administrator is paid the salary of a pastor. Currently that is $100.00 per month more than an associate pastor.

7) If a retired priest is appointed administrator of a parish, his pension benefits remain unchanged and, in addition, he is entitled to receive from the parish a full pastor's compensation, with the appropriate seniority increment corresponding to the number of years of priestly service since ordination; however, the seniority increment shall not accrue beyond the age of seventy.

Your willingness to accept this office is deeply appreciated. These guidelines are not meant to be an added burden of your generosity, but to assist you during this interim and to be of help to the returning pastor.

RE:   Rev. Walter De Roeck
Date:   April 12, 1993

Effective April 1, 1999, the salary for Rev. Walter De Roeck will be paid by the Office of Professional Fitness Review. As a result of the Review Board's recommendation he was removed from his pastorate at St. Celestine’s in Elmwood Park at the end of March 1999.

Using the Archdiocesan scale for priests and given the fact that Father De Roeck was ordained in 1971, he is entitled to an annual salary of $18,685, that is, $1,557.00 monthly. This figure includes seniority and transportation.

Excluded from the $18,685 are expenses for dental insurance, social security payments, annuity funds, and Ministerial Expense Account. Both health and automobile insurance remain in place through the Archdiocesan system.

Checks are to be mailed by the Professional Fitness Review Administrator the first of each month for the previous month. That means a check for April, 1999 will be mailed to Father De Roeck at [REDACTED] on May 1, 1999 for an April salary.

CO-VICAR FOR PRIESTS
645 N. MICHIGAN #543

DEAR FATHER COUGHLIN,

I AM WRITING NOT ONLY FOR MYSELF BUT FOR MANY CONCERNED PARISHIONERS HERE AT ST. CELESTINE'S CHURCH.

IN VIEW OF THE STARTLING ANNOUNCEMENT MADE TO US ON MARCH 24TH, WE WOULD LIKE TO HEAR THE RESULTS OF A MONTH LONG PROBE INTO THE SO CALLED CHARGES MADE BY TWO YOUNG MEN AGAINST FATHER WALTER DE ROECK.

WE BELIEVE THEY MUST/FALSELY MADE AS FROM EVERY ASPECT OF OUR PARISH FAMILY THERE IS CERTAINLY NO REASON TO BELIEVE OR EVEN A VAGUE POSSIBILITY THAT ANY SUCH HAPPENING COULD OCCUR. FURTHERMORE ANY OTHER PARISH AT WHICH FATHER HAS SERVED WILL VERIFY HIS HOLY AND UPLIFTING PRESENCE.

HOW IS IT POSSIBLE THAT YOU CAN ALLOW THESE MEN TO COME FORWARD AFTER 13 YEARS OF SILENCE TO RUIN THIS GOOD MAN'S LIFE AND REPUTATION. HOW AT THIS LATE DATE CAN HE POSSIBLY DEFEND HIMSELF WHEN TIME AND CIRCUMSTANCES HAVE LEFT LITTLE OR NO EVIDENCE AND ONLY THE WORDS OF THESE TWO BOYS TO RUIN THE REPUTATION OF A DEDICATED AND HOLY MAN: ALL HIS YEARS OF GOD'S WORK BE WIPED AWAY!

WE WOULD WISH YOU TO CONSIDER THE SOURCE. AFTER HAVING SPOKEN TO ONE OF FATHER DE ROECK'S COLLEAGUES WHO WAS ALSO STATIONED AT ST. JOHN BIRCHMAN PARISH AT THE TIME OF THESE ALLEGATIONS, I WAS TOLD HE KNEW THE BOYS. HIS QUOTE WAS "THESE BOYS WERE "OFF THE WALL".

WE WONDER IF THIS IS POSSIBLY A PUT UP JOB TO GAIN NOT ONLY NOTORIETY BUT MAYBE MONETARY COMPENSATION SINCE THE CHURCH IS WILLING TO "PAY OFF" SOME OF THESE PEOPLE JUST TO KEEP THINGS QUIET. PERHAPS THEY SAW FATHER ON TV AND THOUGHT THEY COULD MAKE A "KILLING".

WE WANT FATHER DE ROECK BACK AT ST. CELESTINE'S SINCE HE WAS A FINE INFLUENCE ON US ALL. HE IS PRAYERFUL, DEVOUT AND A CARING PASTOR, ALWAYS CONCERNED FOR HIS FLOCK. IN THE TWO AND ONE-HALF YEARS HE HAS SPENT WITH US, OUR PARISH HAS FLOURISHED IN GRACE AND CHARITY.

IN THE NAME OF CARDINAL BERNARDINE, WHO ALSO PASSED THROUGH THIS PURGATORY ON EARTH, PLEASE DISPELL THE CLOUDS FROM OVER OUR HEADS AND LET FATHER REJOIN US.

BY THE GRACE OF CHRIST AND HIS BLESSED MOTHER, MAY HE BE CLEARED OF ALL SUSPICION.

SINCERELY, A CARING PARISHONER,

Dear Mr. Bonaccorsi:

I'd like to thank you for the time you spent talking with me last Wednesday afternoon. It was much appreciated. Per our conversation, I have provided a list of questions. I understand that they cannot all be answered. There are matters of legal and privacy issues. I can't say that I want answers to all of them. These are just some of the things that have entered my mind over these last weeks.

Sincerely,

What is the definition of inappropriate sexual behavior? What is the definition of sexual abuse? State examples. Are they the same?

What was the outcome of the meeting at St. John Berchmans?

Have other individuals come forward after the newspaper and television reports?

Has Fr. De Roeck admitted to the two cases that we know about? Has he admitted to any more?

What was the time period of these two cases? One month? Six months? One year? More than that?

What was the alleged behavior of Fr. De Roeck? Masturbation? Fondling? Pornography? Full physical encounter?

How aggressive was this behavior? Did he inflict pain intentionally? Did he threatened these boys?
Will this enter the criminal process? What is the statute of limitations for these cases? Does it work by age of the victim? For example, if the boys were 15, is the statute 10 years following their turning 18 years old?

Would he be allowed to return to St. Celestine? Under what conditions?

When the Archdiocese came to speak with our parish, information was provided for parents on how to handle the situation with their children. No other material or resource lists were provided. Adults were pretty much left on their own with all of this. A list of understandable books or articles would be helpful.

A contact list of diocesan-level liaisons would also be helpful. Right now, if someone has questions, the parish staff must be approached. What if you aren't comfortable approaching them or don't want them to know that you want to contact someone?

I am an involved member of the parish. I am encountering divided loyalties with some of the staff and parishioners I work with. I certainly don't approve of what Fr. De Roeck has been accused of but I am supportive of him in very positive ways. How does a parishioner handle this?

Leadership must be careful with what they say and do. Have they been given any instructions on what informational boundaries they should abide by? For example, Fr. De Roeck is still the pastor here. Do not use terms such as, “When a new pastor is assigned.”

It's easy to want power when the current boss is away. I'd say that there has been a bit of "politicising" and "jockeying for position" going on. This can't be stopped but it is not healthy for the parish. The main focus should be on Fr. De Roeck's state and keeping the parish functioning. Is this pointed out strongly to the parish staff?

If Fr. De Roeck is not allowed to return to St. Celestine, will the parish be allowed input as to the type of pastor we want? Or will Fr. Sullivan automatically be given the parish?

Is Fr. De Roeck's family being looked after? Who do they look to for support and assistance? I hope they aren't going through this alone.

Dear

I’m very grateful for your letter of April 22, 1999, and I’m even more grateful for your support for Father Walter De Roeck.

Father De Roeck has been a man who has placed his great gifts at the service of God’s people, and we all have reason to be grateful to him. The current situation is a great tragedy, since the allegations come from years back. Father Walter is [redacted] and, I know, would be very appreciative of your prayers. As things develop, perhaps you could be in touch with him.

Again, I’m grateful for your concern for a very good priest. Please keep me and the Archdiocese in your prayers; you and those you love are in mine.

Sincerely yours in Christ,

Francis Cardinal George, O.M.I.

His Eminence
Cardinal Francis Eugene George, O.M.I.
Archdiocese of Chicago
P.O. Box 1979
Chicago, Illinois 60690

Your Eminence:

I am writing to express my dismay and disbelief over information recently received from my family concerning Father Walter DeRoeck.

As I understand, allegations of sexual misconduct have been leveled against Father DeRoeck stemming from a situation which may have occurred some 13 years ago.

Fr. DeRoeck is an exceptional man and devout priest. He is a person with impeccable character; a passionate man who has modeled his life after Jesus Christ, the Gospel and teachings of our Lord. I have never met another person who exemplifies the words Friend, Father, and Teacher better than Fr. Walter DeRoeck.

I have known Father Walter DeRoeck since 1978 when I was a seminary student at Quigley Preparatory Seminary North. Fr. DeRoeck has been many things to me and my fellow classmates, a professor, a mentor, counselor, confidante, a spiritual leader, and friend.

As a young man, I did not have a male role model in my life. My parents were divorced when I was five years old. Without a positive male influence in my young life, I was quickly getting into trouble. Father DeRoeck saw something good inside me that made him reach out and guide me. He believed in me when I didn't even believe in myself. Moreover, he gave me the attention only a caring person could give. He listened to my questions about life and always gave me an answer from his heart. He questioned my beliefs and taught me how to be more like Christ.

Many have been the times that He and I went away for the weekend, either on retreat to his home in Michigan City, Indiana, or on vacation with classmates canoeing through Minnesota into Canada. Fr. DeRoeck was a big brother to me when I needed a big brother, a role model, and a real life example of a good Christian person. There was never any question in my mind or the mind of my mother whether Fr. DeRoeck was trustworthy. I trusted him with my life and still do.
I hope you can understand how maligned these accusations against such an upstanding person are. The mere accusation of any alleged misconduct has already pulled this man's sterling reputation into question. In addition, as I am sure you are aware, once the news media has finished reporting the so-called facts the destruction of Father’s reputation will be complete. In an instant all the hard work to build a stellar career, all the relationships built with countless families and friends will be called into question and analyzed for any inkling of misconduct. Already I have heard speculation that even when Father DeRoeck’s name has been cleared and the accusations have been disproved, it would be unlikely he would be selected as Pastor of a Parish due to a perception of uneasiness amongst parishioners. So, in the end the maliciousness of his accusers might triumph and the just man punished indirectly. Revolting isn’t it?

Today I live with my wife and two children in [redacted]. It was Father DeRoeck who counseled us prior to pre-Cana and attended our wedding providing his support and blessing twelve years ago. It is now time for me to lend my support and blessings by providing you, Your Eminence, with my solemn testimonial to Father Walter DeRoeck’s character.

I pray that Father DeRoeck’s accusers will come forth and recant their stories, tell the truth and let the truth exonerate all. I pray that when Father DeRoeck has been cleared of any misconduct he will be appointed Pastor with the unconditional backing of the Church. Lastly, I pray that Fr. DeRoeck will continue to fight this indignation with the inspiration of the Holy Spirit and the love and blessings of my family and all those who hold him dear in their hearts.

Sincerely in Christ,

New allegation to be presented to Rev. De Roeck.
May 24, 1999

Dear [Name]:

Your letter regarding Father Walter De Roeck was received and much appreciated. Personally, I have known Father De Roeck for a number of years and hold him in great esteem. Now in my position as Vicar for Priests I hope to help him through this difficult time. You as well as others have written to me your personal concerns about Father De Roeck and his future. They are a great sign of support and encouragement.

The news of recent weeks has been very disturbing for the people of St. Celestine, as well as for the priests and people who have known Father De Roeck through the years. Because so many people are affected when an allegation of sexual misconduct with minors is made, the Church has developed very specific policies and procedures in handling these matters. These guide us in our investigation, our dealings with the alleged victims, the accused priest and parishioners as well. Officials of the Archdiocese of Chicago continue to refine these policies and procedures based upon experience. Each case is given a great deal of attention. Our intention is to handle everything in a truly pastoral manner.

At present I can tell you that Father De Roeck is doing well. I have visited him and I try to keep in telephone contact with him.

There is not much more that I, or anyone else, can comment on at the present time. We are following our usual Archdiocesan policies and procedures. I hope that you continue to keep Father De Roeck in your prayers and use this occasion to pray for all priests.

Sincerely yours in Christ,

Dear parishioners,

I have wanted very much to be in touch with you since my departure in the days before Holy Week. I miss you a great deal. In the two and a half years that I have been with you I have come to love and cherish you. You are very dear to my heart. First, a word of thanks to Fr. Sullivan and the entire staff. They have been so caring and supportive of you and of me during this time of crisis in our lives.

I also want to thank you for your words of kindness, compassion and forgiveness. I am blessed with the gift of caring parishioners and wonderful friends. I have also been blessed with a family whose unconditional love has inspired me and made me stronger. In all of this I have come in touch with the goodness of God who continues to walk with all who are in need of healing.

I had hoped to respond to all cards and letters received. I now know that that is unrealistic. That is why I write you today. Please know that your words have moved me tremendously. They have brought me to tears - and they are tears of immense joy and gratitude. God’s love is shown through you. God’s care and compassion are communicated through you.

I have done some things in the past that I am not proud of and I’m sorry I have hurt some people. I ask your forgiveness for betraying your trust. I don’t know what the future holds for me, as I write, but know that I love you. As I ask your prayers for my healing. I pray for your healing as well.

This has been a time for First Communions, Confirmations, and graduations. Know that I have been with you in spirit and that I have been praying for you. These moments in parish life have highlighted the pain of separation for me.

Finally, and very importantly, please pray for my sister. As you know by now, she has As we wait, I encourage more and more of you to become organ donors, so others might live.

Again, my thanks and love to you all.

Gratefully,

Fr. Walter G. De Roeck

His Eminence Francis Cardinal George
Archdiocese of Chicago

Your Eminence,

I am writing this letter today to urge you to return Father Walter DeRoeck to active parish ministry. I have worked with Father DeRoeck for the past six years both at St. Catherine Laboure Parish and at St. Celestine Parish. I along with many other parishioners have found him to be a very loving and caring priest.

I have worked alongside Father DeRoeck on Liturgy Teams as well as Art and Environment Committees. He has brought much joy and creativity to parish liturgies. He has made the celebration of liturgy a prayerful experience.

I have also experienced firsthand the compassion he has shown the elderly and sick. He has brought much comfort and peace to many people in pain.

I thoroughly understand that Father DeRoeck like all of us has made mistakes in the past. But our loving God has certainly forgiven. I beg you to do the same. Father DeRoeck has suffered much pain and humiliation during these past months. He is well aware of his human weaknesses. I ask you once again to permit him to return to active parish ministry.

Sincerely,
Dear Cardinal George,

Please be advised that the Review Board met on July 17, 1999. The Board fully considered all the available information in the matter of Reverend Walter De Roeck. The Board conducted a Second Stage Review pursuant to Article 1104.10 of the Review Process.

The Board determined that it is not reasonable for Father De Roeck to return to ministry. The Board recommends that the restriction should remain in place that Father De Roeck not be alone with minors without the presence of another responsible adult. Additionally, the recommendation is for him to continue [REDACTED] and that he should abide by the individual specific protocol developed by the Board in cooperation with the Vicars for Priests.

These recommendations would insure appropriate monitoring and provide for protection of minors from risk.

If you have any questions, please contact me at your convenience.

Sincerely,

Kathleen Leggdas

Dear Cardinal George,

Each day as I come into work, I have this feeling that comes over me saying the I should write you this letter. So here I am. I work as the Director of the Ministry of Care here at Saint Celestine Parish. I am very grateful to the opportunity that has been given to me by Fr. Larry McBrady to be in this position. I love this ministry and the people with all my heart.

I am writing because I feel the need to express my feelings about Fr. Wally De Roeck. In the time that he was here at Saint Celestine as the pastor, I got to know a man with great care and compassion for the people. He ministered to the people from his heart.

Besides the great liturgies he brought to our parish, he is a man who could touch those in need. The sick, the homebound, those in the nursing homes, and those grieving the death of a loved one.

Once a month I would go with him to Elmwood Nursing Home where he would say Mass for the patients. Together we would sing, do the readings, and distribute communion to those in attendance. You could feel the joy in the room that these people received from our presence. When the Mass was completed, Fr. Wally was never in a hurry to run out. He would always sit at this old dilapidated organ they had in the room and he would have a sing-along for the people. They absolutely loved this. When it was time for us to return to the parish, the people would keep asking when we would have Mass again. They really looked forward to his coming.

On the first Friday of each month I would set up communion calls for the priest to visit the homebound. I can't begin to tell you the number of notes and phone calls that I would receive at the Ministry of Care office complementing Fr. Wally for how kind and caring he was on his visit to them. He was excellent at coming back and communicating any problems or other issues he noticed at the people's homes, so that I could follow up with those who were in need.
Another part of ministry where I have experienced Fr. Wally's compassion for the people was at wakes and funeral masses. Often I would go with him to a wake and together we would do the wake service. He was very tender and understanding to the pain that these families were feeling. He always seemed to know just the right words to say. Again, this is a time when many of the families would write thank you notes to the Ministry of Care and express their thanks and always put in a kind word of thanks for Fr. Wally.

As you can see, I am very grateful for the time that Fr. Wally was here at Saint Celestine and how he ministered to the people of our parish. I can only hope and pray that the review board and you can see what a good priest Fr. Wally really is. I pray that he will be given the opportunity to return to a parish where his care and compassion for the people can continue to be felt. It would be a shame if a man with so many talents and the enthusiasm he has for the people would be wasted.

Cardinal George, thank you so much for taking the time to read this. I will continue to pray for Fr. Wally, you, and all those involved in deciding what his future will hold. I pray that he can accept the Serenity prayer and that God will continue to watch over him.

Peace,

Barbara Mares

the present situation of Father Walter De Roeck, and in my position as Vicar for Priests I hope to help him very disturbing for the people of St. Celestine, as well know Father De Roeck through the years. Because an allegation of sexual misconduct with minors is made, our dealings with the alleged victims, the accused officials of the Archdiocese of Chicago continue to refine I upon experience. Each case is given a great deal of attention. Our intention is to name everything in a truly pastoral manner.

At present I can tell you that Father De Roeck is doing well I have visited him and I try to keep in telephone contact with him.

There is not much more that I, or anyone else, can comment on at the present time. We are following our usual Archdiocesan policies and procedures. I hope that you continue to keep Father De Roeck in your prayers and use this occasion to pray for all priests.

Dear Ms. Cordell:

Noting your personal concern over the present situation of Father Walter De Roeck, and your esteem for him and his ministry, Cardinal Francis George has forwarded your letter to me to respond. Personally, I have known Father De Roeck for a number of years and hold him in great esteem. Now in my position as Vicar for Priests I hope to help him through this difficult time.

The news of recent weeks has been very disturbing for the people of St. Celestine, as well as for the priests and people who have known Father De Roeck through the years. Because so many people are affected when an allegation of sexual misconduct with minors is made, the Church has developed very specific policies and procedures in handling these matters. These guide us in our investigation, our dealings with the alleged victims, the accused priest and parishioners as well. Officials of the Archdiocese of Chicago continue to refine these policies and procedures based upon experience. Each case is given a great deal of attention. Our intention is to handle everything in a truly pastoral manner.

At present I can tell you that Father De Roeck is doing well and personally benefiting from the program he is in. I have visited him and I try to keep in telephone contact with him.

There is not much more that I, or anyone else, can comment on at the present time. We are following our usual Archdiocesan policies and procedures. I hope that you continue to keep Father De Roeck in your prayers and use this occasion to pray for all priests.

Dear [Redacted],

Cardinal George received your letter sent to him July 20, 1999. He has asked me to reply. The Cardinal is presently on vacation.

I know of your deep affection and personal concern for Father Wally De Roeck. When Ralph Bonaccorsi and I met with the parish staff I noted your deep concern, although you are not a complainer or one who easily verbalizes your concerns. I respect this.

I think it was very good of you and timely of you to write to the Cardinal expressing your hopes that Father De Roeck would be returning to parochial ministry. As a good friend and a pastoral collaborator with him, I know how much this mean to you.

In the near future the Cardinal will face this decision. At present no determination has been made.

The best thing for any of us who are close to Wally or care about him is to pray. We need to pray that Wally is continually blessed with faith and strength. Of course, the Cardinal and all others advising the Cardinal also need your prayers. Only by the grace of Jesus Christ will real wisdom and right judgment be found and lived.

Sincerely,

Rev. Dan Coughlin
Vicar for Priests

Dear Kathleen,  

I am writing in response to your letter of July 20, 1999 regarding the matter of Father Walter De Rocck, following the Second Stage Review conducted by the Review Board on July 17, 1999.  

In light of the facts and circumstances as presented to me, I have accepted the Board's recommendation that it is not reasonable for Father De Rocck to return to ministry.  

I further accept the Board's recommendations that the restriction should remain in place that Father De Rocck not be alone with minors without the presence of another responsible adult. Additionally, I concur that he continue and that he should abide by the individual specific protocol developed by the Board in cooperation with the Vicars for Priests.  

After you have communicated these decisions to Father De Rocck, I ask that Father Dan Coughlin meet with him to discuss the pastorate at St. Celestine Parish and his future plans.  

I am grateful to the members of the Review Board and yourself for your assistance in this matter.

Your Eminence:  

I am a parishioner at St. Celestine parish in Elmwood Park. I am writing to you regarding Rev. Walter De Roeck, and any upcoming decisions you might be making about his future.  

Let me begin by declaring my bias toward Father De Roeck. As such, we have both had close contact with Wally, and have come to regard him as a personal friend.  

The purpose of this letter is to present to you my feelings in the matter, and provide you with an example of the impact that Wally has had on my life in the parish. I believe I understand the many facets that must be considered when deciding on the next appropriate decisions that are to be made; and I think that understanding the feelings of the parishioners is one of those facets.  

Prior to Wally arriving at St. Celestine, my lifelong status as a catholic was best described as a Sunday worshipper. Although I have always felt strong in my faith, I hadn’t felt much of a need to explore other facets of parish life. In my past, at other parishes, I had gotten involved in a group or two, but they felt almost disconnected from the parish at large.  

With Wally’s arrival, I began to feel an excitement about my faith that had been dormant before. I also felt a challenge to use that excitement, and to become more active in various ways in the parish. In joining the liturgy committee, I began to feel the excitement that the celebration of the mass can truly be. It all inspired me to become more active, and more in touch with my faith.  

Wally has personally filled my life with more spiritual meaning and lead me closer to our Lord. He has invited me to become more active in the parish, challenged me in the understanding of my faith, and demonstrated a kindness and understanding in accepting others and looking at them as members of the same family.  

In my immediate family, we had recently faced a crisis with our son which made us doubt our trust in him. We found ourselves wondering how we could ever be a real family again. Yet, we did not turn our back on him, and through working with each other in sometimes painful discussions, we all again grew together - closer than we had ever been before. I learned that I truly could forgive and forget, and move forward in a new understanding toward a brighter future.  

Wally, too, is a member of my family - my parish family. And as family, my reaction to hearing of his problems is to extend a hand of support, not to turn my back on him. I have missed him over these past few months - missed the chance to walk the path with him and help him to reach the other side. I personally would welcome Wally’s return to our parish, and his again taking up his duties as our pastor. Although I do not purport to speak for the parish at large, I know that I am not alone in this position.  

Know that I will support and respect any decision you reach, and understand that it is made for the good of our archdiocese as well as for Fr. De Roeck and St. Celestine parish.  

Sincerely,

Rev. Walter De Roeck

Dear Father De Roeck,

Please be advised that the Review Board met on July 17, 1999 and conducted a Second Stage Review, pursuant to Article 1104.10 of the Procedures for Determination of Fitness for Ministry.

Cardinal George has accepted the Board's recommendations that you not return to ministry and that an Individual Specific Protocol be developed by the Board. This Protocol will include the restriction that you not be alone with minors without another responsible adult present and that you continue to be monitored. A provision for monitoring will also be included.

Since your withdrawal from ministry, your salary has been paid by the Office of Professional Fitness Review. The amount is based on an Associate Pastor's salary, taking into account year of ordination. Base salary, not including transportation, is paid provided the following conditions are met:

1. Protocol followed.
2. 
3. When appropriate, contributes to, works for, or accepts an assignment from the Archdiocese.

Ten percent is to be withheld from salary to acknowledge an effort to reimburse the Archdiocese for expenses for and legal fees. Effective August 1, 1999 your current salary of $1,557.00 will be reduced by 10%, resulting in a monthly salary of $1,401.30. We will continue to mail checks directly to Pinnacle Bank until you return to Chicago.

I know this has been a difficult time for you. I hope that the Board and I may continue to be of on-going support to you.

Dan,

Please let me know you have received this fax (301)422-5577 and give me whatever feedback you feel is helpful before I send the official letter to the Cardinal.

Thanks and God bless.

Dan,

Please comment on paragraph four (4) which contains the clause "I also pray for those I have victimized." I'm asking for your guidance about the wording.

Wally
Dear Cardinal George,

On August 7th of this year I celebrated the third anniversary of my appointment to the pastorate of St. Celestine Parish. I'll never forget the joy in my heart when I got the news. My classmate, Larry McBrady, had resigned the pastorate to take on his new work as Vicar for Priests. I knew how hard it was for him to say farewell to a people he loved dearly; I knew, as well, how happy I was to be going to a parish that had been such a blessing in his life. It sounded like a wonderful opportunity to work with a great staff and caring, creative people who took stewardship seriously. And I was not disappointed.

The time I spent as pastor of St. Celestine has been the happiest and most rewarding of my priesthood. I looked forward to each day because the people gathering for Mass came to celebrate as family. We laughed and cried as one. We prayed for and with one another. There was support, encouragement and challenge there. God was at work and we knew it. The folk were at work, too, as they stepped forward to do what needed doing. And it was done with dedication and love.

The self-starting pastoral staff were wonderful to work with. I count them now among my friends. The Gospel really came alive in the parishioners' hearts because of their creative commitment. I was blessed with the treasure of their collaborative efforts. The future was full of challenge, but there was joyful hope for tomorrow because so many good things were in the works. I was looking forward to playing a part in that future.

Then came the sad news that pulled me away from the people I had come to cherish. I miss them very much and they remain dear to my heart. I continue to be blessed by their prayers and supportive words that speak of kindness, compassionate forgiveness and unconditional love. Our good God is at work through them. I pray now not only for my own healing, but for theirs as well. I am sure some feel hurt and betrayed because of my past behavior. I also pray for those I have victimized; I have harmed their lives to a depth I am only recently beginning to comprehend. I only wish I could undo what was done so many years ago.

That is why I have come to a painfully difficult decision in my ministerial life. Effective immediately, I am resigning the pastorate of St. Celestine Parish. Perhaps this will be disappointing to many in the parish, but I feel I must do this because I love them. I must be about the business of recovery, while they deserve a full-time pastor. I pray to God for many graces in the lives of these people whom I care about. They will be in my prayers always, as will those who are gifted with the opportunity to pastor to them in future days.

Cardinal George, I thank you for your support on my journey of healing.

Sincerely and gratefully yours,

Fr. Walter G. De Roeck

Dear [Name]

Cardinal George received your letter on August 10, 1999. He has asked me to respond due to his pressing duties.

I am sure the Cardinal has noted your deep personal concern for Father Wally De Roeck and his future. Both you and Christine as well as many others at St. Celestine already miss him. Your letter manifests your esteem and affection.

It is good to note that you will stick by Wally through all of this. As you state it, there is more than forgiveness here. Your willingness to have him back at St. Celestine’s is laudable. As the Vicar for Priests I wish more people in these and in other circumstances could be as forgiving, compassionate and close to their priests as you seem.

Thank you for writing to the Cardinal and it is noteworthy for you to “support and respect any decision” that he must make regarding the good of the Archdiocese as well as St. Celestine parish.

Sincerely yours in Christ,

Rev. Daniel Coughlin
Vicar for Priests

Re: Resignation of Father Walter De Roeck

If you have not received Wally De Roeck’s letter in which he resigns the pastorate of St. Celestine’s, a draft copy of his letter is enclosed. When Larry Mc Brady and I met with you on August 8th I mentioned Wally was working on a letter to you; but it would be a style so it could also appear in St. Celestine’s parish bulletin. It was hoped that this would have the advantage of a pastoral style while containing the essential canonical language in it. You thought this a good idea.

At that time you said you wished the same parish bulletin would contain a letter from you. That seemed like a wonderful idea.

Tom Paprocki, as Chancellor, will draft a more formal letter of acceptance of Wally’s resignation as pastor. A second letter from you to the parishioners of St. Celestine would be personal from you and more pastoral in style. It is this second letter that would appear in the Celestine’s bulletin.

The acting Administrator, Father Larry Sullivan, has told me it would be ideal if they could have a copy of Wally’s letter and yours by Tuesday, August 31, 1999. The only reason this would be ideal is because then it could still get in the bulletin of Sept. 4 and 5. The following week’s bulletin Sept. 11 and 12 is already designated as a great vision piece for their future planning in the parish.

In summary:

1) You should have received Wally’s letter already (a copy is enclosed)

2) Tom Paprocki will draft your formal response to Wally regarding his resignation

3) Your letter to the parish of St. Celestine would be appreciated by August 31, 1999 (Tuesday). The beginning of a draft is enclosed, if this helps you.
Dear Cardinal George,

On August 7th of this year I celebrated the third anniversary of my appointment to the pastorate of St. Celestine Parish. I'll never forget the joy in my heart when I got the news. My classmate, Larry McBrady, had resigned the pastorate to take on his new work as Vicar for Priests. I knew how hard it was for him to say farewell to a people he loved dearly; I knew, as well, how happy I was to be going to a parish that had been such a blessing in his life. It sounded like a wonderful opportunity to work with a great staff and caring, creative people who took stewardship seriously. And I was not disappointed.

The time I spent as pastor of St. Celestine has been the happiest and most rewarding of my priesthood. I looked forward to each day because the people gathering for Mass came to celebrate as family. We laughed and cried as one. We prayed for and with one another. There was support, encouragement and challenge there. God was at work and we knew it. Many members of the community were at work, too, as they stepped forward to do what needed doing. All was done with dedication and love.

The highly motivated pastoral staff were wonderful to work with. I count them now among my friends. The Gospel really came alive in the parishioners' hearts because of their creative commitment. I was blessed with the treasure of their collaborative efforts. The future was full of challenging new possibilities and I was looking forward to playing a part in it.

Then came the sad news that pulled me away from the people I had come to cherish. I miss them very much and they remain dear to my heart. I continue to be blessed by their prayers and supportive words, which speak of kindness, compassionate forgiveness and unconditional love. Our good God is at work in this Church of Christ! I pray now not only for my own healing, but for the well-being and healing of all who have been adversely affected by what has happened.

With that in mind, I have come to a painfully difficult decision in my ministerial life. Effective immediately, I am resigning the pastorate of St. Celestine Parish. Perhaps this will be disappointing to many in the parish, but I do this because I have their best interests at heart. I must be about the business of recovery, while they deserve a full-time pastor. I pray to God for many graces in the lives of these people whom I care about. They will be in my prayers always, as will those who are gifted with the opportunity to pastor to them in the future.

Cardinal George, I thank you for your personal support and encouragement on this journey of healing.

Sincerely and gratefully yours,

Fr. Walter G. De Roeck

DATE: August 30, 1999

On Saturday, Your Eminence said that you had received Father Walter DeRoeck's resignation as pastor of St. Celestine Parish in Elmwood Park. You wanted to put a letter in the parish bulletin acknowledging your acceptance of his resignation and a word of encouragement to the parishioners during this time of transition.

I am hoping you would forward both Wally's letter and your own to the parishioners of St. Celestine for inclusion in next weekend's bulletin on September 4&5. The parish needs them this Tuesday for inclusion for new weekend. The St. Celestine Fax number is: 708 453 2555.

Draft Letter from Cardinal Francis George to St. Celestine Parish

Dear parishioners of St. Celestine:

As the people of God who celebrate your identity in Jesus Christ at the altar of St. Celestine I wish you grace and peace.

This past week I received a letter from Father Walter De Roeck in which he offered his resignation of the pastorate at St. Celestine. Obviously he has deep affection for you and this was not easy for him. But I am assured that this has been a deliberate and prayerful decision on his part.

Respecting Father De Roeck and his request, I have accepted his resignation. Hopefully, as he moves on in his own healing process you as strong and committed Catholics will also begin to create a new future.

I wish to take this occasion to commend Father Lawrence Sullivan and the other members of your very competent and committed parish staff for their presence and guidance during this past few months. I thank you parishioners of St. Celestine for your faithfulness to live sacramental lives and participation in the vigorous parish life of St. Celestine during this time. I know God will bless you, your families and your generosity in the days ahead.

Please continue to pray for Father Walter De Roeck and for all priests. Join with one another in faith, reconciliation and unity of Spirit as we approach the new millennium. Also please pray for me.

I am grateful to Father Lawrence Sullivan and the other members of your parish staff for their good work during these past few months. May God bless them and all of you.

Please continue to pray for Father Walter De Roeck and for all priests. Also, please pray for me. You are daily in my prayers.

Dear Cardinal George,

While you didn't listen to my appeals to return Fr. DeRoock to St. Celestine, I feel rather hopeless in making this new appeal.

Please do not appoint Fr. Larry Sullivan (pastor of St. Celestine). He lacks the experience of dealing with a variety of people. He has never been at any other parish.

This annual collection is helping restore the religious traditions of the people in Central and Eastern Europe. Under Communist rule the Church suffered a great deal. Property was confiscated for government use, books were destroyed and the sacraments were forbidden to be celebrated.

Your financial support will help the people in Albania, Armenia, Belarus, Bosnia-Herzegovina, Bulgaria, Croatia, Czech Republic, Estonia, Georgia, Hungry, Kazakhstan, Latvia, Lithuania, Moldova, Poland, Romania, Russia, Slovakia, Slovenia, Ukraine and Yugoslavia. Your support and generosity is greatly appreciated.

Thank you,

Matt. 18:15-20

Call to reconciliation... Suppose you had a co-worker who had a personal hygiene problem, how would you ask them to solve it?

Or how would you express your anger to someone who had offended you or harmed you by indiscreet remarks?

These are just a few of the human dilemmas that a messenger service based in cyberspace is willing to help you resolve. Each message that a recipient gets begins: Someone who cares about you wants you to know... and then continues with a statement about the problem that needs to be resolved. Sometimes gifts of soap, toothpaste, a book of etiquette or a balloon are attached.

Many find it just too difficult to confront those who annoy them or with whom they have a conflict, the founder of the cyberspace service told an ABC-TV interviewer as she described the impetus for starting her e-business. I am providing an important service that helps to get messages to those who need to hear them while protecting those who want to send them. (Sorry I can't tell you how to reach her. I was so amazed by the segment that I did not jot down the woman's name or web address.)

However, the story itself stuck with me and came to mind again as I pondered Jesus' admonition to us in today's Gospel to adopt a lifestyle of conflict resolution and loving correction by approaching our brothers and sisters gently, charitably and with a serious desire to grow as persons who recognize that sin is at the heart of all broken relationships.

In fact, Jesus outlines a three step process of reconciliation. First we are to address the sin or hurt one-on-one at a very personal level. If that doesn't work, then we are to take a witness. If the issue is still unresolved and it is seriously sinful, then we are to bring the matter to those in the community who can assist with its resolution. At every step, the two parties most directly involved in the conflict are to be part of the process. At no point, is either party given the freedom to walk away or to give the task over to a third party to deliver an anonymous message.

Adopting such a lifestyle will be challenging because the e-business foundress is absolutely right in her assertion that it is very difficult for one human being to confront another especially when changes in behavior are needed. It becomes a less daunting task, however, if we approach the process with a humble awareness that each of us has faults and failings. Adopting this stance enables us to say with authenticity: As someone who cares about our relationship, I think we need to talk.

Jesus affirms in the Gospel that we have power to free each other from sin's grip and to heal our relationships when he says: Whatever you bind on earth, shall be bound in heaven. Whatever you loose on earth shall be loosed in heaven. Each day offers us opportunities to grow in the process of reconciliation. May we be open to the graces offered to us.

To Whomever it May Concern:

The Vicar for Priests, Fr. Dan Coughlin, recently informed me that there was a Radio-TV Production position available in the Communications Office. I understand you are open to the possibility of a priest taking that post. That is why I am writing you at this time.

I have had fifteen-plus years of experience in TV production for the archdiocese at the ABC affiliate, working on eighteen half-hour programs annually. The shows, “Of Cabbages and Kings” and “Sanctuary” aired on all the Sundays of January, April, July and October. The focus for the most part was on pastoral efforts in the archdiocese and the different ministries available and various local issues challenging the Church of Chicago. Each program ended with a scriptural connection.

As a priest of the archdiocese, I’ve had a good pulse on current concerns as well as trends worth exploring for the future. The production effort required a good amount of reading and research, which I relished. The goal was to spread the “Good News”, making it real for the world of today and clear for the viewers of our locality.

Aside from my efforts on those two program, I also worked with the WLS-TV news department, doing color commentary for the installations of Cardinals Bernardin and George, as well as the funerals of Cardinals Cody and Bernardin. I worked closely with the anchors of WLS/ABC on those historic occasions.

A number of years ago I also worked on WGN-TV’s “Mass for Shut-ins” doing live on camera commentary during the John Banahan years; I also did WGN-Radio’s live commentary for the Christmas Midnight Mass from Holy Name Cathedral for some years during the latter half of the 1970’s and early 1980’s.

I did some work with the late Fr. Francis Filas, S.J. for a CBS/WBBM special on the Shroud of Turin. In more recent years I worked on an ecumenical special for ABC: “Religion at the Movies” featuring Roger Ebert.

Though this is not a formal resume, I did want to give you a little sense of my experience in the electronic media in the Chicago archdiocese over the years.
I will gladly provide more background, but I do not have access to my personal records at the moment. I will be away from the archdiocese until mid-November, at which time I will be able to complete a more thorough and precise resume.

I would appreciate hearing something more about what the position would entail. If you have a formal job description, some sense of what the work would involve, what the responsibilities and focus of the position would be, I’d appreciate receiving that information. It will give me a better sense of whether or not I’m the person you’re looking for.

For the moment I can be reached c/o Vicar for Priests Office, 645 North Michigan Avenue, Suite 543, Chicago IL 60611.

Sincerely yours,

Fr. Walter G. De Roeck

Re: standby statement on Fr. DeRoeck

Please recycle. Attached is a draft of a new standby statement on Fr. DeRoeck for your review and approval. Both Jim Vodak and I will be out of the office next week, and if someone from the media decides to call about Fr. DeRoeck's status (and I really doubt that anyone will, but it's still a possibility), Mary McDonough will be prepared in our absence.

Parishioners of St. Celestine
3020 N 76th Court
Elmwood Park, IL 60707

Dear Parishioners:

As you know, Cardinal George accepted the resignation of Father Walter DeRoeck as your pastor. He asked the Priests’ Placement Board to review the situation and determine as to how best we should proceed.

This past Wednesday, I met with the parish staff in the afternoon. They shared with me their perspectives on how the parish is doing and their wisdom as to how we should proceed. Later that evening, Father Martin O’Donovan, Chairman of the Placement Board and Bishop Thad Jakubowski, joined me. We met with several parishioners in leadership positions. They also shared their perspective and wisdom.

There was strong consensus that we go forward with moving towards making a recommendation for the pastorate. Much of the information that we generally obtain for a parish consultation was gathered a couple of years ago. The sense of parish leadership was that the Placement Board should proceed with our usual process of reviewing candidates, consult with Bishop Jakubowski and make a final recommendation to Cardinal George, as is our process. The Placement Board, within the next few weeks, will review our list of candidates and submit to Cardinal George the person we feel most confident to serve as your next pastor.

On behalf of the Placement Board, I wish to express our gratitude for all those who have met with us recently. Please know of our prayerful concern for you. We know the past several months have been difficult. In spite of this, the spirit and vitality of St. Celestine’s is a blessing.

Sincerely,

Reverend Jeremiah M. Boland
Executive Secretary
Diocesan Priests’ Placement Board
St. Celestine: Jerry and Marty O'Donovan conducted the meeting at St. Celestine's on October 13th. The following letter was sent to the parishioners:

RE: Review Board Meeting – Rev. Walter DeRoeck

In light of the fact that Father DeRoeck will be on October 20, 1999, the Review Board directed the PFRA to draw up a strict protocol for Fr. DeRoeck. Among other things, the protocol should include restrictions on being alone with a minor without another responsible adult present, not travelling or staying overnight alone without permission from the PFRA, residence at Koenig Hall, no public ministry or identification as a priest, keeping a log, etc. The Board also expressed its concern that any work assigned to Fr. DeRoeck by the Archdiocese not be in a high-profile position.

The Individual Specific Protocol (ISP) reflects the primary goal of protecting minors and the integrity of the Church. Additionally, the ISP serves as a safeguard for the individual priest/deacon with regard to the possibility of subsequent allegations.

Professional Fitness Review clients will be subject to appropriate restrictions and monitoring by the Professional Fitness Review Administrator throughout the life of the individual as a priest/deacon in the Archdiocese of Chicago.

The ISP for **Fr. Walter De Roeck** includes but is not limited to the following:

1. Restricted from being alone with minors without the presence of another responsible adult.
2. Prior approval required from Review Administrator (PFRA) for vacations and nights spent away from residence.
3. Call into PFRA each day.
4. Prohibited from wearing Roman collar.
5. Prior approval required from PFRA and Vicar for Priests (VP) for public celebration of Mass and other religious services: weddings, baptisms, funerals, etc.
6. On-site monitor, Ed Siedlecki, to be informed of overnights away from Koenig Hall.
7. Another responsible adult known to PFRA to accompany Fr. De Roeck on all overnights.
8. Complete Client Daily Log. Receipts, ticket stubs, etc. should accompany log and be submitted monthly to PFRA.
9. 
10. Prohibited from use of Michigan House pending review of [redacted].
11. All contact with individuals from former parishes/ministerial assignments must be pre-approved by PFRA and VP Office, including participation in parish activities (weddings, social events, etc.).
12. This is a working document which can be changed, altered or superceded when there is an indicated need to do so.
13. In order to change this protocol, prior approval must be obtained from the Professional Fitness Review Board.

14. A copy of this Protocol will be kept on file in Professional Fitness Review and Vicar for Priests Offices.

I have reviewed, understand, and agree to all requirements of this Protocol.

Re: Wally DeRoeck

Date: December 1, 1999

I spoke to Wally yesterday from my car phone. He sounded better. He said he was bust enough getting settled, moving his things:

I told him to always talk to me before releasing anything to the PFRBd.

I brought up the fact that both vacation or vicinage his mother and the idea of work at the Communications Office should not be brought up to the Board until after the first of the year. He understood, but was concerned about the cost of airline tickets, if not done soon. We talked about Larry and Wally flying to San Francisco (later I thought of Oakland together).

Dear Father De Roeck,

While recently reviewing salaries for Professional Fitness Review Clients, it was noted that the Archdiocese is currently paying you a Pastor’s monthly salary, plus increment, - 10% to defray expenses incurred. This results in a monthly check of $1,557.00 monthly or $18,684 annually.

Principles for determining client salary include the following:

- All PFR clients are to be paid an Associate Pastor’s salary factoring in year of ordination.

- This base salary will be paid to the client monthly (1st of each month) provided the following conditions are met:

1. Individual Protocol is followed.

2. [Redacted] legal fees, etc.

3. When appropriate, the client contributes to, works for, or accepts an assignment from the Archdiocese.

- Ten percent (10%) is to be withheld from the monthly salary to acknowledge an effort to reimburse the Archdiocese for expenses incurred.

In light of your formal resignation as pastor of St. Celestine, and in keeping with these principles, effective January 1, 2000, you will be paid 90% of the Associate Pastor’s base salary plus increment. Monthly checks will be in the amount of $1,401.37 for a total of $16,819.50 annually.

If you have questions regarding these changes, please contact me at 312-751-5206.

Dear Kathleen,

After our phone conversation this morning about my going to visit my mom and the rest of the family in California, I realized that the typical form was not providing the answers you and/or the Board would want. That is why I am providing the following data:

I would be leaving Chicago on Monday, February 28 and returning on Thursday, March 9. Fr. Larry McBrady will accompany me on the flight to California and Fr. John Baldwin, Chicago priest and friend of Fr. Dan Coughlin, would be accompanying me on the return flight.

While I am in California, I will be staying with my mother, [redacted].

With this information on hand, please let me know how the Travel/Vacation Agreement form should be filled out. As to statement #3 on the form, I did not know how to fill that in because I was not aware if routine for calling in is different when on vacation. Please advise on this as well.

Finally, what signatures are required: McBrady’s, Baldwin’s, my mother’s? Again, please advise.

Thanks for your assistance in all this.

Sincerely,

Dear Kathleen,

As per your request in our telephone conversation earlier today, and having shared that same information with the Vicar for Priests, Fr. Dan Coughlin, on January 19, 2000, I am hereby documenting the events of January 18, 2000.

At 7:51 AM my private line rang and I picked it up with a simple “Hello.” The male voice at the other end said “Father De Roeck?” I replied simply: “Yes”, at which point the person hung up. I contacted the phone company immediately and learned that calling *69 could give me information about the last incoming phone call. I did as instructed and learned that the number of the individual calling was (___) ________.

I knew there was a reverse directory and tried contacting my brother, ____, for that number. I got his voice mail, so I contacted the local Library in __________. Their reference department gave me the phone number of the reverse directory, which I then called, only to learn that the phone number I requested, i.e. (___) ________ was not listed. Then I called the number myself (don’t recall exactly what time that morning, but before 11 AM) and got an answering machine/voicemail: “This is ____, I’m not in right now...etc.” I did not leave a message, nor did I pursue it further, since the voice did not sound familiar. I then decided to tell the Vicar at the earliest opportunity, which I did the next day as referred to above.

Thanks for your helpfulness in this matter.

Sincerely,

Fr. Walter De Roeck

Monitoring of Internet Access for PFR clients

In light of Fr. Siedlecki’s inquiry about Fr. De Roeck’s request for Internet access on computer, the Review Board recommended that all protocols with priests who use the Internet be amended to add a provision requiring them to provide the PFR Administrator with a printout of the history of Internet sites visited. This comes out of a concern to take precautions against inappropriate sites being visited by priests under protocol.

The next regularly scheduled meeting is March 18, 2000.

Dear Dan,

Since I wasn't sure when you'd return from your Florida trip, thought I'd drop you this line now, since I'll be gone from 28 February through 9 March.

As you know, I've expressed interest in going back to Gethsemani for retreat. It is one of my favorite places for that type of experience. One of my good friends, a Marianist, Brother, presently stationed in Cleveland, asked if I would be willing to go down to Gethsemani with him the week of March 27th. We would also be able to connect with our mutual friend, the monk down there whom you also know. I contacted who was delighted at the prospect of our coming there; space was available for that week, so I made a tentative reservation, pending OK from our respective "powers that be". Brother has gotten the approval from the Marianists.

Can he and/or serve as my approved companions for this retreat week?

The timing is right for me; my last retreat was Winter of '99. Since I don't yet have a ministry position, it would be good to take advantage of this "free time" to go on retreat now.

Thought I'd check this out with you first before contacting Kathleen Leggdas about this possibility. Hope to hear from you soon upon my return.

Thanks for your help. God bless.

Dear Father DeRoeck,

The Review Board was recently asked to consider the need/efficacy of monitoring Internet access for Professional Fitness Review clients. Out of concern to take precautions against inappropriate sites being visited by priests under protocol, the Review Board made the following recommendations:

That all protocols with priests who use the Internet be amended to add a provision requiring them to provide the Administrator with a monthly printout of Internet sites visited.

Effective March 1, 2000 please be advised that you are required to send this printout to my attention by the fifth (5th) of the following month, April 5th being the first due date.

Thank you in advance for your cooperation in this matter.

Dear Kathleen,

I am asking permission to go on retreat to the Abbey of Gethsemani, located in Trappist, Kentucky from March 27 until March 31. I have checked and they have space for me. Since it has been over a year since my annual retreat and since I am not yet involved in any kind of diocesan work, the timing is right.

A friend of mine, Brother [redacted], a Marianist stationed in Cleveland, has agreed to accompany me there and back. His community has already approved his going. He would arrange to take the train to Chicago, after which we would drive down together (about a seven hour trip from downtown Chicago). The timing works out well for [redacted]'s calendar.

[redacted], a Trappist monk stationed at Gethsemani, is a mutual friend of Fr. Dan Coughlin, Brother [redacted] and myself. He could certainly also serve as a contact to confirm my stay there for those five days.

Please let me know at your earliest convenience if this is acceptable so I can contact the Abbey regarding the reservation.

As Dan Coughlin knows, I have been to Gethsemani for retreat a number of times and have expressed to him my hope to return there for my retreat this year.

Thanks for your consideration of my request.

Re: Walter De Roeck
From: A.J.McDonagh
Date: May 20, 2000

1) On 5/20/00 I consulted with Fr. Pat O’Malley for ½ hour about Fr. Walter De Roeck’s case. P.O’M. reminded me to make sure W.DeRoeck had an attorney. He also advised me not to send any documents to the Fitness Review Board unless W.DeRoeck’s attorney agrees. It is not a matter of concealing any material from the FRB. They are quite capable of understanding it but because there is another discipline involved.

2)

3) I met with W.DeR. at Villa for about 1½ to 2 hours May 20, 2000 - discussed the attorney issue. He told me he had talked to attorney before but decided against it. He now agrees to meet with Cynthia Giachetti on Tuesday at 12:30 (5/23/00). Wally and I each now have a set of documents.

Wally is aware that he most likely will not be able to continue to function in priestly ministry. He is hoping to participate in communication ministry. He has written to Archdiocesan head of ministry but has not heard from him. I advised Wally that I would explain to Kathleen Leggdes and the Fitness Review Board that the delay was occasioned by the Vicar of Priests Office and myself.

4)

On 5/25/00 Ms. Giachetti called to let me know that her meeting with WDR was satisfactory. She is hoping to have a response for the GRB before 6/19/00.

On 5/25/00 I also talked to WDR who was happy with Cindy. He also talked to K. Leggdes and said there a big improvement in relationship.

Dear Kathleen,

I am writing to you in connection with my Individual Specific Protocol point #5 which reads: "Prior approval required from PFRA and Vicar for Priests (VP) for public celebration of Mass and other religious services: weddings, baptisms, funerals, etc."

As you can see from the enclosed letter, [redacted] has approached me about the possibility of presiding at her wedding. She and her fiancé, [redacted], had come to me on March 4, 1999 to begin the process of preparation for marriage. At that time they had not yet set the date, but were anxious about doing the FOCCUS inventory prior to partaking in a formal Pre-Cana program.

Upon my return to the Chicago area in November 1999, she wrote me a note about her still wanting me to preside at their wedding. At that time I explained that some restrictions had been placed upon my ministry and that approval would need to be obtained before that could happen. Since it was relatively early in the process, I asked her to get back to me about all this in June. Thus, the enclosed letter, which I send on to you because it captures well the extent to which I have been a part of [redacted]'s life, as well as that of her family.

[redacted] does not mention in her recent letter the specifics of the wedding day. The location is St. Paul of the Cross Church (Park Ridge), where I first met the family 29 years ago. The date of the wedding is [redacted].

Needless to say, I am hoping and praying for a favorable response to the request. This family and I have been very close for a long time.

Sincerely,

Fr. Walter De Roeck

Dear Wally:

I am enclosing a protocol that comes from our Legal Department. It pertains to the use of a lawyer by an individual priest. Please note that the highlighted section pertains to you. Because of the extensive costs being incurred by the Archdiocese for your [REDACTED], it is customary to place some limits on the use of the lawyers funded by the Archdiocese. I hope you can understand the need for this and, if you have any questions, please feel free to give me a call.

I am sorry that you and I have not gotten together. The problems with my back continue to limit my ability to get around. Thank you for the videos. I appreciated being able to see those two in particular.

Dear Father De Roeck,

It hardly seems possible that it has been more than six months since we last met. As you may recall, the protocol requires that we meet a minimum of twice annually. This gives us an opportunity to discuss your protocol restrictions in light of your current status and enables me to more clearly relate your progress, needs, and concerns to the members of the Review Board.

With the arrival of Father James Kaczorowski, some of you have been assigned a new Vicar. For your information, your current Vicar is now Father Larry McBrady. He and I would like to meet with you at my office before September 15, 2000. This will allow for summer vacations not yet taken and enable us to find a time that is mutually agreeable to each of us.

Please call me with a couple of dates at your earliest convenience.

Thanks in advance for your attention to this matter. If there are other ways our office can be of assistance to you, I would be happy to hear from you at this time as well.

Dear Kathleen,

I am writing this letter to you at this time as a follow up on a conversation we had recently and by way of clarification for the Board when they meet in August. This is in regard to my request to go to California in November to be with my family for the big celebration of our mother’s 80th birthday on the 17th of that month. I would like to stay through the Thanksgiving holidays, returning on Monday, November 27th. It’s an expensive proposition to fly out to California, so the extra days would really make it worthwhile.

Because of the holiday and weekends involved I would only miss five (5) days of work. And because I don’t have parish responsibilities on Thanksgiving Day, it would be the first time ever that I’d be able to celebrate that special family holiday with my mother and my sisters and their families there in [Su]. As you know, one of my sisters out there is [Sister], so the significance of my being with them is all the more important to me. My brother who is the only member of my immediate family here in the Chicago area usually spends Thanksgiving with the family of his wife, my sister-in-law. Last November, as you might recall, I spent Thanksgiving dinner with Fr. Larry McBrady and his mother. I would have liked to have been in California for Mom’s turkey.

Unlike other brother priests in the area living with restrictions, I am unable to see my mother on a regular basis because of geography. I am jealous of Ralph, for example, who not only sees his mother weekly, but he is able to stay overnight at her home. I last saw my mother in early March of this year; prior to that I had last seen her in February 1999.

As to the specifics of the proposed trip, here are the details:

My brother and my niece would be flying out there with me. Because of school for her, he plans to return to Chicago on Monday, November 20. This would allow him to be home with his wife and little son and his in-laws for their traditional Thanksgiving celebration.

Fr. Steve Patte had originally indicated that he would go on retreat to California and could arrange to return with me on Monday, November 27. As you know, it is less complicated and not as expensive to return on the Monday, rather than the Sunday after the Thanksgiving holiday.
But, because of the family nature of Thanksgiving, Fr. Steve Patte changed his mind. He wanted to be with his family here in Chicago on that day. That is understandable.

With this in mind, I contacted the Vicar for Priests, Fr. Larry McBrady, to see if we could work out an arrangement similar to the one that had worked out so successfully last March, when another priest backed out and arrangements were made to have American Airlines personnel confirm my being on the return flight and the person picking me up at O'Hare calling in to the Vicar's office to confirm my having arrived back in Chicago.

Fr. Larry McBrady indicated that he would be willing to arrange for that again.

My family support system is very important to me, as you know. Unfortunately distance and finances allow me to see them all too rarely. I hope that the Board will make it possible for me to spend Thanksgiving with my mother, sisters and their families. Thanks for your consideration of this request.

Respectfully,

Fr. Walter G. De Roeck

Re: Review Board Meeting – Rev. Walter G. De Roeck

Date: August 19, 2000

In response to Father De Roeck’s request, the Board recommended that Father De Roeck be allowed to attend his mother’s 80th birthday party in California November 17-20 as long as he travels there and back with his brother.

The Board also recommended that Father De Roeck begin working for a trial period to be reviewed by the Review Board within three months. The job will be to write background text for the Office of Communication under the supervision of Jim Vodak. Father De Roeck is to do this work at Koenig Hall in Mundelein, not at the Archdiocesan Pastoral Center.

9/5/2000 - FGR accepted above recommendations, but indicated that Fr. De Roeck could stay if he finds another responsible adult to travel with him. FGR agrees that Fr. De Roeck should not travel alone, but it is not the Review Board’s task to find him a traveling companion.

Discussion focused on current protocol and fact that no changes will be made at this time. Review Board Members require further information, which Father De Roeck is unable to disclose per attorney’s advice.

Further discussion focused on the recent Board decision that Father De Roeck not extend his November visit to California beyond the time his brother will be there.

Rather than meet with Board members in person, he will prepare a written appeal to be presented by PFRA at the September 16, 2000 meeting.

Father De Roeck will be working 30 hours a week for the Office of Communications. Board will review in 3 months.

Dear Membership of the Board,

In light of the concerns you expressed at your August 19th meeting about my extending my visit to my mother through the Thanksgiving holiday weekend, may I share some information that addresses those concerns.

The proposed plans are similar to those of my previous trip to see mom and my sisters and their families. That was from February 28 to March 9, 2000 – a ten day stay. My visits in the past have focused on familial connection; that is every bit the case this time as well.

In a recent conversation with Kathleen Leggdas and Fr. Larry McBrady, the issue of appropriate monitoring came up as a key factor in your discussions. While my brother would be traveling with me, he would indeed wish to return to Chicago on Monday, November 20. He understands that he will be asked to sign the form committing to monitoring my whereabouts and activity while in California. However, I did not communicate clearly that my two sisters would also be willing to act as monitors for the days after my brother’s return. Fr. Larry McBrady, who has known our family since our growing up years and has continued to stay in touch with us all, can vouch for their veracity and their taking the monitoring seriously. At the recent meeting he volunteered that he would be available to the Board to speak to that. Kathleen Leggdas asked whether I would be opposed to her speaking to my two sisters. I have no objections to that since they are aware of the situation and of the restrictions to which I am bound.

I also indicated a willingness to be monitored by [REDACTED] diocesan officials while out there. If it is deemed appropriate, I am willing to call in more frequently as well.

As indicated in my letter to Kathleen Leggdas dated July 20, 2000, the contents of which I understand she shared with you in August, family is very important to me. I also know full well that my mother’s 80th is a clear reminder to me that life is short. Our time with her is brief. I don’t know how many more opportunities I will have to see her and spend some quality moments with her before she is called to her eternal reward. Being so far away geographically during this past difficult year and a half has been hard on her.

I respectfully request that, in light of this additional data, you might consider reviewing my request to be with my family through the Thanksgiving days. My thanks.

Sincerely,

Dear Kathleen,

Attached please find the letter I had composed as a follow-up to our recent conversation. Granted our conversation yesterday re Cardinal’s comments, I would still like the Board to have a copy of my appeal and response to their concerns, for the record.

I would also appreciate if you gave them a copy of the letter I addressed to you, the contents of which you shared with them at your August meeting.

Thanks, as always, for your help and guidance.

Dear Cardinal George,

Please be advised that the Review Board fully considered Father Walter De Roeck’s appeal of their recommendation that he not return to Chicago alone from his trip to California in November of this year.

Given the fact that Father De Roeck will travel to California with his brother and that both of his sisters have agreed to serve as monitor during the extended stay, the Review Board is recommending to you that he be allowed to stay the additional days through the Thanksgiving Holiday and return to Chicago on Monday, November 27, 2000.

If you have any questions regarding this matter please contact me at your convenience.

Dear Father De Roeck,

I received your letter dated September 6, 2000. The Review Board is not meeting in September. The next regularly scheduled meeting is October 21, 2000. This would, I suspect, be too late to wait to review your appeal. Consequently, I have not sent copies of your letters to the Board Members.

In order to save time, I called Board Members to see if I could get a quorum vote (5 of the 9 members) to approve your proposal.

Since I spoke with each of your sisters and they agreed to sign the Archdiocesan Monitor Agreement, the Review Board Members have reconsidered their recommendation to Cardinal George.

The recommendation is to extend your trip through the Thanksgiving Holiday with a return of Monday, November 27, 2000.

One of your sisters will be responsible for taking you to the airport for a non-stop flight to Chicago O’Hare. Please let me know who will be picking you up at O’Hare upon your return.

Dear [Name]

Since I last spoke with you, the Review Board has reconsidered Wally’s request to extend his November vacation through November 27th. This is in large part due to your willingness to serve as Monitor for the Archdiocese while Wally is away.

As we discussed, I have enclosed a Travel/Vacation Agreement for you to read, sign and return to me prior to the trip. These requirements serve to protect Wally from further damaging allegations and demonstrate that the Archdiocese is practicing due diligence with regard to the priest.

If you have questions concerning the document, or questions during the travel time, please do not hesitate to call me at 312-751-5205.

Thank you again on behalf of the Archdiocese and the Review Board for your willingness to serve in this capacity.

Sincerely,

Kathleen Leggdas

Memo to File: PFR-62
From: Kathleen Leggdas, Administrator
Re: Meeting with Father De Roeck
Date: October 17, 2000

Wally and I met to review his list of maintenance and repair requests made to Father John Michet. PFRA felt list was unrealistic in light of the fact that the Review Board has just invested $16,000 into paint and renovations. Detailed list did not allow for restoration of areas to their original state or for the fact that Retreat House Staff have other responsibilities or that some of this should be completed by the residents themselves.

It was agreed upon that the men living in Koenig Hall will be responsible for their own set of rooms - vacuuming, dusting, emptying waste baskets, etc. Housekeeping will take care of all common areas. If the kitchen is used, the person who uses it will be responsible for cleaning up and maintaining the area.

Wally agreed to clean out the linen cabinet since he is the only one currently using the supplies. He will set up and maintain a system. The other resident has his personal linens and does not use this supply.

Wally and I also talked about the fact that his requests appear to be demands and that he gives me, Kathy and Father Michet the sense that he is entitled to “better service.” I tried to clarify the fact that this is not a hotel and that the men who live in this area are ultimately responsible for the condition of the area.

I did not authorize repair of the scratches on his piano. They are minimal and would be costly to complete if a wood finisher were brought in. I did agree to talk to Father Michet about the condition of the stairwells and the sacristy.

I reminded him that he is NOT to travel alone and that he IS to complete the Vacation Form provided by our office for his use. He indicated that he though he could travel to ___ without a companion. I clarified that the destination was not the issue – the protocol restricts him from traveling alone – anywhere.

RE: Walter De Roeck

Wally came to see me this past Friday and requested permission to celebrate a private Mass with three participants at the Cardinal Stritch Retreat House on November 12. The purpose of this liturgy is to offer a Mass for the deceased mother of one of the participants. Wally was at the time of the death and missed both the wake and the funeral.

I feel this is a legitimate request and feel we should give our permission. What do you think?

Dear Father De Roeck,

It has been a year since we last reviewed your Individual Specific Protocol for the Professional Fitness Review Board. Since this needs to be updated annually, I have enclosed the most recent for your signature.

One addition has been made to the standard requirements: “Submit a list of all sites visited on the Internet to the PFRA monthly.” Needless to say, this is meant only for those of you who “surf the net.”

Any changes made as a result of a Supplementary Review by the Board have been incorporated into your protocol. If you have any questions about content or interpretation, please call to clarify before you sign.

Return the signed Protocol to me by December 1, 2000. Retain a copy for your file.

Thanks in advance for your attention to this matter.

Sincerely,

The Individual Specific Protocol (ISP) reflects the primary goal of protecting minors and the integrity of the Church. Additionally, the ISP serves as a safeguard for the individual priest/deacon with regard to the possibility of subsequent allegations.

Professional Fitness Review clients will be subject to appropriate restrictions and monitoring by the Professional Fitness Review Administrator throughout the life of the individual as a priest/deacon in the Archdiocese of Chicago.

The ISP for Fr. Walter De Roeck includes but is not limited to the following:

1. Restricted from being alone with minors without the presence of another responsible adult.
2. Prior approval required from Review Administrator (PFRA) for vacations and nights spent away from residence.
3. Call into PFRA each day.
4. Prohibited from wearing Roman collar.
5. Prior approval required from PFRA and Vicar for Priests (VP) for public celebration of Mass and other religious services: weddings, baptisms, funerals, etc.
6. On-site monitor to be informed of overnights away from Koenig Hall.
7. Another responsible adult known to PFRA to accompany Fr. De Roeck on all overnights.
8. Complete Client Daily Log. Receipts, ticket stubs, etc. should accompany log and be submitted monthly to PFRA.
10. All contact with individuals from former parishes/ministerial assignments must be pre-approved by PFRA and VP Office, including participation in parish activities (weddings, social events, etc.).
11. Submit report all sites visited on the Internet to PFRA monthly.
12. In order to change this protocol, prior approval must be obtained from the Professional Fitness Review Board.
13. A copy of this Protocol will be kept on file in Professional Fitness Review and Vicar for Priests Offices.

I have reviewed, understand, and agree to all requirements of this Protocol.

Re: Rev. Walter G. DeRoeck

Summary of discussion from the Professional Fitness Review Board Meeting on March 17, 2001:

We reviewed the letter from Father De Roeck which informed us of his plans to resign from the active ministry. Although when a man leaves the priesthood he is “off our screen” there are still some legal cases pending against him. W.D. plans to attend a workshop at [redacted]. We spoke a bit more about the archdiocese’s relationship with W.D. and the possibility of other possible allegations. It was noted that when he leaves the priesthood W.D. is on his own (although the archdiocese gives him some sort of package), but the Church could be held liable for what happened while he was still in the ministry. This letter from W.D. was considered “F.Y.I.” and we have no problem with this trip.

Dear Father De Roeck,

Your check for July reflects an increase in salary based on the Salary Scale for Priests of the Archdiocese of Chicago.

Professional Fitness Review salaries are calculated by using an Associate Pastor base salary and adding the years since ordination. Ten percent is deducted for expenses you incur as a PFR client. That total is then divided by 12 to produce the monthly wage figure.

If you have questions regarding the amount, please call me at 312-751-5205.

Sincerely,

Kathleen Leggdas

Dear Larry,

Thanks again, Larry, for all you’ve put into this transition process and all the care you have shown these last couple of years. It has been difficult for you because of the levels of relationship we’ve had over the years. I am well aware of the stress it has brought into your life and I’m deeply sorry about that.

I look forward to hearing from you in the near future.

I hope your first few days in your new home are going well and that you are able to feel a sense of peace concerning your decision. Following up on our recent conversation at Mundelein, I wish to remind you that you will be covered on our car insurance through February 28, 2002. Also, you will be covered on our health insurance through August 31, 2003. Hopefully this will relieve some financial pressure and simplify your time of transition.

Dear Wally:

I received your letter of August 21 in which you indicated your decision to resign from the active ministry. I appreciate the struggles that you have gone through over the past few years in coming to this decision. You have been in my prayers during this difficult time in your life. I hope that you have come to some sense of peace about the reasons why you could not minister publicly as a priest.

Although I accept your letter of resignation, I also want to express my gratitude to you for your service to the people of the Archdiocese of Chicago. You brought the sacramental presence of Christ to the faithful, helping them to celebrate the mystery of God among us. For that, I am deeply grateful.

Since the only true way of leaving the ordained priesthood is through the process of laicization, I was encouraged that you have also completed the process that leads to a dispensation from the obligations of the clerical state. I hope this allows you to come to some sense of closure about your priestly ministry in the Archdiocese of Chicago.

I also realize you may also have questions about what you may or may not do as a priest who has resigned from active ministry. For that reason, I have asked Father Pat Lagges to write to you about this matter.

Again, I am grateful for all your ministry to the Archdiocese of Chicago in the past. You are in my prayers; please keep me in yours.

Sincerely yours in Christ,

Francis Cardinal George, O.M.I.
Archbishop of Chicago

Dear Wally:

Cardinal George has asked me to write to you about the practical implications of your decision to resign from the active ministry. I know from talking with you in the laicization process that this has been a difficult decision for you. I hope that this decision has brought you to a sense of peace, and that the Lord's own peace, which always goes beyond our understanding, will fill your life in the years to come.

With regard to what it means in practical terms to resign from active ministry, it means that you are no longer authorized to exercise public ministry in the name of the Church, or to present yourself as a priest or a representative of the Archdiocese of Chicago. I know that you have been very faithful to these restrictions which were placed on your ministry in the past. So in practical terms, this doesn't mean anything more than what you already agreed to. It also means that you are no longer authorized by the State of Illinois to witness marriages. However, you may still administer the sacrament of Penance to someone who is in danger of death.

Although your ministry as a priest is restricted, you can most certainly participate in the life of the Church in the same way that any baptized person can. It is probably even more important in this time that you feel a strong sense of God's presence in your life, and feel the support of God's people.

If there's any way that I can be of help to you, Wally, please feel free to call me. I will keep you informed about the progress of your laicization case in Rome and will notify you as soon as I hear anything.

Fraternally,

(Rev.) Patrick R. Lagges
Vicar for Canonical Services
November 9, 2001

Dear Larry,

Some odds and ends I hope you can clarify for me and clean up unfinished business.

Secondly, I am in possession of documents re death benefits, the first (effective October 1, 1975) said my beneficiary would receive $2000; In July 1993 I received a letter from PRMAA indicating that that figure had risen to $5000. Will that still be in effect when the day of my death occurs? I am trying to put much paperwork in order for my brother, so it would be helpful to know if this is part of the equation. Here's hoping it is!

So far, the job hunt has not been very successful; I guess I did not pick the best time to exit, the economic situation being as precarious as it is. Prayer and encouraging words and leads are all welcome at this point; bills need paying and insurance needs to be procured when diocesan coverage comes to an end. Keep in touch.

Thanks for all your help thusfar.

Re: [Name redacted] and [Name redacted]

Dear Cardinal George:

Our office represents [Name redacted] of [City, State] Illinois and [Name redacted] of [City, State] Illinois. Between 1982 and 1985, when [Name redacted] were between 14 and 17 years of age, each was sexually molested by Father Walter DeRoeck of the Catholic Diocese of Chicago. The abuse took place at various places including in the rectory of St. John Birchman’s Parish in the Logan Square neighborhood of Chicago, in a vacation home partially owned by Father DeRoeck in Michigan City, Indiana, and on trips Father DeRoeck took with these individuals to both [City, State] and [City, State].

[Name redacted] and [Name redacted] would like to meet with you and your counsel personally so that they can provide you with the details of the abuse. I would suggest that our meeting take place in our offices in Chicago.

Our firm has been involved in clerical abuse cases across the country for more than 10 years. We have met with [Name redacted] and [Name redacted], and their story of abuse is a shocking one, even in the context of other matters our firm has handled. Moreover, it is the concern of [Name redacted] and [Name redacted] that there may be other victims of Father DeRoeck who are in need of treatment and assistance. These gentlemen are equally concerned that Father DeRoeck may still have access to children.
We hope that this matter is addressed by the Diocese with the urgency it requires. I look forward to hearing from your counsel at his or her earliest convenience. My office number is [redacted]. My cell phone number is [redacted].

Very truly yours,

Re: [Redacted] and [Redacted]/Father Walter DeRoeck

Dear [Redacted]:

I am acknowledging your letter of April 19, 2002 to Francis Cardinal George and your letter of May 14, 2002 to Jimmy Lago. I am passing these letters on to Ms. Kathleen Leggdas, Professional Fitness Review Administrator of the Archdiocese of Chicago. It is my understanding that she has spoken to you about this matter. I also want to make sure that you are aware of the Archdiocese's Office of Assistance Ministry, which provides assistance at the Archdiocese's expense for people who have been injured as a result of sexual misconduct by a priest. Please feel free to contact Mr. Ralph Bonaccorsi (312-751-8293), who is in charge of that office, to arrange such assistance. Your letters to Cardinal George and Jimmy Lago have been referred to me because I represent the Archdiocese in situations where someone is pursuing a claim regarding sexual misconduct with a minor by a priest. Please direct any correspondence regarding such a claim to me.

If you have any questions about any of this, please do not hesitate to call.

Very truly yours,

James A. Serritella

Re: Rev. Walter G. DeRoeck (Resigend) Response to Allegations made by [redacted] and [redacted]
Date: September 13, 2002

Date of Interview: September 9, 2002       Time: 1:00pm

Present at Interview (via phone)
Walter DeRoek, [WDR]
Leah McCluskey, Interim, Professional Fitness Review Administrator [PFRA]
Fr. James Kaczorowski, Vicar for Priests [VP]

Phone Interview
VP and PFRA contacted WDR via phone at the scheduled time in order to present allegations of sexual misconduct that were made by two separate alleged victims, [redacted] and [redacted]. PFRA described the responsibilities of the Office of Professional Fitness Review as well as those of PFRA to WDR.

In regards to specific allegations made by [redacted], WDR stated that [redacted] did call him “Wally.”

WDR stated that [redacted] did use drugs and alcohol with other minors in his [WDR’s] presence, however WDR denies providing the mentioned substances to the youth. As per WDR, he did not.

WDR confirmed that he brought [redacted] to [redacted] with him.
WDR also confirmed that he went on a trip with [redacted], but that the only members of the party were WDR, [redacted], and [redacted] (an individual whom WDR identified as “one of the young men who came forward three years ago”).

PFRA asked WDR if there were drugs and alcohol used on the mentioned trip. WDR stated that he remembers “beers” but that no drugs were used.

PFRA then asked WDR specific questions regarding both [redacted] and [redacted]’s allegations of sexual misconduct. WDR denied that he showed any minors his nipple and/or penis piercings or tattoos. WDR confirmed that he did go to [redacted] with [redacted] (on two separate occasions) and with [redacted] (on one occasion he joined [redacted] and WDR). WDR does not recall if [redacted] and [redacted] were minors at the time. While in [redacted], WDR denied [redacted] as alleged by [redacted]. WDR estimated that [redacted] and [redacted] were invited to his (WDR’s) home in Michigan City, Indiana approximately 10-15 times. During these visits, WDR confirmed that the minors used alcohol and drugs, but that he did not supply nor use the drugs with them. WDR then stated that he might have had one beer with the minors, but “nothing heavy.”

WDR does not recall masturbating with any minors. WDR confirmed that he did share sexual fantasies with the minors, but could not recall what specifically was shared.

PFRA asked WDR if any incidents of misconduct occurred at St. John Berchman’s. WDR recalls minors using drugs and alcohol in the rectory approximately five times, but that he did not provide nor use the drugs with them. WDR confirmed that he and [redacted] engaged in oral sex, but that there was no masturbation.

WDR asked what was the purpose of the presentation of the allegations. VP explained the Review Board process to WDR. VP also informed WDR that the State’s Attorney’s office had been notified of the allegations, as is true of every allegation that is presented to the Archdiocese.

Throughout the entire interview, WDR was extremely open and candid with his responses. WDR was cooperative and straightforward when responding to the allegations and questions posed by both PFRA and VP.

IN THE CIRCUIT COURT OF COOK COUNTY, ILLINOIS
COUNTY DEPARTMENT- CHANCERY DIVISION

Mother Doe 100, individually and as representative of the minor John Doe 100, on behalf of themselves and all others similarly situated,

vs.

The Archdiocese of Chicago d/b/a The Catholic Bishop of Chicago, a corporation sole,

Defendant.

CLASS ACTION COMPLAINT

NOW COMES the Plaintiffs, individually and on behalf of all others similarly situated, by and through their attorneys, JEFF ANDERSON & ASSOCIATES and KERNS, PITROF, FROST & PEARLMAN, to obtain declaratory and injunctive relief against Defendant, states as follows:

INTRODUCTION

1. This Complaint seeks declaratory judgment and injunctive relief against the Archdiocese of Chicago. The Archdiocese of Chicago has established a policy of harboring and protecting suspected child molesting agents, thereby endangering numerous children in Illinois. The Archdiocese has information about a number of suspected child molesting agents that it has never disclosed to law enforcement or the public at large, thereby causing children such as John Doe 100 to be harmed. Further, on information and belief, the Archdiocese has a policy and
practice of document destruction. This declaratory relief and injunction action seeks to have the Archdiocese produce all documents regarding the molestation of children by its agents for court supervision, to release the names of all agents accused of molesting children to the court and to the public, and to enjoin the Archdiocese from destroying any documents regarding suspected childhood sexual abuse by its agents.

JURISDICTION AND VENUE

2. This Court has jurisdiction over this action because it seeks to redress violations of the plaintiffs' rights and to protect children in Illinois that are in imminent danger. Venue is proper because the Archdiocese resides in Cook County and the majority of the allegations herein involve occurrences in Cook County.

PARTIES

3. Plaintiff John Doe 100 is a minor. Mother Doe 100 is John Doe 100's mother and legal guardian. At all times material, Plaintiff John Doe 100 was a resident of the State of Illinois. At all times material, Mother Doe 100 was a resident of the State of Illinois.

4. The identities of all Doe Plaintiffs are made known to Defendants through separate cover letter.

5. Plaintiff [redacted] is a thirty-five year old Chicago resident. [redacted] was sexually molested as a child by [redacted], a religious order priest who was serving at a parish within the Archdiocese at the time of the abuse.

6. At all times material, the Catholic Bishop of Chicago, a Corporation Sole (hereinafter "Archdiocese of Chicago") was and is an Illinois corporation. Defendant has approximately eight hundred fifty-four Diocesan priests serving in two counties in the State of
Illinois. At all times material to the complaint, Defendant Archdiocese was conducting business in the State of Illinois.

**CLASS ACTION ALLEGATIONS**

7. Plaintiffs bring this action on behalf of themselves and, pursuant to 735 ILCS 5/2-801, as the representatives of the class of persons who have been molested as children by an agent of the Archdiocese of Chicago and on behalf of those children who have not yet been abused, but who are in imminent danger of abuse because the Archdiocese has not released the names and files of agents that have been accused of molesting children or accused of inappropriate sexual behavior with children to either the public or to the court.

8. The Plaintiff class is so numerous that joinder of all members is impracticable. In its own self report, the Archdiocese asserted that there were 142 cases where they had reason to suspect that an agent had sexually molested a child. These numbers only include information that was reported to the Archdiocese. The underlying data for the results was not disclosed to the public.

9. There are questions of fact or law common to the class, which predominate over questions affecting only individual members. The common questions of law or fact include, but are not limited to: whether the Archdiocese of Chicago has failed to protect children by not releasing the names of its agents who have been accused of molesting children to the public and law enforcement and whether the Archdiocese has or is destroying documents in order to cover up or conceal crimes against children by clergy serving in and/or employed by the Archdiocese.

10. The Plaintiffs will fairly and adequately protect the interests of the class. The interests of the plaintiffs are the same as those of all class members because they have all been
sexually abused by an agent of the Archdiocese of Chicago or are in danger of being molested by an agent of the Archdiocese of Chicago because the Archdiocese’s information is not public. All have an interest in preventing the sexual abuse of any further children by agents of the Archdiocese of Chicago.

11. A class action is an appropriate method for the fair and efficient adjudication of the controversy alleged in this complaint. The expense and burden of individual litigation would make it difficult or impossible for individual members of the class to redress the wrongs done to them. The cost to the court system of adjudication of such individualized litigation would be substantial. Individualized litigation would also present the potential for inconsistent or contradictory judgments and would magnify the delay and expense to all parties and the court system. By contrast, the conduct of this action as a class action presents far fewer management difficulties, conserves the resources of the parties and court system, and protects the rights of each class member. In addition, the prosecution of separate actions by the individual members of the class would create a risk of inconsistent or varying adjudications with respect to individual class members which would establish incompatible standards of conduct for the defendant.

ALLEGATIONS OF FACT

12. (hereinafter "") was ordained a priest of the Archdiocese of Chicago in approximately 1994.

13. At all times material, was employed by the Archdiocese. was an ordained Roman Catholic Priest educated, trained and ordained by, and under the direct supervision, employ, agency and control of the Archdiocese. Among duties in his employment was to provide pastoral care and counseling for
members of his denomination.

14. In approximately the winter of 2000, a nun at Holy Family Church in Chicago reported to the Archdiocese of Chicago that she asked a fourth-grade boy to pull down his pants in the sacristy at Holy Family.

15. The nun reported this numerous times to the Archdiocese.

16. On information and belief, on one occasion when the nun reported it to the Archdiocese, an official told her that "if the parents aren't pushing it, let it go."

17. After these reports, the nun made a final report to the Archdiocese, this one a written report of behavior.

18. On information and belief, in 2000, the Archdiocese did not report to law enforcement, did not tell any of the parishioners at any of the parishes where he worked after these reports, and did not tell any other children or parents about the report.

19. On information and belief, after the nun reported the abuse to the Archdiocese, the Archdiocese transferred him to another parish, St. Agatha's in Chicago.

20. On information and belief, despite the report, the Archdiocese allowed him to teach at an Archdiocesan school and coach a boys basketball team.

22. On information and belief the Bishops passed the Dallas Charter in 2002. The Charter was only enforced, if at all, from within. There was no meaningful external non church
oversight over its enforcement.

23. Cardinal Francis George represented to the public that the Charter was a "zero tolerance" policy that committed them to removal of priests in childhood sexual abuse cases. He also represented to the public that a priest with even one act of sexual misconduct with a child should not be allowed in public ministry in order to protect children.

24. In January of 2003, the Archdiocese released a "Ten Year Report" that purported to give information about the Archdiocese's efforts to stop childhood sexual abuse by clerics in the previous ten years.

25. On information and belief, the Ten Year Report purports to give the current status of priests that were accused of molesting a child anytime from 1993 to 2003. The report indicates that no priest accused of abuse during that time period is in any form of ministry in the Archdiocese of Chicago.

26. The Ten Year Report also states that officials of the Archdiocese have reported all allegations, including those not deemed credible, to the appropriate public authorities.

27. On information and belief, the Archdiocese did not include [redacted] on the Ten Year Report.

28. Also in response to the clergy abuse scandal, the United States Catholic Conference of Bishops agreed to participate in a self report survey conducted by the John Jay College.

29. As part of the John Jay survey, each Diocese submitted the number of priests that had allegations of sexual misconduct with a minor within the particular Diocese.

30. On information and belief there was no oversight over the information that was
given to the John Jay College. It was completely up to the particular Diocese to respond honestly.

31. The John Jay College defined "allegation," as all recorded notifications of clerical sexual misconduct with minors, whether or not they resulted in any investigation or whether there was reasonable cause to suspect abuse had occurred.

32. In 2004, the Archdiocese reported that it had reason to believe that 55 priests had sexual misconduct with a minor.

33. In 2004, Cardinal George and the Archdiocese represented to the public that there were no priests that were accused of childhood sexual abuse that were in public ministry in the Archdiocese of Chicago.

34. On information and belief, the Archdiocese did not include the 2004 John Jay numbers.

35. On information and belief in August of 2005, the Archdiocese learned that law enforcement was investigating for childhood sexual abuse.

36. On information and belief, in August of 2005, the Archdiocese did not inform the law enforcement that a nun had reported that had acted in a sexually inappropriate manner with a child in 2000.

37. On information and belief, just as it did in 2000, the Archdiocese did not report or warn any of the parishioners, the public, or the parents at St. Agatha parish that law enforcement was investigating for childhood sexual abuse.

38. On information and belief, the Archdiocese elevated to a position of authority in the Archdiocese on September 1, 2005. It appointed him as Dean of a Deanery of
the Archdiocese. This is an honored, respected, and supervisory position within the
Archdiocese. This meant that [redacted] was still at St. Agathas, but also had some
supervisory authority over roughly 20 parishes in the Archdiocese.

39. The Archdiocese allowed [redacted] to remain at St. Agathas and in the
position of Dean until at least January of 2006, more four months after the Archdiocese received
at least its second report of sexual misconduct against a minor by [redacted].

40. In January of 2006, Chicago law enforcement arrested [redacted] and charged
him with sexually molesting two boys on multiple occasions.

41. On information and belief, the nun who reported the abuse to the Archdiocese in
2000 was contacted by the Archdiocese the day before [redacted] was arrested. The
Archdiocese indicated to the nun that it did not have the nun’s letter.

42. On information and belief, the Archdiocese also stated publicly that it has no
written record of the nun’s reports or the actual letter.

43. On information and belief, the Archdioceses and Dioceses across the United
States, including the Archdiocese of Chicago, have been instructed to destroy documentation of
sexual misconduct by priests and/or to send any of this material to the Holy See in order to claim
it is immune from public discovery or disclosure.

44. On information and belief, the Archdiocese has not released the names of the 55
priests that it deemed as having reason to suspect committed sexual misconduct with children.

45. On information and belief, the Archdiocese has also not released the names of any
of the other clerics, like [redacted] who were accused of sexual misconduct and are still in
parishes, but not included in the Ten Year Report or the John Jay Survey.
46. Although the Archdiocese had not released the names of offenders, some names of Archdiocesan clerics accused of sexual misconduct have been released during the course of litigation. These names were released in 2005:

1) Richard “Doc” Bartz
2) Robert Becker

47. Names that have not previously been released but who, on information and belief, have been accused of sexual misconduct with a minor:
1) James Flosi

There are also a number of religious order priests who worked in the Archdiocese.

On information and belief, the Archdiocese had control and/or supervision over these clerics while they were working in the Archdiocese. On information and belief, the Archdiocese knows about these clerics' misconduct. On information and belief, those religious order clerics that have been accused of sexual misconduct are:

1) Robert Berlet (Christian Brothers)

50. Neither John Doe 100 nor Mother Doe 100 knew that the Archdiocese had received reports about sexual abuse of children.

COUNT I
(Injunction - Release of Names)

51. Plaintiffs repeat and reallege every paragraph of this complaint as if set forth in Count I.

52. Plaintiffs bring Count I on their own behalf and on behalf of the class of similarly situated persons described in paragraph 7 of this Complaint.

53. The practices of the Archdiocese of Chicago have endangered numerous children in the past and these practices will continue to put children at risk in the future.

54. Plaintiffs and the class have the right to not be sexually molested by clerics of the Archdiocese of Chicago.

55. The Archdiocese owes a duty to warn all children and their parents that come into contact with its clerics of allegations of sexual misconduct by the clerics because these children and their parents hold clerics in an esteemed position, which gives clerics virtually unlimited access to children.

56. The Archdiocese also owes a duty to children and their parents to release all of the names of clerics against whom the Archdiocese has deemed to have credible allegations of
sexual misconduct with children to the court and to the public at large.

57. The Archdiocese also owes a duty to children and their parents to release all of the names of clerics that have been accused of sexual misconduct with children to the court and to the public at large.

58. Unless injunctive relief is granted numerous children in Illinois are at risk of being sexually molested by clerics of the Archdiocese.

59. In order to ensure that children are protected and free from sexual molestation by clerics, the plaintiffs and the members of the class are entitled to an injunction ordering that the Archdiocese do the following:
   a) Release the names of all 55 of the priests that it reported to the John Jay Survey to the court and to the public.
   b) Release the names of all other clerics, like _, that were not included in the John Jay Survey, but against whom the Archdiocese has received allegations of sexual misconduct by the cleric with children to the court and to the public.

**COUNT II**
(Injunction - Documents)

60. Plaintiffs repeat and reallege every paragraph of this complaint as if set forth in Count II.

61. Plaintiffs bring Count II on their own behalf and on behalf of the class of similarly situated persons described in paragraph 7 of this Complaint.

62. On information and belief, the Archdiocese still has documents that are evidence of crimes committed by clerics against children.

63. The Archdiocese has a duty to the public at large and to law enforcement to not
destroy any documents that evidence a crime.

64. The Archdiocese has a duty to children that were abused by clerics to not destroy any documents relating to the sexual misconduct or alleged sexual misconduct of any cleric at anytime in the Archdiocese of Chicago.

65. On information and belief the Archdiocese has destroyed documents and/or concealed documents and/or failed to give documents to law enforcement relating to sexual misconduct or alleged sexual misconduct by clerics of the Archdiocese.

66. Unless injunctive relief is granted, children will be at imminent risk of being molested by clerics of the Archdiocese, law enforcement will be prevented from doing its job, and those children that have already been molested by clerics will have their rights negatively affected.

67. In order to ensure that children are protected and free from sexual molestation by clerics, the plaintiffs and the members of the class are entitled to an injunction ordering that the Archdiocese do the following:

a) Turn over any document with any connection to any allegation of sexual misconduct by a cleric against a child to the Illinois Courts for supervision of these documents.

b) Turn over any document with any connection to any allegation of sexual misconduct by a cleric against a child to law enforcement.

c) Cease in the destruction or spoliation of any documents with any connection to any allegation of sexual misconduct by a cleric against a child.

d) Cease to conceal or misplace any documents with any connection to any...
allegation of sexual misconduct by a cleric against a child.

**COUNT III**
*(Declaratory Judgment)*

68. Plaintiffs repeat and reallege every paragraph of this complaint as if set forth in Count III.

69. Plaintiffs bring Count III on their own behalf and on behalf of the class of similarly situated persons described in paragraph 7 of this Complaint.

70. There is an actual controversy between the plaintiffs and the members of the plaintiff class, on the one hand, and the Archdiocese, on the other hand, concerning whether the Archdiocese is adequately protecting children through its practices of not releasing the names of those clerics that have been accused of molesting children.

71. There is also an actual controversy between the plaintiffs and the members of the plaintiff class, on the one hand, and the Archdiocese, on the other hand, concerning whether the Archdiocese is adequately protecting children through its practice of not removing a cleric that is accused of molesting a child from any position where the cleric has any contact with children.

72. Finally, there is an actual controversy between the plaintiffs and the members of the plaintiff class, on the one hand, and the Archdiocese, on the other hand, concerning whether the Archdiocese is adequately protecting children through its practices of destroying and/or concealing documents evidencing allegations of sexual misconduct by clerics.

73. The plaintiffs and members of the plaintiff class are entitled to a declaration that the Archdiocesan practices of not releasing the names of clerics accused of sexual misconduct with minors, not removing clerics that are accused of sexual misconduct with children from positions where they have access to children, and by destroying and/or concealing documents, is
not adequate to protect children.

WHEREFORE, Plaintiffs respectfully request that this Court grant the relief requested within this complaint or any other relief the Court deems just in order to protect children.

Re: DeRoeck, Rev. Walter [Laicized]
Date: November 29, 2006

PRA received a phone message on November 28, 2006 from Brigitte Broadway, caseworker with the Department and Children and Family Services [DCFS]. Ms. Broadway requested a return phone call at [312] 492-3770.

PRA attempted to reach Ms. Broadway via phone on November 28th and left her a voice mail message, asking for a return call.

PRA reached Ms. Broadway via phone today in response to her November 28th message. Ms. Broadway informed PRA that she had questions to ask about a number of DCFS investigations that involved clerics of the Archdiocese of Chicago, including the matter concerning the former Rev. Walter DeRoeck.

Ms. Broadway asked what Fr. DeRoeck’s undergraduate degree was and if we [the Archdiocese of Chicago] “...had any other concerns.” When PRA asked for clarification to Ms. Broadway’s questions, she indicated that she was reading from a note left to her by her supervisor asking for the additional information. PRA informed Ms. Broadway that Fr. DeRoeck had gone to the seminary for his schooling, but would inquire if there was any additional response to what his “undergraduate degree” was. As for other concerns, PRA informed Ms. Broadway that Fr. DeRoeck had admitted to some of the allegations of sexual abuse of minors made against him. When asked, PRA confirmed the last known address for Fr. DeRoeck, which Ms. Broadway already had.
Prior to ending the phone call, Ms. Broadway provided her fax number if [312] 733-7229. Ms. Broadway mentioned to PRA that she has been instructed to have this report concluded by the first of the year.

If I have not done so already, could you please make a contact to Mary Queen of Heaven to request the school records for [masked] DOB [masked]? He attended the school from 8th, graduating in 1978. Could you also ask if the school still has altar boy records from that time [approximately through 1978]?

II. Case Reviews
    Initial Review
    A.

The Review Board conducted an Initial Review of [redacted]’s allegation of the sexual abuse of a minor by Rev. Walter DeRoeck. A summary of the allegation is as follows: masturbation; [redacted] smoked marijuana; some consumption of alcohol [beer].

When asked, Ms. McCluskey stated that she had not yet reviewed Fr. DeRoeck’s files [in the Chancellor and Vicar for Priests’ Offices].

As the discussion continued, the clarification was provided that Fr. DeRoeck was never charged in a legal arena in regards to the allegations of the sexual abuse of minors made against him.
Fr. Smilanic verbally provided some background information on Fr. DeRoeck. added that in his experience, he observed that Fr. DeRoeck always put his own needs and gratification first over others. He also stated that he observed Fr. DeRoeck to have an abusive kind of personality and that everything was about him [Fr. DeRoeck]. stated that he was Fr. DeRoeck’s “monitor” for a period of time. He shared one instance where Fr. DeRoeck told him something to the effect of: “I was so good to those kids [who accused him of sexual abuse]. How could they do this to me [report allegations against him]?”

As the discussion continued, expressed his knowledge that while at St. John Berchman Fr. DeRoeck would have kids in his room with the door closed. stated that this concern was brought to the attention of the Archdiocese of Chicago at the time. Also as the discussion of the matter continued, was able to confirm that he had knowledge of Fr. DeRoeck taking kids

In an 8-0 vote in light of the information presented, the Board determined that this matter warrants additional investigation. The Board also advised Ms. McCluskey to do the following:

- Review Fr. DeRoeck’s files in the Chancellor’s and Vicar for Priests’ Offices
- Attempt to speak with Rev. in regards to his knowledge of Fr. DeRoeck’s past behaviors with children; Fr. is currently assigned to Immaculate Heart of Mary

Dear Leah,

As you can see, I have done a slight edit to your report by way of clarification.

I did not date the document pending the edit.

A last point, for the moment, please be sensitive to my loss of ministry. I really found pressure to seek laicization. I did it with a great deal of reluctance. It pains me to this day. To be addressed as Mr. DeRoock by church officials makes the pain all that much more severe.

Gentle care for a hurting soul warrants (in my book) a more pastoral approach—just Walter DeRoock is more palatable.

For legal documents is it necessary to have Mr. or Ms. or Rev?

The Board made the determination that in light of the information presented, this matter warrants additional investigation. The additional information obtained will be presented to the Board along with all other information regarding this matter for a Review for Cause.

Dear Leah,

Walter DeRoeck
Rev. Edward Grace made arrangements for the February 12th Conference Call to begin at 11:00 am. Upon my arrival to the Vicar for Priests’ office, Fr. Grace placed the call to Walter DeRoeck’s cell phone. When Walter DeRoeck did not answer, Fr. Grace left a voice mail and asked him to call the Vicar for Priests’ office when he received the message. Fr. Grace added in his message to Walter DeRoeck that the call had been scheduled for 11:00 am and we were calling him at approximately 11:08 am.

At 11:45 am, Fr. Grace and I still had not received a return phone call from Walter DeRoeck. Fr. Grace attempted to reach Walter DeRoeck on his cell phone again and was successful. Walter mentioned that he was on another call when Fr. Grace had made his earlier attempt and did not know how to access call waiting on his cell phone.

After introductions were made via phone, I asked Walter DeRoeck if he would like me to verbally provide him some information on the Office for Child Abuse Investigations and Review and/or the Review Board. Walter DeRoeck responded that he was familiar with the Review Board and did not ask for any other information. I then informed Walter DeRoeck that he had the right to a copy of [redacted]’s allegation and that I would send him that as well as a copy of the Archdiocese of Chicago’s updated policies [§1100 Clerical Sexual Abuse of Minors: Policies for Education, Prevention, Assistance to Victims and Procedures for Determination of Fitness for Ministry]. Walter DeRoeck expressed his understanding of what I had said, but did not specifically ask for a copy of either document. When asked, Walter DeRoeck agreed to have me proceed by reading [redacted]’s allegation.

After reading the allegation in its entirety, Walter DeRoeck stated, “I really have no comment.”

I asked Walter DeRoeck again if he would like a copy of [redacted]’s report and/or the aforementioned policies sent to him. Walter DeRoeck said that he did not want a copy of [redacted]’s report, but that he would like a copy of the policies.

Fr. Grace and I again thanked Walter DeRoeck for his time. I suggested to Walter DeRoeck that if he had any questions or concerns to either call Fr. Grace or myself.

Dear Ms. McCluskey,

I am writing to you in order to formalize my handwritten note in response to your letter of February 19, 2008, regarding the matter of Mr. Walter DeRoeck, a former priest of the Archdiocese of Chicago who has been laicized, and the allegation made by [redacted], following the Initial Review conducted by the Professional Responsibility Review Board on February 16, 2008.

In light of the Board’s consideration of the information presented in this matter, I accept the Board’s determination, and believe that the information suggests further investigation into whether Walter DeRoeck engaged in sexual misconduct with a minor.

With this letter is a decree which appoints you as the investigator into an allegation of sexual misconduct with a minor that was made against Walter DeRoeck. The terms of this investigation are spelled out in the decree.

Thank you for your assistance in this matter.

DECREE

Having received the recommendation of the Archdiocesan Professional Responsibility Review Board that information at least seems to be true that Walter DeRoeck engaged in sexual misconduct with [redacted], while Walter DeRoeck served as a priest of the Archdiocese and [redacted] was a minor at the time of the alleged incident, I have concluded that this constitutes information which “at least seems to be true” (c. 1717) and warrants further investigation.

Therefore, in accordance with the aforementioned canon, I decree that an inquiry be done into the facts and circumstances of this accusation, as well as its imputability to Walter DeRoeck.

Since my other duties prevent me from conducting this investigation personally, I hereby appoint Ms. Leah McCluskey to act as the investigator in this matter. In carrying out these duties, Ms. McCluskey will have all of the authority of an auditor, in accordance with cc. 1428 and 1717. She is to collect any additional proofs she deems necessary in accordance with the norm of law as they relate to the present allegation. She is delegated to take testimony from the accused and from any witnesses (cc. 1530 – 1538 and 1547 – 1573), to obtain any necessary documents (cc. 1540 – 1546), to enlist the services of any experts deemed necessary (cc. 1574 – 1581), and to have access to places or things which she deems necessary for her investigation.

In conducting her investigation, Ms. McCluskey is to take care that such an investigation does nothing to harm Walter DeRoeck’s name or to violate his right to protect his privacy.

After she has concluded her investigation, Ms. McCluskey is to make a written and oral report to the Review Board, no later than one hundred eighty days from the date of this appointment. This report is to address the facts, circumstances, and imputability concerning the alleged offense. This report is to be sent to me, along with the advice of the Review Board.

Leah,

I have kept the DeRoeck case, PFR 62, to investigate. Could you either direct me to the right party, or could you get me a listing of all priests assigned to Mary Queen of Heaven Parish for the time frame listed in the allegation, 1975 through 1978.

I read through the entire file and could not see any reference to Father [REDACTED] contained therein. The Review Board wants him interviewed, and I will be glad to do so. However, I don't like going in blind and some background info would help me frame my interview. Do you know how/why the Review Board came up with his name, or could ask them? It would be of great value.

Thank you,

Jim

Father Grace,

Could you see if you have any information on the priests listed as having been at Mary, Queen of Heaven at the same time as Walter DeRoeck. They are Fathers Francis Spellman, John Lauer, and Michael P. Jacobsen. I looked for each of them in the directory and none were listed. Leah indicated that Donald Musdolff is dead. This is in relation to PFR 62. Thank you.

Leah,

I was in contact with Fr Grace and learned that all the priests who were assigned to Mary, Queen of Heaven at the time of the alleged abuse are all deceased. DeRoeck was there until 1985 and I only asked for 1975 to 1978. If you think I should go further and attempt to locate those who were assigned from 1979 to 1985, please forward the names to me and I will attempt interviews with them.

There is no one working at the rectory now who was working there at the time of the alleged abuse.

Thank you,

Jim

Details of Investigation

From March 24, 2008 to March 30, 2008, Arnette Heintze, Harvey Radney and Investigative Associate Jim Molloy initiated a comprehensive review of the investigative case and associated files in the matter of Walter DeRoeck, which were provided by the Office for Child Abuse Investigations and Review.

- Incidents also occurred at Quigley North High School when DeRoeck would take [redacted] and his friends there on overnight visits [redacted]

DeRoeck's Response to Allegations on February 12, 2008:

- "I really have no comment."
Interview

On March 31, 2008, Hillard Heintze Investigator Jim Molloy conducted the following interview. While the interview is summarized below, the complete memorandum of the interview is contained as an attachment to this file.

March 31, 2008 – Interview of Fr. [Redacted]  
Fr. [Redacted] was assigned to St. John Berchman from 1985 to 1990 while DeRoeck was the pastor. In a pre-assignment interview, DeRoeck asked [Redacted] if he had a problem with boys visiting the rectory.

Fr. [Redacted] stated that DeRoeck would have boys visit him in his room and would close the door while they were visiting. DeRoeck would also let boys use the room when he was not present. According to [Redacted], the boys were 14 to 18 years of age and came from either a single parent family or one where there was a dysfunctional dynamic.

[Redacted] came to learn that DeRoeck would provide beer to these boys, but never heard anything about marijuana. DeRoeck would take boys on day trips to other locations, and he would take boys to stay overnight at Quigley North. DeRoeck would take boys on overnight stays to a cottage DeRoeck owned in Michigan City, Indiana. DeRoeck developed a close relationship with one particular boy and would have him stay overnight in DeRoeck’s room at the rectory.

[Redacted] said the staff confronted DeRoeck and reported what they thought was improper behavior to the Archdiocese.

Other Investigative Efforts

In an effort to discover any other person who might have knowledge of DeRoeck’s behavior, the investigator contacted Leah McCluskey on March 26, 2008 to determine the names of other priests assigned to Mary Queen of Heaven during the time frame described by [Redacted]. He received a reply on March 31, 2008 that listed Fathers Francis J. Spellman, John Lauer, Donald Mulsoff, and Michael P. Jacobsen as having been assigned to Mary, Queen of Heaven during the time frame in question, 1976-1980. Leah McCluskey also informed him that she knew Donald Mulsoff was deceased.
Investigator Molloy could not find any of the names listed in the Archdiocese directory, so he sent email on April 1, 2008 to Father Edward Grace, Vicar for Priests asking him for assistance in locating any or all of the men. Investigator Molloy received a reply from Father Grace on April 2, 2008 in which it was reported that Father Spellman died in 2000; Father Lauer died in 1981; and Father Jacobsen left the ministry in 1993 and died shortly thereafter.

Investigator Molloy telephoned the rectory at Mary Queen of Heaven on April 1, 2008 and spoke to the secretary, Investigator Molloy identified himself and informed her of the reason for the call, without mentioning any names. He informed him that there were no persons currently employed at the rectory who had also been working there during the time frame 1976 through 1980.

Memorandum of Interview: Father [redacted] 03/31/08.

To: Case File PFR-62

From: Investigator James J. Molloy

Reference: Walter DeRoeck

The Archdiocesan Review Board requested that Father [redacted] be interviewed in regard to his knowledge of Walter DeRoeck's past behavior with children. Investigator Molloy called Father [redacted] at the Immaculate Heart of Mary rectory on March 27, 2008 and scheduled an interview with him on March 31, 2008 at 10:00 AM.

On March 31, 2008, at 10:00 a.m., Investigator Molloy interviewed Father [redacted] at the rectory located at 3834 N. Spaulding, Chicago, IL.

Father [redacted] stated that he had been assigned to St. John Berchman Parish from Easter Monday in 1985 until he was reassigned to St. Ita in 1990. He further stated that Walter DeRoeck was the pastor at St. John's during that assignment. He further said he had an interview with DeRoeck prior to the assignment and remembers it because during the interview he was asked by DeRoeck, “Do you mind boys in the rectory.” [redacted] remarked that the question always struck him as being odd, until he discovered that boys were in the rectory visiting DeRoeck on a very regular basis. Father [redacted] said he felt DeRoeck was very secretive about what he did with the boys who visited him at the rectory. [redacted] stated that DeRoeck was always surrounded by boys, and that when they visited him in his room the door would be shut.

[redacted] further stated that DeRoeck had very little to do with the rest of the staff at St. John's, preferring to spend his time with young boys. [redacted] described the boys as being 14 to 18 years of age from single parent families or from families with dysfunctional fathers. [redacted] stated that DeRoeck often had groups of boys in his room at the same time, and that he often let boys use his room when DeRoeck was not there. [redacted] also said that young boys often slept in DeRoeck's bedroom, even though there were several unoccupied rooms in the rectory. [redacted] described the upper floor of the rectory by drawing a diagram that showed his room was across the hall and slightly behind DeRoeck's room.
Father Heneghan stated that DeRoeck owned a cottage in Michigan City, Indiana with other priests. He said DeRoeck often took a boy or boys to the cottage when he traveled there. He remembered one time that DeRoeck invited some staff members from St. John’s to visit him at the cottage and made a statement to the effect that it felt strange to have them there as he felt it was his personal space. He said this surprised many of the staff, as they all knew he often took boys to the cottage. He also said he remembered DeRoeck taking boys on day trips to various other locations.

He also referred to a remark that was made to him by DeRoeck’s sister during one of the two visits he remembered her making to see her brother at the rectory. She told him that DeRoeck was mad at her for talking to Father. Father also recalled her saying that she was upset because it seemed her brother had no time for her but had a lot of time for his boys.

He stated that he knew DeRoeck provided beer to some boys and said he learned about it through a conversation with a young man who had in the past hung around with DeRoeck, but stopped doing so. He once asked if he could have a beer and said no due to his being underage. The young man then said that DeRoeck would give beer to his boys. He had no knowledge of any marijuana use on the part of DeRoeck.

Father said he and other staff members became extremely concerned about what was going on in the rectory and decided to bring the condition to the attention of the Archdiocese. The event(s) that led to this decision was a relationship that DeRoeck developed with a particular young man. (According to Father, the young man’s name was and he was from Illinois. The accuser in the case now under investigation named a friend of his as being one of DeRoeck’s boys.) The relationship started when the young man was a junior or senior at Quigley North and continued on even after the young man enrolled at Niles. The young man was always seen at the rectory and would spend the night in DeRoeck’s bedroom. Heneghan remembered being asked questions about this behavior by seminarians staying at the rectory. He also related that DeRoeck once took this young man to
stated that he and the other staff members – went to see Father William Stenzel in regard to the matter. They went to him because he was an addiction counselor and they felt DeRoeck’s behavior was an addiction. According to the staff was told they should get into support groups to ensure they didn’t have issues that led them to act out against DeRoeck. They were also told to contact the Vicar for Priest, Raymond Goedert.

then described the process they undertook in this regard. He also said he contacted Monsignor Velo, but was told he would need proof to support his allegations. The rest of the staff wrote letters and took the letters to a meeting at Goedert’s office involving them and DeRoeck. said that DeRoeck denied any impropriety ever occurring. The meeting also eventually included all the other staff members. said the decision also determined DeRoeck to have no contact with the young man.

further alleged that DeRoeck did not stay away from and traveled to Washington D.C., ostensibly to visit family from Belgium. The trip occurred at the same time was sent to visit Catholic University by Niles College officials. indicated this took place in either 1989 or 1990.

Father stated that he heard that DeRoeck would frequent “leather bars” in the Chicago area while they were assigned to St. John Berchman, but could not offer any further information.

Father then told me the names of several men he knew who were consistent visitors to DeRoeck’s room at St. John Berchman rectory and that he felt more than one of them had formally accused DeRoeck of wrongdoing. The names are: and was not sure if the spelling of each name was accurate.

The interview was then concluded.

The Review Board conducted a Review for Cause of the sexual abuse of a minor by the former Rev. Walter DeRoeck. A summary of the allegation is as follows: masturbation; smoked marijuana; some consumption of alcohol [beer].

Ms. McCluskey explained the copies of the review of Mr. DeRoeck’s files of which each of the Board member had received in their packets for the May 31st meeting.

Fr. Smilanic verbally informed the Board that in the past he, [Fr.] Jim Noone, [Fr.] Larry McBrady, and [Fr.] Jim Joslin owned a home in Michigan City. As per Fr. Smilanic, Fr. McBrady sold his portion of the home to Fr. DeRoeck. Fr. Smilanic said that he and the others never knew [of Fr. DeRoeck’s alleged abuse of minors]. He added that Fr. DeRoeck always asked the other owners of the home when they were going to be there. Fr. Smilanic spoke of an instance when he went to the home without telling Fr. DeRoeck, and he [Fr. DeRoeck] was upset with him that he had gone there “unannounced.”

In a 7-0 vote in light of the information presented, the Board determined that there is reason to suspect that the accused has engaged in sexual abuse of a minor.

Dear Ms. McCluskey,

I am writing to you in order to formalize my handwritten note of June 4, 2008 in response to your letter of June 3, 2008, regarding the matter of Walter DeRoeck, who was ordained a priest for the Archdiocese of Chicago, but who was subsequently dispensed from the obligations of the clerical state, and the allegations of sexual misconduct that were made against him by [redacted]. This matter was discussed in a Review for Cause by the independent Review Board at their meeting of May 31, 2008.

I accept the Review Board’s determination that there is reason to suspect the abuse of [redacted] took place. However, since Walter DeRoeck has been dispensed from the obligations of the clerical state, no further canonical action can be taken against him. I ask that the Office for the Protection of Children and Youth continue to provide pastoral assistance to [redacted] and his family.

Thank you for your assistance in this matter.

Sincerely yours in Christ,

Matt,

I just received a call from [redacted], who has a client who is finally ready to meet with us. The AOC first received notification from [redacted] on 8/6/07 that his client [redacted] was sexually abused by the former Rev. Walter DeRoeck. This matter was made inactive in May 2008 due to the fact that [redacted] had lost contact with [redacted].

[redacted] said that [redacted] has recently contacted him again and wishes to meet with us. [redacted] lives in [redacted] and as per [redacted], we would have to travel there to meet with him. [redacted] suggested a tentative date of December 15th to go to [redacted]. I told [redacted] that I would check with you— and he would check with [redacted] and get back to me. Could you let me know if you or Kathleen would be free on 12/15 to [hopefully] fly in and out the same day for the interview?

Also, I did tell [redacted] that [redacted] was interested in speaking with you regarding services prior to our meeting date, so please contact [redacted]. [redacted] said that [redacted] has been hesitant talking to anyone, including his wife—whom he still has not told of the alleged abuse.

I have copied others on this e-mail as notification that I have made this matter active in RADAR and so they could make the adjustment to their files.

Thank you,

Leah

When you have a chance, could you please call the current pastor of Mary Queen of Heaven in Cicero and ask him who the appropriate person is to ask if there are altar boy lists/schedules from the years 1977 through 1982? And, if the lists exist, if we could have copies?

Conference Call
Please note that all corrections and additions that Walter DeRoeck made to the February 12, 2009 draft report is reflected in italicized and bold print.

Rev. Edward Grace made arrangements for he and I to call Walter DeRoeck at 11:30 am on February 11, 2009. Walter DeRoeck was available when Fr. Grace and I called him.

Fr. Grace and I began by thanking Walter DeRoeck for his time and for agreeing to allow us to call him. When asked, Walter DeRoeck agreed that he preferred that I address him as “Walter.” I informed Walter that I had an allegation made by [REDACTED] to present to him. When asked, Walter agreed that I could send him a copy of the report of [REDACTED]’s allegation. I then asked Walter if he had any questions prior to me continuing by reading the allegation against him. Walter said that he had no questions.

I proceeded by beginning to read the report of [REDACTED]’s allegations against the former Fr. DeRoeck. Walter only stopped me at one point to respond to a part of [REDACTED]’s allegation. When asked, Walter stated that Rev. Frank Spellman was pastor of Mary Queen of Heaven at the time. I continued by reading the remainder of the allegation is its entirety.
A few moments after the allegation had been read to him, Walter stated, “I don’t really want to comment right now.” Walter then said that he needed to process.

When asked, Walter stated that he would like for me to send him a draft report of our February 11th phone call for his review. Walter then asked if he could speak with Fr. Grace alone. I thanked Walter for his time and suggested that he contact Fr. Grace if he had any questions or concerns.

Dear [Redacted],

I am writing to inform you that the independent Review Board met on February 21, 2009 and conducted an Initial Review of your allegation of sexual abuse against the former Rev. Walter DeRoeck pursuant to Article §1104.9 of the Review Process for Continuation of Ministry. As you may know, Mr. DeRoeck is a laicized priest of the Archdiocese of Chicago.

At the Initial Review, after considering all information received, the Review Board determines whether additional investigation is warranted and may recommend that interim action be taken pending the further development of the case.

Based upon the information obtained concerning your allegation against Fr. DeRoeck, the Review Board determined that additional investigation is warranted. Cardinal George has accepted this determination. Due to the fact that Mr. DeRoeck is no longer a priest, there is no interim action that the Review Board is able to recommend.

If there is anything further that you wish to share concerning your allegation, please forward it to my attention so that it may be presented to the Review Board. I would also like to remind you of your right to appear before the Board. If you wish to do so, please contact me directly so that we may schedule a date and time for you come to a future Review Board meeting.
