Stolzman referred to one of the inmates inappropriately. (ARCH-006294)
- 1/3/96            Memo from McDonough to Flynn saying Stolzman was under investigation for  
making an inappropriate remark about a prisoner to one of the staff members.  
(ARCH-006293)
- 3/31/97         Letter from Stolzman to McDonough saying he has never had possession of child  
pornography and cannot imagine where the charge came from that he brought it  
into his house at least three times in the last six months. He admits to looking at  
a men’s workout magazine with sensual images and watching pornographic videos  
obtained through a “sampler” and a video store. (ARCH-006103-006104)
- 5/9/97            Letter from McDonough to Anodos Center referring Stolzman for assessment  
because he received child pornography at his residence. McDonough confronted  
Stolzman about the allegation and Stolzman said he watched adult pornography  
on occasion but has no interest in child pornography and has never had it in his  
home. Stolzman is currently in a parish with a large school. (ARCH-006046-  
006048)
- 5/16/97         Memo from McDonough to Flynn. The Anodos Center does not believe that  
purchase or use of child pornography is consistent with who Stolzman is.  
McDonough recommends the matter be closed. (ARCH-006076) Flynn writes to  
Stolzman telling him that the matter is now closed. (ARCH- 006096)
