Dear Cardinal Mahoney,

Yes, I'm one of those statistics that you church "officials" shoved away for many years. My anger and hatred is deep and profound.....and so is my hurt. For 23yrs I have lived with this shit!! This crap!!! This burden!! And still, after 5yrs of therapy, I cant seem to overcome it. I have not received any Sacraments from the church since I was 14yrs old. You expect me to go and receive the sacrament of Reconciliation and then that of Holy Communion at the hands of a Priest??

Cardinal Mahoney, you may think I'm one to exploit a situation. To make some money or profit. No!!! It helps that someone knows what happened now that everything seems to be in the open. Now that you seem and the church seem to do the right thing. No...no details, but you need to know just this one thing.....I told....I spoke out!!! I cried....I told the "leader" of the order when my abuse (molestations), happened....and do you know what that son-of-a-bitch told me?? "Some things must be left for God to handle". I swear on my fathers grave, this is what REDACTED told me.

I went to Damien High School, in La Verne. He knows...he knows. And may almighty God render him the justice that son-of-a-bitch deserves.

The priest name..... was Fr. Ed Casey. Go ahead Cardinal Mahoney, I am sure I wasn't the only S.O.B. he molested. I could've sued, I could've told my parents, I could've ??? Instead, I did what I was told to do..... "Leave it to God" and lived with the pain, in silence. Only therapist new about what happened.

"Leave it to God", well, that sounds good when your 14 and scared. But what happens when your 37 and still live with it ?? Who do I scream at?? Where do I go to be closer to my faith? What is the "cure or Pill" that will solve this??

I can give you my Therapist phone numbers, and they can attest to five years of therapy. FIVE yes, and numerous years living with IT.

And all along.. REDACTED at the scared heart order at Damien High School knew what happened. I told him and all he did was to have Fr. Casey go back to the "Scared Heart Mother House" in Ireland. He will remember Cardinal Mahoney, he will remember and REDACTED should also remember. I wasn't the only kid that got molested by Fr. Casey and REDACTED knows this fact.

The dirty little secret is told. One idiot cant control his desires, so others, children, have to live with their "SIN" until the God Damn Day I leave this earth. I will always Hate him....and hate Fr. REDACTED for not doing a God Damn thing.

And the church, who for so long denied, hiding these people, or moving them around. Anger, hatred, confusion..... all in one person.

And you want to know what the worst thing of it all is Cardinal Mahoney?? , with all that inside.... I yearn and long to be close to my church. I believe in the Sacraments, I believe in the Cannons and Laws of the church..... my problem?? They are "distributed" through the clergy.

Now what am I to do??

34679

Oh, Cardinal Mahoney, many classmates saw him come into our 6th period English classroom, and ask for me. Not once not twice.... but on at least 10 times. His office was upstairs next to football coach ^{REDACTED}'s Office.

I remember it like it was yesterday. What is one to do?? I want the hatred to go. The anger to leave. Some people knew, and nothing was done. How can the church allow this? Why isn't Damien High School Clergy sending letters out to alumni to see how many possible victims?? Where is the "TRUE" contrition?? Or does one need a law suite to get someone to admit the truth.

Cardinal Mahoney, call, do research, so many years later, so much damage. My 20yr reunion is coming up. I graduated. I would love to see my alumni friends..... but the sight of one of the priest may....may....have a profound effect on me. The anger deep, deep inside may explode in a way that maybe harmful to innocent people.

Go ahead Cardinal Mahoney, give ^{REDACTED} a phone call, I would love to hear how truly "contrite" he is. Enclosed are cards to my therapist. I will not allow them to release my chart for you guys to look at like some kind of experiment or critic.

They are professional therapist, and I can allow them to release the simple fact about my abuse which I told them about in session some 2 or three years ago. We never addressed the issue fully, because of the damage and emotional problems it was causing me during sessions. Trying to deal with the issue was hard, and my therapist said that we would get back to it. I do this just to prove to you, that what I speak of is the truth. Not made up, not some fantasy because of some God Damn newspaper article.

Oh, one more thing.....I was going to be a priest. I was seeking a mentor back then. I have articles and pamphlets about becoming a priest. I had registered to get literature about different Orders.

I want to be a Benedictine or Franciscan Third Order Regular. I sought God, and his will in my life. I thought a priest would help, instead I found Satan dressed in a sheep's garment. And I have lived with the damage all my life.

I need help Cardinal Mahoney. I can nor will I hurt the rest of the faithful. I hear some Archdiocese having to sell property to pay for the damage or the sins of others.

I don't ask for any of this. I only ask maybe some assistance. Therapy is good. But too infrequent and sparse. Talk to my therapist. She can tell you the truth. But beyond all this... ..I still live with the pain.

You know... I know of others who have been molested. How does one heal?? Where does one find peace?? A drug called Haldol?? Zoloft?? And when I think of my youth and sex... why does that "garbage come up" ? Why ?? Why didn't the church do something when I yelled about the wolf?? Why did ^{REDACTED} ignore my pain. ??

Now only magnified a 100 times. Why doesn't the church have healing groups or a group where molested men or women can go and seek group therapy with other molested men.

Why?? So I tell you I have been molested...now what?? How am I to get healed by that?? Is my name going in some book?? Statistics??

Cardinal Mahoney, you keep the priest away from me. Maybe a lay person.....maybe??? I don't know the answer.....but I have told you now of my condition. Throw this letter away if you wish to ignore me. I wouldn't be surprised.

Its not about money.....its about HEALING. I miss Holy Communion. I miss sacrament of reconciliation. I miss my innocence. I have read Merton, Aquinas, Augustine, and many other Doctors of the faith. But without the sacraments, its hollow.

Do your calls Cardinal, I have not lied. This letter is raw. Not clean. It shows hatred, anger, and I hope, pain, hurt, and ~~scary~~ ^{SOBS}. I write it because you seem to be for real. You seem to be genuine. But I don't know... I just don't know.

Don't read this to anyone or share it with anyone. I am a shame. Shame inallowing a priest to touch me as he did, and not fighting back all those times. So if you strike a priest, is it a mortal sin?? Are they not closer to God than I ?

All of my childhood, I was taught by the nuns and the priest about God and his goodness, and one damn priest destroyed it all. A man who was ordained and who I told others about.... and seemingly nothing was done. I don't know if he is alive or dead. I don't know if he is still at Damien High School as a teacher or not. I only know, I wish he was face to face with me in a room alone. Then I would teach him about anger, pain, hatred. Then maybe, maybe, after beating him to death, will I have peace or silence in my soul. I just don't know.

So Cardinal Mahoney, what price can a man place on this pain?? I ask myself sometimes about the churches honesty and its willingness to try to heal the damaged souls. I have not heard nor have seen a letter from the Archdioceses, nor from Damien High School, asking if they had been in any way abused by clergymen. I have not attend church in almost 10-15 years. Why?? Why should I see a priest who I no longer have belief or trust in?? I can't respect? Communion I cant receive because I dare not go to confession with a priest there. What the HELL Iam I suppose to do??

God Help us all Cardinal Mahoney, God help us all.

To Whom It May Concern:

This letter will inform you of an incident that took place several years ago while I was a student at Damien High School in La Verne, California.

In light of the media attention surrounding incidents of sexual impropriety by a few priests, I felt compelled to bring my personal experience to your attention, and although this experience was limited to a single event, I wonder if it was isolated.

Our high school assigned counselors to students. These counselors would advise us regarding jobs, college choices, etc. On one occasion, my counselor handed me some pornographic magazines and asked me if I enjoyed looking at this type of material. I remember saying no and that was that!

Again, while my experience was an isolated incident, I wonder if he asked the same or similar question to any other students that were assigned to him. Looking back on it now, I realize that his conduct was completely inappropriate.

Please contact me to discuss this matter further.

Interesting new member "anything". Can ex-priest Casey log-on as "kiddie fondler"? This whole scene with the priests and their silence has me in an uproar. I'm in contact with several alum that are ready to drop a multi-million dollar lawsuit on Damien, ALL the priests (Past and Present) and their bosses. When this gets announced, do you think I'll get more than two responses? Are you in any way knowledgeable about the crap that occurred at Damien? Do you want to know? Stay tuned for some GREAT FORUM ADDITIONS!!! PS Tell ^{REDACTED} that Casey ^{REDACTED} shouldn't hide at his mommy's house in Ireland. 1980

Dear REDACTED

I am grateful that we were able to speak briefly by telephone the other day. Thank you for passing along the information about the person lodging a complaint of abuse against Father Edward Casey, formerly of your community. Thank you as well for clarifying that Father Casey served at Damien High School from 1967-1982, and that he has been dispensed since 1993. Once you return home, I would appreciate a letter from you with a copy of his dispensation for our records.

As I also mentioned to you on the phone, we have received a complaint about abuse by Father Casey from a Mr REDACTED. Enclosed are copies of his original letter to the Cardinal and of the Cardinal's response. Fortunately, REDACTED allowed REDACTED our Coordinator for Assistance Ministry, to speak with his therapist, REDACTED. Also enclosed is the brief summary prepared by REDACTED with some basic information.

For your guidance as to a constructive way to move forward, if Father Casey were an Archdiocesan priest, we would make arrangements to pay the therapy bills for the gentleman. As a norm, we authorize ten sessions and then ask for a report, with further authorizations for additional therapy as appropriate. You might contact REDACTED or Doctor REDACTED here at the Archdiocese for some further reflections on how we work with the therapist of a victim of sexual misconduct.

Thank you for your attention to this matter. May God bless you!

Yours in Christ,

Monsignor Craig A. Cox, J.C.D.
Vicar for Clergy
