4. From 1984 through 1985, John Doe 593 was a student at Lake Bluff Junior High.

5. At all relevant times, Ritz was acting as an agent and employee of Lake Bluff School District.

6. At all relevant times, Lake Bluff School District supervised its employees' and agents' activities, including those of Ritz, and assumed responsibility for the well-being of minor students, including John Doe 593.

CHARLES RITZ' HISTORY OF ONGOING ABUSE OF STUDENTS

7. Throughout his tenure as a teacher and coach at Lake Bluff Junior High, Ritz hosted parties for male students at his home and the home of others where he introduced students to alcohol, drugs, and pornography.

8. At these parties, Ritz encouraged students to use drugs and alcohol; removed his clothing and encouraged students to do the same; showed pornographic movies to students; encouraged students to engage in mutual masturbation; touched students in a sexual manner; and engaged in mutual masturbation with students while the students were under the influence of drugs and alcohol.

9. Ritz also invited students into his van where he engaged in the above-referenced inappropriate and criminal conduct with Lake Bluff Junior High students.

10. In his capacity as a coach at Lake Bluff Junior High, Ritz brought groups of male students to the Lake Bluff Junior High library after hours, under the guise of showing them videos from the students' sporting events and providing coaching instruction in connection with the same.

11. At these meetings, Ritz showed students pornographic movies, encouraged and/or forced students to engage in mutual masturbation, and engaged in oral copulation, and/or anal penetration with students.

12. Ritz also took students on overnight trips where he engaged in similar inappropriate and criminal behavior as set forth above, including: providing students with drugs and alcohol; disrobing and masturbating in front of students; encouraging students to engage in mutual masturbation; and aggressively encouraging students to share a bed with him.

13. Ritz' interactions with students typically included grabbing and touching students inappropriately, under the guise of coaching, roughhousing, and horseplay.

14. As set forth in greater detail below, throughout this time and for ten years prior to taking any action with respect to Ritz, the Lake Bluff School District was aware of widespread reports about Ritz' inappropriate sexual conduct with students but chose to ignore those reports and to take no action to protect its students.

RITZ' ABUSE OF JOHN DOE 593

15. In approximately 1984, when John Doe 593 was in seventh grade and approximately twelve years old, Ritz was his math teacher and soccer coach at Lake Bluff Junior High.

16. While coaching John Doe 593, Ritz would touch him inappropriately in the guise of coaching him and horseplay.

17. Shortly after John Doe 593 was in eighth grade, Ritz invited John Doe 593 and one of friends to go out for pizza after school.

18. Afterwards, Ritz drove the boys to a house in Waukegan, Illinois.

19. Once inside, Ritz offered the boys alcohol and showed them a pornographic movie.

20. While watching the pornographic movie with the boys, Ritz proceeded to masturbate in front of them.

21. When John Doe 593 told Ritz that he had to go home, Ritz told the boys to wait so he could masturbate to ejaculation.

22. As a result of the foregoing, John Doe 593 has suffered and continues to suffer injuries, including but not limited to, severe and permanent emotional distress, resulting in physical manifestations, embarrassment, loss of self-esteem, humiliation, physical, personal, and psychological injuries. John Doe 593 was prevented and continues to be prevented, from performing normal daily activities and obtaining full enjoyment of life and/or has incurred and will continue to incur expenses for psychological treatment, therapy, and counseling and, on information and belief has and/or will incur loss of income and/or loss of earning capacity.

**THE LAKE BLUFF SCHOOL DISTRICT'S KNOWLEDGE OF RITZ'
INAPPROPRIATE SEXUAL BEHAVIOR**

23. For over ten years prior to 1985, when Ritz eventually resigned, the Lake Bluff School District, including teachers, administrators, and school board members, knew of Ritz' inappropriate sexual behavior with students.

24. For over ten years prior to 1985, teachers, parents, village residents, and school administrators reported their concerns regarding Ritz' conduct to the Lake Bluff School District. Among the concerns communicated to the Lake Bluff School District were details regarding the above-referenced parties hosted by Ritz, as well as reports regarding Ritz' inappropriate overnight trips with students and activity of a sexual nature.

25. Also reported to the Lake Bluff School District by a current village resident, and then parent of a Lake Bluff Junior High student, were details regarding a rendezvous Ritz planned to have with her child that was to include alcohol, drugs, and sex.

26. A former school administrator recalls that in 1978 she reported to the Lake Bluff School District general concerns regarding stories she heard about Ritz' conduct in and out of school, as well as details regarding an incident involving inappropriate sexual conduct by Ritz with a student on a school bus.

27. In addition to the foregoing, the Lake Bluff School District knew about widespread rumors that had been circulating for years throughout the school and community regarding Ritz' inappropriate sexual conduct with students.

28. In fact, the superintendent for the Lake Bluff School District who took over in 1985, admitted in a police interview that the Lake Bluff School District knew about rumors of a sexual nature involving Ritz and students for ten years, but did nothing about them.

THE LAKE BLUFF SCHOOL DISTRICT'S CONCEALMENT OF RITZ' INAPPROPRIATE SEXUAL BEHAVIOR

29. At all relevant times, the Lake Bluff School District turned a blind eye to Ritz' inappropriate sexual conduct with students and chose not to document any of these complaints, intervene, investigate, or otherwise act in response to these complaints.

30. Despite the ten years of prior knowledge, it was not until August 7, 1985, just prior to the start of the 1985 school year, that the school board held a meeting with the new superintendent to discuss widespread rumors that they had known about for ten years involving Ritz' sexually inappropriate behavior.

31. Despite this prior knowledge for ten years and an acknowledgement by the Lake Bluff School District of the serious impact that Ritz' conduct would have on the lives of

children, up until the August 7, 1985 meeting, there had not been anything written down or otherwise documented regarding Ritz' conduct.

32. Despite this meeting and an acknowledgement that Ritz should not be allowed to continue to have access to students, Ritz was permitted to return to work as a teacher for the 1985 school year.

33. In early September, just after the start of the 1985 school year, the new superintendent met with Ritz to tell him that the Lake Bluff School District was investigating his conduct.

34. At this meeting, the new superintendent admonished Ritz from taking any other trips with students.

35. Despite this warning, the Lake Bluff School District learned that Ritz' inappropriate sexual behavior continued during their investigation and that Ritz had again taken a number of students in his van to his parents' house and engaged in inappropriate sexual behavior.

36. On September 23, 1985, the new superintendent met with Ritz again, at which time Ritz admitted that despite the superintendent's warning, he had continued to take students to his parents' house and showed them a pornographic movie.

FRAUDULENT MISREPRESENTATION AND NON-DISCLOSURE OF KNOWLEDGE

37. On September 25, 1985, Ritz was allowed to quietly resign.

38. After his resignation, Ritz went on to teach in Orange County, California for the next thirty years where he continued to sexually abuse countless children.

39. In an emergency meeting, the Lake Bluff School District urged the school board not to speak about what had happened with Ritz.

40. Despite knowing the identities of the students that Ritz coached and the identities of the students who spent inordinate amounts of time with Ritz, including John Doe 593, the Lake Bluff School District failed to reach out to these students or their parents, counsel these students, or otherwise investigate what had occurred during Ritz' tenure at Lake Bluff Junior High.

41. As detailed above, the Lake Bluff School District knew about Ritz' conduct, intentionally and/or fraudulently concealed that knowledge from students and parents, including John Doe 593, and at all times, held Ritz out to be an upstanding teacher and coach by continuing to allow and encourage Ritz to have unfettered access to students both as a teacher and coach.

42. The Lake Bluff School District had a duty to report, document, and warn students and their parents about Ritz' conduct.

43. John Doe 593 suppressed the memories of the abuse he suffered as a minor until recently when he discovered that he had been suppressing the memories of his abuse, discovered his injuries, and became aware of his causes of action against the Lake Bluff School District.

44. Had the Lake Bluff School District not misrepresented and concealed their knowledge of the danger that Ritz posed students, including John Doe 593, John Doe 593 would have discovered this information sooner.

45. Because of the Lake Bluff School District's misrepresentations and concealment, John was unaware of his claims against Defendants; did not know or suspect that Defendants had done anything wrong; and because of the misrepresentations and concealment, was otherwise not aware that the acts of Defendants has caused him to suffer injury.

DETRIMENTAL RELIANCE

46. Students and parents, including John Doe 593, reasonably relied on Lake Bluff School District's representations about its teachers, including Ritz, in good faith and to their detriment.

47. Had John Doe 593 or his parents been told what the Lake Bluff School District knew for years about Ritz, John Doe 593 would not have been permitted to have contact with Ritz.

48. John Doe 593 was prejudiced by his reliance on these representations and was prevented from discovering his sexual abuse and from bringing this lawsuit.

EQUITABLE ESTOPPEL

49. As described in greater detail above, the Lake Bluff School District concealed material facts about Ritz and what they knew about Ritz' inappropriate sexual conduct with students.

50. Defendants knew that by concealing their knowledge of Ritz' inappropriate and criminal conduct that it was misrepresenting to students, including John Doe 593, and their parents about the safety of Lake Bluff Junior High.

51. At all relevant times, John Doe 593 did not know that the representations made by the Lake Bluff School District were not true.

52. Defendants intended or reasonably expected the representations to be relied upon or acted upon by John Doe 593.

53. John Doe 593 and his family reasonably relied upon the representations of the Lake Bluff School District in good faith and to their detriment.

54. John Doe 593 has been prejudiced by his reliance on the representations of the Lake Bluff School District and fraudulent representations described above when he was sexually

abused and thereafter prevented from discovering the causes of the abuse he suffered, including Defendants' wrongful conduct.

55. As a result of the foregoing, the Lake Bluff School District is estopped from relying on any statute of limitations that may have otherwise been implicated.

56. Based on the foregoing, any statute of limitations defenses are likewise precluded pursuant to application of 735 ILCS 5/13-215.

74. For example, the Lake Bluff School District fostered a unique relationship between Ritz and his students, including John Doe 593, when the Lake Bluff School District allowed Ritz to use school grounds after-hours to congregate with students.
