Dear Dave:

I have written to you several times concerning the above named individual and still have not had a reply. You called our office in September of 1987, indicating this person was being investigated and that he should be removed from our Registration Records. This has been completed.

I am again enclosing a Confidential Record Sheet, which I would like to have completed, so that we may identify Mr. Paech should he attempt registration in some area. A paper with his signature would also aid in the identification process.

We must have statements, newspaper clippings, court records, or other material which will substantiate the establishment of a Confidential File. Please send us material which will help us complete this case.

Thanks for your help.
