MEMO TO: BISHOP CARLSON, BISHOP HAM, FR. O'CONNELL,
FR. MCDONOUGH

FROM: ARCHBISHOP ROACH

I met with Father Jerry Kern on February 22. He is doing a good job at Minnetonka, and seems to be very happy. I think we are going to have something of a problem with him when finally we're going to have to move him, but at the moment things are going very well.

There doesn't seem to be any area of his life right now that is not pretty well in hand.
