Dear Mr. Jossell:

I am writing to inquire as to the official status of my former Scoutmaster, Mr. Victor Sine who presided over the Weedsport, New York BSA Troop under the Cuyahoga Council.

I was a member of the Troop from approximately 1974-1977. I was sexually molested by Mr. Sine repeatedly during that period. The purpose of my inquiry is to initiate the removal of Mr. Sine from the Boy Scouts of America.

I contacted the Cuyahoga Council approximately one year ago and Mr. Sine was reported to be active in the BSA. I did not take any action or make the reason for my inquiry known to the Council at the time.

I would appreciate your prompt attention to this matter.

Sincerely,

  
Scott Coats
