**STATEMENT OF PROBABLE CAUSE**

The Complainant states that the following facts establish probable cause:

---

Your Complainant is a licensed peace officer in the State of Minnesota, employed by the Washington County Sheriff's Office. Your complainant states the following to establish probable cause:

In August of 2020, law enforcement received a sexual assault report involving JAMES EDWARD CARTER, DOB: 5/20/1964, DEFENDANT herein. The sexual assault occurred at defendant's residence located at XXX Lake Street South in Forest Lake, Washington County, MN. Washington County Sheriff's Office initiated an investigation and learned the following:

The defendant resides in Forest Lake, Washington County, MN and is a teacher employed by the Forest Lake Area School District where he teaches industrial tech ("shop") at the middle school. The defendant has and continues to employ several teenage males and former students to work at his personal properties on various projects in exchange for cash. Two of these males, Victim 1, DOB: 7-5-2004 and Victim 2, DOB: 12-23-2002, reported that the defendant had touched them inappropriately on separate occasions after developing close friendships with each of them.

Victim 1, DOB: 7-5-2004, attended Century Junior High from 7-9 grades. Victim 1 first met the defendant after getting into a fight in school that resulted in Victim 1 being required to complete community service. Victim 1 was given the option of completing his community service work helping the defendant clean his classroom and doing other odds and ends. The defendant then became Victim 1's advisory teacher and the two of them started to build a friendship. The defendant would often take Victim 1 out to restaurants and would always pay for him. The defendant also bought Victim 1 a "mustang" hat as he knew Victim 1 liked mustangs. The defendant hired Victim 1 to work on various home projects in exchange for cash. Victim 1 would also attend church with the defendant and Victim 2 on Sunday mornings; most recently they would watch the church service on TV at defendant's residence.

The defendant developed a friendship with Victim 1. Victim 1 trusted the defendant and considered him a "nice guy."

In the spring of 2019 while at defendant's residence in Forest Lake, the defendant asked Victim 1 if he wanted a massage. On six occasions, the defendant instructed Victim 1 to go in the basement and lay face down on yoga mats. The defendant would then massage Victim 1's back and legs. The defendant would turn the lights off and cover Victim 1's head with a towel. On three separate occasions, the defendant told Victim 1 to turn over and the defendant massaged his legs and groin area. On the other occasions, the defendant had Victim 1 turn over and he not only massaged Victim 1's legs and groin, but massaged Victim 1's penis over his clothes. The massaging lasted about ten minutes each time. The defendant told Victim 1 that "this is between us" and he would get in trouble if anyone knew. Victim 1 turned 16 on July 5, 2020.

The last time the defendant touched Victim 1 was on August 6, 2020. Victim 1 was 16 years old and the defendant 56 years old. Victim 1 remembered the clothing he was wearing in detail. That morning, Victim 1 went to defendant's residence to work on remodeling projects. The defendant took Victim 1 to Big Apple Bagels for breakfast. The two of them then returned to the defendant's residence located at XXX Lake St. South in Forest Lake to continue to work on the remodel. The defendant then took Victim 1 to Don Julio's for lunch. As usual, the defendant paid for both meals. Victim 1 planned to go home after lunch, but the defendant told him he had more work for Victim 1 back at the house. When they arrived at the house, the

defendant told Victim 1 he wanted to show Victim 1 his guns. They went into the basement and the defendant let Victim 1 hold all of the guns. The defendant then told Victim 1 he wanted to give him a massage. He told Victim 1 to lay down on the ground face down on yoga mats. The defendant turned the lights off and covered Victim 1's head with a towel. Before the massage started a "water" guy showed up. The defendant went outside to meet the guy and left Victim 1 in the basement. The defendant then returned and proceeded to massage Victim 1. The defendant sat on Victim 1's legs and pinned him down. He massaged Victim 1's body and proceeded to massage Victim 1's penis on the outside of his clothing. While Victim 1 was laying on the floor, he saw a hammer lying nearby. After seeing the guns and the hammer nearby, Victim 1 was afraid to tell the defendant to stop as he feared the defendant would hurt him. The defendant finally stopped and let Victim 1 get up and leave.

On the evening of August 18, 2020, Victim 1 and Victim 2 were spending the night at Victim 2's residence and had planned to attend "church" at the defendant's residence the following morning. Victim 1 told Victim 2 that he did not want to go to defendant's house the following day. Victim 1 then disclosed to Victim 2 that he was uncomfortable going to defendant's house as the defendant had touched him inappropriately. In hearing Victim 1's disclosure, Victim 2 shared that he too had been touched sexually by the defendant. Until that day, Victim 2 had believed he was the only one.

Victim 2, DOB: 12/23/2002 was a student in defendant's "shop" class in middle school during 8th and 9th grade. The defendant praised Victim 2 as being a skilled craftsman. The defendant then pursued a friendship with Victim 2 and would invite Victim 2 to his classroom to work on extra projects. From that time until the summer of 2020, the defendant hired Victim 2 to work on various projects around his residences. From 2018 until present time, the defendant purchased several unsolicited gifts for Victim 2 including a dirt bike, riding gear/clothing, a fishing depth finder, expensive work boots, snowmobile equipment and a \$5,000 lawn mower for Victim 2 to use for his lawn mowing job. The defendant often took Victim 2 and the other boys who work for him out to eat and always paid for them.

On December 31, 2018 the defendant took Victim 2 with his newly purchased dirt bike out to ride on the lake. Afterwards they returned to defendant's home. The defendant then asked Victim 2 if he wanted a massage. Victim 2 felt obligated to say yes as defendant had purchased the dirt bike, so he agreed to go into defendant's basement. The defendant instructed Victim 2 to lay down on two yoga mats with his face down. The defendant massaged Victim 2's legs and "butt area." The defendant told Victim 2 to roll over and he complied. The defendant then massaged Victim 2's legs and moved up towards his groin. The defendant then started to rub Victim 2's penis. This lasted for 10-15 seconds when Victim 2 got up and told defendant, "don't ever let that happen again." Victim 2 did not return to the defendant's residence for several months.

Over the following year and a half, the defendant asked Victim 2 if he could give him massages on several occasions and Victim 2 refused. The defendant would often slap Victim 2 and the other boys working on projects on the butt. The defendant would also ask for hugs before they would leave and engaged in "sack slapping" (slapping the testicles of another) on the boys.

Both Victim 1 and Victim 2 described the defendant's residence and that the defendant had several surveillance cameras on the outside of the home and in the basement. A search warrant was conducted of the XXX Lake St. South residence. The residence was as describe by both victims and cameras were located where the Victims said they would be. While officers were at the defendant's residence executing the search warrant, a third young male arrived (16 years old) and confirmed he too was a student of the defendant's and was there to work. In addition to Victim 1, Victim 2 and the third male that arrived, there were nine additional high school aged males that were identified by name as students that "worked" for the defendant on various projects.
