

A Safer Future – Safety of Children & Empowering Survivors

1

All survivors must be released from existing mandatory confidentiality agreements (NDAs).

2

No future settlements can include mandatory NDAs.

3

A Survivor Bill of Rights must be posted on their website and delivered to anyone reporting misconduct.

4

Prohibition of any one-on-one texts and private digital communications between adults and children.

5

An anonymous online reporting form must be added to the Archdiocese's website.

6

A non-retaliation statement must be posted protecting employees from termination, wage reduction, or adverse action for making a report.

7

Archbishop Cordileone to write letters of apology to survivors.
