

Transparency Required

Systemic Change Demanded, Required & Now Negotiated as the Core of This Proposed Settlement

1

An Independent Child Protection Consultant must be retained with full access to all files and records.

2

The consultant's report must be published on the Archdiocese website.

3

A partial list of "Credibly accused" offenders to be publicly released, with a process for more complete and robust disclosure.

4

The Survivor's Committee to select a survivor to sit on the Archdiocese Independent Review Board.

5

Whistleblower policy must be amended to cover reports of childhood sexual abuse.

6

Creation of a survivor-sensitive public archive to include survivor voices, Archdiocese documents, and personnel files of accused clergy.
